29.130 [Repealed by 1981 c 898 §53]

29.135 Garnishment described. Garnishment is the procedure by which a plaintiff on whose behalf a writ of garnishment has been issued against a defendant reaches tangible or intangible personal property of the defendant in the possession, control or custody of or debts or other monetary obligations owing by a third person. [1981 c.883 §3]

29.137 Persons by and for whom writs are issued. This section establishes by whom and for whom writs of garnishment are issued. Such writs may be issued only by and for the following described persons:

(1) The clerk of the court shall issue one or more writs of garnishment upon proper application and payment of the appropriate fee. Issuance under this subsection shall be by the clerk of the court for the county in which a judgment was originally entered or, if a judgment is from another jurisdiction and is registered in this state, the clerk of the court for the county in which the judgment was first filed in this state. The provisions of ORS 29.138 apply to writs

issued by a clerk under this subsection. Clerks will issue writs only for the following persons under this subsection:

(a) A person who complies with the requirements of ORCP 82 A.(3), (5) and (6), 82 B. to G., 83 and 84.

(b) A person on whose behalf a judgment requiring the payment of money has been entered in the register of actions.

(2) An attorney who is an active member of the Oregon State Bar may issue one or more writs of garnishment. The provisions of ORS 29.139 apply to writs issued by attorneys. Attorneys will issue writs under this subsection only for a person on whose behalf a judgment requiring the payment of money has been entered in the register of actions of a court of this state. [1987 c 873 §2]

29.138 Writs issued by court clerks; procedure; payments; release of property. This section establishes provisions that apply to writs of garnishment issued by court clerks under ORS 29.137. The following apply as described:

(1) All the following apply to the issuance of the writ:

(a) The form of the writ shall be substantially as provided in ORS 29.145. The clerk shall refuse to issue any of the following:

(A) A writ that does not substantially comply with ORS 29.145 and with this section.

(B) Any writ that is incomplete or contains improper instructions. Grounds for the clerk's refusal to issue a writ of garnishment under this subparagraph include, but are not limited to, any of the following:

(i) The clerk's inability to verify the existence of the action or judgment purported to be the basis for the writ.

(ii) The clerk's determination that such judgment is satisfied.

(b) The clerk is not responsible for verifying the amounts set forth on a writ issued by the clerk and is not liable for errors in the writ made by the plaintiff. The plaintiff shall be liable for any errors in the writ made by the plaintiff or for failure to complete the writ.

(c) Every writ issued by the clerk must be signed by the plaintiff or the plaintiff's agent or attorney. The signature constitutes a certificate by the person under ORCP 17 and is subject to the sanctions relating to such certification.

(d) The clerk shall in no way fill in or complete the writ other than to issue the writ or to certify copies of the writ. The plaintiff or the

plaintiff's agent or attorney must complete the writ form and supply the necessary copies.

(e) Every writ issued by the clerk must include or have attached a notice informing the defendant that the clerk has not verified the figures in the writ.

(f) Upon receipt of a writ that complies with the requirements of this section, the clerk shall promptly issue the writ.

(g) If the writ does not indicate that the writ is issued to enforce a judgment for the payment of money, the clerk shall attach to the writ and all copies of the writ a notice directing the garnishee as follows:

(A) If the garnishee owes a debt or other obligation to the debtor that is then due, the garnishee must deliver its certificate, together with any funds garnished by the writ, to the court.

(B) If the garnishee owes a debt or other obligation to the debtor that is not then due but will become due within 45 days after the garnishee receives the writ, the garnishee must deliver its certificate to the court, and, unless otherwise directed by the court, the garnishee must pay any funds garnished to the court when the debt or other obligation becomes due.

(C) If the garnishee owes a debt or other obligation to the debtor which is not then due and which will not become due within 45 days or holds other personal property of the debtor, the garnishee must deliver its certificate to the sheriff and to the court and must comply with any further directions the garnishee receives from the court or the sheriff.

(2) A writ of garnishment shall be valid for 60 days after the date of issuance by the clerk.

(3) All the following apply to payments made under the writ:

(a) Unless otherwise directed by the clerk, a garnishee shall deliver property under the writ directly to the plaintiff when provided under ORS 29.235, subject to the provisions of ORS 29.142 relating to claim of exemption and the provisions in ORS 29.255 relating to garnishee duties.

(b) When the clerk of the court receives a claim of exemption under ORS 29.142, the clerk thereafter shall reject any item received as payment that is not payable to the court and shall return it to the garnishee with instructions to reissue the payment as payable to the court. If the clerk receives a claim of exemption under ORS 29.142, the clerk shall retain any payment the clerk receives from the garnishee or the plaintiff

until the court determines the claim. The clerk shall then promptly disburse the funds as ordered by the court.

(c) If the garnishee sends payment to the court at any time other than when the clerk receives a claim of exemption, the clerk shall forward all payments payable to the plaintiff or to the plaintiff's attorney. When the defendant files a claim of exemption under ORS 29.142, the clerk shall comply with paragraph (b) of this subsection. If a payment to be passed through under this paragraph is payable to the court, the clerk may:

(A) Deposit and hold the payment until the payment is accepted as final where the deposit is made under ORS 74.2130 or as otherwise allowed under law; and

(B) Then forward the payment to the plaintiff or, if the plaintiff has an attorney known to the clerk, to the plaintiff's attorney.

(d) The clerk shall not be liable for interest on funds sent to the court in error if the clerk passes the funds through in a timely manner.

(e) The clerk shall not be liable for accepting any amount of payment. This paragraph applies even if the payment:

(A) Exceeds the amount required to satisfy the judgment or debts owed to the plaintiff;

(B) Exceeds amounts listed in the writ; or

(C) Is sent to the clerk in error.

(f) Within 10 days of receipt, a plaintiff or the plaintiff's attorney shall return to the defendant any payment received that exceeds the amount listed in the writ of garnishment, less any additional payments not shown in the writ. If payment was made by check or other draft, the plaintiff or plaintiff's attorney is not required to return the payment until 10 days after the payment is accepted as final where the payment is deposited under ORS 74.2130 or as otherwise allowed under law.

(g) The clerk of the court may return to the garnishee any payment received from the garnishee if the garnishee fails to do one or the other of the following:

(A) Include the certificate of garnishee.

(B) Explain that the payment is a voluntary payment on behalf of the defendant under ORS 18.410 or is a payment under another applicable statute, court order or legal process that requires or allows the garnishee to pay funds into the court.

(h) A payment by a garnishee shall be credited against the judgment or debt owed by the defendant as follows:

(A) If the garnishee disburses payment to the plaintiff or the plaintiff's attorney, on the date the garnishee disburses payment as required under ORS 29.235.

(B) If the garnishee disburses payment to the court, on the date the clerk disburses payment to the plaintiff or the plaintiff's attorney, unless the court otherwise orders. This subparagraph applies even when the garnishee makes payment to the court in error or when the clerk holds funds pending a claim of exemption.

(i) Except as provided in paragraph (f) of this subsection, the plaintiff shall hold any payment received for a period of 10 days after receipt. The payments shall be held in this state, shall be clearly identifiable and shall be held separate and apart from any account used for operating a business or used to pay personal or business expenses; but they may be commingled with other garnished funds.

(4) Any property subject to the writ may be released as provided under ORS 29.365. [1987 c 873 §3]

29.139 Writs issued by attorneys; procedure; payments; release of property. This section establishes provisions that apply to writs of garnishment issued by an attorney under ORS 29.137. The following apply as described:

(1) All the following apply to the issuance of the writ:

(a) The form of the writ shall be substantially as provided in ORS 29.147.

(b) Every writ issued by an attorney must be signed by the attorney. The signature constitutes a certificate by the attorney under ORCP 17 and is subject to the sanctions relating to such certification.

(c) The plaintiff or the plaintiff's agent or attorney must complete the writ form and supply the necessary copies.

(d) Every writ issued by an attorney must include or have attached a notice informing the defendant that the court has not verified the figures in the writ.

(2) A writ of garnishment shall be valid for 60 days after the date of issuance by the attorney.

(3) All the following apply to payments made under the writ:

(a) A garnishee shall deliver property under the writ directly to the plaintiff when provided under ORS 29.235, subject to the provisions of ORS 29.142 relating to claim of exemption and the provisions in ORS 29.255 relating to garnishee duties.

(b) When the clerk of the court receives a claim of exemption under ORS 29.142, the clerk thereafter shall reject any item received as payment that is not payable to the court and shall return it to the garnishee with instructions to reissue the payment as payable to the court. If the clerk receives a claim of exemption under ORS 29.142, the clerk shall retain any payment the clerk receives from the garnishee or the plaintiff until the court determines the claim. The clerk shall then promptly disburse the funds as ordered by the court.

(c) If the garnishee sends payment to the court at any time other than when the clerk receives a claim of exemption, the clerk shall forward all payments payable to the plaintiff or to the plaintiff's attorney. When the defendant files a claim of exemption under ORS 29.142, the clerk shall comply with paragraph (b) of this subsection. If a payment to be passed through under this paragraph is payable to the court, the clerk may:

(A) Deposit and hold the payment until the payment is accepted as final where the deposit is made under ORS 74.2130 or as otherwise allowed under law; and

(B) Then forward the payment to the plaintiff or, if the plaintiff has an attorney known to the clerk, to the plaintiff's attorney.

(d) The clerk shall not be liable for interest on funds sent to the court in error if the clerk passes the funds through in a timely manner.

(e) The clerk shall not be liable for accepting any amount of payment. This paragraph applies even if the payment:

(A) Exceeds the amount required to satisfy the judgment owed to the plaintiff;

(B) Exceeds amounts listed in the writ; or

(C) Is sent to the clerk in error.

(f) Within 10 days of receipt, a plaintiff or the plaintiff's attorney shall return to the defendant any payment received that exceeds the amount listed in the writ of garnishment, less any additional payments not shown in the writ. If payment was made by check or other draft, the plaintiff or plaintiff's attorney is not required to return the payment until 10 days after the payment is accepted as final where the payment is deposited under ORS 74.2130 or as otherwise allowed under law.

(g) The clerk of the court may return to the garnishee any payment received from the garnishee if the garnishee fails to do one or the other of the following:

(A) Include the certificate of garnishee.

(B) Explain that the payment is a voluntary payment on behalf of the defendant under ORS 18.410 or is a payment under another applicable statute, court order or legal process that requires or allows the garnishee to pay funds into the court.

(h) A payment by a garnishee shall be credited against the judgment owed by the defendant as follows:

(A) If the garnishee disburses payment to the plaintiff or the plaintiff's attorney, on the date the garnishee disburses payment as required under ORS 29.235.

(B) If the garnishee disburses payment to the court, on the date the clerk disburses payment to the plaintiff or the plaintiff's attorney, unless the court otherwise orders. This subparagraph applies even when the garnishee makes payment to the court in error or when the clerk holds funds pending a claim of exemption.

(i) Except as provided in paragraph (f) of this subsection, the plaintiff shall hold any payment received for a period of 10 days after receipt. The payments shall be held in this state, shall be clearly identifiable and shall be held separate and apart from any account used for operating a business or used to pay personal or business expenses; but they may be commingled with other garnished funds.

(4) Any property subject to the writ may be released as provided under ORS 29.365. [1987 c 873 §4]

29.140 [Repealed by 1981 c.898 §53]

29.142 Claims of exemption; procedure. When a defendant receives a copy of a writ of garnishment under ORS 29.215, the defendant may claim such exemptions from garnishment as are permitted by law. This section establishes provisions and procedures applicable to a defendant's claim of exemption. The following apply as described:

(1) The defendant may claim an exemption by completing the claim of exemption form described in ORS 29.225 or a substantially similar form and by delivering, in person or by first-class mail, the completed original form to the clerk of the court where the judgment was first obtained or, if a foreign judgment registered in this state, where the judgment was originally filed within 180 days after the writ of garnishment is delivered to the garnishee.

(2) The clerk, upon receipt of a claim of exemption under subsection (1) of this section, shall retain payments as provided under ORS 29.138 or 29.139 and, without unreasonable delay,

shall provide written notice of the claim of exemption as provided under this subsection. Upon receipt, the notice creates the duties under subsection (4) of this section. The notice may include the notice of hearing under subsection (5) of this section. The notice shall apprise garnishees, plaintiffs and plaintiffs' attorneys of consequences under this section of failure to comply with requirements under subsection (4) of this section. The clerk shall provide notice of claim of exemption as follows:

(a) To the plaintiff or the plaintiff's attorney.

(b) To the garnishee named in the writ. The clerk is not required to provide notice to the garnishee if the clerk knows that the garnishee has already forwarded any money or property subject to the garnishment.

(c) To the sheriff of the county where the writ was delivered to the garnishee. The clerk is not required to provide notice to the sheriff if the clerk knows that the garnishee was not required to notify the sheriff under ORS 29.235 or that the sheriff has already forwarded any property or proceeds subject to the garnishment.

(3) All the following apply to a defendant regarding a claim of exemption under this section:

(a) Nothing in the notice of exemption form under ORS 29.215 and 29.225 is intended either to expand or restrict the law relating to exempt property. Whether property is exempt from execution, attachment and garnishment shall be determined by reference to this section and other law.

(b) The court may impose sanctions on a defendant who files a claim of exemption in bad faith. The sanctions a court may impose under this paragraph are a fine of not more than \$100 and responsibility for attorney fees under ORS 20.105. A court's imposition of sanctions under this paragraph does not limit any remedy otherwise available to the plaintiff.

(c) The defendant has the burden to prove timely delivery of the claim of exemption.

(d) In addition to any other claims of exemption, the defendant may claim an exemption where the writ of garnishment claims an amount greater than the total amount the defendant asserts is due the creditor.

(e) In addition to any other claims of exemption, the defendant may claim as exempt any property that may not be taken by garnishment as described under ORS 29.205.

(4) The following are duties imposed upon the described parties who have received notice of

claim of exemption from the clerk under this section:

(a) The plaintiff or plaintiff's attorney shall send any garnished debt or obligation payable in money to the court by cash or by check or other draft made payable to the court. If the funds have not reached the court by the time of the exemption hearing, the clerk shall so notify the judge presiding at the hearing. If the court determines that any of the garnished funds should be disbursed to the defendant and the funds have not reached the court by the time of that determination, the court shall issue an order that the person obligated to return the funds under this paragraph appear and show cause why the person should not be held in contempt. In addition to contempt proceedings, the court may require the person to pay attorney fees under ORS 20.105. A court's imposition of sanctions under this paragraph does not limit any remedy otherwise available to the defendant. This paragraph does not apply in any circumstances where:

(A) The debt or obligation has not been forwarded to the plaintiff or plaintiff's attorney; or

(B) A garnishee is not required or allowed, by law, to disburse the debt or obligation.

(b) A garnishee who holds and has not yet forwarded:

(A) A debt or obligation payable in money shall send or deliver the garnished debt or obligation to the court by cash or by check or other draft made payable to the court. The garnishee shall make the delivery to the court within the time the garnishee would have otherwise been required to deliver or send the debt or obligation to the plaintiff. Any payments to be delivered from the garnishee to the clerk of the court under this paragraph shall be made payable to the court and not payable to the plaintiff. A garnishee who fails to comply with this paragraph is subject to ORS 29.275 and 29.285.

(B) Other property or a debt or obligation in existence but not yet due and which will not become due within 45 days shall comply with the direction of the sheriff under ORS 29.237 and 29.255.

(c) A sheriff who has received notice from a garnishee under ORS 29.235 or who holds property under the writ shall hold the property as provided under ORS 29.265.

(5) A defendant's claim of exemption is subject to the procedures under ORS 23.168 for a claim of exemption from execution. The clerk of the court shall immediately set a hearing date and

send notice of the hearing to the parties. Hearings on a claim of exemption may be held by telecommunication.

(6) If a claim of exemption is allowed by the court, the clerk shall return:

(a) The money or proceeds, or the exempt portion thereof, to the defendant within 10 days after the court's order allowing the claim of exemption.

(b) If any money or proceeds have been determined not to be exempt, the nonexempt portion to the plaintiff or plaintiff's attorney within 10 days after the court's order denying the exemption. [1987 c 873 §6]

STEP 1. COMPLETE THE CERTIFICATE AND SCHEDULE.

Within five days of receiving the writ, you must fill out and file the forms below called "Certificate of Garnishee" and, if required (see schedule form), the "Earnings Exemption Computation Schedule."

In filling out the form, you must describe any garnished property or debts you know you have in your possession. This writ garnishes only personal property of the Debtor you hold or debts you owe to the Debtor as of the date you received this writ, including debts that existed but were not yet due when you received this writ. You file these forms by following Step 2 below.

If you have questions, you should contact an attorney. The clerk of court cannot give you legal advice.

If the writ does not comply with Oregon law or if you cannot tell from the writ whether you hold any property or owe any debt to the Debtor, the writ does not garnish anything, but you must fill out the certificate anyway and follow Step 2. Keep a copy for your records.

If the writ does comply with Oregon law and you can tell that you may hold property of or owe a debt to the Debtor but you are not sure what or how much, you must fill out the certificate anyway and explain why. You must then follow Step 2. When you find out whether or what you do owe the Debtor, you should amend the certificate, even if you find out you do not owe the Debtor

anything. Follow Step 2 again and file the amended certificate.

After filing the certificate under Step 2, go on to Step 3 if you owe anything to the Debtor or hold property that belongs to the Debtor.

STEP 2. FILE THE CERTIFICATE AND SCHEDULE.

Within five days of receiving the writ, you must send all of the following (information to be filled in by Creditor):

The original certificate and schedule form to the clerk of (cross one out) district/circuit court of _____ County at:

Street address: _____
City _____ County _____
State _____ Zip code _____

A copy of the certificate and schedule form to the Debtor at (last known address):

Name _____
Street address _____
City _____ State _____
Zip Code _____
Telephone number (if known) _____

A copy of the certificate and schedule form to the Creditor at:

Name _____
Street address _____
City _____ State _____
Zip Code _____
Telephone number _____

A copy of the certificate to the Sheriff of the county where this writ was delivered to you. You will need to look up the address. You are required to send a copy to the Sheriff only if you hold personal property of the Debtor or owe a debt or other obligation payable to the Debtor other than a debt or other obligation payable that is due now or will become due within 45 days.

STEP 3. DELIVER THE FUNDS OR OTHER PROPERTY.

If you owe anything to the Debtor or hold property that belongs to the Debtor, you must do (a) or (b) below, or both, after you file the certificate under Step 2, depending on what you owe or hold:

(a) **MONEY OR OTHER OBLIGATION DUE WITHIN 45 DAYS.** If you owe or hold a debt or other obligation payable in money that is due now or will become due in 45 days, do the following:

Unless you receive a notice of claim of exemption or other direction from the court (a document or other notice from the clerk of the court telling you what to do with the money or

informing you that the Debtor is claiming that all or some of the money cannot be garnished), when you send your certificate or when the debt or other obligation becomes due, whichever is later, make your check or other draft payable to the Creditor and send the payment directly to the Creditor at the address shown in Step 2.

In making payments under this writ, you need to prorate any wages or periodic payments, so that you pay only the amount you owe the Debtor on the date you receive this writ.

If you receive a notice of claim of exemption from the court or direction from the court to deliver the money to the court and have not yet forwarded the money, send or deliver the payment directly to the clerk of the court. You must send the payment promptly with the Certificate of Garnishee if it is now due; otherwise, send it when it becomes due and send the Certificate of Garnishee as required under Step 2. If you make payment by check or other draft, make it payable to the court. Because you may be liable for money that does not reach the court, it is better not to send cash by mail.

AND/OR

(b) DEBTS DUE AFTER 45 DAYS AND OTHER PROPERTY. If you filed your certificate with the Sheriff under Step 2, do the following even if you receive a notice of claim of exemption from the court:

Hold subject to this garnishment the debt or property now in your possession, control or custody until you receive written notice from the Sheriff. The Sheriff's notice should tell you what to do with the debt or property. If the debt or property is not convenient for you to deliver to the Sheriff and you want the Sheriff to come get the property, you must explain this fact on the certificate.

If you have followed all of the steps in this writ and you receive no notice from the Sheriff within 30 days after this writ was delivered to you, you may treat this garnishment as being of no further force or effect.

As long as this writ is in effect, you may be liable to the Creditor if you pay any debt or turn over any property to the Debtor, except the exempt portion of any wages you owe to the Debtor unless you are otherwise directed by the court or unless the claim or judgment for which this writ of garnishment was given is satisfied in full.

EARNINGS EXEMPTION COMPUTATION SCHEDULE

The Garnishee must complete the following form and fill in the correct amounts only if the Garnishee is an employer of the Debtor under ORS 23.175.

- 1. Debtor's gross weekly "earnings" \$
2. Amounts required to be withheld by law (Federal and state withholding, social security, etc.) \$

29.235 Certificate of garnishee; delivery of certificate. Within five days from the date the writ of garnishment is delivered to the garnishee, the garnishee, subject to ORS 29.255, shall comply with all the following that are applicable:

(1) The garnishee shall prepare a certificate and deliver the certificate as provided under subsection (5) of this section. On the certificate, the garnishee shall state whether the garnishee has any property of the defendant and, if so, shall state the amount and description of any property of the defendant in the possession, control or custody of the garnishee at the time of delivery of the writ of garnishment, or an amount thereof sufficient to satisfy the plaintiff's claim or judgment, whichever is less. In complying with this subsection a garnishee shall do the following:

(a) In preparing the certificate, the garnishee shall prorate any wages or periodic payments earned over time to determine what amount of debt is in existence on the date the garnishee received the writ of garnishment.

(b) The garnishee shall deliver copies of the certificate as provided under subsection (5) of this section. The certificate shall be in substantially the form set forth in the writ of garnishment described in ORS 29.145 or 29.147, as appropriate.

(c) If the garnishee can tell from the writ that the garnishee may owe money to or hold property of the defendant but is not sure what or how much, the garnishee shall so state on the certificate and shall state that the garnishee will file an amended certificate when the garnishee finds out. When the garnishee determines whether, what or how much the garnishee owes or holds, the garnishee shall file an amended certificate.

(2) If the garnishee determines that the writ of garnishment does not comply on its face with ORS 29.145 or 29.147, as appropriate, or if the garnishee is unable to determine from the information contained in the writ whether the property the garnishee holds is the property of the defendant, the writ of garnishment shall be ineffective to garnish the property of the defendant. If this subsection applies, the garnishee shall deliver its certificate as provided under subsection (5) of this section, noting thereon:

(a) The noncompliance with ORS 29.145 or 29.147; or

(b) The garnishee's inability to determine from the information contained in the writ whether the garnishee holds property of the defendant.

(3) If the garnishee has no property of the defendant in the garnishee's possession, control or custody at the time of delivery of the writ of garnishment to the garnishee, the garnishee shall so note on the writ and shall deliver its certificate as provided under subsection (5) of this section.

(4) If the garnishee has property of the defendant in the garnishee's possession, control or custody at the time of delivery of the writ of garnishment to the garnishee, the garnishee shall comply with all of the following that are applicable:

(a) If the property garnished is a debt or other obligation payable in money, the garnishee shall deliver the certificate of garnishee and the copies as provided under subsection (5) of this section. Unless otherwise directed by the court, the garnishee shall also then pay to the plaintiff or plaintiff's attorney the money or so much of the money as will satisfy the claim or judgment, unless the garnishee has received a notice of claim of exemption.

(b) If the property garnished is property other than a debt or other obligation payable in money, the garnishee shall mail or deliver its certificate to the sheriff of the county in which the writ was delivered, together with a copy of the writ. The delivery to the sheriff under this paragraph is in addition to delivery under subsection

(5) of this section. The garnishee shall then hold the garnished property, or an amount thereof sufficient to satisfy the garnishment, until the sheriff notifies the garnishee, under ORS 29.237, either what to do with such property or that the garnishment is terminated or released. Upon receiving notice from the sheriff, the garnishee shall comply with the applicable provisions of ORS 29.255.

(c) If the garnishee receives a notice of claim of exemption while holding garnished property, the garnishee shall comply with any applicable provisions under ORS 29.142 and 29.255.

(5) When this section requires a garnishee to deliver any certificate or other response, the garnishee shall do so by mailing or delivering to all of the following people at the addresses stated in the writ of garnishment:

(a) The clerk of the court.

(b) The plaintiff or, if the name and address of the attorney is shown on the writ, the plaintiff's attorney.

(c) The defendant. [1981 c 883 §12; 1983 c 622 §3; 1987 c 873 §14]

Notwithstanding ORS 29.275 and without limiting its effect, the sheriff shall accept a garnishee's certificate that is mailed or delivered to the sheriff under ORS 29.235 after five days from the date the writ of garnishment was delivered to the garnishee. Upon the sheriff's receipt of the garnishee's certificate, the following are applicable to the sheriff:

(1) Within five days after the receipt by the sheriff of a garnishee's certificate pursuant to ORS 29.235, the sheriff shall send or deliver a copy of the certificate to the plaintiff or plaintiff's attorney, together with a notice setting forth the sheriff's fees for taking possession of and selling the property and advising the plaintiff that the sheriff will direct the garnishee to deliver the property described in the certificate only if, within 20 days after the date on which the writ of garnishment was delivered to the garnishee, the sheriff receives the fees set forth in the notice. The sheriff shall then proceed as provided under ORS 29.265.

(2) If the plaintiff pays the sheriff's fees within the time provided in subsection (1) of this section, the sheriff shall promptly mail or deliver a written notice to the garnishee directing the garnishee to mail or deliver the garnished property, or an amount thereof sufficient to satisfy the garnishment, to the sheriff.

(3) If the plaintiff fails to pay the sheriff's fees within the time provided in subsection (1) of

this section, upon the expiration of that period the garnishment of the property described in the garnishee's certificate shall be of no further force or effect, and the sheriff shall promptly give the garnishee notice in writing of the termination of the garnishment.

(4) If the property held by the garnishee is a debt which is then in existence but not yet due, and which will not become due within 45 days after the date on which the writ of garnishment is delivered to the garnishee, or if the property is in the possession of the garnishee on an unexpired bailment or lease, or pursuant to a security interest granted by the defendant to the garnishee, or stock not evidenced by a negotiable certificate, then the sheriff shall do the following:

(a) Upon the sheriff's receipt of the garnishee's certificate, the sheriff shall send or deliver a copy of the certificate to the plaintiff, together with the notice described in subsection (1) of this section. Upon the receipt of the sheriff's fees, at any time after the entry of a judgment against the defendant, unless a claim of exemption has been filed with the clerk and the claim is pending, the sheriff shall sell the defendant's interest in the property according to the certificate.

(b) Within five days following the sale of the defendant's interest in the property, the sheriff shall advise the garnishee in writing of the identity of the purchaser and that the purchaser will be entitled to possession of the property as provided under ORS 29.355. [1987 c. 873 §15]

(2) Nothing contained in subsection (1) of this section shall preclude any of the owners of the property from asserting said owner's interest in or right to said property or any part thereof. To assert such a claim, the owner or owners, or any of them, shall complete and file with the court which issued the writ of garnishment an application in substantially the form set forth in ORS 29.225 (2). Upon the filing of said application, the claim shall be adjudicated in a summary manner at a hearing before said court. [1981 c.883 §13]

29.250 [Repealed by 1981 c.898 §53]

29.255 Duty of garnishee when court directs or release is delivered; effect of due date of debt or sale of defendant's interest; effect on personal representative; payment of exempt wages. In the circumstances described, the following apply to a garnishee and control over any provision of ORS 29.205 to 29.235 or 29.237 that conflicts:

(1) The garnishee shall have no duty to deliver the certificate or to deliver or hold subject to the garnishment any property pursuant to ORS 29.235 if garnishee is otherwise directed by the court or if a release of the garnishment has been delivered to the garnishee pursuant to ORS 29.365.

(2) If the property is a debt which is then in existence but not yet due, and which will become due within 45 days after the date on which the writ of garnishment is delivered to the garnishee, the following apply to the garnishee:

(a) The garnishee shall comply with ORS 29.235 relating to the preparation and delivery of the certificate.

(b) The garnishee is not required to deliver the property until the debt becomes due. Then, within five days after the debt becomes due, unless the garnishment has been satisfied or released, the garnishee shall mail or deliver to the appropriate person under ORS 29.235 or 29.237 the amount of the debt then due, or an amount thereof sufficient to satisfy the plaintiff's claim or judgment, whichever is less.

(c) If the garnishee receives a notice of claim of exemption at any time before the garnishee mails or delivers the amount due, the garnishee shall comply with ORS 29.142.

(3) If the property is a debt which is then in existence but not yet due, and which will not become due within 45 days after the date on which the writ of garnishment is delivered to the garnishee, or if the property is in the possession of the garnishee on an unexpired bailment or lease, or pursuant to a security interest granted by the defendant to the garnishee, or stock not evidenced by a negotiable certificate, the following apply to the garnishee:

(a) The garnishee shall not be required to deliver the property, but shall instead hold the property pending receipt of the advice provided for in ORS 29.237.

(b) The garnishee shall comply with the requirements of ORS 29.235 to mail or deliver to the sheriff the garnishee's certificate designating the amount and description of the property and shall note thereon the garnishee's reason for not delivering the property.

(c) If the garnishee has not received the notice provided for in ORS 29.237 by the date on which the debt becomes due or the garnishee's interest in the property expires, then, unless the garnishee has been notified in writing by the plaintiff or the sheriff that the sale of the defendant's interest therein has been delayed, the garnishee may proceed to deal with the property as if the garnishment had not been issued.

(d) Within five days following the garnishee's receipt of written notice from the sheriff, identifying the purchaser of the defendant's interest, the garnishee shall pay the debt or deliver the property, as the case may be, to the purchaser of the defendant's interest therein. However, if, upon the garnishee's receipt of said written advice or notice, the debt remains not yet due or the bailment, lease or security interest has not yet expired or been satisfied or released, as the case may be, the garnishee shall not be required to deliver the property to the purchaser or the defendant until five days after the debt is due, the bailment or lease has expired, or the indebtedness secured by the property is satisfied or the security interest is released.

(4) Garnishment shall not impair the powers of a personal representative over estate property for the purposes of administration. The personal representative shall prepare a certificate, noting thereon that the property is estate property subject to administration. Such certificate shall be delivered in compliance with ORS 29.235. The personal representative shall also file a copy of the writ of garnishment and certificate in the office of the clerk of the court in which the estate is being administered and report the garnishment to the court in any petition for distribution. In a decree made upon such petition, distribution shall be ordered to the heir or legatee, but delivery shall be ordered to the sheriff, the plaintiff or the plaintiff's attorney, as the case may be.

(5) If the garnishee receives notice from the sheriff under ORS 29.237 within 30 days after the writ of garnishment was delivered to the garnishee, the garnishee shall mail or deliver the garnished property, or an amount thereof sufficient to satisfy the garnishment, to the sheriff within five days after receipt of the notice. In the following circumstances, however, the garnishee is not required to mail or deliver property to the sheriff, but shall comply with the following:

(a) If the property is not conveniently deliverable, the garnishee may note that fact on the certificate, and may continue to hold the property until the sheriff takes possession thereof.

(b) If the garnishee receives notice from the sheriff that the plaintiff has failed to pay the

sheriff's fees within the time required by ORS 29.237, effective on the date of such receipt the garnishee may deal with the garnished property as if the writ of garnishment had not been delivered to the garnishee.

(c) If the garnishee receives no notice from the sheriff under ORS 29.237 within 30 days after the date on which the writ of garnishment was delivered to the garnishee, the garnishment shall be of no further force or effect, and the garnishee may deal with the garnished property as if the writ of garnishment had not been delivered to the garnishee.

(6) Garnishees who are employers shall pay the exempt portion of earnings to defendants who are employees. The garnishee may determine the exempt portion of such earnings in accordance with the Earnings Exemption Computation Schedule contained in the writ of garnishment delivered to the garnishee.

(7) Notwithstanding any provision of ORS 29.125 to 29.375, the garnishee may deliver under ORS 29.235 or to the clerk of the court any property that the garnishee reasonably believes may have been garnished. The garnishee shall have no duty to determine whether property held by the garnishee is exempt from garnishment or is a property interest subject to garnishment. [1981 c 883 §14, 1987 c 873 §16]

29.260 [Repealed by 1981 c 898 §53]

29.265 Disposition of property delivered to court clerk or sheriff; payment of expenses; claim of exemption. (1) Property delivered to the clerk of the court in accordance with ORS 29.235 shall be disposed of as follows:

(a) If the writ of garnishment was issued pursuant to an order for provisional process, the clerk shall hold the money pending final judgment against the defendant unless the court finds, upon a claim of the defendant, that the property, or some part thereof, is exempt from execution. If final judgment is rendered in favor of the defendant, the court shall order the clerk to pay the money to the defendant. If final judgment is rendered in favor of plaintiff, unless a claim of exemption has been filed by the defendant with the clerk and is pending, the court shall order the clerk to pay to the plaintiff so much of the money as will satisfy the judgment, and to pay the remainder to the defendant.

(b) If the writ of garnishment was issued pursuant to a final judgment, the clerk shall proceed as provided under ORS 29.138, 29.139 and 29.142 with respect to any money or property delivered to the clerk.

(2) Property delivered to the sheriff in accordance with ORS 29.235, 29.237 or 29.255 shall be disposed of as follows:

(a) If the writ of garnishment was issued pursuant to an order for provisional process, the sheriff shall hold nonperishable property pending final judgment against the defendant unless the court finds, upon a claim of the defendant, that the property, or some part thereof, is exempt from execution. If final judgment is rendered in favor of the defendant, the court shall order the sheriff to deliver the property to the defendant. If final judgment is rendered in favor of the plaintiff, unless a claim of exemption has been filed by the defendant with the clerk and is pending, the court shall order the sheriff to sell the property in the same manner in which property is sold on execution.

(b) If the writ of garnishment was issued pursuant to a final judgment, then 15 days after receipt of the property, unless a claim of exemption has been filed under ORS 29.142 and is pending, the sheriff shall sell the property in the same manner in which property is sold on execution. If the sheriff receives a notice of claim of exemption under ORS 29.142, the sheriff shall hold the property pending a court order and shall dispose of the property as ordered by the court.

(c) If the garnished property is perishable, or livestock and the cost of keeping is great, the sheriff shall sell the property in the same manner in which property is sold on execution.

(3) The plaintiff shall be liable for the sheriff's reasonable expenses in taking and keeping property tendered pursuant to this section. If final judgment is rendered in favor of the plaintiff, such expenses shall be allowed as disbursements.

(4) Notwithstanding subsections (1) and (2) of this section, if the plaintiff notifies the clerk or the sheriff that the money or property should be released to the defendant, the clerk or the sheriff shall promptly release it. [1981 c 883 §15, 1987 c 873 §17]

(a) The amount required to satisfy plaintiff's claim or judgment; or

(b) The value of the defendant's property held by the garnishee at the time of the garnishee's receipt of the writ of garnishment.

(2) Delivery of the property by the garnishee to the sheriff or clerk of the court, as the case may be, shall discharge the garnishee from liability to the plaintiff for the value thereof. The answer shall be on oath, and shall contain a full and direct response to all the allegations and interrogatories.

(2) If the garnishee or officer thereof fails to answer, the court, on motion of the plaintiff, may compel the garnishee or officer thereof to do so, or the plaintiff may, at any time after the entry of judgment against the defendant, have judgment against the garnishee for want of answer. procedure. (1) Notwithstanding ORS 29.155, any state agency authorized to issue warrants to collect taxes and debts owed to the State of Oregon, including but not limited to warrants issued pursuant to ORS 179.655, 267.385, 314.430, 316.207, 320.080, 321.570, 323.390, 657.642 and 767.865, may garnish property of a defendant in the possession of a person other than the plaintiff or defendant by delivery to such person of a warrant together with a notice of garnishment.

(2)(a) Where the garnishment is on an employer, the state agency shall use a notice of continuous garnishment as the notice of garnishment under subsection (1) of this section. A continuous garnishment shall continue in full force and effect on the garnishee until the garnishee has paid the state agency the full amount of the warrant, or the garnishment is released by the agency or by court order, or other disposition is made by court order. The garnishment shall contain language reasonably designed to notify the garnishee of the provisions of this subsection.

(b) Each time an amount due the defendant is payable, and in any event not less than once every 30 days, until the continuous garnishment is no longer effective the garnishee shall make the delivery required by subsection (4) of this section.

(c) Notwithstanding paragraph (a) of this subsection, if the state agency has reason to believe that a taxpayer intends to leave the state or do any other act that would jeopardize the collection of any tax or debt owed to the state, the state agency may issue a garnishment pursuant to subsection (1) of this section.

(3) Notwithstanding ORS 29.165, a warrant and notice of garnishment delivered under subsection (1) or (2) of this section may be delivered in person by any employe of the state agency authorized by the agency to deliver such warrant and notice of garnishment, or by certified mail return receipt requested. Such employe need not be covered by errors and omissions insurance as provided by ORS 29.165.

(4) Notwithstanding ORS 29.235, the garnishee shall deliver the certificate of the garnishee together with the garnished property to the state agency which issued the warrant.

(5) Except as provided in this section, all provisions of ORS 29.125 to 29.365 shall apply to garnishments under a warrant and notice of garnishment. [1981 c.883 §28; 1983 c 622 §2]
