GENERAL PROVISIONS**(Sessions)**

171.010 Time and place of holding regular legislative sessions. The sessions of the Legislative Assembly shall be held at the capital of the state and shall commence on the second Monday in January of each odd-numbered year.

171.015 Emergency legislative sessions; procedure for determining legislators' request for or refusal of emergency sessions; time and manner of convening sessions. (1) When a majority of the members of each house of the Legislative Assembly has cause to believe that an emergency exists and so notifies the presiding officers of each house in the manner described in this section, the presiding officers shall invoke section 10a, Article IV of the Oregon Constitution.

(2) Members of the Legislative Assembly may give notice of intent to invoke the provisions of subsection (1) of this section by filing written notice thereof with the Legislative Administrator. The notice shall be accompanied by a written statement giving justification of the need for a special session. The filing may be signed by more than one member of each house but must be signed by at least one member of each house.

(3) Upon receipt of a properly signed notice and statement described in subsection (2) of this section, the Legislative Administrator shall send to each member of the Legislative Assembly a form to be signed and returned by the member indicating whether the member requests a special session or does not so request. The form shall be as prescribed by the Legislative Administration Committee and shall contain the text of this section, the names of the members who filed the notice, and the text of the accompanying statement. The form shall be dated and shall bear the date 14 days later, computed as provided in subsection (7) of this section, by 5 p.m. on which date the form must be returned to the Secretary of the Senate or the Chief Clerk of the House of Representatives, respectively, or the person designated to serve in that capacity in order to be counted in determining whether the minimum requisite number of signatures requesting a special session has been obtained. The form sent to the members shall be sent by certified mail, addressee only, return receipt requested.

(4) The return of the signed form by a member to the Secretary of the Senate or the Chief Clerk of the House of Representatives or person designated to serve in that capacity constitutes an irrevocable request for or refusal of the special session requested by

the members filing under subsection (2) of this section and described in the form.

(5) The Secretary of the Senate and the Chief Clerk of the House of Representatives, respectively, or the person designated to serve in that capacity shall verify the signatures in the return form and tally the requests and refusals, note the date and time of the receipt of each returned form. When each receives the requisite minimum number of signed forms agreeing to the special session from members of the house of which the person is an officer, each immediately shall notify the presiding officer of each house.

(6) Upon receiving notice from the Secretary of the Senate and the Chief Clerk of the House of Representatives or the person designated to serve in that capacity that the minimum requisite number of signed requests for a special session has been received and verified for both houses, the presiding officers jointly shall convene the Legislative Assembly into emergency session by joint proclamation, fixing the date thereof. The date must be within five days after receipt by the presiding officers of the notice from the Secretary of the Senate and Chief Clerk of the House of Representatives. The original of the proclamations shall be filed with the Secretary of State.

(7) The period of time for purposes of subsection (3) of this section shall be computed by excluding the first day and including the last day unless the last day falls on any legal holiday or on Saturday, in which case the last day is also excluded. The period of time for purposes of subsection (6) of this section shall be computed by beginning on the day after which the presiding officers receive the notice described in subsection (6) of this section and ending five days later, regardless of legal holidays or Saturdays. 171.051 Filling vacancies in Legislative Assembly. (1) When any vacancy occurs in the Legislative Assembly due to death or recall or by reason of resignation filed in writing with the Secretary of State or a person is declared disqualified by the house to which the person was elected, the vacancy shall be filled by appointment if:

(a) The vacancy occurs during any session of the Legislative Assembly;

(b) The vacancy occurs in the office of a state Representative before the 60th day before the general election to be held during that term of office;

(c) The vacancy occurs in the office of a state Senator before the 60th day before the first general election to be held during that term of office;

(d) The vacancy occurs in the office of a state Senator at any time after the 15th day before the first general election and before the 60th day before the second general election to be held during that term of office; or

(e) A special session of the Legislative Assembly will be convened before a successor to the office can be elected and qualified.

(2) The person appointed under the provisions of subsection (1) of this section shall be a citizen qualified to hold the office, an elector of the affected legislative district and a member of the same political party for at least 180 days before the date on which the vacancy occurred. The political affiliation of a person appointed under subsection (1) of this section shall be determined under ORS 236.100. The appointment shall be made by the county courts or boards of county commissioners of the affected counties pursuant to ORS 171.060 to 171.064. When the provisions of ORS 171.060 (1) are applicable, the appointment shall be made from a list of not fewer than three nor more than five nominees who have signed written statements indicating that they are willing to serve furnished by the Secretary of State. If fewer than three names of nominees are furnished, a list shall not be considered to have been submitted and the county courts or boards of county commissioners shall fill the vacancy. The vacancy must be filled by ap-

pointment within 30 days after its occurrence or not later than the time set for the convening of the special session described in paragraph (e) of subsection (1) of this section when that is the basis for filling the vacancy.

(3) If the appointing authority required by this section to fill the vacancy does not do so within the time allowed, the Governor shall fill the vacancy by appointment within 10 days.

(4) Notwithstanding any appointment under the provisions of paragraph (c) of subsection (1) of this section, when a vacancy occurs in the office of a state Senator before the 15th day before the first general election to be held during that term of office, the remaining two years of the term of office shall be filled by the electors of the affected legislative district at the first general election.

(5) Candidates for the remaining two years of the term of office of a state Senator under subsection (4) of this section shall be nominated as provided in ORS chapter 249 except as follows:

(a) A major political party, minor political party, assembly of electors or individual electors may select a nominee for any vacancy occurring before the 15th day before the first general election; and

(b) The Secretary of State shall accept certificates of nomination and notifications of nominees selected by party rule and filed with the secretary pursuant to a schedule for filing set by the Secretary of State but in any case not later than the 10th day before the first general election.

(6) The remaining two years of the term of office of a state Senator under subsection (4) of this section will commence on the second Monday in January following the general election. Any appointment under the provisions of paragraph (c) of subsection (1) of this section shall expire when a successor to the office is elected and qualified. [1981 c.517 §3 (enacted in lieu of 171.050); 1985 c.771 §1, 1987 c.380 §1; 1989 c.207 §1]

171.060 Procedure for filling vacancy by appointment. (1) When any vacancy as is mentioned in ORS 171.051 exists in the office of Senator or Representative affiliated with a major political party and that vacancy is to be filled by an appointing authority as provided in ORS 171.051, the Secretary of State forthwith shall notify the person designated by the party to receive such notice. The precinct committeepersons of the party representing the precincts within the district who were precinct committeepersons of the precinct when the vacancy occurred shall nominate not fewer than three nor more than five qualified persons to fill the vacancy. A person shall not be nominated to

fill the vacancy unless the person signs a written statement indicating that the person is willing to serve in the office of Senator or Representative. As soon as the nominees have been appointed, but no later than 20 days after the vacancy occurs, the party shall notify the Secretary of State of the persons nominated. The notification shall be accompanied by the signed written statement of each nominee indicating that the nominee is willing to serve in the office of Senator or Representative. The Secretary of State shall notify the county courts or boards of county commissioners of the counties constituting the district in which the vacancy exists of the nominees and of the number of votes apportioned to each member of the county courts or boards of county commissioners under ORS 171.062 and 171.064. The Secretary of State shall set a time for the meeting of the county courts or boards of county commissioners in order to fill the vacancy and by rule shall establish procedures for the conduct of the meeting. If the district is composed of more than one county, the Secretary of State shall name a temporary chairperson and designate a meeting place within the district where the county courts or boards of county commissioners shall convene for the purpose of filling the vacancy, pursuant to ORS 171.051 (2).

(2) When any vacancy as is mentioned in ORS 171.051 exists in the office of Senator or Representative not affiliated with a major political party and that vacancy is to be filled by an appointing authority as provided in ORS 171.051, the Secretary of State, forthwith shall notify the county courts or boards of county commissioners of the counties constituting the district in which the vacancy occurs of the vacancy and of the number of votes apportioned to each member of the county courts or boards of county commissioners under ORS 171.062 and 171.064. The Secretary of State shall set a time for a meeting of the county courts or boards of county commissioners and by rule shall establish procedures for the conduct of the meeting. If the district is composed of more than one county, the Secretary of State shall name a temporary chairperson and designate a meeting place within the district where the county courts or boards of county commissioners shall convene for the purpose of appointing a person to fill the vacancy.

(3) A written statement signed by a majority of those qualified to vote upon the filling of any vacancy naming the person selected to fill the vacancy and directed to the Secretary of State is conclusive evidence of the filling of the vacancy by the appointing authority named therein. [Amended by 1955 c.211 §6; 1973 c.773 §2; 1975 c.779 §2; 1977 c.302 §1; 1985 c.771 §2; 1987 c.380 §2; 1989 c.207 §2]

171.062 Filling vacancies in multicounty legislative districts. (1) When a legislative district in which a vacancy occurs encompasses two or more counties, each county shall be entitled to one vote for each 1,000 of its electors or major fraction thereof residing within the legislative district at the time the vacancy occurs. However, any county having electors in the district shall be entitled to at least one vote.

(2) A major fraction of electors shall be a number greater than 500 but less than 1,000. [Formerly 248.175]

171.064 Apportioning votes for filling vacancies in multicounty legislative districts. The number of votes apportioned to each county commissioner in filling a legislative vacancy shall be equal to the total number allotted to the respective county of the county commissioner in the manner set forth in ORS 171.062 divided by the total number of county commissioners of the respective county. [Formerly 248.180]

171.068 Procedure when vacancy filled after reapportionment. (1) For the purpose of nominating persons under ORS 171.060 to fill any vacancy in the Legislative Assembly occurring as described in ORS 171.051, the precinct committeepersons of a district created by reapportionment shall be those holding office when the vacancy occurs.

(2) For purposes of ORS 171.060, 171.062 and 171.064, the county court or the board of county commissioners which shall fill the vacancy in the Legislative Assembly shall be the county court or board of county commissioners of each county any part of which is in the district that is created by the reapportionment and includes the residence from which the former Senator or Representative was elected.

(3) Each person nominated by the precinct committeepersons under subsection (1) of this section must be registered to vote in the district from which the former Senator or Representative was elected and must have been a member of the same major political party at least 180 days before the date the vacancy to be filled occurred.

(4) This section shall apply only to a vacancy in the Legislative Assembly occurring after the primary election next following reapportionment and before a person has been elected and qualified to fill the vacancy. [1983 c.25 §1; 1985 c.771 §3; 1987 c.380 §3]

Note: The amendments to 171.068 by section 62, chapter 267, Oregon Laws 1987, are repealed January 1, 1994. See section 82, chapter 267, Oregon Laws 1987. The text is set forth for the user's convenience.

171.068. (1) For the purpose of nominating persons under ORS 171.060 to fill any vacancy in the Legislative Assembly occurring as described in ORS 171.051, the precinct committeepersons of a district created by reap-

portionment shall be those holding office when the vacancy occurs.

(2) For purposes of ORS 171.060, 171.062 and 171.064, the county court or the board of county commissioners which shall fill the vacancy in the Legislative Assembly shall be the county court or board of county commissioners of each county any part of which is in the district that is created by the reapportionment and includes the residence from which the former Senator or Representative was elected.

(3) Each person nominated by the precinct committee persons under subsection (1) of this section must be registered to vote in the district from which the former Senator or Representative was elected and must have been a member of the same major political party at least 180 days before the date the vacancy to be filled occurred.

(4) This section shall apply only to a vacancy in the Legislative Assembly occurring after the biennial primary election next following reapportionment and before a person has been elected and qualified to fill the vacancy.

171.071 [1957 c.164 §2 (enacted in lieu of 171.070), 1959 c.391 §1; repealed by 1963 c.1 §2]

(Salaries and Expenses)

171.072 Salary and expenses of members and presiding officers; approval of expenses; tax status; telephone allowance. (1) Except as otherwise provided in subsection (2) of this section, a member of the Legislative Assembly shall receive for services a salary the greater of:

(a) One step below the maximum of Salary Range 1 in the Management Service Compensation Plan; or

(b) Seventeen percent of the salary of a District Court Judge.

(2) The President of the Senate and the Speaker of the House of Representatives each shall receive for services, as additional salary, an amount equal to the sum allowed each of them as a member under subsection (1) of this section.

(3) A member of the Legislative Assembly shall receive, as an allowance for expenses not otherwise provided for, a per diem determined as provided in subsection (9) of this section for each day within the period that the Legislative Assembly is in session, to be paid weekly.

(4) A member of the Legislative Assembly shall receive, as an allowance for expenses incurred in the performance of official duties during periods when the legislature is not in session, \$400 for each calendar month or part thereof during those periods, to be paid monthly, and subject to approval of the President of the Senate or Speaker of the House of Representatives, mileage expenses and a per diem determined as provided in subsection (9) of this section for each day a member is engaged in the business of legis-

lative interim and statutory committees, including advisory committees and subcommittees thereof, and task forces and for each day a member serves on interstate bodies, advisory committees and other entities on which the member serves ex officio, whether or not the entity is a legislative one.

(5) In addition to the mileage and per diem expense payments provided by this section, a member of the Legislative Assembly may receive reimbursement for actual and necessary expenses, subject to approval by the President of the Senate or Speaker of the House of Representatives, for legislative business outside of the state.

(6) The President of the Senate and Speaker of the House of Representatives may delegate to the chairmen of interim and statutory committees and task forces the approval authority granted to them by subsection (4) of this section, with respect to expenses incurred in attending any meeting of a particular committee or task force.

(7) Amounts received under subsections (3) to (5) of this section are excluded from gross income and expenditures thereof are excluded in computing deductions for purposes of ORS chapter 316. If there is attached to the personal income return a schedule of all ordinary and necessary business expenses paid during the tax year as a member of the Legislative Assembly, a deduction may be claimed on the return for legislative expenses paid in excess of the amounts received under subsections (3) to (5) of this section. However, on and after July 20, 1987, expenses of members of the Legislative Assembly that are reimbursed by the state for actual expenses for meals and lodging associated with state travel for the same period during which a legislator receives per diem is subject to state income tax.

(8) For periods when the Legislative Assembly is not in session, the Legislative Administration Committee shall provide for a telephone and an expense allowance for members of the Legislative Assembly that is in addition to the amount allowed under subsection (4) of this section. In determining the amount of allowance for members, the committee shall consider the geographic area of the member's district. The additional allowance shall reflect travel expenses necessary to communicate in districts of varying sizes.

(9) The per diem allowance referred to in subsections (3) and (4) of this section shall be the amount fixed for per diem allowance that is authorized by the United States Internal Revenue Service to be excluded from gross income without itemization. It is the policy of the Legislative Assembly that all use of state provided phones by members or by legislative staff at the members' direction, including phones assigned either at the member's residence or at the Capitol, shall be considered to be used on state business for purposes of the Legislative Assembly. The State Treasurer shall hold the revolving fund in special account against which the Legislative Assembly may draw checks.

(2) All claims for reimbursement of advances paid from the revolving fund are subject to approval by the Legislative Administrator. (Employment Rights)

171.120 Purpose of enactment of ORS 171.120 to 171.125. (1) It is the purpose and intent of the Legislative Assembly in enacting this section, ORS 171.122 and 171.125 that, subject to the conditions set forth in such sections, any member of the Legislative Assembly whose employment is interrupted by reason of attendance upon regular or special sessions of the Legislative Assembly or the performance of official duties as a member of the Legislative Assembly, shall be restored to such employment in such a manner

as to give the member the status in such employment that the member would have enjoyed if the member had continued in such employment continuously during any such attendance or performance of duties.

(2) The member or prospective member shall not be subject to discipline or harassment or placed at any employment disadvantage as a consequence of the leave of absence. [1957 c.549 §1; 1989 c.1066 §2]

171.122 Rights and benefits of legislators and prospective legislators in relation to their regular employment. (1) Any member or prospective member of the Legislative Assembly who leaves regular employment in order to attend upon any regular or special session of the Legislative Assembly or to perform official duties as a member or prospective member of the Legislative Assembly for which the member or prospective member may receive a per diem under ORS 171.072 or may receive reimbursements for out-of-state travel, shall be granted a leave of absence from such regular employment position for such period of time as is reasonably necessary to permit such attendance or performance of duties.

(2) A member or prospective member of the Legislative Assembly shall give notice to the employer when the leave of absence described in subsection (1) of this section is to be taken as early as possible and may give notice at the time filing as a candidate or upon appointment to fill a vacancy.

(3) The regular employment position of a member or prospective member on leave of absence under this section shall only be deemed vacant for the period of such leave of absence, and the member or prospective member shall not be subject to removal or discharge from such position as a consequence of such leave of absence.

(4) Upon the termination of the leave of absence of the member or prospective member under this section, a member or prospective member shall be restored to the regular employment position the member or prospective member held immediately prior to the first day of the leave of absence if such position still exists, or, if such position does not still exist, to as similar a position as possible, without loss of seniority, the right to participate in insurance or any other employment benefits, other than wages for services rendered, as a consequence of the leave of absence of the member or prospective member. Such seniority, right to participate in insurance or other employment benefits shall continue to accumulate during the leave of absence as though the member or prospective member had continued in employment continuously in the regular em-

ployment position the member or prospective member held immediately prior to the first day of the leave of absence of the member or prospective member.

(5) This section is not applicable if:

(a) The member or prospective member was employed by the employer for a period of less than 90 days immediately prior to the first day of the leave of absence.

(b) The circumstances of the employer have so changed during the leave of absence of the member or prospective member as to make restoration of the member or prospective member to employment impossible or unreasonable.

(c) The member or prospective member fails to apply for restoration to employment within 15 days after the termination of the leave of absence of the member or prospective member.

(d) The regular employment position of the member or prospective member immediately prior to the first day of the leave of absence or the character, terms, conditions or activities of such position are incompatible under the Constitution and laws of this state with the office of member of the Legislative Assembly.

(e) Employment is on a temporary basis.

(f) The employer employs fewer than 10 persons immediately prior to the first day of the leave of absence.

(6) As used in this section, "prospective member" means a person who is elected or appointed to serve in the Legislative Assembly but who has not taken the oath of office. [1957 c.549 §2; 1989 c.1066 §1]

171.125 Proceeding to require compliance with ORS 171.122. ELECTION DATES

171.180 State policy governing election dates. The Legislative Assembly finds that to limit the number of days on which elections are held in this state would consolidate separate single purpose elections, reduce the cost of elections and local government, and increase participation in the electoral process. (5) All money received under subsection (4) of this section shall be deposited in the General Fund and be available for payment of the general expenses of the state, except that so much thereof is appropriated as is necessary to reimburse the Legislative Administration Committee for its actual costs incurred in publishing and distributing the copies for which it charges a fee.

STUDIES OF MANDATED HEALTH COVERAGE

171.870 Legislative findings. (1) The Legislative Assembly takes notice of the increasing number of legislative proposals for mandating certain health coverages, whether such proposals mandate payments for certain providers of health care or mandate the offering of health coverages by insurance carriers and health care service contractors as a component of individual or group policies. Improved access to these health care services

to segments of the population who desire them may provide social and health consequences that are beneficial and in the public interest.

(2) The Legislative Assembly also takes notice of the fact that the cost ramifications of expanding health coverages is resulting in a growing public concern. The way that the coverages are structured and the steps taken to create incentives to provide cost-effective services or to take advantage of features of services that offset costs can significantly affect the cost of mandating particular coverages.

(3) The Legislative Assembly hereby finds and declares the following:

(a) The merits of a particular coverage mandate must be balanced against a variety of consequences that may go far beyond the immediate effect upon the cost of insurance coverage.

(b) A systematic review of legislation proposing mandated or mandatorily offered health coverage that explores all ramifications of the proposed legislation will assist the Legislative Assembly determining whether mandating a particular coverage or offering is in the public interest. [1985 c.747 §55]

171.875 Report required to accompany measures proposing mandated coverage. The report may be prepared either by the chief sponsor or by any other proponent of the proposed measure. The report shall be submitted with the proposed measure when the proposed measure is submitted for filing, and shall be in writing and be a public record. [1985 c.747 §56]

171.880 Content of report. The report required under ORS 171.875, to the extent that information is available, shall include but need not be limited to the following:

(1) Answers to the following questions concerning the social effect of the proposed measure:

(a) To what extent is the treatment or service used by the general population of Oregon?

(b) To what extent is the insurance coverage already generally available in Oregon?

(c) What proportion of the population of Oregon already has such coverage?

(d) To what extent does the lack of coverage result in financial hardship in Oregon?

(e) What evidence exists to document the medical need in Oregon for the proposed treatment or services?

(2) Answers to the following questions concerning the financial effect of the proposed measure:

(a) To what extent is the coverage expected to increase or decrease the cost of treatment or services?

(b) To what extent is the coverage expected to increase the use of the treatment or services?

(c) To what extent is the mandated treatment or services expected to be a substitute for more expensive treatment or services?

(d) To what extent is the coverage expected to increase or decrease the administrative expenses of insurance companies and the premium and administrative expenses of policyholders?

(e) What will be the effect of this coverage on the total cost of health care? [1985 c.747 §57]

Note: Section 62, chapter 747, Oregon Laws 1985, provides.
