(1) Land within six miles outside of the corporate limits of a city is under the jurisdiction of the city for the purpose of giving approval of plans, maps and plats of subdivisions and major partitions under ORS 92.040 and 227.110. However, unless otherwise provided in an urban growth area management agreement jointly adopted by a city and county to establish procedures for regulating land use outside the city limits and within an urban growth boundary acknowledged under ORS 197.251, when the governing body of a county has adopted ordinances or regulations for subdivision and major partition control as required by ORS 92.044, land in the county within the six-mile limit shall be under the jurisdiction of the county for those purposes.

(a) Such standards may include, taking into consideration the location and surrounding area of the proposed subdivisions or the partitions, requirements for:

sizes and such other requirements as the governing body considers necessary for lessening congestion in the streets;

(B) Securing safety from fire, flood, slides, pollution or other dangers;

(C) Providing adequate light and air including protection and assurance of access to incident solar radiation for potential future use;

(D) Preventing overcrowding of land;

(E) Facilitating adequate provision of transportation, water supply, sewerage, drainage, education, recreation or other needs; or

(F) Protection and assurance of access to wind for potential electrical generation or mechanical application.

(b) Such ordinances or regulations shall establish the form and contents of tentative plans of partitions and subdivisions submitted for approval.

(c) The procedures established by each such ordinance or regulation shall provide for the coordination in the review of the tentative plan of any subdivision or partition with all affected city, county, state and federal agencies and all affected special districts.

(d) The procedures established by each such ordinance or regulation shall include a provision for notifying a person proposing a subdivision or partition of the requirement to file a statement of water right and, if a water right is appurtenant, a copy of the acknowledgment from the Water Resources Department must be attached before the county recording officer may accept the plan or plat of the subdivision or partition for recording under ORS 92.120.

(2)(a) The governing body of a city or county may provide for the delegation of any of its lawful functions with respect to subdivisions and partitions to the planning commission of the city or county or to an official of the city or county appointed by the governing body for such purpose.

(b) If an ordinance or regulation adopted under this section includes the delegation to a planning commission or appointed official of the power to take final action approving or disapproving a tentative plan for a subdivision or partition, such ordinance or regulation shall also provide for appeal to the governing body from such approval or disapproval.

(c) The governing body may establish, by ordinance or regulation, a fee to be charged for an appeal under this subsection. The fee shall be reasonable and shall be no more than the average cost of such appeals or the actual cost of the appeal, excluding the cost

of preparation of a written transcript. The governing body may establish a fee for the preparation of a written transcript. That fee shall be reasonable and shall be no more than the actual cost of the transcript up to \$500 plus one-half the actual costs over \$500.

(3) The governing body may, by ordinance or regulation, prescribe fees sufficient to defray the costs incurred in the review and investigation of and action upon proposed subdivisions that are submitted for approval pursuant to this section. As used in this subsection, "costs" does not include costs for which fees are prescribed under ORS 92.100 and 205.350.

(4) The governing body may, by ordinance or regulation, prescribe fees sufficient to defray the costs incurred in the review and investigation of and action upon proposed partitions that are submitted for approval pursuant to this section.

(5) Ordinances and regulations adopted under this section shall be adopted in accordance with ORS 92.048.

(6) Any ordinance or regulation adopted under this section shall comply with the comprehensive plan for the city or county adopting the ordinance or regulation.

(7) For the purposes of this section:

(a) "Incident solar radiation" means solar energy falling upon a given surface area.

(b) "Wind" means the natural movement of air at an annual average speed measured at a height of 10 meters of at least eight miles per hour. [1955 c.756 §9; 1973 c.696 §9, 1974 s.s. c.74 §2; 1979 c.671 §1; 1981 c.590 §5; 1983 c.570 §1; 1983 c.826 §9; 1983 c.827 §19e; 1987 c.649 §11; 1989 c.772 §6]

(1) The governing body of a county or a city may, as provided in ORS 92.048, when reasonably necessary to accomplish the orderly development of the land within the jurisdiction of such county or city under ORS 92.042 and to promote the public health, safety and general welfare of the county or city, adopt regulations or ordinances governing approval, by the county or city of proposed partitions. Such regulations or ordinances shall be applicable throughout the area over which the county or city has jurisdiction under ORS 92.042, or over any portion thereof. Such ordinances or regulations may specify the classifications of such partitions which require approval under this section and may establish standards and procedures governing the approval of tentative plans for such partitions. The standards may include all, or less than all, of the same requirements as are provided or authorized for subdivisions under ORS 92.010 to 92.190

and may provide for different standards and procedures for different classifications of such partitions so long as the standards are no more stringent than are imposed by the city or county in connection with subdivisions.

(2) Such ordinances or regulations may establish the form and contents of the tentative plans of partitions submitted for approval.

(3)(a) The governing body of a city or county may provide for the delegation of any of its lawful functions with respect to partitions to the planning commission of the city or county or to an official of the city or county appointed by the governing body for such purpose:

(b) If an ordinance or regulation adopted under this section includes the delegation to a planning commission or appointed official of the power to take final action approving or disapproving a tentative plan for a partition, such ordinance or regulation shall also provide for appeal to the governing body from such approval or disapproval and require initiation of any such appeal within 10 days after the date of the approval or disapproval from which the appeal is taken.

(c) The governing body may establish, by ordinance or regulation, a fee to be charged for an appeal under this subsection. The fee shall be reasonable and shall be no more than the average cost of such appeals or the actual cost of the appeal, excluding the cost of preparation of a written transcript. The governing body may establish a fee for the preparation of a written transcript. That fee shall be reasonable and shall be no more than the actual cost of the transcript up to \$500 plus one-half the actual costs over \$500.

(4) The governing body may, by ordinance or regulation, prescribe fees sufficient to defray the costs incurred in the review and investigation of and action upon applications for approval of proposed partitions.

(5) No tentative plan of a proposed partition may be approved unless the tentative plan complies with the applicable zoning ordinances and regulations and the ordinances or regulations adopted under this section that are then in effect for the city or county within which the land described in the tentative plan is situated.

(6) Any ordinance or regulation adopted under this section shall comply with the comprehensive plan for the city or county adopting the ordinance or regulation. [1955 c.756 §22; 1973 c.696 §10; 1983 c.827 §19f; 1989 c.772 §7]

92.048 Procedure for adoption of regulations under ORS 92.044 and 92.046. The procedure for adoption of any ordinance or

regulation under ORS 92.044 and 92.046 is as follows:

(1) The planning commission of the county or the city shall hold a public hearing on the proposed ordinance or regulation after publishing notice of the hearing 10 days prior to the hearing in a newspaper of general circulation published in the area in which land to be subject to such ordinance or regulation is situated or, if there is no such newspaper, a newspaper of general circulation published in the county. The notice shall contain the time, place and purpose of the hearing and a description of the land to be subject to the ordinance or regulation.

(2) Prior to the expiration of 60 days after the date of such hearing, the planning commission may transmit its recommendation regarding the proposed ordinance or regulation to the governing body of the county or city, as the case may be. If the planning commission recommendation has not been received by the governing body of the county or the city prior to the expiration of such 60-day period, the governing body may consider the ordinance or regulation without recommendation of the planning commission thereon.

(3) Prior to the adoption of such ordinance or regulation, the governing body of the county or the city shall hold a hearing thereon after giving notice of the hearing in the same manner provided in subsection (1) of this section.

(4) A copy of any regulation or ordinance adopted by the governing body of a county or a city under this section, together with a map of the area subject to the regulation or ordinance and a brief statement of the different classifications, if any, of land partitioning under the ordinance or regulation, shall be filed with the recording officer of the county in which the land subject to the ordinance or regulation is situated. Such ordinance or regulation shall not be effective until so filed. If the ordinance or regulation is applicable throughout all of the area over which the county or city has jurisdiction under ORS 92.042, only an outline map of such area shall be filed with the recording officer of the county.

(5) The ordinance or regulation may be amended from time to time by following the procedure prescribed in this section. [1955 c.756 §23; 1973 c.314 §1; 1973 c.696 §11; 1983 c.570 §2]

92.050 Requirements of survey and plat of subdivision and partition. (1) No subdivider shall submit a plat of a subdivision or partition for record, until all the requirements of ORS 209.250 and the plat requirements of the subdivision or partition have been met.

(2) The survey for the plat of the subdivision or partition shall be of such accuracy that the linear error of closure shall not exceed one foot in 10,000 feet.

(3) The survey and plat of the subdivision or partition shall be made by a registered professional land surveyor.

(4) The plat of the subdivision or partition shall be of such scale that all survey and mathematical information, and all other details may be clearly and legibly shown thereon. Each lot or parcel shall be numbered consecutively. If used, blocks shall be lettered or numbered. The lengths and courses of all boundaries of each lot or parcel shall be shown. Each street shall be named.

(5) The locations and descriptions of all monuments found or set shall be carefully recorded upon all plats and the proper courses and distances of all boundary lines shall be shown.

(6) The location, dimensions and purpose of all recorded and proposed public and private easements shall be shown on the subdivision or partition plat along with the county clerk's recording reference if the easement has been recorded with the county clerk.

(7) The area of each lot or parcel shall be shown on the subdivision or partition plat.

(8) In addition to showing bearings in degrees, minutes and seconds of a degree and distances in feet and hundredths of a foot, the following curve information shall be shown on the subdivision or partition plat either on the face of the map or in a separate table:

- (a) Arc length;
- (b) Chord length;
- (c) Chord bearing;
- (d) Radius; and
- (e) Central angle.

(9) The surveyor submitting any subdivision, condominium or partition plat that is within one-half mile of an established geodetic control monument, that has been approved by the National Geodetic Survey or has been approved by and filed with the county surveyor, shall, by field survey according to Federal Geodetic Control Committee guidelines for third order class II, show the measured angles and distances from the geodetic control monument to the initial point of a subdivision or condominium or to a monumented boundary corner of a partition. If there is an azimuth mark for the geodetic control monument or if there is another geodetic control monument that is intervisible to the primary geodetic control monument, the bearings shall be based, if

practicable, on the bearings between the geodetic control monument and the azimuth mark or the intervisible geodetic control monument.

(10) Notwithstanding the provisions of subsection (9) of this section, the county surveyor may waive the requirement of a distance and bearing to a geodetic control monument if the subdivision or condominium, or partition thereof, has previously furnished the required information. [Amended by 1955 c.756 §10, 1983 c.309 §3; 1989 c.772 §8]

92.060 Marking certain points of plats of subdivisions and partitions with monuments; specifications of monuments; monuments placed before recording. (1) The initial point of all subdivision plats shall be marked with a monument, either of concrete or galvanized iron pipe. If concrete is used it shall not be less than 6 inches by 6 inches by 24 inches and shall contain not less than five cubic inches of ferrous material permanently imbedded in the concrete. If galvanized iron pipe is used it shall not be less than two inches in inside diameter and three feet long. The monument shall be set or driven six inches below the surface of the ground. The location of the monument shall be with reference by survey to a section corner, one-quarter corner, one-sixteenth corner, Donation Land Claim corner or to a monumented lot corner or boundary corner of a recorded subdivision or condominium. The county surveyor may authorize the setting of another type of monument in circumstances where setting the required monuments is impracticable.

(2) In subdivision plats, the intersections, points of curves and points of tangents, or the point of intersection of the curve if the point is within the pavement area of the road, of the centerlines of all public streets and roads and all points on the exterior boundary where the boundary line changes direction, shall be marked with monuments either of concrete, galvanized iron pipe, or iron or steel rods. If concrete is used it shall be as described in subsection (1) of this section. If galvanized iron pipe is used it shall not be less than three-quarter inch inside diameter and 30 inches long, and if iron or steel rods are used they shall not be less than five-eighths of an inch in least dimension and 30 inches long. The county surveyor may authorize the setting of another type of monument in circumstances where setting the required monuments is impracticable.

(3) All lot corners except lot corners of cemetery lots shall be marked with monuments of either galvanized iron pipe not less than one-half inch inside diameter or iron or steel rods not less than five-eighths inch in least dimension and not less than 24 inches

long. The county surveyor may authorize the setting of another type of monument in circumstances where setting the required monuments is impracticable.

(4) Points shall be plainly and permanently marked upon monuments so that measurements may be taken to them to within one-tenth of a foot.

(5) Monuments shall be set with such accuracy that measurements may be taken between monuments within one-tenth of a foot or within 1/5,000 of the distance shown on the subdivision or partition plat, whichever is greater.

(6) All monuments on the exterior boundaries of a subdivision shall be placed and the monuments shall be referenced on the plat of the subdivision before the plat of the subdivision is offered for recording. However, interior monuments for the subdivision need not be set prior to the recording of the plat of the subdivision if the registered professional land surveyor performing the survey work certifies that the interior monuments will be set on or before a specified date as provided in ORS 92.070 (2) and if the person subdividing the land furnishes to the county or city by which the subdivision was approved a bond, cash deposit or other security as required by the county or city guaranteeing the payment of the cost of setting the interior monuments for the subdivision as provided in ORS 92.065.

(7) All monuments on the exterior boundary and all parcel corner monuments of partitions shall be placed before the partition is offered for recording. Unless the governing body provides otherwise, any parcels created that are greater than 10 acres need not be surveyed or monumented. [Amended by 1955 c.756 §11, 1973 c.696 §12; 1983 c.309 §4; 1989 c.772 §9]

92.065 Monumenting interior corners after recording plat; bond, cash deposit or other security. (1) If the interior corners of a subdivision are to be monumented on or before a specified date after the recording of the plat of the subdivision, the person subdividing the land described in the subdivision plat shall furnish to the county surveyor, prior to approval of the subdivision plat by the county surveyor, a bond, cash deposit or other security, as required at the option of the city or county, in an amount equal to 120 percent of the estimated cost of performing the work for the interior monumentation.

(2) The county surveyor may require that the setting of the interior corners of the subdivision be delayed, according to the provisions of this section, if the installation of street and utility improvements has not been completed, or if other conditions or circumstances justify the delay.

(3) The person subdividing the lands described in subsection (1) of this section shall pay the surveyor for performing the interior monumentation work and notify the county surveyor of the payment. The county surveyor, within three months after the notice, shall release the bond or other required security, or return the cash deposit upon a finding that the payment has been made. Upon written request from the person subdividing the land, the governing body may pay the surveyor from moneys within a cash deposit held by it for that purpose and return the excess of the cash deposit, if any, to the person who made the deposit. If the subdivider has not paid the surveyor within 30 days of final approval of the interior monumentation, the city or county may pay the surveyor from moneys held in a cash deposit, if any, or require payment to be made from other security.

(4) In the event of the death, disability or retirement from practice of the surveyor charged with the responsibility for setting interior monuments for a subdivision or upon the failure or refusal of the surveyor to set the monuments, the county surveyor shall cause the monumentation to be completed and referenced for recording as provided in ORS 92.070. If another surveyor completes the interior monumentation, the surveyor completing the interior monumentation shall place the surveyor's seal and signature on the original subdivision plat and any true and exact copies filed in accordance with ORS 92.120 (2). Payment of the fees for completing said monumentation shall be made by the subdivider within 30 days of the completion of such work. In the event that the subdivider fails to pay such fees within 30 days, the bond, cash deposit or other security may be used to pay such fees; and when such cash or other securities are inadequate to cover the cost incurred by the county surveyor, the balance due will constitute a lien on any lots in the subdivision that are still in the ownership of the subdivider when recorded pursuant to ORS 93.600 to 93.800. [1973 c.696 §14, 1983 c.309 §5; 1989 c.772 §10]

92.070 Surveyor's affidavits; procedure for recording monumented corners on plat previously recorded. (1) Except as otherwise provided in this section, all subdivision or partition plats designating the location of land in any county in the State of Oregon, offered for record, shall have attached thereon an affidavit of the surveyor having surveyed the land represented on the subdivision plat, to the effect that the surveyor has correctly surveyed and marked with proper monuments the lands as represented, and has placed a proper monument as provided in ORS 92.060 indicating the initial point of the survey, and giving the di-

mensions and kind of monument, and its location in accordance with ORS 92.060 (1) and accurately describing the tract of land upon which the lots and blocks or parcels are laid out.

(2) If the person subdividing any land has complied with ORS 92.065 (1), the surveyor may prepare the plat of the subdivision for recording with only the exterior monuments referenced on the subdivision plat as submitted for recording. The subdivision plat shall include an affidavit of the surveyor that the interior corners for the subdivision will be monumented on or before a specified date in accordance with ORS 92.060, noting those monuments to be set on or before said specified date on the subdivision plat as approved by the city or county.

(3) After the interior corners for a subdivision have been monumented as provided in an affidavit submitted under subsection (2) of this section, the surveyor performing the work shall:

(a) Within five days after completion of the work, notify the person subdividing the land involved and the surveyor of the city or county by which the subdivision was approved; and

(b) Upon approval of the work under ORS 92.100 by the county surveyor, submit an affidavit for recording stating that the subdivision plat has been correctly surveyed and marked with proper monuments at the interior corners of the subdivisions as noted on the original subdivision plat. Any monument that cannot be set shall be separately noted and a reference monument shall be set. The affidavit shall be approved by the county surveyor before recording. The surveyor who prepared the affidavit shall cause the affidavit to be recorded in the office of the county recorder where the subdivision plat is recorded. The county clerk shall promptly provide a recorded copy of the affidavit to the county surveyor. The county surveyor shall note the monuments set and the recorder's information on the original subdivision and any true and exact copies filed in accordance with ORS 92.120 (2).

(4) The county surveyor approving the work pursuant to subsection (3) of this section shall reference the approval upon the subdivision plat and tracings previously recorded. A city surveyor approving the work under ORS 92.100 (1) shall reference that surveyor's approval on the affidavit required under this section prior to approval by the county surveyor. [Amended by 1973 c.696 §13; 1983 c.309 §6, 1989 c.772 §11]

92.080 Preparation of plat. All plats subdividing or partitioning any land in any county in this state, and dedications of

streets or roads or public parks and squares and other writings made a part of such subdivision or partition plats offered for record in any county in this state shall be made in permanent black india type ink or silver halide permanent photocopy, upon material that is 18 inches by 24 inches in size with an additional three-inch binding edge on the left side when required by the county clerk or the county surveyor, that is suitable for binding and copying purposes, and that has such characteristics of strength and permanency as may be required by the county surveyor. The subdivision or partition plat shall be of such a scale as required by the county surveyor. The lettering of the approvals, the dedication, the affidavit of the surveyor and all other information shall be of such a size or type as will be clearly legible, but no part shall come nearer any edge of the sheet than one inch. The subdivision or partition plat may be placed on as many sheets as necessary, but a face sheet and an index page shall be included for subdivision or partition plats placed upon three or more sheets. [Amended by 1955 c.756 §12, 1973 c.696 §15; 1985 c.582 §1; 1989 c.772 §12]

92.090 Requisites for approval of tentative subdivision or partition plan or plat. (1) No tentative subdivision plan or subdivision plat of a subdivision shall be approved which bears a name, approved by the county surveyor or the county assessor, which is the same as, similar to or pronounced the same as the name of any other subdivision in the same county, unless the land platted is contiguous to and platted by the same party that platted the subdivision bearing that name or unless the party files and records the consent of the party that platted the contiguous subdivision bearing that name. All subdivision plats must continue the lot numbers and, if used, the block numbers of the subdivision plat of the same name last filed.

(2) No tentative plan for a proposed subdivision and no tentative plan for a proposed major partition shall be approved unless:

(a) The streets and roads are laid out so as to conform to the plats of subdivisions and major partitions already approved for adjoining property as to width, general direction and in all other respects unless the city or county determines it is in the public interest to modify the street or road pattern.

(b) Streets and roads held for private use are clearly indicated on the tentative plan and all reservations or restrictions relating to such private roads and streets are set forth thereon.

(c) The tentative plan complies with the applicable zoning ordinances and regulations and the ordinances or regulations adopted

under ORS 92.044 that are then in effect for the city or county within which the land described in the plan is situated.

(3) No plat of a proposed subdivision or partition shall be approved unless:

(a) Streets and roads for public use are dedicated without any reservation or restriction other than reversionary rights upon vacation of any such street or road and easements for public utilities.

(b) Streets and roads held for private use and indicated on the tentative plan of such subdivision or major partition have been approved by the city or county.

(c) The subdivision or partition plat complies with any applicable zoning ordinances and regulations and any ordinance or regulation adopted under ORS 92.044 that are then in effect for the city or county within which the land described in the subdivision or partition plat is situated.

(d) The subdivision or partition plat is in substantial conformity with the provisions of the tentative plan for the subdivision or partition, as approved.

(e) The subdivision or partition plat contains a donation to the public of all common improvements, including but not limited to streets, roads, parks, sewage disposal and water supply systems, the donation of which was made a condition of the approval of the tentative plan for the subdivision or partition.

(f) Explanations of all common improvements required as conditions of approval of the tentative plan of the subdivision or partition have been recorded and referenced on the subdivision or partition plat.

(4) Subject to any standards and procedures adopted pursuant to ORS 92.044, no plat of a subdivision shall be approved by a city or county unless the city or county has received and accepted:

(a) A certification by a city-owned domestic water supply system or by the owner of a privately owned domestic water supply system, subject to regulation by the Public Utility Commission of Oregon, that water will be available to the lot line of each and every lot depicted in the proposed subdivision plat;

(b) A bond, contract or other assurance by the subdivider to the city or county that a domestic water supply system will be installed by or on behalf of the subdivider to the lot line of each and every lot depicted in the proposed subdivision plat; and the amount of any such bond, contract or other assurance by the subdivider shall be determined by a registered professional engineer,

subject to any change in such amount as determined necessary by the city or county; or

(c) In lieu of paragraphs (a) and (b) of this subsection, a statement that no domestic water supply facility will be provided to the purchaser of any lot depicted in the proposed subdivision plat, even though a domestic water supply source may exist. A copy of any such statement, signed by the subdivider and indorsed by the city or county, shall be filed by the subdivider with the Real Estate Commissioner and shall be included by the commissioner in any public report made for the subdivision under ORS 92.385. If the making of a public report has been waived or the subdivision is otherwise exempt under the Oregon Subdivision Control Law, the subdivider shall deliver a copy of the statement to each prospective purchaser of a lot in the subdivision at or prior to the signing by the purchaser of the first written agreement for the sale of the lot. The subdivider shall take a signed receipt from the purchaser upon delivery of such a statement, shall immediately send a copy of the receipt to the commissioner and shall keep any such receipt on file in this state, subject to inspection by the commissioner, for a period of three years after the date the receipt is taken.

(5) Subject to any standards and procedures adopted pursuant to ORS 92.044, no plat of a subdivision shall be approved by a city or county unless the city or county has received and accepted:

(a) A certification by a city-owned sewage disposal system or by the owner of a privately owned sewage disposal system that is subject to regulation by the Public Utility Commission of Oregon that a sewage disposal system will be available to the lot line of each and every lot depicted in the proposed subdivision plat;

(b) A bond, contract or other assurance by the subdivider to the city or county that a sewage disposal system will be installed by or on behalf of the subdivider to the lot line of each and every lot depicted on the proposed subdivision plat; and the amount of such bond, contract or other assurance shall be determined by a registered professional engineer, subject to any change in such amount as the city or county considers necessary; or

(c) In lieu of paragraphs (a) and (b) of this subsection, a statement that no sewage disposal facility will be provided to the purchaser of any lot depicted in the proposed subdivision plat, where the Department of Environmental Quality has approved the proposed method or an alternative method of sewage disposal for the subdivision in its evaluation report described in ORS 454.755 (1)(b). A copy of any such statement, signed

by the subdivider and indorsed by the city or county shall be filed by the subdivider with the Real Estate Commissioner and shall be included by the commissioner in the public report made for the subdivision under ORS 92.385. If the making of a public report has been waived or the subdivision is otherwise exempt under the Oregon Subdivision Control Law, the subdivider shall deliver a copy of the statement to each prospective purchaser of a lot in the subdivision at or prior to the signing by the purchaser of the first written agreement for the sale of the lot. The subdivider shall take a signed receipt from the purchaser upon delivery of such a statement, shall immediately send a copy of the receipt to the commissioner and shall keep any such receipt on file in this state, subject to inspection by the commissioner, for a period of three years after the date the receipt is taken. [Amended by 1955 c.31 §1; 1955 c.756 §13; 1965 c.393 §1; 1973 c.696 §16; 1974 s.s. c.74 §3; 1983 c.309 §7; 1989 c.772 §13]

92.095 Payment of taxes, interest or penalties before subdivision plat recorded. (1) No subdivision plat shall be recorded unless all ad valorem taxes, including potential additional taxes, interest and penalties imposed on land disqualified for special assessment granted under ORS 308.370 (2), 321.272 (2) or 321.420 (2), and all special assessments, fees, or other charges required by law to be placed upon the tax roll have been paid which have become a lien upon the subdivision or which will become a lien during the calendar year.

(2) After January 1, and before the certification under ORS 311.105 of any year, the subdivider shall:

(a) If the exact amount of taxes, special assessments, fees and charges are able to be computed by the assessor, pay such amount to the tax collector. The assessor is authorized to levy and the tax collector is authorized to collect such amount.

(b) If the assessor is unable to compute such amount at such time, either (A) pay the amount estimated by the assessor to be needed to pay the taxes, special assessments, fees and other charges to become due, or (B) deposit with the tax collector a bond with a good and sufficient undertaking in such amount as the assessor considers adequate to insure payment of the taxes to become due. In no event shall the bond amount exceed twice the amount of the previous year's taxes, special assessments, fees and other charges upon such subdivision.

(3) Taxes paid or bonded for under paragraph (a) or (b) of subsection (2) of this section shall be entitled to the discount provided by ORS 311.505.

(4) ORS 311.370 shall apply to all taxes levied and collected under subsection (2) of this section, except that any deficiency shall constitute a personal debt against the person subdividing the land and not a lien against the subdivision land, and shall be collected as provided by law for the collection of personal property taxes.

(5) If a subdivision plat is recorded, any potential additional taxes, interest or penalties imposed upon land disqualified for special assessment granted under ORS 308.370 (2), 321.272 (2) or 321.420 (2) shall become a lien upon the subdivision on the day before the subdivision plat was recorded. [1965 c.393 §2; 1973 c.696 §17, 1979 c.350 §3, 1981 c.804 §69, 1983 c.462 §1; 1989 c.772 §14]

92.097 Employment of private licensed engineer by private developer; government standards and fees. (1) No city, county or special district shall prohibit the employment by a developer of a licensed engineer to design or supervise the installation of the improvements of streets, water and sewer lines or other public improvements that are to be installed in conjunction with the development of land using private funds.

(2) When design or supervision of installation of improvements is performed by a licensed engineer under subsection (1) of this section, the city, county or special district may elect to establish standards for such improvements, review and approve plans and specifications and inspect the installation of improvements. The city, county or special district may collect a fee for inspection and any other services provided in an amount not to exceed the actual cost of performing the inspection or other services provided. [1979 c.191 §2]

92.100 Approval of plat by city or county surveyor; procedures; approval by county assessor and county governing body; fees. (1) Before any subdivision or partition plat can be recorded, covering land within the corporate limits of any city, it must be approved by the county surveyor. However, for the purposes of this chapter, the governing body of the city may, by resolution or order, designate the city surveyor to serve in lieu of the county surveyor. Except as provided in subsection (4) of this section, if the land is outside the corporate limits of any city, the subdivision or partition plat shall be approved by the county surveyor before it is recorded. All subdivision plats must also be approved by the county assessor and the governing body of the county in which the property is located before recording. Unless provided for by ordinance of the governing body, partition plats shall be subject only to the approval of the city or county surveyor.

(2) Before approving the subdivision plat as required by this section, the county surveyor shall check the subdivision site and the subdivision plat and shall take such measurements and make such computations as are necessary to determine that the subdivision plat complies with the provisions of ORS 92.050 and with the subdivision requirements in effect in the area. For performing such service the county surveyor shall collect from the subdivider a fee of \$100 plus \$5 for each lot contained in the subdivision. The governing body of a city or county may establish a higher fee by ordinance.

(3) Before approving the partition plat as required by this section, the county surveyor, as provided by subsection (1) of this section, shall check the partition plat and make such computations and other determinations that the partition plat complies with the provisions of this and other applicable laws. For performing such service, the county surveyor shall collect from the partitioner a fee to be established by the governing body.

(4) Any subdivision or partition plat prepared by the county surveyor in a private capacity shall be approved in accordance with subsection (2) or (3) of this section, whichever is applicable, by the surveyor of a county other than the county where the land is located and who has been designated by the county surveyor. The designated county surveyor shall collect the applicable subdivision or partition plat check fee, and any travel expenses incurred, as established by the designated county surveyor's board of commissioners. The subdivision or partition plat check fee and other expenses shall be paid by the subdivider prior to approval of the subdivision or partition plat by the designated county surveyor.

(5) Nothing in this section shall be construed to prohibit a city, county or special district from requiring engineering review and approval of a subdivision plat to assure compliance with state and local subdivision requirements that relate to matters other than survey adequacy. [Amended by 1955 c.31 §2, 1955 c.756 §14, 1957 c.688 §1, 1963 c.285 §1, 1971 c.419 §1; 1979 c.824 §1; 1989 c.772 §15]

92.105 Time limit for final action by city or county on tentative plan. The governing body of a city or county or its designate is subject to the provisions of ORS 215.428 or 227.178 in taking final action on an application for approval of a tentative plan for a subdivision or partition located within an acknowledged urban growth boundary. [1981 c.884 §2, 1983 c.827 §51; 1989 c.772 §16]

92.110 Land in special districts; approval of plat; appeal from refusal of district to approve or act. All plats of

subdivisions located within the boundaries of an irrigation district, drainage district, water control district or district improvement company shall be submitted to the board of directors of the district or company and its approval thereof shall be indorsed thereon by the board before approval of such plat of any subdivision by the governing body of the county. Except that if a subdivider is unable to obtain action or approval of any district or company within 45 days, the subdivider shall notify the governing body in writing and thereafter the governing body shall serve notice on that district or company by certified mail advising the district or company that any objections to the subdivision plat must be filed in writing with the governing body within 20 days and failure of the district or company to respond shall be considered by the governing body as approval of such subdivision plat and the governing body shall indorse thereon a finding that the district or company failed to act and the governing body may thereafter approve such subdivision plat without the approval of such district or company indorsed thereon. [Amended by 1955 c.756 §15; 1973 c.351 §1; 1989 c.772 §25]

92.120 Filing and recording plats; copies; plan, plat or replat for land to which water right is appurtenant. (1) The plat of a subdivision described in ORS 92.050 when made and approved as required, and offered for record in the records of the county where the described land is situated, shall, upon the payment of the fees provided by law, be filed by the county recording officer. The fact of filing and the date thereof shall be entered thereon, and it shall then be securely bound with other subdivision plats of like character in a book especially prepared for that purpose and designated as "Record of Town Plats," or filed in a special cabinet for that purpose so as to insure safekeeping and preservation of the subdivision plat.

(2) The partition plat described in ORS 92.050, when made and approved as required and offered for record in the records of the county where the described land is situated, shall, upon the payment of the fees provided by law, be filed by the county recording officer. The fact of filing and the date thereof shall be entered thereon, and it shall then be securely filed with other partition plats of like character and designated as "Record of Partition Plats." Partition plats shall be recorded and numbered by year and sequentially.

(3) At the time of filing such subdivision plat or partition plat, the person offering it for filing shall also file with the county surveyor and with the county recording officer, if requested by the county recording officer,

an exact copy thereof, made with permanent black india type ink or silver halide permanent photocopy upon a good quality of linen tracing cloth or any other suitable drafting material having the same or better characteristics of strength, stability and transparency. The surveyor who made the subdivision or partition plat shall make an affidavit to indicate that the photocopy or tracing is an exact copy of the subdivision or partition plat. The copy filed with the county recording officer shall be certified by that officer to be an exact copy and then shall be filed in the archives of the county, and be preserved by filing without folding or cutting. The subdivider shall provide without cost the number of prints from such copy as may be required by the governing body of the county.

(4) For the purpose of preserving the original subdivision or town plats or partition plats, any such plats may be stored for safekeeping without folding or cutting and a copy of the original subdivision or partition plat certified by the county recording officer may be used as the official subdivision or partition plat for public use.

(5) Except for a plat of a subdivision subject to the requirements of ORS 92.110, the person offering for filing an approved plat of a subdivision or partition for a parcel of land to which a water right is appurtenant shall also submit a copy of the subdivision or partition plat to the Water Resources Department for the purpose of updating the water rights records of the department. The county recording officer shall not accept for filing a plat of a subdivision or partition for a parcel of land without:

(a) A statement of water rights noted on the subdivision plat or partition plat.

(b) A copy of the acknowledgment from the Water Resources Department under ORS 92.122, if the person offering the subdivision or partition plat for filing indicates on the statement of water rights that a water right is appurtenant to the subdivision or partition.

(6) No action may be maintained against the county recording officer for recording an instrument that does not contain the statement of water right or the acknowledgment required under subsection (5) of this section. [Amended by 1955 c.756 §16; 1973 c.696 §18, 1977 c.488 §1; 1985 c.582 §10; 1987 c.649 §12; 1989 c.772 §17]

92.122 Acknowledgment by Water Resources Department of receipt of copy of plat. Within 10 days after receiving a copy of an approved plat of a subdivision or partition submitted as required under ORS 92.120 (5), the Water Resources Department shall send to the person submitting the subdivision

or partition plat an acknowledgment confirming receipt of the subdivision or partition plat. [1987 c.649 §13; 1989 c.772 §18]

Note: 92.122 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 92 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

92.130 Additional tracings transferred to county surveyor; replacing lost or destroyed records. Any additional tracings of subdivision or partition plats as mentioned in ORS 92.120 other than the one copy filed with the county surveyor shall be transferred to the county surveyor who then shall keep them well bound and safeguarded as required by law. If the original subdivision or partition plat or copy thereof is lost, destroyed, mutilated or missing from the county records, the county surveyor shall make a copy thereof, and file it in the proper office of record. Each such copy made by the county surveyor pursuant to this section shall bear a certificate of the surveyor that it was made in compliance with this section, and that it is a true copy of the original record. [Amended by 1955 c.756 §17, 1989 c.772 §19]

92.140 Indexing of plat records. The records entitled "Record of Town Plats" shall be provided in the front part with indices, in which shall be entered in alphabetical order, all subdivision plats recorded therein. The dedications to such subdivision plats shall also be indexed in the indices of Records of Deeds for the county. When the subdivision plats are so filed, bound and indexed they shall be the legal record of all subdivision plats. [Amended by 1955 c.756 §18; 1989 c.772 §20]

92.150 Construction of donations marked on plat. Every donation or grant to the public, including streets and alleys, or to any individual, religious society, corporation or body politic, marked or noted as such on the subdivision or partition plat wherein the donation or grant was made, shall be considered a general warranty to the donee or grantee for the use of the donee or grantee for the purposes intended by the donor or grantor. [Amended by 1955 c.756 §19, 1989 c.772 §21]

92.160 Notice to Real Estate Commissioner of receipt of subdivision plat. If the comprehensive plan and land use regulations of a city or county have not been acknowledged under ORS 197.251, the city engineer, city surveyor or county surveyor shall immediately notify the Real Estate Commissioner in writing of receipt for approval of any subdivision plat pursuant to ORS 92.100 (1). The notification shall include a general description of the land with the number of lots and total acreage covered by the subdivision plat and the names of the persons

submitting the subdivision plat for approval. [1965 c 584 §2, 1983 c.570 §6a, 1989 c.772 §22]

92.170 Amending recorded plat; affidavit of correction. (1) Any plat of a subdivision or partition filed and recorded under the provisions of ORS 92.018 to 92.190 may be amended by an affidavit of correction:

(a) To show any courses or distances omitted from the subdivision or partition plat;

(b) To correct an error in any courses or distances shown on the subdivision or partition plat;

(c) To correct an error in the description of the real property shown on the subdivision or partition plat; or

(d) To correct any other errors or omissions where the error or omission is ascertainable from the data shown on the final subdivision or partition plat as recorded.

(2) Nothing in this section shall be construed to permit changes in courses or distances for the purpose of redesigning lot or parcel configurations.

(3) The affidavit of correction shall be prepared by the registered professional land surveyor who filed the plat of the subdivision or partition. In the event of the death, disability or retirement from practice of the surveyor who filed the subdivision or partition plat, the county surveyor may prepare the affidavit of correction. The affidavit shall set forth in detail the corrections made and show the names of the present fee owners of the property materially affected by the correction. The seal and signature of the registered professional land surveyor making the correction shall be affixed to the affidavit of correction.

(4) The county surveyor shall certify that the affidavit of correction has been examined and that the changes shown on the certificate are permitted under this section.

(5) The surveyor who prepared the affidavit of correction shall cause the affidavit to be recorded in the office of the county recorder where the subdivision or partition plat is recorded. The county clerk shall promptly provide a recorded copy of the affidavit to the county surveyor. The county surveyor shall note the correction and the recorder's filing information, with permanent red ink, upon the original subdivision or partition plat and upon any true and exact copies filed in accordance with ORS 92.120

(3). The corrections and filing information shall be marked in such a manner so as not to obliterate any portion of the subdivision or partition plats.

(6) For recording the affidavit in the county deed records, the county clerk shall collect a fee set by the county governing body. The county clerk shall also collect a fee set by the county governing body to be paid to the county surveyor for services provided under this section. [1983 c 309 §2; 1989 c.772 §23]

92.175 Methods by which certain land may be provided for public purposes. (1) Land for property dedicated for public purposes may be provided to the city or county having jurisdiction over the land by any of the following methods:

(a) By dedication on the land subdivision plat, condominium plat or replat; or

(b) By a separate dedication or donation document on the form provided by the city or county having jurisdiction over the area of land to be dedicated.

(2) Notwithstanding subsection (1) of this section, easements in partition plats may be granted for public utility purposes without an acceptance from the governing body having jurisdiction. [1989 c.772 §3]

Note: 92.175 was added to and made a part of ORS 92.010 to 92.190 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

REPLATTING

92.180 Authority to review replats. (1) Each agency or body authorized to approve subdivision plats under ORS 92.040 shall have the same review and approval authority over any proposed replat of a recorded plat.

(2) Nothing in this section regarding replatting shall be construed to allow subdividing of land without complying with all the applicable provisions of this chapter. [1985 c 369 §2]

92.185 Reconfiguration of lots and public easements; vacation; notice; utility easements. The act of replatting shall allow the reconfiguration of lots and public easements within a recorded plat. Upon approval by the reviewing agency or body as defined in ORS 92.180, replats will act to vacate the platted lots and easements within the replat area with the following conditions:

(1) A replat, as defined in ORS 92.010 (10) shall apply only to a recorded plat.

(2) Notice shall be provided as described in ORS 92.225 (4) when the replat is replatting all of an undeveloped subdivision as defined in ORS 92.225.

(3) Notice, consistent with the governing body of a city or county approval of a tentative plan of a subdivision plat, shall be provided by the governing body to the owners

of property adjacent to the exterior boundaries of the tentative subdivision replat.

(4) When a utility easement is proposed to be realigned, reduced in width or omitted by a tentative replat approval, all affected utility companies or public agencies shall be notified, consistent with a governing body's notice to owners of property contiguous to the tentative plat.

(5) A replat shall comply with all subdivision provisions of this chapter and all applicable ordinances and regulations adopted under this chapter. [1985 c 369 §3]

92.190 Effect of replat; operation of other statutes; use of alternate procedures. (1) The replat of a portion of a recorded subdivision plat shall not act to vacate any recorded covenants or restrictions.

(2) Nothing in ORS 92.180 to 92.190 is intended to prevent the operation of vacation actions by statutes in ORS chapter 271 or 368.

(3) The governing body of a city or county may use procedures other than replatting procedures in ORS 92.180 and 92.185 to adjust lot lines as described in ORS 92.010 (7), as long as those procedures include the recording or other central filing of the final lot line adjustment. UNDEVELOPED SUBDIVISIONS

92.205 Policy. (1) The Legislative Assembly finds that many subdivisions for which plats have been approved and recorded have not been developed and that many such subdivisions were approved prior to the adoption of a comprehensive plan, zoning regulations and ordinances and modern subdivision control standards by the jurisdiction within which the lands described in the subdivision plats are situated.

(2) The Legislative Assembly finds, therefore, that it is necessary for the protection of the public health, safety and welfare to provide for the review of undeveloped subdivisions for the purpose of modifying such subdivisions, if necessary, to comply with the current comprehensive plan, zoning ordinances and regulations and modern subdivision control standards, or, if such modification is not feasible, of vacating the nonconforming, undeveloped subdivisions and to vacate any lands dedicated for public use that are described in the plat of each such vacated subdivision. [1973 c.569 §1]

92.210 [1963 c 624 §3; 1965 c.584 §3; repealed by 1973 c.421 §52]

92.215 Review authorized; manner. (1) Each agency or body authorized to approve subdivision plats under ORS 92.040 may:

(a) Review each subdivision approved on or after October 5, 1973, after the expiration of 10 years after the date of such approval.

(b) Review each subdivision plat approved more than 10 years prior to October 5, 1973.

(2) Each review conducted pursuant to subsection (1) of this section shall be conducted in the manner and subject to the conditions prescribed in ORS 92.225. [1973 c.569 §2]

92.220 [1963 c 624 §§1, 2, 25, repealed by 1973 c 421 §52]

92.225 Determining whether subdivision subject to review and need for revision or vacation; determining need for revision or vacation of undeveloped subdivision; hearings; notice to landowners.

(1) The agency or body required to conduct the review under ORS 92.215 shall investigate the status of the lands included within a subdivision to determine whether the subdivision is undeveloped.

(2) For the purposes of this section, the lands described in the plat of any subdivision under review shall be considered to be developed if any of the following conditions are found by the agency or body conducting the review to exist on such lands:

(a) Roadways providing access into and travel within the subdivision have been or are being constructed to meet the specifications prescribed therefor by the agency or body that approved the plat of the subdivision;

(b) Facilities for the supply of domestic or industrial water to lots created by the subdivision have been or are being constructed;

(c) Sanitary sewerage disposal facilities have been or are being constructed for lots created by the subdivision, or septic tanks have been or are being installed on the land or permits have been issued for their installation on the land;

(d) Buildings have been or are being constructed upon the land or permits have been issued for the construction of buildings upon the land; and

(e) One or more lots described in the plat of the subdivision have been sold or otherwise transferred prior to the date of the initiation of such review.

(3) If the agency or body determines that a subdivision is undeveloped after its investigation of the subdivision under subsection (1) of this section, it shall also determine:

(a) If the undeveloped subdivision complies with the comprehensive plan, zoning

regulations and ordinances and subdivision ordinances and regulations then in effect with respect to lands in the subdivision; and

(b) If the undeveloped subdivision does not comply with such plan and ordinances and regulations, whether the subdivision may be revised to comply with such plan and ordinances and regulations.

(4) If the agency or body determines that a subdivision is undeveloped after its investigation of the subdivision under subsection (1) of this section, it shall hold a hearing to determine whether the undeveloped subdivision should be revised and the subdivision replatted or vacated and all lands within the subdivision that have been dedicated for public use vacated. Not later than 30 days before the date of a hearing held by an agency or body under this section, the agency or body shall notify, in writing, each owner of record of land described in the plat of the subdivision under review of the date, place, time and purpose of such hearing. [1973 c 569 §3]

92.230 [1963 c.624 §§4, 19, 1969 c.508 §1, repealed by 1973 c.421 §52]

(1) Following a hearing conducted as required under ORS 92.225 (4), the agency or body conducting the hearing may:

(a) Require the revision of a subdivision and a replat of the subdivision as it considers necessary, if it finds that the subdivision may be revised to comply with the comprehensive plan, zoning ordinances and regulations and other modern subdivision control standards not in existence when the subdivision was initially approved; or

(b) Initiate proceedings, as provided in subsection (3) of this section, for vacation of the subdivision, if it finds that the subdivision cannot be revised in accordance with the comprehensive plan, zoning ordinances and regulations and other modern subdivision control standards not in existence when the subdivision was initially approved.

(2) If an agency or body requires the revision and replat of a subdivision under paragraph (a) of subsection (1) of this section, it shall approve the subdivision only upon the completion of the revisions as required by it and the replat of the subdivision as provided in ORS 92.180 to 92.190.

(3) If the agency or body determines that it is necessary to vacate a subdivision, the agency or body shall adopt an ordinance vacating the subdivision and providing for the vacation of lands within the subdivision that have been dedicated for public use. Title to

lands within a vacated subdivision shall vest as provided in ORS 271.140 and 368.366. Any owner of lands described in the plat of the vacated subdivision who is aggrieved by the action of the agency or body in vacating the subdivision may appeal such action in the manner provided in ORS 34.010 to 34.100. The ordinance adopted by the agency or body for the vacation of the subdivision and the lands therein dedicated to public use shall be filed with the county recording officer as provided in ORS 271.150.

(4) Nothing in ORS 92.205 to 92.245 shall prevent the owner of any lands within an undeveloped subdivision from seeking vacation of such subdivision under city or county vacation procedures and, if such vacation proceedings are commenced after the date of the notice of review of the subdivision by the agency or body, the review proceeding shall be suspended during such vacation proceedings. If the subdivision is vacated at the initiation of an owner, the review proceedings under ORS 92.205 to 92.245 shall be discontinued; but, if the subdivision is not vacated at the request of an owner, the review proceedings under ORS 92.205 to 92.245 shall be resumed at the termination of the proceedings brought by an owner of lands in the subdivision. 92.305 Definitions for ORS 92.305 to 92.495. As used in ORS 92.305 to 92.495:

(1) "Blanket encumbrance" means a trust deed or mortgage or any other lien or encumbrance, mechanics' lien or otherwise, securing or evidencing the payment of money and affecting more than one interest in subdivided or series partitioned land, or an agreement affecting more than one such lot, parcel or interest by which the subdivider, series partitioner or developer holds such subdivision or series partition under an option, contract to sell or trust agreement.

(2) "Commissioner" means the Real Estate Commissioner.

Developer also includes a person who purchases a lot, parcel or other interest in a subdivision or series partition that does not have a single family residential dwelling or duplex thereon for resale to another person. "Developer" does not mean a "developer" as that term is defined in ORS 100.005.

(4) "Interest" includes a lot or parcel, and a share, undivided interest or membership which includes the right to occupy the land overnight, and lessee's interest in land for more than three years or less than three years if the interest may be renewed under the terms of the lease for a total period more than three years. "Interest" does not include any interest in a condominium as that term is defined in ORS 100.005 or any security interest under a land sales contract, trust deed or mortgage. "Interest" does not include divisions of land created by lien foreclosures or foreclosures of recorded contracts for the sale of real property.

(5) "Negotiate" means any activity preliminary to the execution of a binding agreement for the sale or lease of land in a subdivision or series partition, including but not limited to advertising, solicitation and promotion of the sale or lease of such land.

(7) "Person" includes a natural person, a domestic or foreign corporation, a partnership, an association, a joint stock company, a trust and any unincorporated organization. As used in ORS 92.305 to 92.495 the term "trust" includes a common law or business trust, but does not include a private trust or a trust created or appointed under or by virtue of any last will and testament, or by a court.

(8) "Real property sales contract" means an agreement wherein one party agrees to lease or to convey title to real property to another party upon the satisfaction of specified conditions set forth in the contract.

(9) "Sale" or "lease" includes every disposition or transfer of land in a subdivision or a series partition, or an interest or estate therein, by a subdivider or series partitioner or a developer, or their agents, including the offering of such property as a prize or gift when a monetary charge or consideration for whatever purpose is required by the subdivider, series partitioner or developer or their agents.

(10) "Series partitioned lands" and "series partition" mean a series of partitions of land located within this state resulting in the creation of four or more parcels over a period of more than one calendar year and whether composed of a series of minor partitions, a series of major partitions or a series combining both major partitions and minor partitions.

(11) "Series partitioner" means any person who causes land to be series partitioned into a series partition, or who undertakes to develop a series partition, but does not include a public agency or officer authorized by law to make partitions.

"Subdivided lands" and "subdivision" include but are not limited to a subdivision of land located within this state subject to an ordinance adopted under ORS 92.044 and do not include series partitioned lands. "Subdivided lands" and "subdivision" do not mean property submitted to ORS 100.005 to 100.910 or property located outside this state which has been committed to the condominium form of ownership in accordance with the laws of the jurisdiction within which the property is located.

92.310 [1963 c.624 §13; repealed by 1973 c.421 §52]

92.313 Policy; construction; citation.

(1) The Legislative Assembly finds that the development of new subdivisions and series partitions and the promotion of sales and leases of such property are now largely uncontrolled and unregulated in this state and that a need exists to protect the public from fraud, deceit and misrepresentation.

(2) The provisions of ORS 92.305 to 92.495 are in addition to, and not in lieu of, the existing provisions of ORS 92.010 to 92.190.

92.315 [1969 c.508 §4; repealed by 1973 c.421 §52]

92.317 Policy; protection of consumers. The Legislative Assembly finds that the repeal of ORS 92.500 to 92.810 and 92.990 (2) and (3) (1973 Replacement Part), by section 23, chapter 1, Oregon Laws 1974 (special session), may cause irreparable damage to the interests of consumers involved in real estate transactions; and it is therefore declared to be the policy of the State of Oregon that the Attorney General protect the rights of such real estate purchasers to the greatest extent practicable through the application of the provisions of ORS 646.605 to 646.652. [1974 s.s. c.1 §29]

92.320 [1963 c.624 §14; repealed by 1973 c.421 §52]

(2) With respect to a developer, chapter 643, Oregon Laws 1975, applies only to a developer who acquires a lot, parcel or interest in a subdivision or series partition for which a public report has been issued after September 13, 1975, and a developer who acquires a lot or parcel in a subdivision for which a revised public report has been issued under ORS 92.410.

(3) Except as otherwise provided in paragraph (g) of this subsection, ORS 92.305 to 92.495 do not apply to the sale or leasing of:

(a) Apartments or similar space within an apartment building; or

(b) Cemetery lots, parcels or units in Oregon; or

The subdivider or series partitioner of such lands shall comply with ORS 92.425, 92.427, 92.430, 92.433, 92.460 and 92.485 in the sale or leasing of such lands; or

Note: The Legislative Counsel has not, pursuant to 173 160, undertaken to substitute specific ORS references for the words "chapter 643, Oregon Laws 1975" in 92.325. Chapter 643, Oregon Laws 1975, enacted into law and amended the ORS sections which may be found by referring to the Comparative Section Table located in volume 15 of Oregon Revised Statutes.

If a subdivision or

series partition is located within this state and if no report is made within 45 days after examination of the subdivision or series partition, the report shall be deemed waived.

(2) The commissioner may waive an examination of a real estate subdivision located in another state only when that state has an existing subdivision law which provides for the examination of and a public report on the real estate subdivision and only where that state will waive examination of a real estate subdivision or series partition located within this state and will accept in lieu thereof a report prepared by the commissioner under subsection (1) of this section. With respect to any subdivision or series partition within this state, if, after examination of the preliminary notice of intention required by ORS 92.345 or the reply to the commissioner's request for further information, the commissioner concludes that the sale or lease of any portion of such subdivision or series partition would be reasonably certain not to involve any misrepresentation, deceit or fraud, the commissioner shall waive all of the provisions of ORS 92.305 to 92.495, except ORS 92.475 to 92.495 and 92.990 (2), which the commissioner considers unnecessary for the protection of the public from fraud, deceit or misrepresentation. The commissioner shall notify the subdivider or series partitioner within 15 days of receipt of the preliminary notice of intention of the approval or disapproval of any waiver. However, the commissioner may, for good and sufficient cause, revoke any waiver at any time upon 10 days' notice and a hearing held for such purpose. [1974 s.s. c.1 §9; 1983 c.570 §16]

the subdivider, series partitioner or developer subject to inspection by the commissioner for a period of three years from the date the receipt is taken.

(3) The commissioner's public report shall not be used for advertising purposes unless the report is used in its entirety. No portion of the report shall be underscored, italicized or printed in larger or heavier type than the balance of the report unless the true copy of the report so emphasizes such portion.

(2) Any subdivision for which a public report has been issued and is dated prior to September 13, 1975, and for which the commissioner has not issued a revised public report under subsection (1) of this section prior to February 1, 1976, shall not be required to comply with the amendments to ORS 92.305 to 92.495 and made by chapter 643, Oregon Laws 1975. [1975 c.643 §22]

(1) No lot, parcel or interest in a subdivision or series partition shall be sold by a subdivider, series partitioner or developer by means of a land sale contract unless a collection escrow is established within this state with a person or firm authorized to receive escrows under the laws of this state and all of the following are deposited in the escrow:

(a) A copy of the title report or abstract, as it relates to the property being sold.

(b) The original sales document or an executed copy thereof relating to the purchase of real property in the subdivision or series partition clearly setting forth the legal description of the property being purchased, the principal amount of the encumbrance outstanding at the date of the sales document and the terms of the document.

(c) A commitment to give a partial release for the lot, parcel or other interest being sold from the terms and provisions of any blanket encumbrance as described in ORS 92.305 (1). Except as otherwise provided in subsection (4) of this section, the commitment shall be in a form satisfactory to the commissioner.

(d) A commitment to give a release of any other lien or encumbrance existing against such lot, parcel or other interest being sold as revealed by such title report. Except as otherwise provided in subsection (4) of this section, the commitment shall be in a form satisfactory to the commissioner.

(e) A warranty or bargain and sale deed in good and sufficient form conveying

merchantable and marketable title to the purchaser of such lot, parcel or other interest.

(2) The subdivider, series partitioner or developer shall submit written authorization allowing the commissioner to inspect all escrow deposits established pursuant to subsection (1) of this section.

(3) In lieu of the procedures provided in subsection (1) of this section, the subdivider, series partitioner or developer shall conform to such alternative requirement or method which the commissioner may deem acceptable to carry into effect the intent and provisions of this section.

(4) The requirements of paragraphs (c) and (d) of subsection (1) of this section relating to use of a commitment form acceptable to the commissioner and the provisions of subsection (2) of this section shall not apply to subdivided or series partitioned lands described by ORS 92.325 (3)(h). [1974 s.s. c.1 §12; 1975 c.643 §9, 1977 c.809 §10; 1979 c.242 §7; 1983 c.530 §54; 1983 c.570 §19]

92.427 Cancellation of agreement to buy interest in subdivision or series partition; procedure; effect; waiver; exemptions.

(1) A purchaser of a lot, parcel or interest in a subdivision or series partition may cancel, for any reason, any contract, agreement or any evidence of indebtedness associated with the sale of the lot, parcel or interest in the subdivision or series partition within three business days from the date of signing by the purchaser of the first written offer or contract to purchase.

(2) Cancellation, under subsection (1) of this section, occurs when the purchaser of a lot, parcel or interest gives written notice to the seller at the seller's address. The three business days cancellation period in subsection (1) of this section does not begin until the seller provides the purchaser with seller's address for cancellation purposes.

(3) A notice of cancellation given by a purchaser of a lot, parcel or interest in a subdivision or series partition need not take a particular form and is sufficient if it indicates by any form of written expression the intention of the purchaser not to be bound by the contract or evidence of indebtedness.

(4) Notice of cancellation, if given by mail, shall be given by certified mail, return receipt requested, and is effective on the date that such notice is deposited with the United States Postal Service, properly addressed and postage prepaid.

(5) Upon receipt of a timely notice of cancellation, the seller shall immediately return to the purchaser all payments received from the purchaser. In case of payments made by check, the seller shall not be re-

quired to return the payment to a purchaser until the check is finally paid as provided in ORS 74.2130. Upon return of all such payments the purchaser shall immediately transfer the purchaser's rights in the lot, parcel or interest to the seller, not subject to any encumbrance created or suffered by the purchaser. In the case of cancellation by a purchaser of any evidence of indebtedness, the purchaser shall return the purchaser's copy of the executed evidence of indebtedness to the seller, and the seller shall cancel the evidence of indebtedness. Any encumbrances against the purchaser's interest in the lot, parcel or interest arising by operation of law from an obligation of the purchaser existing prior to transfer of the lot, parcel or interest to the purchaser shall be extinguished by the reconveyance.

(6) No act of a purchaser shall be effective to waive the right of cancellation granted by subsection (1) of this section. A subdivider, series partitioner or developer may require that a purchaser of a lot, parcel or interest in a subdivision or series partition execute and deliver to the subdivider, series partitioner or developer, after the expiration of the three-day cancellation period, a signed statement disclaiming any notice of cancellation that may have been made by the purchaser prior to expiration of the three-day cancellation period for the offer under subsection (1) of this section, that may have been timely and properly done under this section and that has not been received by the subdivider, series partitioner or developer. In case of execution of any such statement by the purchaser, the statement shall be sufficient to rescind the notice of cancellation.

(7) This section shall not apply to:

(a) The sale of a lot in a subdivision or a parcel in a series partition that has a residential dwelling upon it at the time of sale;

(b) The sale of a lot in a subdivision or a parcel in a series partition when, at the time of sale, the seller has contracted with the purchaser to build a residential dwelling upon the lot or parcel; or

(c) The sale of a lot in a subdivision or a parcel in a series partition to a person who derives a substantial portion of income from the development or purchase and sale of real property. [1975 c.643 §16, 1983 c.570 §20]

(1) CAREFULLY EXAMINE THE PUBLIC REPORT, IF ANY, ON THE SUBDIVISION OR SERIES PARTITION AND ANY ACCOMPANYING INFORMATION DELIVERED BY THE SELLER.

(2) INQUIRE OF YOUR LENDER AS TO WHETHER YOU CAN GET ADEQUATE FINANCING AT AN ACCEPTABLE INTEREST RATE.

(2) A copy of the notice set forth in subsection (1) of this section shall be given to each purchaser under a contract described in subsection (1) of this section at the time of or immediately following the purchaser's signing of such contract, for the use of the purchaser. [1975 c.643 §17; 1983 c.570 §21]

(2) A subdivider, series partitioner or developer who has sold lots, parcels or interests in a subdivision or series partition under a land sale contract shall not dispose of or subsequently encumber the vendor's interest

therein unless the terms of the instrument of disposition or the encumbrance provide the means by which the purchaser or holder of the encumbrance will comply with subsection (1) of this section. [1977 c.809 §13; 1983 c.570 §22]

92.435 [1974 s.s. c.1 §13; repealed by 1977 c.484 §32]

(1) Subject to the provisions of ORS 92.425, no lot, parcel or other interest in a subdivision or series partition shall be sold by a subdivider, series partitioner or developer subject to a blanket encumbrance unless there exists in the blanket encumbrance or other supplementary agreement a provision which by its terms shall unconditionally provide that the purchaser or lessee of a lot, parcel or other interest can obtain legal title or other interest bargained for, free and clear of the blanket encumbrance, upon compliance with the terms and conditions of the purchase or lease.

(2) In lieu of the requirement of subsection (1) of this section, the subdivider, series partitioner or developer shall conform to any alternative requirement or method which the commissioner deems acceptable to carry into effect the intent and provisions of this section. [1977 c.809 §12; 1983 c.570 §24]

Nothing in this section shall be construed to hold the publisher or employee of any newspaper, any job printer, broadcaster or telecaster liable for any publication referred to in ORS 92.305 to 92.495 unless the publisher, employee, printer, broadcaster or telecaster has actual knowledge of the falsity thereof or has an interest in the subdivided or series partitioned lands advertised or the sale thereof. (2) A civil penalty may be imposed by the commissioner after notice and hearing.

(3) All hearings shall be conducted pursuant to the applicable provisions of ORS 183.310 to 183.550.
