293.240 Writing off uncollectible debts due state agency. (1) If a state agency has made all reasonable efforts to collect money owed to it and has determined that such money and any interest or penalties therefor are uncollectible, in accordance with criteria

for uncollectibility formulated by the agency and approved by the Secretary of State and the Attorney General, which criteria shall include the right of offset, the agency may certify to the Secretary of State the amount of the money, interest and penalties, as accurately as can be determined. The Secretary of State may require submission by the agency of all relevant evidence and other information regarding the debt and may examine such records of any other state agency which may be pertinent in determining the uncollectibility of the debt, unless such examination is prohibited by specific provisions of law (except for the secretary's duty to audit the state agency), including but not limited to ORS 314.835 and 657.665.

(2) If the Secretary of State finds that the debt is uncollectible, in accordance with the criteria for uncollectibility of money due to that state agency, the Secretary of State shall direct the agency to write off the debt on its accounts in a manner approved by the Secretary of State and assign the debt to the Department of Revenue.

(3) This section does not apply to debts owed to a state agency for which a procedure for compromise, release, discharge, waiver, cancellation or other form of settlement thereof for reasons other than uncollectibility is by law made specially applicable to such state agency. [1965 c.448 §2; 1971 c.604 §3]

293.245 Subsequent collection of debt written off under ORS 293.240. (2) Unless approved by the Executive Department, accounts established under this section shall be for deposit purposes only and the agencies shall not have authority to order disbursements from the accounts by check or order. (2) In each instance the State Treasurer shall issue an official receipt for the amount so transferred or credited.

(3) If the State Treasurer is satisfied that an unpresented check or order enumerated in the lists referred to in ORS 293.450 is valid and that funds charged with warrants to pay the check have been credited pursuant to subsection (1) of this section in the amounts of the check or order, the State Treasurer may pay the check or order and charge the fund against which the check or order was issued. [Formerly 291.512; 1967 c.454 §64; 1981 c.188 §1]

(3) Moneys appropriated from the General Fund to an agency or the establishment of maximum limits for expenditures of an agency authorized to procure goods or services from private businesses shall be used to pay overdue account charges incidental to procurement of the goods or services at the rate of two-thirds of one percent per month, but not more than eight percent per annum on overdue claims.

(4) Overdue claims shall be those that have not been paid within 45 days from the latest of the following dates: The date of the receipt of the invoice, the date of the initial billing statement if no invoice is received, or the date the claim is made certain by agreement of the parties or by operation of law. However, overdue account charges shall not accrue on any purchases made by any state agency during time of civil emergency or in the event of a natural disaster which prevents the timely payment of accounts. In such instances accounts shall be paid in as timely a manner as possible.

(5) Where claims have been paid, the date of the check or warrant in payment of the claims shall be used to determine if the claim has been paid in a timely manner. It shall be rebuttably presumed that the check or warrant was correctly dated.

(6) Moneys for payment of overdue account charges shall not be provided in the biennial budget of a state agency, but agencies may make special requests to provide moneys for such charges, separately from other budget requests in accordance with rules adopted by the Executive Department.

(7) In the event overdue account charges cannot lawfully be paid from federal funds, then such charges shall be paid from any moneys available to the agency for payment of administrative expenses. If other moneys are not available to pay overdue account charges, the agency shall submit to the Legislative Assembly during a legislative session or to the Emergency Board during the in-

(2) Notwithstanding subsection (1) of this section, no person, including an officer or employee shall be required to furnish a bond of indemnity for the amount of the lost instrument in cases of destroyed, stolen or lost warrants, checks or orders, but shall be required to furnish a statement as provided in ORS 293.475. However, if the lawful owner, payee or legal representative is (a) the Federal Government or (b) this state or any board, department, commission or subdivision of this state, or any officer thereof in official capacity, a certificate may be furnished in lieu of an affidavit or affirmation.

(3) The officer, board, department or commission issuing the duplicate instrument shall have the duty of searching for the original instrument out of the paid instruments returned from the State Treasurer to such officer, board, department or commission. If such original instrument is found, it shall immediately be returned to the State Treasurer. The State Treasurer shall then promptly return the instrument to the presenting or payor bank for credit. The State Treasurer shall not be liable for inability to obtain credit from the presenting or payor bank for an instrument returned under this section. 293.485 Effect of wrongful payment; liability of officer. When any instrument is paid, other than as authorized by ORS 293.465 to 293.480, such wrongful payment shall not relieve the political body issuing the instrument from liability to the true and lawful owner thereof; but the officer or person making such wrongful payment and the sureties on the official bond of the officer or person, if any, shall be responsible to the political body represented by the officer or person in making such payment, for the full amount of the loss occasioned thereby. The payment of the amount due such decedent, made in good faith to the claimants, shall constitute a full acquittance and release of the State Treasurer or other disbursing officer for the amount so paid.

(3) In the event that a warrant, check or order has been lost, stolen or destroyed, the proper survivors, as specified in ORS 293.490, may obtain payment of the amount thereof by filing with the State Treasurer or other disbursing officer a written statement in accordance with ORS 293.475. Any reference to the audit, allowance or other approval by the Secretary of State of those claims before payment in any general or specific statute is intended to be and shall be considered a reference to the performance of constitutional functions of the Secretary of State as Auditor of Public Accounts, and is not intended to be and shall not be considered a statutory requirement that those functions be performed before payment of those claims. A separate account shall be kept of the sum, less the deduction, received from each forest reserve, which sum shall be paid only to the county or counties in which the forest reserve is located. Each county shall receive such proportional amount of the sum as the area of the forest reserve included within the boundaries of the county bears to the total area of the forest reserve within the state. Where the leased public mineral land is located in more than one county of the state, each shall receive such proportionate amount of the sum as the area of the leased public mineral land included within the boundary of the county bears to the total area of the leased public mineral lands within the state. [Formerly 291.536, 1985 c.787 §4]

293.840 Findings. (1) The Legislative Assembly opposes the apartheid policies of the Republic of South Africa and of Namibia.

(2) The Legislative Assembly finds:

(a) The law of apartheid in South Africa and in Namibia enforces a social, political and economic structure which institutionalizes inequality solely based on race.

(b) Apartheid is absolutely contrary to the fundamental principles of human rights and standards of justice and individual freedom.

(c) The United States of America, under the Federal Anti-Apartheid Act of 1986, has

rejected the system of apartheid as immoral and indefensible; and encourages the establishment of a nonracial, democratic form of government.

(d) The practice of apartheid in South Africa and in Namibia is repugnant to the principles of liberty and justice found in the Bill of Rights, Article I of the Oregon Constitution, which are fundamental to the character of a free society.

(e) The investment of Oregon trust funds and state moneys in business firms and financial institutions with close ties to South Africa is fiscally imprudent, given the political and economic instability in South Africa and in Namibia, and inconsistent with the moral and political values of the people of Oregon.

(f) Investment in banks and companies doing business in and with South Africa contribute directly or indirectly to the perpetuation of a system which we oppose.
