INCORPORATION OF CITIES

221.005 Legislative findings; policy.

The Legislative Assembly finds that the provisions of ORS 199.476, 221.031, 221.040, 221.061, 221.106, 221.735 and this section are necessary to provide for the orderly incorporation of territory adjoining existing cities. However, the Legislative Assembly does not intend that the incorporation of such territory affect the authority of special districts to enter into agreements with cities newly incorporated under ORS 199.476, 221.031, 221.040, 221.061, 221.106, 221.735 and this section for the performance of functions, services and activities by the district within the boundaries of the city. [1981 c.890 §1]

Note: 221.005 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 221 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

221.010 Definitions for ORS 221.020 to 221.100. As used in ORS 221.020 to 221.100, unless the context requires otherwise:

(1) "County court" means a county court or board of county commissioners.

(2) "City," except in the term "incorporated city" in ORS 221.020, means a city incorporated under ORS 221.020 to 221.100 or proposed to be incorporated.

(3) "Population" means a city's population as shown by the latest annual estimate made pursuant to ORS 190.520.

(4) "Urbanized area" means territory within three miles of a city. [Amended by 1965 c.579 §1; 1973 c.432 §1; 1983 c.83 §16]

221.020 Authority to incorporate. The people of an area, no part of which lies in an incorporated city and in which 150 persons reside, may incorporate a city by approving at an election called and held according to ORS 221.031 to 221.061 a proposition provided by those sections for incorporating the city.

221.030 [Amended by 1965 c.579 §2; 1973 c.432 §2, repealed by 1981 c.890 §2 (221.031 enacted in lieu of 221.030)]

221.031 Petition to incorporate; filing; form; contents; approval by adjoining city.

(1) Before circulating a petition to incorporate unincorporated territory as a city, the petitioners shall file with the county clerk of the county in which the proposed city lies or, should it lie in more than one county, to the county clerk of the county in which the largest part of its territory lies, a petition for incorporation in a form prescribed by rule of the Secretary of State. The

county clerk shall immediately date and time stamp the prospective petition and shall authorize the circulation of the petition. The county clerk shall retain the prospective petition and shall immediately send two copies of the prospective petition to the appropriate county court.

(2) A petition for incorporation filed with the county clerk under subsection (1) of this section shall designate the name and residence address of not more than three persons as chief petitioners, who shall be electors registered within the boundaries of the proposed city. The petition shall contain the name of the proposed city. The petition shall also include an estimate of the range of tax rates, expressed in dollars per thousand dollars of assessed value, that will be required to provide the services or functions of the proposed city. There shall be attached to the cover sheet of the petition a map indicating the exterior boundaries of the proposed city. The map shall not exceed 14 inches by 17 inches in size and shall be used in lieu of a metes and bounds or legal description of the proposed city. If the territory proposed to be incorporated is within the jurisdiction of a local government boundary commission, the petition shall be accompanied by the economic feasibility analysis required under ORS 199.476 (1). Notwithstanding subsection (1) of this section, unless the economic feasibility analysis is approved by the local government boundary commission as provided in ORS 199.522, the county clerk shall not authorize the circulation of the petition.

(3) Each sheet of signatures shall be attached to a full and correct copy of the petition for incorporation. Not more than 20 signatures on each sheet of the petition for incorporation shall be counted. Each signature sheet shall be verified on its face by the signed statement of the circulator that the individuals signed the sheet in the presence of the circulator and that the circulator believes each individual is an elector registered in the county. If the territory proposed to be incorporated is within the jurisdiction of a local government boundary commission, each signature sheet shall contain a statement that the economic feasibility analysis for the proposed city was approved by the boundary commission, that the analysis is available for inspection at the offices of the boundary commission and that subsequent to the gathering of the petitions the boundary commission must review and finally approve the proposal prior to submission at an election.

(4) Except as provided in section 5, chapter 890, Oregon Laws 1981, when any of the area proposed to be incorporated lies within an

urbanized area, the petition required by subsections (1) and (2) of this section, in addition to the requirements of such subsections, and in order to be sufficient to allow for calling a public hearing under ORS 221.040, shall meet one of the following requirements:

(a) Be accompanied by a resolution approving the proposed incorporation adopted by the city or cities whose proximity would otherwise prohibit incorporation; or

(b) Be accompanied by an affidavit, signed by any person requesting incorporation, stating that the city or cities whose proximity would otherwise prohibit incorporation have failed to take any action pursuant to the request within 120 days of its submission. [1981 c.890 §3 (enacted in lieu of 221.030); 1983 c 83 §17; 1987 c.882 §12]

Note: The amendments to 221.031 by section 12, chapter 882, Oregon Laws 1987, take effect July 1, 1988. See section 15, chapter 882, Oregon Laws 1987

Note: Sections 5 and 12, chapter 890, Oregon Laws 1981, as amended by chapter 737, Oregon Laws 1987, provide.

Sec. 5. (1) When any of the territory proposed to be incorporated is within the jurisdiction of a local government boundary commission, if the area contains more than 20,000 residents and has an average population density greater than 1,920 persons per square mile, subsection (4) of section 3 of this 1981 Act shall not apply to the proposed incorporation.

(2) When all of the area proposed to be incorporated lies outside the jurisdiction of a local government boundary commission and lies within the urban growth boundary of a city, if the area contains more than 20,000 residents and has an average population density greater than 1,920 persons per square mile, subsection (4) of section 3 of this 1981 Act shall not apply to the proposed incorporation. When subsection (4) of section 3 of this 1981 Act does not apply to a proposed incorporation by reason of this subsection, the county court to which the petition to incorporate is presented under ORS 221.030 shall, with regard to such petition, exercise the powers of a local government boundary commission granted under ORS 199 461, 199.462, 199.463, 199 465 and 199 480

Sec. 12. Presentation of petitions for incorporation of territory to which ORS 221.031 (4) does not apply by reason of section 5, chapter 890, Oregon Laws 1981, shall not be allowed after December 31, 1989. On that date, section 5, chapter 890, Oregon Laws 1981, is repealed. [1981 c.890 §12; 1987 c.737 §9]

221.040 Hearing on petition to incorporate; order fixing date of election on approved petition. (1) When a petition for incorporation described in ORS 221.031 is signed by 20 percent or, in a county with a population over 300,000, by 10 percent, of the electors registered in the area proposed to be incorporated, the petition shall be filed with the county court of the county in which the proposed petition was filed under ORS 221.031. Upon the filing of the petition, the county court shall fix the time and place for the hearing of such petition and shall give

notice thereof by publication once each week for two successive weeks in a newspaper published in the county where the petition is filed and of general circulation within the boundaries, and by posting the notice for the same period of time in three public places in the area proposed to be incorporated. The notice shall state the time and place of the hearing, describe the boundaries set forth in the petition and state the purpose of the petition. If any portion of the proposed incorporation of a city lies within another county or counties, then the notice shall be published in a newspaper of general circulation in each of the counties and in the same time and manner.

(2) At the time and place fixed for the hearing, or at any time and place at which the hearing may be continued or postponed, any person interested may appear and present oral or written objections to the granting of the petition, the forming of the proposed incorporated city or the estimated rate of taxation set forth in the petition. The court may alter the boundaries as set forth in the petition to include all territory which may be benefited by being included within the boundaries of the proposed incorporated city, but shall not modify boundaries so as to exclude any land which would be benefited by the formation of the proposed city. No land shall be included in the proposed city which will not, in the judgment of the court, be benefited. If the court determines that any land has been improperly omitted from the proposed city and the owner has not appeared at the hearing, it shall continue the hearing and shall order notice given to the nonappearing owner requiring the owner to appear before it and show cause, if any the owner has, why the owner's land should not be included in the proposed city. The notice shall be given by publication and posting in the same manner as the original notice for hearing and for the same period. For the purposes of this subsection, "owner" means the legal owner of record except that if there is a vendee under a duly recorded contract, the vendee shall be deemed to be the owner.

An appeal may likewise be taken in such cases from the judgment or final order of the district court or circuit court to the Court of Appeals in the same manner as other appeals are taken from the district court or circuit court to the Court of Appeals in other criminal cases. Where the right of appeal in such cases depends upon there being involved an issue as to the constitutionality of the charter provision or ordinance, the decision of the appellate court shall be upon such constitutional issue only. [Amended by 1969 c 198 §78, 1985 c 342 §17]

Whenever the validity of a charter or ordinance provision of any city comes in issue in a trial for violation of charter or ordinance provision, the trial judge shall determine such issue of validity and make a decision and order thereon before making any decision as to the facts in the particular case.

221.380 Appeal by city from invalidating order; release of defendant during appeal. From an order declaring a charter or

ordinance provision invalid, the city may appeal from the municipal or recorder's court to the district court, or if there is no district court, to the circuit court, for the county in which the city has its legal situs and maintains its seat of city government; and, from such order by a district court or circuit court, may appeal to the Court of Appeals, in the same manner as appeals are taken in criminal cases to such courts. Upon the order of the appellate court upon such issue the case shall be remanded with direction. If a city so appeals, pending the appellate decision thereon, the defendant shall be released, with or without bond, for reappearance at the discretion of the trial court, until such time as the case is remanded. [Amended by 1975 c.227 §1; 1985 c.342 §18]

221.390 Trial, procedure and sentence in district or circuit court on appeal from municipal court. (2) Within 10 days following the return of the verdict in the district court or circuit court, the clerk of the court shall notify the recorder or corresponding officer of the city, in writing, of the outcome of the trial, and shall give like notice of any sentence imposed.

(3) Upon a verdict of guilty the district or circuit court judge may impose any sentence within the limits prescribed by the charter or ordinance for violation of which the conviction was had, and if a fine is imposed, it shall be paid to the clerk of the court and by the clerk remitted, on or before the 10th day of the following month, to the proper city officer.

(4) This section does not apply where the appeal involves only an issue of constitutionality of the charter or ordinance. [Amended by 1985 c.342 §19]

221.400 [Repealed by 1971 c.633 §8]

AUTHORITY TO REGULATE LOCAL MATTERS; LICENSING AND TAXATION

221.410 Power of city to control local affairs; limitation of floating indebtedness; cities affected. (1) Except as limited by express provision or necessary implication of general law,

a city may take all action necessary or convenient for the government of its local affairs.

(2) No city, unless authorized to do so by its electors, shall contract a voluntary floating indebtedness in excess of the sum of \$5,000 for general city purposes. A city official or employe who creates or officially approves such an indebtedness in excess of the limitation shall be liable for the amount of the excess.

(3) Cities affected by subsections (1) and (2) of this section are those defined in ORS 221.010.

221.415 Municipal rights of way; use by electric utilities; power of city to regulate and impose charges. Recognizing the independent basis of legislative authority granted to cities in this state by municipal charters, the Legislative Assembly intends by ORS 221.415, 221.420, 221.450 and 261.305 to reaffirm the authority of cities to regulate use of municipally owned rights of way and to impose charges upon publicly owned suppliers of electrical energy, as well as privately owned suppliers for the use of such rights of way. [1987 c.245 §1]

Note: 221.415 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 221 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

221.420 Municipal regulation of public utilities. (1) As used in this section:

(a) "Public utility" has the meaning for that term provided in ORS 757.005.

(b) "Commission" means the Public Utility Commission of Oregon.

(c) "Council" means the common council, city council, commission or any other governing body of any municipality wherein the property of the public utility is located.

(d) "Municipality" means any town, city or other municipal government wherein property of the public utility is located.

(e) "Service" is used in its broadest and most inclusive sense and includes equipment and facilities.

(2) Every city may:

(a) Determine by contract or prescribe by ordinance or otherwise, the terms and conditions, including payment of charges and fees, upon which any public utility, electric cooperative or people's utility district may be permitted to occupy the streets, highways or other public property within such city and exclude or eject any public utility therefrom.

(b) Require any public utility, by ordinance or otherwise, to make such modifications, addi-

tions and extensions to its physical equipment, facilities or plant or service within such city as shall be reasonable or necessary in the interest of the public, and designate the location and nature of all additions and extensions, the time within which they must be completed, and all conditions under which they must be constructed.

(c) Except for a telecommunications public utility, as defined in ORS 757.005, fix by contract, prescribe by ordinance, or in any other lawful manner, the rates, charges or tolls to be paid to, or that may be collected by, any public utility or the quality and character of each kind of product or service to be furnished or rendered by any public utility furnishing any product or service within such city. No schedule of rates, charges or tolls, fixed in the manner provided in this paragraph, shall be so fixed for a longer period than five years. Whenever it is proposed by any city to enter into any contract, or to enact any ordinance, or other municipal law or regulation concerning the matters specified in this paragraph, a copy of such proposed contract, ordinance or other municipal law or resolution shall be filed with the Public Utility Commission of Oregon before the same may be lawfully signed or enacted, as the case may be, and the commission shall thereafter have 90 days within which to examine into the terms thereof. If the commission is of the opinion that in any respect the provisions of the proposed contract, ordinance or other municipal law or resolution are not in the public interest, the commission shall file, in writing, with the clerk or other officer who has the custody of the files and records of the city, the commission's reasons therefor. If the objections are filed within said period of 90 days, no proposed contract, ordinance or other municipal law or regulation shall be valid or go into effect until it has been submitted to or ratified by the vote of the electors of the city. Unless and until a city exercises its powers as provided in this paragraph, the commission is vested with all powers with respect to the matters specified in this paragraph. If the schedule of rates, charges and tolls or the quality and character of each kind of product or service is fixed by contract, ordinance or other municipal law or regulation and in the manner provided in this paragraph, the commission has no power or jurisdiction to interfere with, modify or change it during the period fixed thereby. Upon the expiration of said period such powers shall again be vested in the commission, to be exercised by the commission unless and until a new schedule of rates or the quality and character for such service or product is fixed or prescribed by contract, ordinance or other munic-

ipal law or regulation in the manner provided in this paragraph.

(d) Provide for a penalty for noncompliance with the provisions of any charter provision, ordinance or resolution adopted by the city in furtherance of the powers specified in this subsection. [Amended by 1971 c.655 §245; 1987 c.245 §2, 1987 c.628 §1]

However, the gross revenues earned in interstate commerce or on the business of the United States Government shall be exempt from the provisions of this section. The privilege tax authorized in this section shall be for each year, or part of each year, such utility, cooperative or district operates without a franchise. [Amended by 1987 c.245 §3]

221.470 Removal of structures on expiration of grant or franchise. (1) All property and materials (including poles, posts, towers, wires, conduits, mains, pipes, rails, tracks, ties, railways, pole lines, telegraph, telephone or electric transmission lines, or structures or equipment of any kind) placed in, on, upon, over, under or beneath any public highway, street or alley of this state or municipal corporation, under or by virtue of any grant, privilege or franchise, shall be removed by the owners or owner of the same within one year after the expiration of the grant, privilege or franchise, which permitted the erection or installation of the same, unless further time is granted by the municipal corporation having authority so to do.

(2) Except as otherwise provided in subsection (3) of this section, if all the property and materials referred to in subsection (1) of this section are not removed within one year after the termination or expiration of the grant, privilege or franchise or such further time as may be granted by the state or municipal corporation, all and every part thereof shall be forfeited and escheated to the state or municipal corporation wherein situated.

221.480 [Repealed by 1981 c.288 §1]

221.485 Policy on vehicles for hire. The Legislative Assembly finds and declares that privately owned taxicabs, limousines and other vehi-

cles for hire are a vital part of the transportation system within this state and provide necessary services in response to the needs of state residents, tourists and business representatives from outside this state. Consequently, the safety and reliability of such vehicles and the economic well-being and stability of their owners and operators are matters of public concern. The regulation of such vehicles is an essential government function and, therefore, it is the intent of the Legislative Assembly to reaffirm the authority of political subdivisions in this state to regulate the operation of privately owned taxicabs, limousines and other vehicles for hire and to exempt such regulation from liability under federal antitrust laws. [1985 c.475 §1]

221.490 [Repealed by 1981 c.288 §1]

221.495 Local franchise authority over vehicles for hire. The power to regulate granted under this section includes, but is not limited to:

(1) Regulating entry into the business of providing taxicab, limousine or other similar services.

(2) Requiring a license or permit as a condition for operation of taxicabs, limousines and other vehicles for hire and revoking, canceling or refusing to reissue a license or permit for failure to comply with regulatory requirements.

(4) The question of disincorporation shall be submitted to the electors of the city at an election held on the first Tuesday after the first Monday in November in any year, but shall not be submitted more than once in two consecutive calendar years. [1983 c.350 §27 (enacted in lieu of 221.620, 221.630, 221.640 and 221.660), 1987 c.784 §1]

The adjusted population of a city shall be determined pursuant to the following formula:

$$\text{City population} \times \left\{ \frac{\text{Local consolidated property taxes per capita for the city}}{\text{Average consolidated property taxes per capita for all cities}} + \frac{\text{State income per capita}}{\text{City income per capita}} \right\}$$

(5) The amount apportioned to each city shall be further limited to an amount no greater than the amount of all property taxes levied by the city during the year previous to the year in which distributions are made.

221.901 Cities organized under 1893 Act; officers; "city" defined for ORS 221.901 to 221.928. (1) The officers of every municipal corporation organized under sections 1 to 6, pages 119 to 123, Oregon Laws 1893, shall be a mayor, six aldermen, a recorder, who shall be ex

officio clerk of the common council, a marshal, a treasurer and such subordinate officers as are provided in ORS 221.902.

(2) Unless the context indicates otherwise, "city" as used in ORS 221.901 to 221.928 includes any area or territory incorporated under sections 1 to 6, pages 119 to 123, Oregon Laws 1893.

221.902 City officers; elective; appointive; terms. (1) The mayor, aldermen, recorder, treasurer, and marshal of a municipal corporation organized under sections 1 to 6, pages 119 to 123, Oregon Laws 1893, shall be elected to two-year terms by the electors of the city. Each term of office commences on the first Monday in January next following the general election and expires on the day immediately preceding the first Monday in January next following the subsequent general election.

(2) The council may appoint an attorney, a superintendent of streets, a civil engineer and police and other subordinate officers, and fix their compensation. These officers shall hold office during the pleasure of the council. [Amended by 1981 c 173 §8; 1983 c.350 §29]

221.903 Bond and oath of officers. The recorder, treasurer and marshal mentioned in ORS 221.902 shall, before entering upon the duties of their respective offices, each execute a bond to the city in such penal sum as the council by ordinance may determine upon, conditioned for the faithful performance of duties, including in the same bond the duties of all offices of which the recorder, treasurer or marshal is ex officio incumbent under ORS 221.901 to 221.928. The bond shall be approved by the council before the officer enters upon the discharge of duties. The bonds when approved shall be filed with the recorder, except the bond of the recorder, which shall be filed with the mayor. All the provisions of any law of this state relating to official bonds of officers shall apply to such bonds, except as otherwise provided in ORS 221.901 to 221.928. Every officer of the city, before entering upon the duties of office, shall take and file with the recorder an oath to honestly and faithfully discharge the duties of office, and that the officer will support the laws and Constitution of this state and of the United States to the best of the ability of the officer.

221.904 Vacancies. (1) The council shall fill any vacancy occurring in any of the offices provided for in ORS 221.902 by appointment.

(2) If the office is elective, the appointee shall hold office until the first Monday in January after the general election next following the appointment. At the general election next following the

appointment, a person shall be elected to serve any remaining portion of the term. A person elected under this subsection shall take office on the first Monday in January after the election.

221.905 Compensation of city officers.

The mayor and aldermen mentioned in ORS 221.902 shall receive no compensation whatever for their services as such officers. The recorder, treasurer, marshal, police and other subordinate officers shall severally receive at stated times compensation to be fixed by ordinance by the council, which compensation shall not be increased nor diminished after their election, or during their several terms of office. Nothing contained in this section shall be construed to prevent the council from fixing several amounts of compensation, in the first instance, during the term of office of any such officer after the election of the officer. The compensation of all other officers shall be fixed from time to time by ordinance, duly passed by the council.

221.906 Election procedure generally.

All elections in a city organized under sections 1 to 6, pages 119 to 123, Oregon Laws 1893, shall be governed by ORS chapters 246 to 260. [Amended by 1983 c 350 §31]

221.908 Council meetings; notice; place of meetings. The council shall meet the second Tuesday in January succeeding each general municipal election and take the oath of office. It shall hold regular meetings at least once in each month at such times as they shall fix by ordinance. Special meetings may be called at any time by the mayor or by three councilmen, by written notice delivered to each member then present within the city at least three hours before the time specified for the proposed meeting, which notice shall specify the object and purpose of such special meeting. No other business shall be transacted at any special meeting than that named in said notice and appurtenant thereto. All meetings of the council shall be public and held within the corporate limits of the city at such place as may be designated by ordinance.

221.909 Council meetings; attendance; rules; records. At any meeting of the council a

majority of the councilmen shall constitute a quorum for the transaction of business. A less number may adjourn from time to time, and may compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance. The mayor shall preside at all meetings of the council when present, and in case of the absence of the mayor the council may appoint a mayor pro tempore. In case of the absence of the recorder, the mayor or presiding officer pro tempore shall appoint one of the members of the council recorder pro tempore. The person appointed to act as presiding officer during the absence of the mayor shall not be required to take the oath of office, but the records of the council shall show who is appointed to serve pro tempore at any meeting.

221.910 Powers of council regarding qualification of members. The council shall judge the qualifications of its members. [Amended by 1983 c.350 §32]

221.911 Rules on enactment of ordinances granting franchise or for payment of money. No ordinance or resolution granting any franchise for any purpose shall be passed by the council on the day of its introduction nor within five days thereafter, nor at any other than a regular meeting. No resolution or order for the payment of money shall be passed at any other time than at a regular meeting. No such ordinance, resolution or order shall have any validity, unless passed by the votes of at least three councilmen. In case all the councilmen are present and equally divided upon any question, the mayor shall have the deciding vote.

221.912 Formalities required to render ordinance effective. The enacting clause of all ordinances shall be as follows: "Be it ordained by the common council of the city or town [as the case may be] of ———." Every ordinance shall be signed by the mayor, or passed over the veto of the mayor, and attested by the recorder. A copy of the ordinance shall be published at least once in a newspaper published in such city; or, in lieu of such publication, three copies thereof shall be posted in at least three public places therein before it becomes a law.

221.913 Claims against cities; how presented and paid. (1) All claims and demands against any city referred to in ORS 221.906 shall be presented to and audited by the council in accordance with such regulations as it may by ordinance prescribe. Upon the allowance of any such claim or demand, the recorder shall draw a warrant upon the treasurer for the sum, which warrant shall be countersigned by the mayor, and shall specify for what purpose the same is drawn.

(2) No claim against the city shall be paid until it is audited and allowed by the council and then only by a warrant drawn upon the treasurer by the recorder, countersigned by the mayor.

221.914 Prosecution for violation of ordinance; place of imprisonment; city liable for expenses. (1) The violation of any ordinance of a city referred to in ORS 221.906 shall be deemed a misdemeanor and may be prosecuted by the authorities of such city in the name of the people of such city, or may be redressed by civil action, suit or proceeding, at the option of said authorities.

(2) Any person sentenced to imprisonment for the violation of an ordinance may be imprisoned in the jail of such city; or, if the council by ordinance so prescribes, in the county jail of the county in which such city is situated, in which case the expense of imprisonment shall be a charge in favor of such county and against such city. Before any such person can be imprisoned in the county jail, the consent of the county court shall be first obtained.

221.915 Nuisance defined. Every act or thing done, or anything existing within the limits of any city referred to in ORS 221.906, which is or may be declared by any law of this state or by any ordinance of such city to be a nuisance, hereby is declared to be a nuisance, and shall be considered and treated as such in all actions, suits and proceedings whatsoever, unless such law or ordinance is declared void by a court of competent jurisdiction.

221.916 Powers of council generally. The mayor and aldermen shall compose the common council of any city organized under sections 1 to 6, pages 119 to 123, Oregon Laws 1893. At any regular council meeting, it may:

(1) Provide for lighting the streets and furnishing such city and its inhabitants with gas or other lights, and with pure and wholesome water. For such purpose it may construct such water, gas or other works, within or without the city limits, as may be necessary or convenient therefor. It may allow the use of the city streets and alleys to any person, company or corporation who may desire to establish works for supplying the city and inhabitants thereof with such water or lights upon such reasonable terms and conditions as the council may prescribe.

(2) Permit, allow and regulate the laying down of tracks for streetcars and other railroads upon such streets as the council may designate, and upon such terms and conditions as the council may prescribe; and allow and regulate the erection and maintenance of poles, or poles and

wires, for telegraph, telephone, electric light or other purposes, upon or through the streets, alleys or public grounds of such city; permit and regulate the use of alleys, streets and public grounds of the city for the laying down or repairing gas and water mains, for building and repairing sewers, and the erection of gas or other lights.

(3) Preserve the streets, lights, side and crosswalks, bridges, and public grounds from injury, prevent the unlawful use of the same, and regulate their use.

(4) Fix the maximum rate of wharfage, rates for gas or other lights, for carrying passengers on street railways, and water rates. No city shall ever deprive itself of the right through its common council of regulating and adjusting any such rates, so that the same shall be reasonable for the service rendered, at least once in any period of two years.

(5) License, tax, regulate, restrain and prohibit barrooms and tippling houses, and all places where spirituous, vinous or malt liquors are sold, or in any manner disposed of contrary to law. No license shall be issued for a less sum than that provided by law.

(6) Prevent and suppress gaming and gambling houses, and all games of chance, including lotteries and poolselling; prevent and suppress bawdyhouses, and lewd, lascivious cohabitation, opium-smoking houses, and places occupied or kept therefor. Nothing contained in ORS 221.901 to 221.930 shall be so construed as to oust the state courts of jurisdiction to indict or punish persons for offenses against any law of the state committed within the limits of any such city.

(7) License, regulate and control any lawful business, trade, occupation, profession or calling, carried on or conducted within the corporate limits of any such city.

(8) Suppress and prohibit anything which is injurious to the public morals, public safety or the public health of the inhabitants of any such city, including the power to define, suppress and prohibit nuisances of every kind, including those arising out of the receipt, sale or disposal of intoxicating liquor in violation of law.

(9) Regulate, suppress and prohibit the running at large within the corporate limits of any and all domestic animals, including fowls, and provide for the impoundment and sale, after notice, of such animals.

(10) Exercise any and all police regulations concerning the public morals, public safety, public health and public convenience of the inhabitants of any such city.

(11) Provide for the surveying of blocks and streets of the city and for marking the boundary lines of such blocks and streets, and the establishing of grades of the streets, sidewalks and crosswalks.

(12) Prevent and punish trespass on real and personal property within the corporate limits of such city.

(13) Make bylaws and ordinances not inconsistent with the laws of the United States or of this state to carry into effect the provisions of ORS 221.901 to 221.928.

(14) Provide, in addition to such action as may be appropriate to carry into full effect the object to be achieved, for the punishment of persons violating any bylaws or ordinances by fine or imprisonment, or both, and the working of such persons on the city streets or at any other work. No fine shall exceed the sum of \$50, nor shall any imprisonment exceed 20 days.

221.917 Functions and duties of mayor.

The mayor is the executive officer of any city referred to in ORS 221.902 and must exercise a careful supervision over its general affairs and subordinate officers. The mayor shall at least once each year state to the council by message the condition, financial and otherwise, of the city, and recommend such measures for the peace, health, improvement and prosperity of the city as the mayor may deem expedient. The mayor shall perform such other duties as may be required by ORS 221.901 to 221.928 or by city ordinances.

221.918 Jurisdiction and duties of recorder; jury trial; witnesses; contempt powers; records. The recorder referred to in ORS 221.901 shall have jurisdiction over violations of city ordinances, and may hold to bail, fine, or commit persons found guilty thereof, and within the city shall have jurisdiction and powers like a justice of the peace. The law governing justices of the peace shall apply as far as applicable to all the proceedings of the recorder. The recorder shall try, without a jury, all persons accused of violating the ordinances; unless the defendant on demanding a jury deposits in the court a sum sufficient to pay the per diem of such jury for one day. Witnesses in the court of the recorder in such trials shall be entitled to no compensation for their attendance unless the council by ordinance otherwise provides. As recorder, the recorder may punish witnesses and others for contempt, by a fine not to exceed \$10, or in default of payment of such fine by imprisonment in the city jail one day for every \$2 of such fine. The recorder shall keep a journal of the proceedings of the council, and be ex officio

assessor, and perform such other duties as required by ORS 221.901 to 221.928 or city ordinances.

221.919 Powers and duties of marshal; removal from office. The marshal shall be chief of police and shall have control over all policemen when on duty. The marshal shall be a conservator of the peace, and shall arrest all persons guilty of a breach thereof, or of violations of the city ordinances, and take them before the recorder for trial. The marshal shall make and enforce the collection of all delinquent city taxes, as the collection of delinquent county taxes is enforced, and shall perform such other duties as may be required of the marshal by the common council. The marshal may suspend any policeman for negligence or violation of duty until the case may be examined and determined by the council. On complaint being made, charging the marshal with malfeasance or nonfeasance in office, the aldermen, by a unanimous vote without the concurrence of the mayor, or by a majority vote with the concurrence of the mayor, may remove the marshal from office at any regular meeting, after giving the marshal an opportunity to be heard in the defense of the treasurer, provided they find the charge is true.

221.920 Duties of treasurer. The treasurer, as tax collector, shall collect and receipt for all taxes levied by the council and not returned as delinquent, and shall receive and faithfully keep the funds and moneys of any city referred to in ORS 221.906 and pay out the same as directed by ORS 221.901 to 221.928, or by city ordinances. When required by ordinance, the treasurer shall make and submit to the council a statement of the financial affairs of the city.

221.921 Interest of officers in city contracts. No mayor, council member or any other officer of any city referred to in ORS 221.906, during the period for which the officer is elected, shall be interested in any contract the expenses of which are to be paid out of the city treasury.

221.922 [Repealed by 1983 c.350 §331a]

221.923 Working out fines for violation of ordinance. When any person is convicted of an offense under any of the ordinances of any city referred to in ORS 221.906 and fails to pay an adjudged fine and costs, the person may be sentenced to labor one day for every \$5 on such fine upon the streets or other public works of the city under such officer as the common council may prescribe. [Amended by 1961 c.290 §1]

221.924 Authority to make public improvements. The council may, whenever it deems it expedient, improve the public grounds

within any city referred to in ORS 221.906, and establish and open additional streets and alleys therein. The power and authority to improve streets includes the power and authority to construct, improve, pave, repair, and keep in repair, sidewalks and pavements, and to determine and provide everything convenient and necessary concerning such improvements and repairs.

[Amended by 1969 c 429 §5]

221.925 Tax deeds; tax warrants. In making a deed for any real property sold for delinquent taxes, it is not necessary to recite or set forth the proceedings prior to the sale, but it is sufficient, if it substantially appears from such deed that the property was sold by virtue of a warrant from any city referred to in ORS 221.906, and the date thereof for delinquent taxes, and the amount thereof, together with the date of the sale and the amount paid thereat by the purchaser. The style of the warrant for the collection of delinquent taxes shall be: "In the name of the city (or town) of — — — —." The warrant must require the marshal to forthwith levy upon sufficient property of the person or persons owing such taxes and sell the same in the manner provided by law, and return the proceeds of such sale to the city treasurer and the warrant to the recorder, with the doings of the marshal indorsed thereon, together with the receipts of the city treasurer for the proceeds of such sale as paid to the treasurer. The warrant shall have the force and effect of an execution against real and personal property, and shall be executed in a like manner, except as otherwise provided by law or this section. Real property when sold for delinquent taxes may be redeemed in like manner as real property is redeemed after sale thereof for county or state taxes, and not otherwise. The deed of the purchaser must express the true consideration thereof, which is the amount paid by the purchaser, and the return of the marshal executing the warrant must specify the amount for which each lot or part thereof is sold, and the name of the purchaser.

221.926 Authority to enact ordinances.

Every city organized under sections 1 to 6, pages 119 to 123, Oregon Laws 1893, may pass any and all necessary ordinances for the purpose of carry-

ing into force and effect any provisions of ORS 221.901 to 221.928 or any other laws concerning city government.

221.927 Approval or veto of ordinances; proceedings after veto. Upon the passage of any ordinance, the enrolled copy thereof, attested by the recorder, shall be submitted to the mayor by the recorder, and if the mayor approves the same the mayor shall write upon it "Approved," with the date thereof and sign it with the name of office of the mayor. Thereupon, unless otherwise provided, such ordinance shall become a law and be of force and effect. If the mayor does not approve of the ordinance so submitted, the mayor must, within 10 days from the receipt thereof, return the same to the recorder with the reasons of the mayor for not approving it, and if the mayor does not so return it, such ordinance shall become a law as if the mayor had approved it. Upon the first meeting of the council after the return of an ordinance from the mayor not approved, the recorder shall deliver it to the council, with the message of the mayor, which must be read. The ordinance shall then be put upon its passage again, and if two-thirds of all the members constituting the council, as then provided by law, vote in the affirmative, it shall become a law without the approval of the mayor, and not otherwise.

221.928 Record of ordinances; compilation accepted as evidence. The ordinances passed by any common council or any municipal corporation within this state, organized under sections 1 to 6, pages 119 to 123, Oregon Laws 1893, shall be recorded in a book to be kept for that purpose by the recorder of any such city. When so recorded, the record so made shall be received in any court of this state as prima facie evidence of the due passage of such ordinance as recorded. When the ordinances of any such city are printed by authority of such municipal corporation, the printed copies thereof shall be received as prima facie evidence that such ordinances as printed and published were duly passed.
