279.011 Definitions for ORS 279.011 to 279.063. As used in ORS 279.011 to 279.063:

(1) "Board" means a local contract review board created pursuant to ORS 279.055.

(2) "Department" means the Department of General Services.

(3) "Director" means the Director of the Department of General Services.

(4) "Public contract" means any purchase, lease or sale by a public agency of personal property, public improvements or services other than agreements which are for personal service.

(5) "Public agency" or "public contracting agency" means any agency of the State of Oregon or any political subdivision thereof authorized by law to enter into public contracts and any public body created by inter-governmental agreement.

(6) "Public improvement" means projects for construction, reconstruction or major renovation on real property by or for a public agency. "Public improvement" does not include emergency work, minor alteration, ordinary repair or maintenance necessary in order to preserve a public improvement. [1975 c.771 §1; 1979 c.196 §1; 1979 c.869 §1a; 1981 c.54 §1; 1983 c.690 §2]

279.012 [Repealed by 1975 c.771 §33]

279.013 [1975 c.771 §2; 1977 c.456 §1, 1979 c.195 §1; 1981 c.466 §1; 1981 c.528 §5, 1981 c.712 §1, repealed by 1983 c.690 §28]

279.014 [Amended by 1967 c.202 §1; 1973 c.42 §1; repealed by 1975 c.771 §33]

279.015 Competitive bidding; exemptions. (1) All public contracts shall be based upon competitive bids except:

(a) Contracts made with other public agencies or the Federal Government;

(b) Contracts made with qualified nonprofit agencies providing employment opportunities for disabled individuals;

(c) A public contract exempt under subsection (2) of this section;

(d) A contract for supplies, at the option of the contracting agency, may be excluded from the competitive bidding requirement if the value of the contract is less than \$2,500;

(e) Insurance and service contracts as provided for under ORS 414.115, 414.125, 414.135 and 414.145; and

(f) Contracts for repair, maintenance, improvement or protection of property obtained by the Director of Veterans' Affairs under ORS 407.135 and 407.145 (1).

(2) Subject to paragraph (b) of subsection (5) of this section, the director or board may exempt certain public contracts or classes of public contracts from the competitive bidding requirements of subsection (1) of this section upon approval of the following findings submitted by the public contracting agency seeking the exemption:

(a) It is unlikely that such exemption will encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts; and

(b) The awarding of public contracts pursuant to the exemption will result in substantial cost savings to the public contracting agency. In making such finding, the director or board may consider the type, cost, amount of the contract, number of persons available to bid and such other factors as may be deemed appropriate.

(3) A public contract also may be exempted from the requirements of subsection (1) of this section if:

(a) Emergency conditions require prompt execution of the contract; or

(b) In case of sale of surplus property by a public agency, the number, value and nature of the items to be sold make it probable that the cost of conducting a sale by competitive bid will be such that a liquidation sale will result in substantially greater net revenue to the public agency.

(4) The director or board shall adopt rules allowing the governing body of a public agency and the officer of a public agency for contracts under \$25,000 to declare that an emergency exists and establishing procedures for determining when the conditions in paragraph (a) of subsection (3) of this section are present. The rules shall prescribe that if an emergency is declared, any contract awarded under this subsection and paragraph (a) of subsection (3) of this section must be awarded within 60 days following declaration of the emergency, unless the director or board grants an extension.

(5) In granting exemptions pursuant to paragraphs (a) and (b) of subsection (2) of this section, the director or board shall:

(a) Where appropriate, direct the use of alternate contracting and purchasing practices that take account of market realities and modern or innovative contracting and purchasing methods, which are also consistent with the public policy of encouraging competition.

(b) Require and approve or disapprove written findings by the public contracting agency that support the awarding of a particular public contract or a class of public contracts, without competitive bidding. The

findings must show that the exemption of a contract or class of contracts complies with the requirements of paragraphs (a) and (b) of subsection (2) of this section. [1975 c.771 §3; 1977 c.304 §6; 1983 c.244 §1; 1983 c.590 §10, 1983 c.690 §3a; 1987 c.538 §1; 1987 c.777 §1; 1989 c.224 §40; 1989 c.454 §1]

279.016 [Amended by 1971 c.481 §1; repealed by 1975 c.771 §33]

279.017 Specifications for contracts; exemptions. (1) Specifications for public contracts shall not expressly or implicitly require any product by any brand name or mark, nor the product of any particular manufacturer or seller unless the product is exempt under subsection (2) of this section.

(2) The director or board may exempt certain products or classes of products from subsection (1) of this section upon any of the following findings:

(a) It is unlikely that such exemption will encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts;

(b) The specification of a product by brand name or mark, or the product of a particular manufacturer or seller, would result in substantial cost savings to the public agency;

(c) There is only one manufacturer or seller of the product of the quality required; or

(d) Efficient utilization of existing equipment or supplies requires the acquisition of compatible equipment or supplies. [1975 c.771 §4; 1983 c.690 §4]

279.018 [Repealed by 1975 c.771 §33]

279.019 Exemption procedure; appeal.

(1) Exemptions granted by the director pursuant to ORS 279.015 (2) or 279.017 (2) constitute rulemaking and not contested cases under ORS 183.310 to 183.550. However, an exemption granted with regard to a specific contract shall be granted by order of the director, which order shall set forth findings supporting the decision of the director to grant or deny the request for exemption. Such order shall be reviewable pursuant to ORS 183.484 and shall not constitute a contested case order. Jurisdiction for review of the order shall be with the Circuit Court of Marion County. The court may award costs and attorney fees to the prevailing party.

(2) Any person except the public contracting agency or anyone representing it may bring a petition for a declaratory judgment to test the validity of any rule adopted by the director under ORS 279.015 and 279.017 in the manner provided in ORS 183.400.

(3) Any person except the public contracting agency or anyone representing it may bring an action for writ of review pur-

suant to ORS chapter 34 to test the validity of any exemption granted pursuant to ORS 279.015, 279.017 and 279.055 by a board. [1975 c.771 §6; 1983 c.690 §5]

279.021 Preferences; foreign contractor. (1) In all public contracts, the public contracting agency shall prefer goods or services that have been manufactured or produced in this state if price, fitness, availability and quality are otherwise equal.

(2)(a) Where a public contract is awarded to a foreign contractor and the contract price exceeds \$10,000, the contractor shall promptly report to the Department of Revenue on forms to be provided by the Department of Revenue the total contract price, terms of payment, length of contract and such other information as the Department of Revenue may require before final payment can be received on the public contract. The public contracting agency shall satisfy itself that the requirement of this subsection has been complied with before it issues a final payment on a public contract.

(b) For purposes of this subsection, a foreign contractor is one who is not domiciled in or registered to do business in the State of Oregon. [1975 c.771 §5]

279.022 [Repealed by 1975 c.771 §33]

279.023 Least cost policy for public improvements; costs estimates in budget process; record of costs. (1) It is the policy of the State of Oregon that public agencies shall make every effort to construct public improvements at the least cost to the public agency.

(2) Not less than 30 days prior to adoption of its budget for the subsequent budget period, each public agency shall prepare and file with the Commissioner of the Bureau of Labor and Industries a list of every public improvement known to the agency that the agency plans to fund in the budget period, identifying each improvement by name and estimating the total onsite construction costs. The list shall also contain a statement as to whether the agency intends to perform the construction by a private contractor. If the agency intends to perform construction work using the agency's own equipment and personnel on a project estimated to cost more than \$50,000, then the agency shall also show that its decision conforms to the policy stated in subsection (1) of this section. The list is a public record and may be revised periodically by the agency.

(3) Before a public agency constructs a public improvement with its own equipment or personnel:

(a) If the estimated cost exceeds \$50,000, the public agency shall prepare adequate

plans and specifications and the estimated unit cost of each classification of work. The estimated cost of the work shall include a reasonable allowance for the cost, including investment cost, of any equipment used. As used in this paragraph, "adequate" means sufficient to control the performance of the work and to assure satisfactory quality of construction by the public agency personnel.

(b) The public agency shall cause to be kept and preserved a full, true and accurate account of the costs of performing the work, including all engineering and administrative expenses and the cost, including investment costs, of any equipment used. The final account of the costs shall be a public record.

(4) Subsections (2) and (3) of this section do not apply to any public agency when the public improvement is to be used for the distribution or transmission of electric power.

(5) For purposes of this section, resurfacing of highways, roads or streets at a depth of two or more inches and at an estimated cost that exceeds \$50,000 is a public improvement. [1975 c.771 §7; 1979 c.869 §2; 1981 c.281 §1; 1987 c.776 §2]

279.024 [Repealed by 1975 c.771 §33]

279.025 Requirements for advertisement for bids. (1) An advertisement for bids shall be published at least once in at least one newspaper of general circulation in the area where the contract is to be performed and in as many additional issues and publications as the public contracting agency may determine. If the contract is for a public improvement with an estimated cost in excess of \$50,000, the advertisement for bids shall be published in at least one trade newspaper of general state-wide circulation. The director or board may, by rule, require an advertisement for bids to be published more than once or in one or more additional publications.

(2) All advertisements for bids shall state:

Such security shall not exceed 10 percent of the amount bid for the contract. [Formerly 279.070]

279.028 [Repealed by 1975 c.771 §33]

279.029 Award of contract; bond; waiver of bond in case of emergency. (1) After the bids are opened as required by ORS 279.027, and after a determination is made that a contract is to be awarded, the public contracting agency shall award the contract to the lowest responsible bidder.

(2) In determining the lowest responsible bidder, a public contracting agency shall, for the purpose of awarding the contract, add a percent increase on the bid of a nonresident bidder equal to the percent, if any, of the preference given to that bidder in the state in which the bidder resides.

(3) The Department of General Services on or before January 1 of each year shall publish a list of states that give preference to in-state bidders with the percent increase applied in each such state. The public contracting agency may rely on the names of states and percentages so published in determining the lowest responsible bidder without incurring any liability to any bidder.

(4) The successful bidder shall:

(a) Promptly execute a formal contract.

(b) If the contract is for a public improvement, execute and deliver to the public contracting agency a good and sufficient bond, to be approved by the public contracting agency, in a sum equal to the contract price for the faithful performance of the contract. In lieu of a surety bond, the public contracting agency may permit the successful bidder to submit a cashier's check or certified check in an amount equal to 100 percent of the contract price.

(5) In cases of emergency, or where the interest or property of the public contracting agency probably would suffer material injury by delay or other cause, the requirement of furnishing a good and sufficient bond for the faithful performance of any public contract may be excused, if a declaration of such emergency is made and concurred in by all members of the governing board of the public contracting agency.

(6) As used in this section:

(a) "Lowest responsible bidder" means the lowest bidder who has substantially complied with all prescribed public bidding procedures and requirements and who has not been disqualified by the public contracting agency under ORS 279.037.

(b) "Resident bidder" means a bidder that has paid unemployment taxes or income taxes in this state during the 12 calendar months immediately preceding submission of the bid, has a business address in this state and has stated in the bid whether the bidder is a "resident bidder" pursuant to this subsection.

(c) "Nonresident bidder" means a bidder who is not a "resident bidder" as defined by paragraph (b) of this subsection. [Formerly 279.075, 1981 c.466 §2; 1987 c.865 §1]

279.030 [Amended by 1971 c.659 §1; repealed by 1975 c.771 §33]

279.031 Return or retention of bid security. Upon the execution of the contract and bond by the successful bidder, the bid security of the successful bidder shall be returned to the bidder. The bidder who is awarded a contract and who fails promptly and properly to execute the contract or bond shall forfeit the bid security that accompa-

nied the successful bid. The bid security shall be taken and considered as liquidated damages and not as a penalty for failure of the bidder to execute the contract and bond. The bid security of unsuccessful bidders may be returned to them when the bids have been opened and the contract has been awarded, and shall not be retained by the public body after the contract has been duly signed. [Formerly 279.080; 1981 c.712 §2]

279.032 [Repealed by 1975 c.771 §33]

279.033 Exemption of contracts from bid security and bond. The director or board may exempt certain contracts or classes of contracts from the requirement for bid security and from the requirement that a good and sufficient bond be furnished to assure performance of the contract and payment of obligations incurred in the performance; provided, however, the public contracting agency may require bid security and a good and sufficient performance and payment bond even though the contract is of a class exempted by the director or board. [1975 c.771 §11; 1983 c.690 §7]

279.034 [Repealed by 1975 c.771 §33]

279.035 Rejection of bids. The public contracting agency may reject any bid not in compliance with all prescribed public bidding procedures and requirements, and may, for good cause, reject any or all bids upon a finding of the agency it is in the public interest to do so. In any case where competitive bids are required and all bids are rejected, and the proposed contract is not abandoned, new bids may be called for as in the first instance. [1975 c.771 §12; 1985 c.724 §2]

279.036 [Amended by 1969 c.607 §1; repealed by 1975 c.771 §33]

279.037 Disqualification of bidder. (1) A public contracting agency may disqualify any person as a bidder on a public contract if the agency finds:

(a) The person does not have sufficient financial ability to perform the contract. If a bond is required to insure performance of a contract, evidence that the person can acquire a surety bond in the amount and type required shall be sufficient to establish financial ability;

(b) The person does not have equipment available to perform the contract;

(c) The person does not have key personnel available of sufficient experience to perform the contract; or

(d) The person has repeatedly breached contractual obligations to public and private contracting agencies.

(2) The public contracting agency may make such investigation as is necessary to determine whether a person is qualified. If a bidder or prospective bidder fails to supply

promptly information as requested by the public contracting agency pursuant to such investigation, such failure is grounds for disqualification.

(3) Any information voluntarily submitted by a bidder or prospective bidder pursuant to an investigation under subsection (2) of this section or in a prequalification statement required by ORS 279.039 or in a prequalification request submitted pursuant to ORS 279.041 shall be deemed a trade secret pursuant to ORS 192.501 to 192.505 if requested by the person submitting the information. [1975 c.771 §13; 1977 c.289 §7]

279.038 [Repealed by 1975 c.771 §33]

279.039 Prequalification of bidders; notification. (1) Any public contracting agency may adopt a rule, resolution, ordinance or other regulation requiring mandatory prequalification for all persons desiring to bid for public contracts that are to be let by the agency. The rule, resolution, ordinance or other regulation authorized by this section shall include the time for submitting prequalification applications and a general description of the type and nature of the contracts that may be let. The prequalification application shall be in writing on a standard form prescribed by the director.

(2) The public contracting agency shall within 30 days of the receipt of the prequalification application submitted pursuant to subsection (1) of this section, notify the prospective bidder if the prospective bidder is qualified or not, the nature and type of contracts that the prospective bidder is qualified to bid on and the time period for which the prequalification is valid. If the public contracting agency disqualifies the prospective bidder as to any contracts covered by the rule, resolution, ordinance or other regulation, the notice shall specify which subsections of ORS 279.037 the prospective bidder failed to comply with. Unless the reasons are specified, the bidder shall be deemed to have been prequalified in accordance with the application.

(3) If a public contracting agency subsequently discovers that a person heretofore prequalified under subsections (1) and (2) of this section is no longer qualified, the agency may revoke the prequalification upon reasonable notice to the prospective bidder; provided, however, that such revocation shall be invalid as to any contract for which an advertisement for bids has already been made under ORS 279.025. [1975 c.771 §14; 1977 c.289 §2, 1981 c.712 §3; 1983 c.690 §8]

279.040 [Repealed by 1975 c.771 §33]

279.041 Application for prequalification; notification; investigation, revocation or revision. (1) When a public

contracting agency permits or requires prequalification of bidders, a person who wishes to prequalify shall submit a prequalification application to the agency on a standard form prescribed by the director. Within 30 days after receipt of a prequalification application, the public contracting officer shall investigate the prospective bidder as necessary to determine if the prospective bidder is qualified. The determination shall be made in less than 30 days, if practical, if the prospective bidder requests an early decision to allow the bidder as much time as possible to prepare a bid on a contract that has been advertised. In making its determination, the agency shall only disqualify a person in accordance with ORS 279.037. It shall promptly notify the person whether or not that person is qualified.

(2) If the agency finds that a prospective bidder is qualified, the notice shall state the nature and type of contracts that the person is qualified to bid on and the period of time for which the qualification is valid under the rule, resolution, ordinance or other regulation. If the agency disqualifies a prospective bidder as to any contracts covered by the rule, resolution, ordinance or other regulation, the notice shall specify the reasons found under ORS 279.037 for the disqualification and inform the person of the right to a hearing under ORS 279.043 and 279.045.

(3) If a public contracting agency has reasonable cause to believe that there has been a substantial change in the conditions of a prequalified person and that the person is no longer qualified or is less qualified, the agency may revoke or may revise and reissue the prequalification after reasonable notice to the prequalified person. The notice shall state the reasons found under ORS 279.037 for revocation or revision of the prequalification of the person and inform the person of the right to a hearing under ORS 279.043 and 279.045. A revocation or revision does not apply to any contract for which publication of advertisement for bids, in accordance with ORS 279.025, commenced prior to the date the notice of revocation or revision was received by the prequalified person. [1975 c.771 §15; 1977 c.289 §3; 1981 c.712 §4, 1983 c.690 §9]

279.042 [Repealed by 1975 c.771 §33]

279.043 Appeal of disqualification. Any person who wishes to appeal disqualification as a bidder shall, within three business days after receipt of notice of disqualification, notify the public contracting agency that the person appeals the disqualification. Immediately upon receipt of such notice of appeal, a public contracting agency which is an agency of the State of Oregon shall notify the director. If the public contracting agency is a political subdivision of the state or a

public body created by intergovernmental agreement, it shall notify the appropriate board. [1975 c.771 §17; 1977 c.289 §4; 1983 c.690 §10]

279.044 [Repealed by 1975 c.771 §33]

279.045 Appeal procedure; hearing; costs; judicial review. (1) The procedure for appeal from a disqualification by a public contracting agency shall be in accordance with this section and is not subject to ORS 183.310 to 183.550 except where specifically provided by this section.

(2) Promptly upon receipt of notice of appeal from a public contracting agency as provided for by ORS 279.043, the director or board shall notify the person appealing and the public contracting agency of the time and place of the hearing. The director or board shall conduct the hearing and decide the appeal within 10 days after receiving the notification from the public contracting agency. The director or board shall set forth in writing the reasons for the decision.

(3) In the hearing the director or board shall consider de novo the notice of disqualification, the record of the investigation made by the public contracting agency and any evidence provided by the parties. In all other respects, hearings before the director shall be conducted in the same manner as a contested case under ORS 183.415 (3) to (6) and (9), 183.425, 183.440 and 183.450. Hearings before a board shall be conducted under rules of procedure adopted by the board.

(4) The director may allocate the director's cost for the hearing between the person appealing the disqualification and the public contracting agency whose disqualification decision is being appealed. The allocation shall be based upon facts found by the director and stated in the final order which, in the director's opinion, warrant such allocation of the costs. If the final order does not allocate the director's costs for the hearing, such costs shall be paid as follows:

(a) If the decision to disqualify a person as a bidder is upheld, the director's costs shall be paid by the person appealing the disqualification.

(b) If the decision to disqualify a person as a bidder is reversed by the director, the director's costs shall be paid by the public contracting agency whose disqualification decision is the subject of the appeal.

(5) The decision of the director or board may be reviewed only upon a petition in the circuit court of the county in which the director or board has its principal office filed within 15 days after the date of the decision. The circuit court shall reverse or modify the decision only if it finds:

(a) The decision was procured by corruption, fraud or undue means.

(b) There was evident partiality or corruption on the part of the director or board or any of its members.

(c) There was an evident material miscalculation of figures or an evident material mistake in the description of any person, thing or property referred to in the decision.

(6) The procedure provided in this section is the exclusive means of judicial review of the decision of the director or board. The judicial review provisions of ORS 183.480 and writs of review and mandamus, as provided in ORS chapter 34, and other legal, declaratory and injunctive remedies are not available.

(7) The circuit court may, in its discretion, stay the letting of the contract which is the subject of the petition in the same manner as a suit in equity. In the event the court determines that there has been an improper disqualification and the contract has been let, the court may proceed to take evidence to determine the damages, if any, suffered by the petitioner and award such damages as the court may find as a judgment against the director or board. The court may award costs and attorney fees to the prevailing party. [1975 c.771 §18; 1977 c.289 §5; 1983 c.690 §11; 1985 c.757 §6]

279.046 [Repealed by 1975 c.771 §33]

279.047 Effect of prequalification by Department of Transportation or General Services. If a person is prequalified with the Department of Transportation to perform contracts, or with the Department of General Services to perform contracts, that person is rebuttably presumed qualified with any other public contracting agency for the same kind of work. When qualifying for the same kind of work with another public contracting agency, that person may submit proof of such prequalification in lieu of a prequalification application as required by ORS 279.039 (1) or as a request for prequalification under ORS 279.041 (1). [1975 c.771 §16; 1977 c.289 §6]

279.048 [Repealed by 1975 c.771 §33]

279.049 Model rules. The Attorney General shall prepare and maintain model rules of procedure appropriate for use by all public contracting agencies governing bid procedures, advertisements, the awarding of bids, retainage, claims, liens, bid security, payment and performance bonds and other matters involving public contracts, and may devise and publish forms for use therewith. Before adopting or amending any such rule, the Attorney General shall consult with the director, the Director of Transportation, representatives of county governments, representatives of city governments, representatives of school boards and other

knowledgeable persons. [1975 c.771 §26; 1983 c.690 §12]

279.050 [Amended by 1969 c.349 §1; 1971 c.180 §1; repealed by 1975 c.771 §33]

279.051 Personal services contracts; procedures. (1) Public agencies may enter into contracts for personal services. The provisions of this section do not relieve the agency of the duty to comply with ORS 291.021 or applicable city or county charter provisions. Each public agency shall create procedures for the screening and selection of persons to perform personal services.

(2) The director or board by ordinance, resolution, administrative rule or other regulation may designate certain service contracts or classes of service contracts as personal service contracts. [1975 c.771 §27; 1979 c.196 §2; 1981 c.766 §1; 1983 c.690 §13]

279.052 [Repealed by 1975 c.771 §33]

279.053 Laws not to prohibit participation in affirmative action projects; authority to limit bidding for affirmative action purposes. (1) No provision contained in chapter 771, Oregon Laws 1975, shall be construed to prohibit any public contracting body from engaging in bidding and contracting practices designed to accomplish affirmative action goals for disadvantaged or minority groups.

(2) In carrying out the policy of affirmative action, by appropriate ordinance, resolution or administrative rule, a public contracting body may limit competitive bidding on any public contract for procurement of goods and services or on any other public contract estimated to cost \$50,000 or less to contracting entities owned or controlled by persons described in subsection (3) of this section.

(3) As used in this section "affirmative action" is a program designed to insure equal opportunity in employment and business for persons otherwise disadvantaged by reason of race, color, religion, sex, national origin, age or physical or mental disability. [1975 c.771 §32, 1981 c.325 §4; 1985 c.724 §3; 1989 c.224 §41]

279.054 [Repealed by 1975 c.771 §33]

279.055 Local contract review board; creation; power. (1) Every county by ordinance may create a local contract review board for the county. The board so created may consist of the governing body of the county or at least three persons appointed by and serving at the pleasure of that governing body.

(2) Any other local public agency having a governing body may adopt a resolution or ordinance creating its governing body as a local contract review board for that public agency. The local public agency shall file a copy of the resolution or ordinance with the

county governing body. The board created by the local public agency shall not exercise its powers under subsection (4) of this section until the resolution or ordinance has been filed pursuant to this subsection.

(3) A county board created pursuant to subsection (1) of this section shall serve as the local contract review board for local public agencies that do not create their own boards pursuant to subsection (2) of this section, and that have their principal administrative offices within the county. The county board may impose fees on local public agencies that it serves under this subsection if the ordinance creating the county board authorized such fees. The fees shall be prescribed by rule adopted under subsection (5) of this section and shall be calculated to reimburse the county for its costs in serving the local public agencies.

(4) Except as provided in ORS 279.019 (1) and (2) and the authority to prescribe the standard prequalification application forms in ORS 279.039 (1), boards created under this section shall have all the powers granted the department and director under ORS 279.011 to 279.063. The board shall exercise such powers only after it has adopted rules pursuant to the requirements of subsection (5) of this section.

(5) Each board created under this section shall have rulemaking authority to carry out the powers and duties of the board under ORS 279.011 to 279.063. The rules shall be adopted in the manner prescribed in the resolution or ordinance creating the board.

(6) A local public agency, other than a county, by resolution or ordinance may rescind its action to create a local contract review board. The rescission shall take effect on the date a copy of the resolution or ordinance is filed with the county governing body or on the date stated therein, whichever is the later date. After the date of filing or the date specified, the county board, created pursuant to subsection (1) of this section, shall serve as the local contract review board for the public agency.

(7) Notwithstanding subsection (3) of this section, a local public agency may contract with another public agency to serve as its local contract review board with the powers and duties the local board has over contracts of its own local public agency. Notice of the contract and of its termination shall be given to the county in the same manner as notice is given to the county under subsections (2) and (6) of this section. [1975 c.771 §34(2); 1979 c.647 §1; 1979 c.804 §6; 1983 c.690 §14]

279.056 When federal law and rules prevail over ORS 279.011 to 279.063. Notwithstanding any provision of ORS 279.011 to

279.063, the applicable federal laws, rules and regulations shall govern in any case where federal funds are involved and the federal laws, rules and regulations conflict with any of the provisions of ORS 279.011 to 279.063 or require additional conditions in public contracts not authorized by ORS 279.011 to 279.063. [1979 c.504 §2]

279.059 Subcontracting to emerging small businesses. (1) A public contracting agency may require a bidder to subcontract some part of the contract to, or obtain materials to be used in performing the contract from, a business enterprise that is a certified emerging small business.

(2) A public contracting agency may require that a contract be awarded to a responsible bidder as defined in ORS 200.005 and 200.045 (3). [1985 c.769 §§2, 3; 1987 c.893 §6, 1989 c.1043 §7]

279.060 [1969 c.522 §2, repealed by 1975 c.771 §33]

279.061 Limitation on public agency constructing public improvement. If a public agency fails to adopt and apply a cost accounting system that substantially complies with the model cost accounting guidelines developed by the Executive Department pursuant to section 3, chapter 869, Oregon Laws 1979, as determined by an accountant qualified to perform audits required by ORS 297.210 and 297.405 to 297.555 (Municipal Audit Law), the public agency shall not construct a public improvement with its own equipment or personnel if the cost is in excess of \$5,000. [1981 c.281 §2]

279.063 Waiver of unreasonable delay of public agency against public policy. (1) Any clause in a public contract for a public improvement that purports to waive, release or extinguish the rights of a contractor to damages or an equitable adjustment arising out of unreasonable delay in performing the contract, if the delay is caused by acts or omissions of the public contracting agency or persons acting therefor, is against public policy and is void and unenforceable.

(2) Subsection (1) of this section is not intended to render void any contract provision that:

(a) Requires notice of any delay;

(b) Provides for arbitration or other procedures for settlement of contract disputes; or

(c) Provides for reasonable liquidated damages. [1985 c.285 §2]

279.065 [1969 c.522 §3, 1975 c.771 §8; renumbered 279.025]

279.067 Suit by adversely affected bidder. Any bidder adversely affected may commence a suit in the circuit court for the county in which are located the principal of-

fices of the local contract review board or the local government agency, for the purpose of requiring compliance with, or prevention of violations of, ORS 279.011 to 279.063, or to determine the applicability of ORS 279.011 to 279.063 to matters or decisions of the board or agency. The court may order such equitable relief as it considers appropriate in the circumstances. A decision of the local contract review board or the local government agency shall not be voided if other equitable relief is available. The court may order payment of reasonable attorney fees and costs to a successful party in a suit brought under this section. [1983 c.690 §27]

(1) Notwithstanding the public bidding requirements of this chapter, a local public body may negotiate with one or more private or public entities to establish contracts, agreements and other cooperative arrangements for the use, operation, maintenance or ultimate lawful disposition of personal property owned by or under the control of the local public body, including property acquired under ORS 279.820. Prior to approving such a contract, agreement or cooperative arrangement, the governing body of the public body must make a finding that the contract, agreement or arrangement will promote the economic development of the public body, of the geographical area in which the public body is situated or of other public bodies that perform similar functions.

(2) For the purposes of this section, "local public body" includes any city, county, port district, school district, special district or other political subdivision or municipal or public corporation and any instrumentality thereof, and any public body created by an intergovernmental agreement to which a local public body is a party. [1987 c.777 §2]

Note: 279.095 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 279 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

or for the lease with option to purchase of real or personal property when the period of time allowed for payment under the contract does not exceed 20 years. A district entering into a contract authorized by this subsection and subsection (2) of this section may budget funds annually for payment of amounts due under the contract in each year during the term of the contract, unless the contract is terminated sooner in accordance with its terms.

(2) A county may enter into a contract for the purchase or for the lease with option to purchase of real or personal property when:

(a) The period of time allowed for payment under the contract does not exceed 20 years; and

(b) The county is not obligated to make payments under the contract in any fiscal year unless the county governing body includes such payments in the county's budget for that fiscal year and makes an appropriation therefor.

(3) The powers granted to districts and counties by subsections (1) and (2) of this section are in addition to any other powers possessed by districts and counties in this state and subsections (1) and (2) of this section shall not be construed to limit such powers. [1989 c.407 §1, 2]

Note: 279.101 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 279 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

279.106 Requirement to subcontract with emerging small business. A public contracting agency may require a bidder to subcontract some part of the contract to, or obtain materials to be used in performing the contract from, certified emerging small businesses that are, as identified by the public contracting agency, located in, or draw their workforces from within, economically depressed areas, as designated by the Economic Development Department in cooperation with the Employment Division of the Department of Human Resources. [1989 c.1043 §9]

Note: 279.106 and 279.111 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 279 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(2) The public contracting agency may disqualify any person as a bidder on a public contract if the agency finds that the person has violated subsection (1) of this section in a contract between the person and the agency.

(3) If the person desires to appeal the disqualification, the appeal procedure shall be subject to ORS 279.043 and 279.045. [1989 c.1043 §11]

(2) Pay all contributions or amounts due the Industrial Accident Fund from such contractor or subcontractor incurred in the performance of the contract.

(1) "Prevailing rate of wage" means the rate of hourly wage, including all fringe benefits under subsection (4) of this section, paid in the locality to the majority of workers employed on projects of similar character in the same trade or occupation, as determined by the Commissioner of the Bureau of Labor and Industries. In making such determinations, the commissioner may take into consideration findings of an appropriate federal agency which determines prevailing wages and bargaining agreements in force in the locality for particular trades or occupations. If there is not a majority in the same trade or occupation paid at the same rate, the average rate of hourly wage, including all fringe benefits under subsection (4) of this section, paid in the locality to workers in the same trade or occupation shall be the prevailing rate. If the wage paid by any contractor or subcontractor to workers on any public work is based on some period of time other than an hour, the hourly wage shall be mathematically determined by the number of hours worked in that period of time. If it appears to the commissioner data necessary to determine the prevailing rate of wage in a locality is not available or is not sufficient, the Commissioner of the Bureau of Labor and Industries may adopt the prevailing rate of wage as determined by the Secretary of Labor of the United States.

(2) "Locality" means the following district in which the public work, or the major portion thereof, is to be performed:

(a) District 1, composed of Clatsop, Columbia and Tillamook Counties;

(b) District 2, composed of Clackamas, Multnomah and Washington Counties;

(c) District 3, composed of Marion, Polk and Yamhill Counties;

(d) District 4, composed of Benton, Lincoln and Linn Counties;

(e) District 5, composed of Lane County;

(f) District 6, composed of Douglas County;

(g) District 7, composed of Coos and Curry Counties;

(m) District 13, composed of Baker, Union and Wallowa Counties; and

(n) District 14, composed of Harney and Malheur Counties.

(3) "Public works" includes, but is not limited to, roads, highways, buildings, structures and improvements of all types, the construction, reconstruction, major renovation or painting of which is carried on or contracted for by any public agency to serve the public interest but does not include the reconstruction or renovation of privately owned property which is leased by a public agency.

(4) "Fringe benefits" means the amount of:

(a) The rate of contribution irrevocably made by a contractor or subcontractor to a trustee or to a third person pursuant to a plan, fund or program; and

(b) The rate of costs to the contractor or subcontractor which may be reasonably anticipated in providing benefits to workers pursuant to an enforceable commitment to carry out a financially responsible plan or program which is committed in writing to the workers affected, for medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing, for unemployment benefits, life insurance, disability and sickness insurance or accident insurance, for vacation and holiday pay, for defraying costs of apprenticeship or other similar programs or for other bona fide fringe benefits, but only where the contractor or subcontractor is not required by other federal, state or local law to provide any of such benefits.

(5) "Public agency" means the State of Oregon or any political subdivision thereof or any county, city, district, authority, public corporation or entity and any of their instrumentalities organized and existing under law or charter. (1) The hourly rate of wage to be paid by any contractor or subcontractor to workers upon all public works shall be not less than the prevailing rate of wage for an hour's work in the same trade or occupation in the locality where such labor is performed. The obligation of a contractor or subcontractor to pay the prevailing rate of wage may be discharged by making the payments in cash, by the making of contributions of a type referred to in ORS 279.348 (4)(a), or by the assumption of an enforceable commitment to bear the costs of a plan or program of a type referred to in ORS 279.348 (4)(b), or any combination thereof, where the aggregate of any such payments, contributions and costs is not less than the prevailing rate of wage.

The notice preferably shall be posted in the same place as the notice required under subsection (4) of this section. In addition to the description of the plans, the notice shall contain information on how and where to make claims and where to obtain further information. [1959 c 627 §2; 1977 c.797 §2; 1981 c.712 §19; 1983 c.264 §2; 1983 c 710 §2; 1989 c 286 §1]

The certified statements shall set out accurately and completely the payroll records for the prior week including the name and address of each worker, the worker's correct classification, rate of pay, daily and weekly number of hours worked, deductions made and actual wages paid.

(2) Each certified statement required by subsection (1) of this section shall be delivered or mailed by the contractor or subcontractor to the public contracting agency. A true copy of the certified statements shall also be filed at the same time with the Commissioner of the Bureau of Labor and Industries. Certified statements shall be submitted as follows:

279.363 Notifying commissioner of contract. Public contracting agencies shall notify the Commissioner of the Bureau of Labor and Industries in writing, on a form prescribed by the commissioner, whenever a contract subject to the provisions of ORS 279.348 to 279.365 has been awarded. This notification shall be made within 30 days of the date that such contract is awarded. [1981 c 712 §11]

279.365 Civil action to enforce payment of prevailing wage. (1) The Commissioner of the Bureau of Labor and Industries or any other person may bring a civil action in any court of competent jurisdiction to require a public agency under a public contract with a contractor to withhold twice the wages in dispute if it is shown that the contractor or subcontractor on the contract has intentionally failed or refused to pay the prevailing rate of wage to workers employed on that contract and to require the contractor to pay the prevailing rate of wage and any deficiencies that can be shown to exist because of improper wage payments already made. In addition to other relief, the court may also enjoin any such contractor or subcontractor from committing future violations. The contractor or subcontractor involved shall be named as a party in all civil actions brought under this section. In addition to other costs, the court may award the prevailing party a reasonable attorney fee at the trial and on appeal. However, no attorney fee may be awarded against the Commissioner of the Bureau of Labor and Industries under this section.

(2) The court shall require any party, other than the Commissioner of the Bureau of Labor and Industries, that brings a civil action under this section to post a bond sufficient to cover the estimated attorney fees and costs to the public agency and to the contractor or subcontractor of any temporary restraining order, preliminary injunction or permanent injunction awarded in the action, in the event that the party bringing the action does not ultimately prevail.

(3) In addition to any other relief, the court in a civil action brought under this section may enjoin the public agency from contracting with the contractor or subcontractor if the court finds that the Commissioner of the Bureau of Labor and Industries would be entitled to place the contractor or subcontractor on the ineligible list estab-

lished under ORS 279.361 (1). If the court issues such an injunction, the commissioner shall place the contractor or subcontractor on the list for a period of three years, subject to the provision of ORS 279.361 (2).

(4) "Public agency" has the meaning given the term in ORS 279.011. [1983 c.711 §2]

(Retainage)

279.400 Withholding of retainage. (1) The withholding of retainage by a contractor or subcontractor on public contracts for public improvements shall be in accordance with ORS 701.420 and 701.430 except when the charter of the public agency that is a party to a public contract contains provisions requiring retainage by the public agency of more than five percent of the contract price of the work completed.

(2) As used in this section:

(a) "Public contract" means any purchase, lease or sale by a public agency of personal property, public improvements or services other than agreements which are for personal service.

(b) "Public agency" or "public contracting agency" means any agency of the State of Oregon or any political subdivision thereof authorized by law to enter into public contracts.

(c) "Public improvement" means any construction of improvements on real property by or for a public agency. [Formerly 279.358; 1979 c.196 §3]

279.410 "Retainage" defined for ORS 279.011 to 279.542. As used in ORS 279.011 to 279.542, unless the context otherwise requires, "retainage" means the difference between the amount earned by the contractor on a public contract and the amount paid on the contract by the public contracting agency. [1977 c.727 §3]

279.420 Form of retainage. (1) Money retained by a public contracting agency under ORS 279.435 (2) shall be:

(a) Retained in a fund by the public contracting agency and paid to the contractor in accordance with ORS 279.435; or

(b) At the option of the contractor, paid to the contractor in accordance with subsection (3) or (4) of this section and in a manner authorized by the Director of the Department of General Services.

(2) If the public agency incurs additional costs as a result of the exercise of the options described in subsection (1) of this section, the agency may recover such costs from the contractor by reduction of the final payment. As work on the contract

progresses, the agency shall, upon demand, inform the contractor of all accrued costs.

(3) The contractor may deposit bonds or securities with the public contracting agency or in any bank or trust company to be held in lieu of the cash retainage for the benefit of the public contracting agency. In such event the public agency shall reduce the retainage in an amount equal to the value of the bonds and securities and pay the amount of the reduction to the contractor in accordance with ORS 279.435. Interest on such bonds or securities shall accrue to the contractor.

(4) If the contractor elects, the retainage as accumulated shall be deposited by the public contracting agency in an interest-bearing account in a bank, savings bank, trust company or savings association for the benefit of the public contracting agency. When the public contracting agency is an agency of the State of Oregon, the account shall be established through the State Treasurer. Earnings on such an account shall accrue to the contractor.

(5) Bonds and securities deposited or acquired in lieu of retainage, as permitted by this section, shall be of a character approved by the Director of the Department of General Services, including but not limited to:

(a) Bills, certificates, notes or bonds of the United States.

(b) Other obligations of the United States or its agencies.

(c) Obligations of any corporation wholly owned by the Federal Government.

(d) Indebtedness of the Federal National Mortgage Association.

(6) The contractor, with the approval of the public contracting agency, may deposit a surety bond for all or any portion of the amount of funds retained, or to be retained, by the public contracting agency in a form acceptable to the public contracting agency. Such bond and any proceeds therefrom shall be made subject to all claims and liens and in the same manner and priority as set forth for retainage under ORS 279.400 to 279.542. The public contracting agency shall reduce the retainage in an amount equal to the value of the bond and pay the amount of the reduction to the contractor in accordance with ORS 279.435. Whenever a public contracting agency accepts a surety bond from a contractor in lieu of retainage, the contractor shall accept like bonds from any subcontractor or supplier from which the contractor has retainage. The contractor shall then reduce the retainage in an amount equal to the value of the bond and pay the amount of the reduction to the subcontractor

or supplier. [1977 c.727 §4, 1983 c.690 §15; 1989 c.106 §1]

279.430 Limitation on retainage requirements. Unless otherwise specifically included by statute, the provisions of ORS 279.420 or 279.542 shall only apply as between the public contracting agency and the party with whom it contracts. [1977 c.727 §5]

(Payments)

279.435 Progress payments on public contracts; retainage; interest; exception; settlement of compensation disputes. (1) Public contracting agencies shall make progress payments on the contract monthly as work progresses on a public contract for a public improvement. Payments shall be based upon estimates of work completed that are approved by the public contracting agency. A progress payment shall not be considered acceptance or approval of any work or waiver of any defects therein. The public contracting agency shall pay to the contractor interest at the rate of one and one-half percent per month on the progress payment, not including retainage, due the contractor. The interest shall commence 30 days after the request for payment is made by the contractor or 15 days after the payment is approved by the agency, whichever is the earlier date.

(2) A public contracting agency may reserve as retainage from any progress payment on a public contract an amount not to exceed five percent of the payment. As work progresses, an agency may reduce the amount of the retainage and the agency may eliminate retainage on any remaining monthly contract payments after 50 percent of the work under the contract is completed if, in the agency's opinion, such work is progressing satisfactorily. Elimination or reduction of retainage shall be allowed only upon written application by the contractor, which application shall include written approval of the contractor's surety; except that when the contract work is 97-1/2 percent completed the agency may, at its discretion and without application by the contractor, reduce the retained amount to 100 percent of the value of the contract work remaining to be done.

(3) The retainage held by a public contracting agency shall be included in and paid to the contractor as part of the final payment of the contract price. The public contracting agency shall pay to the contractor interest at the rate of one and one-half percent per month on the final payment due the contractor, interest to commence 30 days after the work under the contract has been completed and accepted and to run until the date when the final payment is tendered to the contrac-

tor. The contractor shall notify the public contracting agency in writing when the contractor considers the work complete and the public contracting agency shall, within 15 days after receiving the written notice, either accept the work or notify the contractor of work yet to be performed on the contract. If the public contracting agency does not within the time allowed notify the contractor of work yet to be performed to fulfill contractual obligations, the interest provided by this subsection shall commence to run 30 days after the end of the 15-day period.

(4)(a) The public contracting agency shall pay, upon settlement or judgment in favor of the contractor regarding any dispute as to the compensation due a contractor for work performed under the terms of a public contract, the amount due plus interest at the rate of two times the federal discount interest rate as established by the Twelfth Federal Reserve Bank at the time of settlement or judgment but not to exceed 18 percent, accruing from the later of:

(A) The due date of any progress payment received under the contract for the period in which such work was performed; or

(B) Thirty days after the date on which the claim for the payment under dispute was presented to the public contracting agency by the contractor in writing or in accordance with applicable provisions of the contract.

(b) Such interest shall be added to and not made a part of the settlement or judgment. [Formerly 279.575]
