MISCELLANEOUS MATTERS

PUBLIC RECORDS POLICY

192.001 Policy concerning public records. (1) The Legislative Assembly finds that:

(a) The records of the state and its political subdivisions are so interrelated and interdependent, that the decision as to what records are retained or destroyed is a matter of state-wide public policy.

(b) The interest and concern of citizens in public records recognizes no jurisdictional boundaries, and extends to such records wherever they may be found in Oregon.

(c) As local programs become increasingly intergovernmental, the state and its political subdivisions have a responsibility to insure orderly retention and destruction of all public records, whether current or non-current, and to insure the preservation of public records of value for administrative, legal and research purposes.

(2) The purpose of ORS 192.005 to 192.170 and 357.805 to 357.895 is to provide direction for the retention or destruction of public records in Oregon, and to assure the retention of records essential to meet the needs of the Legislative Assembly, the state, its political subdivisions and its citizens, in so far as the records affect the administration of government, legal rights and responsibilities, and the accumulation of information of value for research purposes of all kinds. All records not included in types described in this subsection shall be destroyed in accordance with the rules adopted by the Secretary of State. [1973 c.439 §1]

CUSTODY AND MAINTENANCE OF PUBLIC RECORDS

(1) "Public body" includes every state officer, agency, department, division, bureau, board and commission; every county and city governing body, school district, special district, municipal corporation, and any board, department, commission, council, or agency thereof; and any other public agency of this state.

(2) "State agency" means any state officer, department, board, commission or court

created by the Constitution or statutes of this state but does not include the Legislative Assembly or its members, committees, officers or employees insofar as they are exempt under section 9, Article IV of the Oregon Constitution.

(3) "Person" includes any natural person, corporation, partnership, firm or association.

(4) "Public record" includes any writing containing information relating to the conduct of the public's business, including but not limited to court records, mortgages and deed records, prepared, owned, used or retained by a public body regardless of physical form or characteristics.

(5) "Writing" means handwriting, type-writing, printing, photostating, photographing and every means of recording, including letters, words, pictures, sounds, or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums, or other documents.

(6) "Custodian" for purposes of court records means the person described in ORS 7.110. [1973 c 794 §2, 1989 c 377 §1]

192.420 Right to inspect public records. Every person has a right to inspect any public record of a public body in this state, except as otherwise expressly provided by ORS 192.501 to 192.505. [1973 c.794 §3]

192.430 Functions of custodian of public records. (1) The custodian of any public records, including public records maintained in machine readable or electronic form, unless otherwise expressly provided by statute, shall furnish proper and reasonable opportunities for inspection and examination of the records in the office of the custodian and reasonable facilities for making memoranda or abstracts therefrom, during the usual business hours, to all persons having occasion to make examination of them. If the public record is maintained in machine readable or electronic form, the custodian shall furnish proper and reasonable opportunity to assure access.

(2) The custodian of the records may adopt reasonable rules necessary for the protection of the records and to prevent interference with the regular discharge of duties of the custodian. [1973 c 794 §4; 1989 c 546 §1]

192.440 Certified copies of public records; fees; waiver or reduction. (1) The custodian of any public record which a person has a right to inspect shall give the person, on demand, a certified copy of it, if the record is of a nature permitting such copying, or shall furnish reasonable opportunity to inspect or copy.

(2) If the public record is maintained in a machine readable or electronic form, the custodian shall provide copies of the public record in the form requested, if available. If the public record is not available in the form requested, it shall be made available in the form in which it is maintained.

(3) The public body may establish fees reasonably calculated to reimburse it for its actual cost in making such records available including costs for summarizing, compiling or tailoring such record, either in organization or media, to meet the person's request. However, when the records are those filed with the Secretary of State under ORS chapter 79, the fees for furnishing copies, summaries or compilations of such records are those established by the Secretary of State by rule, under ORS chapter 79.

(4) The custodian of any public record may furnish copies without charge or at a substantially reduced fee if the custodian determines that the waiver or reduction of fees is in the public interest because making the record available primarily benefits the general public.

(5) A person who believes that there has been an unreasonable denial of a fee waiver or fee reduction may petition the Attorney General or the district attorney in the same manner as a person petitions when inspection of a public record is denied under ORS 192.410 to 192.505. The Attorney General, the district attorney and the court have the same authority in instances when a fee waiver or reduction is denied as it has when inspection of a public record is denied. [1973 c 794 §5; 1979 c 548 §4, 1989 c.111 §12; 1989 c 377 §2; 1989 c 546 §2]

192.450 Petition to review denial of right to inspect state public record; appeal from decision of Attorney General denying inspection. (1) Subject to ORS 192.480, any person denied the right to inspect or to receive a copy of any public record of a state agency may petition the Attorney General to review the public record to determine if it may be withheld from public inspection. The burden is on the agency to sustain its action. The Attorney General shall issue an order denying or granting the petition, or denying it in part and granting it in part, within seven days from the day the Attorney General receives the petition.

(2) If the Attorney General grants the petition and orders the state agency to disclose the record, or if the Attorney General grants the petition in part and orders the state agency to disclose a portion of the record, the state agency shall comply with the order in full within seven days after issuance of the order, unless within the seven-day period it issues a notice of its intention to in-

stitute proceedings for injunctive or declaratory relief in the Circuit Court for Marion County. Copies of the notice shall be sent to the Attorney General and by certified mail to the petitioner at the address shown on the petition. The state agency shall institute the proceedings within seven days after it issues its notice of intention to do so. If the Attorney General denies the petition in whole or in part, or if the state agency continues to withhold the record or a part of it notwithstanding an order to disclose by the Attorney General, the person seeking disclosure may institute such proceedings.

(3) The Attorney General shall serve as counsel for the state agency in a suit filed under subsection (2) of this section if the suit arises out of a determination by the Attorney General that the public record should not be disclosed, or that a part of the public record should not be disclosed if the state agency has fully complied with the order of the Attorney General requiring disclosure of another part or parts of the public record, and in no other case. In any case in which the Attorney General is prohibited from serving as counsel for the state agency, the agency may retain special counsel. [1973 c.794 §6; 1975 c.308 §2]

192.460 Procedure to review denial of right to inspect other public records. ORS 192.450 is equally applicable to the case of a person denied the right to inspect or receive a copy of any public record of a public body other than a state agency, except that in such case the district attorney of the county in which the public body is located, or if it is located in more than one county the district attorney of the county in which the administrative offices of the public body are located, shall carry out the functions of the Attorney General, and any suit filed shall be filed in the circuit court for such county, and except that the district attorney shall not serve as counsel for the public body, in the cases permitted under ORS 192.450 (3), unless the district attorney ordinarily serves as counsel for it. [1973 c.794 §7]

192.465 Effect of failure of Attorney General, district attorney or public official to take timely action on inspection petition. (1) The failure of the Attorney General or district attorney to issue an order under ORS 192.450 or 192.460 denying, granting, or denying in part and granting in part a petition to require disclosure within seven days from the day of receipt of the petition shall be treated as an order denying the petition for the purpose of determining whether a person may institute proceedings for injunctive or declaratory relief under ORS 192.450 or 192.460.

(2) The failure of an elected official to deny, grant, or deny in part and grant in part a request to inspect or receive a copy of a public record within seven days from the day of receipt of the request shall be treated as a denial of the request for the purpose of determining whether a person may institute proceedings for injunctive or declaratory relief under ORS 192.450 or 192.460. [1975 c.308 §5]

192.470 Petition form; procedure when petition received. (1) A petition to the Attorney General or district attorney requesting the Attorney General or district attorney to order a public record to be made available for inspection or to be produced shall be in substantially the following form, or in a form containing the same information:

_____ (date)

I (we), _____ (name(s)), the undersigned, request the Attorney General (or District Attorney of _____ County) to order _____ (name of governmental body) and its employees to (make available for inspection) (produce a copy or copies of) the following records:

1. _____
(Name or description of record)
2. _____
(Name or description of record)

I (we) asked to inspect and/or copy these records on _____ (date) at _____ (address)
The request was denied by the following person(s):

1. _____
(Name of public officer or employee, title or position, if known)
2. _____
(Name of public officer or employee, title or position, if known)

(Signature(s))

This form should be delivered or mailed to the Attorney General's office in Salem, or the district attorney's office in the county courthouse.

(2) Promptly upon receipt of such a petition, the Attorney General or district attorney shall notify the public body involved. The public body shall thereupon transmit the public record disclosure of which is sought, or a copy, to the Attorney General, together with a statement of its reasons for believing that the public record should not be disclosed. In an appropriate case, with the con-

sent of the Attorney General, the public body may instead disclose the nature or substance of the public record to the Attorney General. [1973 c.794 §10]

192.480 Procedure to review denial by elected official of right to inspect public records. In any case in which a person is denied the right to inspect or to receive a copy of a public record in the custody of an elected official, or in the custody of any other person but as to which an elected official claims the right to withhold disclosure, no petition to require disclosure may be filed with the Attorney General or district attorney, or if a petition is filed it shall not be considered by the Attorney General or district attorney after a claim of right to withhold disclosure by an elected official. In such case a person denied the right to inspect or to receive a copy of a public record may institute proceedings for injunctive or declaratory relief in the appropriate circuit court, as specified in ORS 192.450 or 192.460, and the Attorney General or district attorney may upon request serve or decline to serve, in the discretion of the Attorney General or district attorney, as counsel in such suit for an elected official for which the Attorney General or district attorney ordinarily serves as counsel. Nothing in this section shall preclude an elected official from requesting advice from the Attorney General or a district attorney as to whether a public record should be disclosed. [1973 c.794 §8]

192.490 Court authority in reviewing action denying right to inspect public records; docketing; costs and attorney fees. (1) In any suit filed under ORS 192.450, 192.460, 192.470 or 192.480, the court has jurisdiction to enjoin the public body from withholding records and to order the production of any records improperly withheld from the person seeking disclosure. The court shall determine the matter de novo and the burden is on the public body to sustain its action. The court, on its own motion, may view the documents in controversy in camera before reaching a decision. Any noncompliance with the order of the court may be punished as contempt of court.

(2) Except as to causes the court considers of greater importance, proceedings arising under ORS 192.450, 192.460, 192.470 or 192.480 take precedence on the docket over all other causes and shall be assigned for hearing and trial at the earliest practicable date and expedited in every way.

(3) If a person seeking the right to inspect or to receive a copy of a public record prevails in the suit, the person shall be awarded costs and disbursements and reasonable attorney fees at trial and on appeal. If the person prevails in part, the court may

in its discretion award the person costs and disbursements and reasonable attorney fees at trial and on appeal, or an appropriate portion thereof. If the state agency failed to comply with the Attorney General's order in full and did not issue a notice of intention to institute proceedings pursuant to ORS 192.450 (2) within seven days after issuance of the order, or did not institute the proceedings within seven days after issuance of the notice, the petitioner shall be awarded costs of suit at the trial level and reasonable attorney fees regardless of which party instituted the suit and regardless of which party prevailed therein. [1973 c.794 §9, 1975 c.308 §3, 1981 c.897 §40]

192.495 Inspection of records more than 25 years old. Notwithstanding ORS 192.501 to 192.505 and except as otherwise provided in ORS 192.496, public records that are more than 25 years old shall be available for inspection. [1979 c.301 §2]

192.496 Public records exempt from disclosure because of age; student records. The following public records are exempt from disclosure:

(1) Records less than 75 years old which contain information about the physical or mental health or psychiatric care or treatment of a living individual, if the public disclosure thereof would constitute an unreasonable invasion of privacy. The party seeking disclosure shall have the burden of showing by clear and convincing evidence that the public interest requires disclosure in the particular instance and that public disclosure would not constitute an unreasonable invasion of privacy.

(2) Records less than 75 years old which were sealed in compliance with statute or by court order. Such records may be disclosed upon order of a court of competent jurisdiction or as otherwise provided by law.

(3) Records of a person who is or has been in the custody or under the lawful supervision of a state agency, a court or a unit of local government, are exempt from disclosure for a period of 25 years after termination of such custody or supervision to the extent that disclosure thereof would interfere with the rehabilitation of the person if the public interest in confidentiality clearly outweighs the public interest in disclosure. Nothing in this subsection, however, shall be construed as prohibiting disclosure of the fact that a person is in custody.

(4) Student records required by state or federal law to be exempt from disclosure. [1979 c.301 §3]

This exemption does not apply to litigation which has been concluded, and nothing in this subsection shall limit any right or opportunity granted by discovery or deposition statutes to a party to litigation or potential litigation;

(2) Trade secrets. "Trade secrets," as used in this section, may include, but are not limited to, any formula, plan, pattern, process, tool, mechanism, compound, procedure, production data, or compilation of information which is not patented, which is known only to certain individuals within an organization and which is used in a business it conducts, having actual or potential commercial value, and which gives its user an opportunity to obtain a business advantage over competitors who do not know or use it;

(3) Investigatory information compiled for criminal law purposes, except that the record of an arrest or the report of a crime shall not be confidential unless and only so long as there is a clear need in a particular case to delay disclosure in the course of a specific investigation. For purposes of this subsection, the record of an arrest or the report of a crime includes, but is not limited to:

(5) Information consisting of production records, sale or purchase records or catch records, or similar business records of a private concern or enterprise, required by law to be submitted to or inspected by a governmental body to allow it to determine fees or assessments payable or to establish production quotas, and the amounts of such fees or assessments payable or paid, to the extent that such information is in a form which would permit identification of the individual concern or enterprise. This exemption does not include records submitted by long term care facilities as defined in ORS 442.015 to the state for purposes of reimbursement of expenses or determining fees for patient care. (12) Information concerning the location of archaeological sites or objects as those terms are defined in ORS 358.905, except if the governing body of an Indian tribe requests the information and the need for the information is related to that Indian tribe's cultural or religious activities. This exemption does not include information relating to a site that is all or part of an existing, commonly known and publicized tourist facility or attraction;

(13) A personnel discipline action, or materials or documents supporting that action;

(14) Information developed pursuant to ORS 496.004, 496.172 and 498.026 or ORS 496.192 and 564.100, regarding the habitat, location or population of any threatened species or endangered species;

(15) Writings prepared by or under the direction of faculty of public educational institutions, in connection with research, until publicly released, copyrighted or patented;

(16) Computer programs developed or purchased by or for any public body for its own use. As used in this subsection, "computer program" means a series of instructions or statements which permit the functioning of a computer system in a manner designed to provide storage, retrieval and manipulation of data from such computer system, and any associated documentation and source material that explain how to operate the computer program. MEDICAL RECORDS

192.525 State policy concerning medical records. The Legislative Assembly declares that it is the policy of the State of Oregon to protect both the right of an individual to have the medical history of the individual protected from disclosure to persons other than the health care provider and insurer of the individual who needs such information, and the right of an individual to review the medical records of that individual. It is recognized that both rights may be limited, but only to benefit the patient. These rights of confidentiality and full access must be protected by private and public institutions providing health care services and by private practitioners of the healing arts. The State of Oregon commits itself to fulfilling

the objectives of this public policy for public providers of health care. Private practitioners of the healing arts and private institutions providing health care services are encouraged to adopt voluntary guidelines that will grant health care recipients access to their own medical records while preserving those records from unnecessary disclosure. [1977 c.812 §1]

192.530 Health Division to develop guidelines for access to medical records. The Health Division of the Department of Human Resources and those boards licensing the healing arts that have been established in the division shall assist private health care providers in this state to develop guidelines necessary to fulfill this state's policy of facilitating a patient's access to medical records referring to the patient and limiting disclosure, without the patient's consent, to persons other than the health care provider and insurer of the patient who needs such information. Such guidelines shall be reported to the Sixtieth Legislative Assembly. [1977 c.812 §2]

(1) A financial institution may disclose financial records of a customer to a state or local agency, and a state or local agency may request and receive such records, pursuant to a lawful summons or subpoena, served upon the financial institution, as provided in this section.

(2) The state or local agency issuing such summons or subpoena shall make personal service of a copy of it upon the customer.

(3) The summons or subpoena shall name the agency issuing it, and shall specify the statutory authority under which the financial records are being obtained.

(4) The summons or subpoena shall state that service of a copy thereof has been made upon the customer, and shall state the date upon which service was accomplished.

If the customer moves to quash such summons or subpoena, and the financial institution receives written notice of such action from the customer, all within 10 days following the date upon which a copy of the summons or subpoena was served upon the customer, the financial institution shall not disclose the financial records of said customer pursuant to said summons or subpoena unless:

However, in all cases in which disclosure is sought pursuant to ORS 192.565, the reasonable period of time shall be not less than 20 days.

(2) Prior to making disclosures, a financial institution may require that the requesting state or local agency reimburse the financial institution for the reasonable costs incurred by it in the course of compliance. These costs include, but are not limited to, personnel costs, reproduction costs and travel expenses. The following charges shall be deemed reasonable costs:

(a) Personnel costs, \$10 per hour per person, computed on the basis of \$2.50 per quarter hour or fraction thereof, for time expended by personnel of the financial institution in searching, locating, retrieving, copying and transporting or conveying the requested material to the place of examination.

(b) Reproduction costs, 10 cents per page, including copies produced by reader and printer reproduction processes. Photographs, films and other materials shall be reimbursed at actual costs.

or sheriff's department or district attorney's office in this state requests account information from a financial institution to assist in a criminal investigation, the financial institution shall supply a statement setting forth the requested account information with respect to a customer account specified by the police or sheriff's department or district attorney's office, for a period of up to 15 days prior to and 15 days following the date of occurrence of the account transaction giving rise to the criminal investigation. The disclosure statement provided for herein shall include only account information as defined in subsection (2) of this section. The police or sheriff's department or district attorney's office requesting the information shall, within 24 hours of making the request, confirm the same in a writing delivered or mailed to the financial institution, setting forth the nature of the account information sought, the time period for which account information is sought, and that the information has been requested pursuant to a criminal investigation.

(1) Any customer who suffers any ascertainable loss as a result of a wilful violation of ORS 192.550 to 192.595 by any person, may bring an individual action in an appropriate court to recover actual damages or \$1,000, whichever is greater.

(2) Any customer who suffers any ascertainable loss as a result of a negligent violation of ORS 192.550 to 192.595 by any person, may bring an individual action in an appropriate court to recover actual damages.

(4) An action to enforce any provision of ORS 192.550 to 192.595 must be commenced within two years after the date on which the violation occurred.

(5) Evidence obtained in violation of ORS 192.550 to 192.595 is inadmissible in any proceeding. [1977 c.517 §9; 1981 c.897 §41]

192.595 Severability. If any provision of ORS 192.550 to 192.595 or the application thereof to any person or circumstance is held invalid for any reason, such invalidity shall not affect any other provision or application of ORS 192.550 to 192.595 which can remain in effect without the invalid provision or application, and to this end the provisions of ORS 192.550 to 192.595 are severable. [1977 c.517 §10]

[1973 c.172 §2; 1979 c.644 §1]

192.620 Policy. The Oregon form of government requires an informed public aware of the deliberations and decisions of governing bodies and the information upon which such decisions were made. It is the intent of ORS 192.610 to 192.690 that decisions of governing bodies be arrived at openly. [1973 c.172 §1]

192.630 Meetings of governing body to be open to public; location of meetings; disabled access; interpreters. (1) All meetings of the governing body of a public

body shall be open to the public and all persons shall be permitted to attend any meeting except as otherwise provided by ORS 192.610 to 192.690.

(2) No quorum of a governing body shall meet in private for the purpose of deciding on or deliberating toward a decision on any matter except as otherwise provided by ORS 192.610 to 192.690.

(3) A governing body shall not hold a meeting at any place where discrimination on the basis of race, creed, color, sex, age, national origin or disability is practiced. However, the fact that organizations with restricted membership hold meetings at the place shall not restrict its use by a public body if use of the place by a restricted membership organization is not the primary purpose of the place or its predominate use.

(4) Meetings of the governing body of a public body shall be held within the geographic boundaries over which the public body has jurisdiction, or at the administrative headquarters of the public body or at the other nearest practical location. Training sessions may be held outside the jurisdiction so long as no deliberations toward a decision are involved. A joint meeting of two or more governing bodies shall be held within the geographic boundaries over which one of the participating public bodies has jurisdiction or at the nearest practical location. Meetings may be held in locations other than those described in this subsection in the event of an actual emergency necessitating immediate action. This subsection does not apply to the Oregon State Bar until December 31, 1980.

(5)(a) It shall be considered discrimination on the basis of disability for a governing body of a public body to meet in a place inaccessible to the disabled, or, upon request of a hearing impaired person, to fail to make a good faith effort to have an interpreter for hearing impaired persons provided at a regularly scheduled meeting. The sole remedy for discrimination on the basis of disability shall be as provided in ORS 192.680.

(b) The person requesting the interpreter shall give the governing body at least 48 hours' notice of the request for an interpreter, shall provide the name of the requester, sign language preference and any other relevant information the governing body may request.

(e) As used in this subsection, "good faith effort" includes, but is not limited to, contacting the Oregon Disabilities Commission or other state or local agency that maintains a list of qualified interpreters and arranging for the referral of one or more such persons to provide interpreter services. [1973 c.172 §3; 1979 c.644 §2, 1989 c 1019 §1]

192.640 Public notice required; special notice for executive sessions, special or emergency meetings. (1) The governing body of a public body shall provide for and give public notice, reasonably calculated to give actual notice to interested persons including news media which have requested notice, of the time and place for holding regular meetings. The notice shall also include a list of the principal subjects anticipated to be considered at the meeting, but this requirement shall not limit the ability of a governing body to consider additional subjects.

(2) If an executive session only will be held, the notice shall be given to the members of the governing body, to the general public and to news media which have requested notice, stating the specific provision of law authorizing the executive session.

(3) No special meeting shall be held without at least 24 hours' notice to the members of the governing body, the news media which have requested notice and the general public. In case of an actual emergency, a meeting may be held upon such notice as is appropriate to the circumstances, but the minutes for such a meeting shall describe the emergency justifying less than 24 hours' notice. [1973 c.172 §4; 1979 c.644 §3, 1981 c.182 §1]

192.650 Written minutes required; content; content of minutes for executive sessions. (1) The governing body of a public body shall provide for the taking of written minutes of all its meetings. Neither a full transcript nor a recording of the meeting is required, except as otherwise provided by law, but the written minutes must give a true reflection of the matters discussed at the meeting and the views of the participants. All minutes shall be available to the public within a reasonable time after the meeting, and shall include at least the following information:

(a) All members of the governing body present;

(b) All motions, proposals, resolutions, orders, ordinances and measures proposed and their disposition;

(c) The results of all votes and, except for public bodies consisting of more than 25 members unless requested by a member of that body, the vote of each member by name;

(d) The substance of any discussion on any matter; and

(e) Subject to ORS 192.410 to 192.505 relating to public records, a reference to any document discussed at the meeting but such reference shall not affect the status of the document under ORS 192.410 to 192.505.

(2) Minutes of executive sessions shall be kept in accordance with subsection (1) of this section. However, the minutes of a hearing held under ORS 332.061 shall contain only the material not excluded under ORS 332.061

(2). Instead of written minutes, a record of any executive session may be kept in the form of, a sound tape recording which need not be transcribed unless otherwise provided by law. Material the disclosure of which is inconsistent with the purpose for which a meeting under ORS 192.660 is authorized to be held may be excluded from disclosure. However, excluded materials are authorized to be examined privately by a court in any legal action and the court shall determine their admissibility. [1973 c.172 §5, 1975 c.664 §1, 1979 c.644 §4]

192.660 Executive sessions permitted on certain matters; procedures; news media representatives' attendance; limits.

(1) Nothing contained in ORS 192.610 to 192.690 shall be construed to prevent the governing body of a public body from holding executive session during a regular, special or emergency meeting, after the presiding officer has identified the authorization under ORS 192.610 to 192.690 for the holding of such executive session. Executive session may be held:

(B) The filling of a vacancy on any public committee, commission or other advisory group.

(C) The consideration of general employment policies.

(D) The employment of the chief executive officer, other public officers, employees and staff members of any public body unless the vacancy in that office has been advertised, regularized procedures for hiring have been adopted by the public body and there has been opportunity for public input into the employment of such an officer. However, the standards, criteria and policy directives

to be used in hiring chief executive officers shall be adopted by the governing body in meetings open to the public in which there has been opportunity for public comment.

(b) To consider the dismissal or disciplining of, or to hear complaints or charges brought against, a public officer, employee, staff member or individual agent, unless such public officer, employee, staff member or individual agent requests an open hearing.

The standards, criteria and policy directives to be used in evaluating chief executive officers shall be adopted by the governing body in meetings open to the public in which there has been opportunity for public comment. An executive session for purposes of evaluating a chief executive officer or other officer, employee or staff member shall not include a general evaluation of an agency goal, objective or operation or any directive to personnel concerning agency goals, objectives, operations or programs.

(j) To carry on negotiations under ORS chapter 293 with private persons or businesses regarding proposed acquisition, exchange or liquidation of public investments.

(2) Labor negotiations may be conducted in executive session if either side of the negotiators requests closed meetings. Notwithstanding ORS 192.640, subsequent sessions of the negotiations may continue without further public notice.

(3) Representatives of the news media shall be allowed to attend executive sessions other than those held under paragraph (d) of subsection (1) of this section relating to labor negotiations or executive session held pursuant to ORS 332.061 (2) but the governing body may require that specified information subject of the executive session be undisclosed.

(4) No executive session may be held for the purpose of taking any final action or making any final decision. [1973 c.172 §6, 1975 c.664 §2, 1979 c.644 §5; 1981 c.302 §1, 1983 c.453 §1; 1985 c.657 §2]

192.670 Meetings by means of telephonic or electronic communication. (1) Any meeting, including an executive session, of a governing body of a public body which is held through the use of telephone or other electronic communication shall be conducted in accordance with ORS 192.610 to 192.690.

(2) When telephone or other electronic means of communication is used and the meeting is not an executive session, the governing body of the public body shall make available to the public at least one place where the public can listen to the communication at the time it occurs by means of speakers or other devices. The place provided may be a place where no member of the governing body of the public body is present. [1973 c.172 §7; 1979 c.361 §1]

192.680 Enforcement of ORS 192.610 to 192.690; effect of violation on validity of decision of governing body; liability of members. (1) A decision made by a governing body of a public body in violation of ORS 192.610 to 192.690 shall be voidable. The decision shall not be voided if the governing body of the public body reinstates the decision while in compliance with ORS 192.610 to 192.690. A decision that is reinstated is effective from the date of its initial adoption.

(2) Any person affected by a decision of a governing body of a public body may commence a suit in the circuit court for the county in which the governing body ordinarily meets, for the purpose of requiring compliance with, or the prevention of violations of ORS 192.610 to 192.690, by members of the governing body, or to determine the applicability of ORS 192.610 to 192.690 to matters or decisions of the governing body.

(3) Notwithstanding subsection (1) of this section, if the court finds that the public body made a decision while in violation of

ORS 192.610 to 192.690, the court shall void the decision of the governing body if the court finds that the violation was the result of intentional disregard of the law or wilful misconduct by a quorum of the members of the governing body, unless other equitable relief is available. The court may order such equitable relief as it deems appropriate in the circumstances. The court may order payment to a successful plaintiff in a suit brought under this section of reasonable attorney fees at trial and on appeal, by the governing body, or public body of which it is a part or to which it reports.

(4) If the court makes a finding that a violation of ORS 192.610 to 192.690 has occurred under subsection (2) of this section and that the violation is the result of wilful misconduct by any member or members of the governing body, that member or members shall be jointly and severally liable to the governing body or the public body of which it is a part for the amount paid by the body under subsection (3) of this section.

(5) Any suit brought under subsection (2) of this section must be commenced within 60 days following the date that the decision becomes public record.

(6) The provisions of this section shall be the exclusive remedy for an alleged violation of ORS 192.610 to 192.690. [1973 c.172 §8; 1975 c.664 §3; 1979 c.644 §6; 1981 c.897 §42; 1983 c.453 §2; 1989 c.544 §1]

192.690 Exceptions to ORS 192.610 to 192.690. (1) ORS 192.610 to 192.690 shall not apply to the deliberations of the State Board of Parole and Post-Prison Supervision, the State Banking Board, the Psychiatric Security Review Board, of state agencies conducting hearings on contested cases in accordance with the provisions of ORS 183.310 to 183.550, the review by the Workers' Compensation Board of similar hearings on contested cases, meetings of the state lawyers assistance committees, the local lawyers assistance committees in accordance with the provisions of ORS 9.545, the peer review committees in accordance with the provisions of ORS 441.055 and mediation conducted under sections 2 to 10, chapter 967, Oregon Laws 1989, or to any judicial proceeding.

(2) Because of the grave risk to public health and safety that would be posed by misappropriation or misapplication of information considered during such review and approval, ORS 192.610 to 192.690 shall not apply to review and approval of security programs by the Energy Facility Siting Council pursuant to ORS 469.530.
