It does not include a licensed distributor, a common carrier to whom is issued a certificate or permit by the United States Interstate Commerce Commission to carry

Whenever cigarettes are sold by distributors to common carriers engaged in interstate or foreign passenger service for use or sale on facilities of the carriers, or to persons authorized to sell cigarettes on those facilities, the tax imposed by this section shall not be levied with respect to sales of the cigarettes by the distributors, but a tax is hereby levied upon the carriers or upon the persons authorized to sell cigarettes on the facilities of the carriers, as the case may be, for the privilege of making such sales in Oregon at the same rate that is imposed upon the distribution of cigarettes in this state for each cigarette sold. Such common carriers and authorized

persons shall pay the tax imposed by this section and file reports with the department as provided in ORS 323.355. [1965 c.525 §20; 1985 c.78 §1]

Every distributor engaged in business in this state and selling or accepting orders for cigarettes with respect to the sale of which the taxes imposed by ORS 323.005 to 323.455 and 323.990 are inapplicable shall, at the time of making the sale or accepting the order or, if the purchaser is not then obligated to pay the taxes with respect to the distribution of the cigarettes, at the time the purchaser becomes so obligated, collect the tax from the purchaser, if the purchaser is other than a licensed distributor, and shall give to the purchaser a receipt therefor in the manner and form prescribed by the department. [1965 c.525 §27, 1981 c.797 §8]

(2) All taxes paid pursuant to the provisions of ORS 323.005 to 323.455 and 323.990 shall be presumed to be direct taxes on the retail consumer precollected for the purpose of convenience and facility only. When the tax is paid by any other person, such payment shall be considered as an advance payment and shall be added to the price of the cigarette and recovered from the ultimate consumer or user. Except for a person selling cigarettes through a vending machine or machines, any person selling cigarettes at retail shall state or separately display in the retail premises a notice of the amount of the tax included in the selling price and charged or payable pursuant to ORS 323.005 to 323.455 and 323.990. The provisions of this subsection shall in no way affect the method of collection of such tax as provided by ORS 323.005 to 323.455 and 323.990. [1965 c.525 §§28, 31]

323.086 Floor tax on dealer for privilege of holding cigarettes for sale, use or consumption; amount; report. (1) For the privilege of holding or storing cigarettes for sale, use or consumption, a floor tax is imposed upon every dealer at the rate of one-half mill for each cigarette in the dealer's possession or under the dealer's control at 12:01 a.m. on the first day of the month following October 3, 1989.

(2) The tax imposed by this section is due and payable on or before 20 days after the first day of the month following October 3, 1989. Any amount of tax imposed by this section which is not paid within the time required shall bear interest at the rate established under ORS 305.220 per month, or fraction thereof, from a date which is 20 days after the first day of the month following October 3, 1989, until paid.

(3) Every dealer, on or before 20 days after the first day of the month following October 3, 1989, shall file a report with the department in such form as the department may prescribe. Dealer reports shall state the number of cigarettes in the possession of or under the control of the dealer in this state at 12:01 a.m. on the first day of the month following October 3, 1989, and the amount of tax due thereon. Each report shall be accompanied by a remittance payable to the department for the amount of tax due. [1989 c.866 §3]

Note: 323.086 to 323.091 were added to and made a part of chapter 323 by legislative action but were not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

For the privilege of distributing cigarettes as a licensed distributor and for holding or storing cigarettes for sale, use or consumption, a floor tax and cigarette indicia adjustment tax is imposed upon every licensed distributor as follows:

(1) In the amount of one and one-fourth cents for each Oregon cigarette tax stamp bearing the designation "25," in the amount of one cent for each Oregon cigarette tax stamp bearing the designation "20" and in the amount of one-half cent for each Oregon cigarette tax stamp bearing the designation "10," which is affixed to any package of cigarettes in the possession of the licensed distributor or under the distributor's control at 12:01 a.m. on the first day of the month following October 3, 1989.

(2) In the amount of one and one-fourth cents for each unaffixed Oregon cigarette tax stamp bearing the designation "25," in the amount of one cent for each unaffixed Oregon cigarette tax stamp bearing the designation "20" and in the amount of one-half cent for each Oregon cigarette tax stamp bearing the designation "10" in the possession of the licensed distributor or under the distributor's control at 12:01 a.m. on the first day of the month following October 3, 1989. [1989 c.866 §4]

Note: See note under 323.086.

323.089 Report by distributor regarding cigarette tax stamps affixed and un-

affixed. Every licensed distributor shall take an inventory as of 12:01 a.m. on the first day of the month following October 3, 1989, of all packages of cigarettes to which are affixed Oregon cigarette tax stamps and all unaffixed Oregon cigarette tax stamps in the distributor's possession or under the distributor's control. Every licensed distributor shall file a report with the department on or before 20 days after the first day of the month following October 3, 1989, in such form as the department may prescribe, showing:

(1) The number of Oregon cigarette tax stamps, with the designations thereof, which were affixed to packages of cigarettes in possession or under the distributor's control at 12:01 a.m. on the first day of the month following October 3, 1989.

(2) The number of unaffixed Oregon cigarette tax stamps, with the designations thereof, which were in the distributor's possession or under the distributor's control at 12:01 a.m. on the first day of the month following October 3, 1989. The amount of tax required to be paid with respect to the stamps shall be computed and remitted with the distributor's report. Any amount of tax not paid within the time specified for the filing of the report shall bear interest at the rate established under ORS 305.220 per month, or fraction thereof, from the due date of the report, until paid. [1989 c.866 §5]

Note: See note under 323.086.

(2) After the payment of any refunds, the moneys received from the taxes imposed under ORS 323.086 to 323.089 shall be credited and appropriated in the same proportion as the moneys received from the taxes imposed under ORS 323.030 (1). [1989 c.866 §6]

Note: See note under 323.086.

A distributor shall apply for and obtain a license for each place of business at

which the distributor engages in the business of distributing cigarettes. No fee shall be charged for such license. For the purposes of this section, a vending machine in and of itself, shall not be deemed a place of business. [1965 c.525 §34]

(2) A wholesaler is subject to all the requirements of this 1967 Act imposed upon distributors relating to making, preserving and supplying records necessary to effective administration by the department. [1967 c.193 §3]

Note: The Legislative Counsel has not, pursuant to 173.160, substituted ORS references for the words "This 1967 Act" in 323.107. 1967 c.193 also enacted subsection (12) of 323.010.

323.110 Security required for licensing; conditions of bond. The department, to insure compliance with ORS 323.005 to 323.455 and 323.990; shall require a licensee or an applicant for a license as distributor to deposit with it such security as the department may determine. The amount of the security shall be fixed by the department but shall not be greater than two times the estimated average monthly liability shown in the monthly reports, determined in such manner as the department deems proper. The amount of the security may be increased or decreased by the department subject to the limitations herein provided. Except as provided in ORS 323.120, the security shall be in the form of a bond or bonds executed by the distributor as principal and by a corporation, authorized to engage in business as a surety company in Oregon under ORS chapter 747, as surety, payable to the State of Oregon through its Department of Revenue, conditioned upon the payment of all taxes, penalties and other obligations of the distributor arising under ORS 323.005 to 323.455 and 323.990. negligence or intentional disregard for ORS 323.005 to 323.455 and 323.990 or the rules and regulations adopted under ORS 323.005 to 323.455 and 323.990, a penalty of 10 percent of the amount of the determination shall be added thereto.

(5) If any part of the deficiency for which a deficiency determination is made is due to fraud or an intent to evade ORS 323.005 to 323.455 and 323.990 or the rules and regulations adopted under ORS 323.005 to 323.455 and 323.990, a penalty of 25 percent of the amount of the determination shall be added thereto.

(6) The department shall give the person written notice of its determination. The notice may be served personally or by certified mail; if by mail, service shall be addressed to the person at the address of the person as it appears in the records of the department, but the service shall be deemed complete at the time of deposit of the notice in the mail without extension of time on account of the distance between the place of deposit and the place of address.

(7) Except in the case of fraud, intent to evade the tax, or failure to make a report, every notice of a deficiency determination shall be given within three years after the date when the amount should have been reported. [1965 c.525 §79; 1982 s.s.1 c 16 §20]

323.385 Jeopardy determinations. (1) If the department believes that the collection of any amount of tax required to be paid by any person under ORS 323.005 to 323.455 and 323.990 will be jeopardized by delay, it shall thereupon make a determination of the amount of tax, noting that fact upon the determination. The amount determined is immediately due and payable, with interest and penalty as provided in ORS 323.380.

(2) If the amount of the tax, interest, and penalty specified in the jeopardy determination is not paid within 20 days after service upon the person of notice of the determination, the determination becomes final, unless a petition for redetermination is filed within the 20 days.

(3) The person against whom a jeopardy determination is made may petition for the redetermination thereof pursuant to ORS 323.416. The person shall, however, file the petition for redetermination with the department within 20 days after the service upon the person of notice of the determination. The person shall at the time of filing the petition for redetermination deposit with the department such security as it may deem necessary to insure compliance with ORS 323.005 to 323.455 and 323.990. The security may be sold by the department at public sale if it becomes necessary in order to recover

any amount due. Notice of the sale may be served upon the person who deposited the security personally or by mail in the same manner as prescribed for service of notice by ORS 323.380 (6). Upon any such sale, the surplus, if any, above the amount due under ORS 323.005 to 323.455 and 323.990 shall be returned to the person who deposited the security. [1965 c.525 §80]

323.390. Collection of unsecured, unpaid tax after deficiency or jeopardy determination; collection charge; warrants.

(1) If any tax imposed by ORS 323.005 to 323.455 and 323.990 or any portion of such tax is not paid within 30 days after notice of a deficiency determination is given under ORS 323.380 (6) or of a tax determined under ORS 323.385, and no provision is made to secure the payment thereof by bond, deposit or otherwise, pursuant to regulations promulgated by the department, the department shall:

(a) Assess a collection charge of \$5 if the sum of the tax, penalty and interest then due exceeds \$10.

(b) Issue a warrant directed to the sheriff of any county of the state commanding the sheriff to levy upon and sell the real and personal property of the taxpayer found within that county, for the payment of the amount of the tax, with the added penalties, interest, collection charge and the sheriff's cost of executing the warrant, and to return such warrant to the department and pay to it the money collected by virtue thereof by a time to be therein specified, not less than 60 days from the date of the warrant.

(2) The sheriff shall, within five days after the receipt of the warrant, record with the clerk of the county a copy thereof, and thereupon the clerk shall enter in the County Clerk Lien Record the name of the taxpayer mentioned in the warrant, and the amount of the tax or portion thereof and penalties and interest for which the warrant is issued and the date when such copy is recorded. Thereupon the amount of the warrant so recorded shall become a lien upon the title to and interest in property of the taxpayer against whom it is issued in the same manner as a judgment duly docketed. The sheriff thereupon shall proceed upon the same in all respects, with like effect and in the same manner prescribed by law in respect to executions issued against property upon judgment of a court of record, and shall be entitled to the same fees for services in executing the warrant, to be added to and collected as a part of the warrant liability.

(3) In the discretion of the department a warrant of like terms, force and effect may be issued and directed to any agent author-

ized to collect income taxes, and in the execution thereof the agent shall have all the powers conferred by law upon sheriffs, but is entitled to no fee or compensation in excess of actual expenses paid in the performance of such duty.

(4) If a warrant is returned not satisfied in full, the department shall have the same remedies to enforce the claim for taxes against the taxpayer as if the people of the state had recovered judgment against the taxpayer for the amount of the tax. [1971 c.417 §2, 1983 c.696 §17, 1985 c.761 §21]

323.505 Tax imposed on distributors; rate; calculation; exemption; payment by person other than distributor. (1) A tax is hereby imposed upon the sale, storage, use, consumption, handling or distribution of all tobacco products in this state at the rate of 35 percent of the wholesale sales price of such tobacco products. The tax shall be imposed on distributors at the time the distributor:

(a) Brings, or causes to be brought, into this state from without the state tobacco products for sale, storage, use or consumption;

(b) Makes, manufactures or fabricates tobacco products in this state for sale, storage, use or consumption in this state; or

(c) Ships or transports tobacco products to retail dealers in this state, to be sold, stored, used or consumed by those retail dealers.

(2) If the tax imposed under this section does not equal an amount calculable to a whole cent, the tax shall be equal to the next highest whole cent. However, the amount remitted to the Department of Revenue by the taxpayer for each quarter shall be equal only to 98.5 percent of the total taxes due and payable by the taxpayer for the quarter.

(3) No tobacco product shall be subject to the tax if the base product or other intermediate form thereof has previously been taxed under this section.

(4) Notwithstanding any provision of the Tobacco Products Tax Act to the contrary, the tax imposed by this section may be paid by the manufacturer or any other person or entity instead of the taxpayer from whom such tax would otherwise be due. In the event of payment by another person or entity, the taxpayer shall be excused from payment of the amount of the tax which has been so paid if, together with the return required under ORS 323.510, the taxpayer supplies evidence satisfactory to the department or in a form prescribed by the department showing that such tax has been so paid. [1985 c.816 §16]

323.510 Dates for payment of tax; returns; extension. (1) Except as otherwise provided in the Tobacco Products Tax Act, the tax imposed by ORS 323.505 and 323.565 shall be paid by each distributor and each common carrier or authorized person specified in ORS 323.565 to the department on or before the last day of January, April, July and October of each year for the preceding calendar quarter.

(2) With each quarterly payment, the taxpayer shall submit a return to the department, in such form and containing such information as the department shall prescribe.

(3) The tax, penalties and interest imposed by the Tobacco Products Tax Act shall be a personal debt, from the time liability is incurred, owed by the taxpayer to the State of Oregon until paid.

(4) The returns required of distributors and common carriers or authorized persons specified in ORS 323.565 under this section shall be filed by all such distributors, common carriers or authorized persons regardless of whether any tax is owed by them.

(5) The department for good cause may extend for not to exceed one month the time

for making any return under the Tobacco Products Tax Act. The extension may be granted at any time if a written request therefor is filed with the department within or prior to the period for which the extension may be granted. When the time for filing a return is extended at the request of a taxpayer, interest at the rate established under ORS 305.220, for each month, or fraction of a month, from the time the return was originally required to be filed to the time of payment, shall be added and paid. [1985 c.816 §17]

323.515 Exemption for tobacco products not subject to taxation by state. The tax imposed by ORS 323.505 does not apply with respect to any tobacco products which under the Constitution and laws of the United States may not be made the subject of taxation by the state. [1985 c.816 §18]

323.520 Application for distributor or subjobber license; fee. Every person desiring to engage in the sale of tobacco products as a distributor or subjobber, except a person who desires merely to sell or accept orders for tobacco products which are to be transported from a point outside this state to a consumer within this state, shall file with the department an application, in such form as the department may prescribe, for a license. A distributor or subjobber shall apply for and obtain a license for each place of business at which the distributor or subjobber engages in the business of distributing tobacco products. No fee shall be charged for such license. For the purposes of this section, a vending machine in and of itself, shall not be deemed a place of business. [1985 c.816 §19]

323.525 Security; amount. (1) If the department considers such action necessary to insure compliance with the Tobacco Products Tax Act, it may require any person subject to the Tobacco Products Tax Act to place with the department such security as the department may determine.

(2) The amount of the security shall be fixed by the department but, except as provided in subsection (3) of this section, may not be greater than twice the estimated tax liability of a person for the reporting period under the Tobacco Products Tax Act determined in such manner as the department considers proper.

(3) In case of a person who, pursuant to ORS 323.535, has been given notice of proposed revocation or suspension of permit, the amount of the security may not be greater than twice the tax liability of the person for the reporting period under the Tobacco Products Tax Act determined in such manner as

the department considers proper, or \$10,000, whichever is greater.

(4) The limitations provided in this section apply regardless of the type of security placed with the department. The required amount of the security may be increased or decreased by the department subject to the limitations provided in this section. [1985 c.816 §20]

323.530 Issuance of license; validity; display. Upon receipt of a completed application and such security as may be required by the department under the Tobacco Products Tax Act, the department shall issue to the applicant a license as a distributor or subjobber. A separate license shall be issued for each place of business of the distributor or subjobber within the state. A license is valid only for engaging in business as a distributor or subjobber at the place designated thereon, and it shall at all times be conspicuously displayed at the place for which issued. The license is not transferable and is valid until canceled, suspended or revoked. [1985 c.816 §21]

323.535 Suspension or revocation; notice; appeal. (1) If any person fails to comply with any provision of the Tobacco Products Tax Act relating to the tax or any rule of the department relating to the tax adopted under the Tobacco Products Tax Act, the department may suspend or revoke the permit or permits held by the person. The department shall not issue a new permit after the revocation of a permit unless it is satisfied that the former holder of the permit will comply with the provisions of the Tobacco Products Tax Act relating to the tax and the rules of the department.

(2) If the department proposes to refuse to issue or renew a permit, or proposes to suspend or revoke a permit, the department shall give notice of the proposed refusal, suspension or revocation at least 30 days before the refusal, suspension or revocation will be final. Appeal following the notice of the determination may be taken to the director in the manner provided in ORS 305.275 within the time provided in ORS 305.280 (1).

(3) An appeal from the director's order sustaining a proposed refusal to issue or renew, or suspension or revocation, may be taken by the person by filing an appeal to the Oregon Tax Court following the procedure provided in ORS chapter 305 within the time prescribed under ORS 305.560. [1985 c.816 §22]

323.540 Records; contents; retention time; examinations. (1) Every distributor, and every person dealing in, transporting or storing tobacco products, shall keep at each

registered place of business complete and accurate records for that place of business, including itemized invoices, of tobacco products held, purchased, manufactured, brought in or caused to be brought in from without the state or shipped or transported to retail dealers in this state, and of all sales of tobacco products made, except sales to the ultimate consumer.

(2) The records required by subsection (1) of this section shall show the names and addresses of purchasers, the inventory of all tobacco products on hand on January 1, 1986, and other pertinent papers and documents relating to the purchase, sale or disposition of tobacco products.

(3) When a licensed distributor sells tobacco products exclusively to the ultimate consumer at the address given in the certificate, no invoice of those sales shall be required, but itemized invoices shall be made of all tobacco products transferred to other places of business owned or controlled by that licensed distributor.

(4)(a) All books, records and other papers and documents required by this section to be kept shall be preserved for a period of at least five years after the initial date of the books, records and other papers or documents, or the date of entries appearing therein, unless the Department of Revenue, in writing, authorizes their destruction or disposal at an earlier date.

(b) The department or its authorized representative, upon oral or written demand, may make such examinations of the books, papers, records and equipment required to be kept under this section as it may deem necessary in carrying out the provisions of the Tobacco Products Tax Act.

(c) If the department, or any of its agents or employees, are denied free access or are hindered or interfered with in making such examination, the license of the distributor at such premises shall be subject to revocation by the department. [1985 c.816 §23]

323.545 Sellers' invoices; contents; preservation. Every person who sells tobacco products to persons other than the ultimate consumer shall render with each sale itemized invoices showing the seller's name and address, the purchaser's name and address, the date of sale, and all prices and discounts. The person shall preserve legible copies of all such invoices for five years from the date of sale. [1985 c.816 §24]

323.550 Invoices of retail dealer and subjobber; contents; preservation; inspection. Every retail dealer and subjobber shall procure itemized invoices of all tobacco products purchased. The invoices shall show the name and address of the seller and the

date of purchase. The retail dealer and subjobber shall preserve a legible copy of each such invoice for five years from the date of purchase. Invoices shall be available for inspection by the Department of Revenue or its authorized agents or employees at the retail dealer's or subjobber's place of business. [1985 c.816 §25]

323.555 Warehouse records; inspection; contents; preservation. Records of all deliveries or shipments of tobacco products from any public warehouse of first destination in this state shall be kept by the warehouse and be available to the Department of Revenue for inspection. They shall show the name and address of the consignee, the date, the quantity of tobacco products delivered and such other information as the department may require. These records shall be preserved for five years from the date of delivery of the tobacco products. [1985 c.816 §26]

323.560 Credit of tax for tobacco products shipped out of state or returned to manufacturer. Where tobacco products, upon which the tax imposed by ORS 323.505 has been reported and paid, are shipped or transported by the distributor to retail dealers without the state, to be sold by those retail dealers, or are returned to the manufacturer by the distributor or destroyed by the distributor, credit of such tax may be made to the distributor. [1985 c.816 §27]

323.565 Exemption for distributors to common carriers engaged in interstate or foreign passenger service; tax on carriers or persons authorized to sell tobacco products on the facilities of carriers. The taxes imposed by the Tobacco Products Tax Act shall not apply to the sale of tobacco products by a distributor to a common carrier engaged in interstate or foreign passenger service or to a person authorized to sell tobacco products on the facilities of such carrier. Whenever tobacco products are sold by distributors to common carriers engaged in interstate or foreign passenger service for use or sale on facilities of the carriers, or to persons authorized to sell tobacco products on those facilities, the tax imposed by this section shall not be levied with respect to sales of the tobacco products by the distributors, but a tax is hereby levied upon the carriers or upon the persons authorized to sell tobacco products on the facilities of the carriers, as the case may be, for the privilege of making such sales in Oregon at the same rate that is imposed upon the distribution of tobacco products in this state. Such common carriers and authorized persons shall pay the tax imposed by this section and file returns with the de-

partment as provided in ORS 323.510. [1985 c.816 §27b]

323.570 Transport of untaxed products; permit; bills of lading. (1) Any transporter desiring to possess or acquire untaxed tobacco products for transportation or transport upon the highways, roads or streets of this state shall obtain a permit from the department authorizing such transporter to possess or acquire for transportation or transport the untaxed tobacco products, and shall have the permit in the transporting vehicle during the period of transportation of the tobacco products. The application for the permit shall be in such form and shall contain such information as may be prescribed by the department. The department may issue a permit for a single load or shipment or for a number of loads or shipments to be transported under specified conditions.

(2) Each transporter who shall transport or possess or acquire for the purpose of transporting untaxed tobacco products upon the highways, roads or streets of this state is required to have within the transporting vehicle invoices or bills of lading covering the shipment of tobacco products being transported which shall show the name and address of the consignor or seller, the name and address of the consignee or purchaser and the quantity and types of tobacco products transported. [1985 c.816 §27c]

323.575 Administration and enforcement; rules and procedures. The department shall administer and enforce the Tobacco Products Tax Act. The department is authorized to establish those rules and procedures for the implementation and enforcement of the Tobacco Products Tax Act that are consistent with its provisions and as are considered necessary and appropriate. [1985 c.816 §28]

323.580 Prohibited acts. (1) No distributor or other person shall:

(a) Fail to furnish any return required to be made pursuant to the Tobacco Products Tax Act;

(b) Fail to furnish a supplemental return or other data required by the department; or

(c) Render a false or fraudulent return, report or claim for refund.

(2) No person who is required to make, render, sign or verify any report or return under the Tobacco Products Tax Act shall make a false or fraudulent report or return with intent to defeat or evade the determination of an amount due required by law. [1985 c.816 §29]

323.585 Failure to file return or pay tax; penalties; interest. (1) If there is a

failure to file a return required under the Tobacco Products Tax Act or a failure to pay a tax at the time the tax becomes due, and no extension is granted under ORS 323.510, or if the time granted as an extension has expired and there is a failure to file a return or pay a tax, there shall be added to the amount of tax required to be shown on the return a delinquency penalty of five percent of the amount of the tax.

(2) If the failure to file a return continues for a period in excess of three months after the due date:

(a) There shall be added to the amount of tax required to be shown on the return a failure to file penalty of 20 percent of the amount of such tax; and

(b) Thereafter, the department may send a notice and demand to the person to file a return within 30 days of the mailing of the notice. If after such notice and demand no return is filed within the 30 days, the department may determine the tax according to the best of its information and belief, assess the tax with appropriate penalty and interest, plus an additional penalty of 25 percent of the tax deficiency determined by the department, and give written notice of the determination and assessment to the person required to make the filing.

(3) A penalty equal to 100 percent of any deficiency determined by the department shall be assessed and collected if:

(a) There is a failure to file a return with intent to evade the tax; or

(b) A return was falsely prepared and filed with intent to evade the tax.

(4) Interest shall be collected on the unpaid tax at the rate established under ORS 305.220, for each month or fraction of a month, computed from the time the tax became due, during which the tax remains unpaid.

(5) Each penalty imposed under this section is in addition to any other penalty imposed under this section. However, the total amount of penalty imposed under this section with respect to any deficiency shall not exceed 100 percent of the deficiency. [1985 c.816 §30]

323.590 Failure to file timely report or return; show cause order; notice; hearing; appeal; costs. (1) If a person fails to file a report or return within 60 days of the time prescribed under the Tobacco Products Tax Act, the department may petition the Oregon Tax Court for an order requiring the person to show cause why the person is not required to file the report or return.

(2) Within 10 days after the filing of the petition, the tax court shall enter an order

directing the person to appear and show cause why no report or return is required to be filed. The petition and order shall be served upon the person in the manner provided by law. Not later than 20 days after service, the person shall:

(a) File the requested report or return with the department;

(b) Request from the court an order granting reasonable time within which to file the requested report or return with the department; or

(c) File with the court an answer to the petition showing cause why such report or return is not required to be filed.

(3) If an answer is filed, the court shall set the matter for hearing within 20 days from the filing of the answer, and shall determine the matter in an expeditious manner, consistent with the rights of the parties.

(4) An appeal may be taken to the Supreme Court as provided in ORS 305.445, from an order of the tax court made and entered after a hearing and determination under subsection (3) of this section.

(5) Costs shall be awarded to the prevailing party. [1985 c.816 §31]

323.595 Application of other statutes. The provisions of ORS chapters 305 and 314 as to the audit and examination of returns, periods of limitations, determination of and notices of deficiencies, assessments, liens, delinquencies, claims for refund and refunds, conferences, appeals to the director of the department, appeals to the Oregon Tax Court, stay of collection pending appeal, confidentiality of returns and the penalties relative thereto, and the procedures relating thereto, shall apply to the determinations of taxes, penalties and interest under the Tobacco Products Tax Act, except where the context requires otherwise. [1985 c.816 §32]

323.600 Department determination of amount of tax; deficiency determinations; liens. If, under the Tobacco Products Tax Act, the department is not satisfied with the return of the tax or as to the amount of tax required to be paid to this state by any person, it may compute and determine the amount required to be paid upon the basis of the facts contained in the return or upon the basis of any information within its possession or that may come into its possession. One or more deficiency determinations may be made of the amount due for one or for more than one period. Notices of deficiency shall be given and interest on deficiencies shall be computed as provided in ORS 305.265. Subject to ORS 314.421 and 314.423, liens for taxes or deficiencies shall arise at the time of assessment, shall continue until

the taxes, interest and penalties are fully satisfied and may be recorded and collected in the manner provided for the collection of delinquent income taxes. [1985 c.816 §33]

323.605 Immediate determination and collection of tax. If the department believes that the collection of any tax imposed under the Tobacco Products Tax Act or any amount of the tax required to be collected and paid to the state or of any determination will be jeopardized by delay, it shall make a determination of the tax or amount of tax required to be collected, noting that fact upon the determination. The amount determined is immediately due and payable and the department shall assess the taxes, notify the person and proceed to collect the tax in the same manner and using the same procedures as for the collection of income taxes under ORS 314.440. [1985 c.816 §34]

323.610 Warrant to sheriff to levy upon and sell property of delinquent taxpayer; recording; execution; agents; remedies for warrant returned not satisfied. (1) If any tax imposed under the Tobacco Products Tax Act or any portion of the tax is not paid within the time provided by law and no provision is made to secure the payment of the tax by bond, deposit or otherwise, pursuant to rules adopted by the department, the department may issue a warrant directed to the sheriff of any county of the state commanding the sheriff to levy upon and sell the real and personal property of the taxpayer found within the county, for the payment of the amount of the tax, with the added penalties, interest and the sheriff's cost of executing the warrant, and to return the warrant to the department and pay to it the money collected from the sale, within 60 days after the date of receipt of the warrant.

(2) The sheriff shall, within five days after the receipt of the warrant, record with the clerk of the county a copy of the warrant, and the clerk shall immediately enter in the County Clerk Lien Record the name of the taxpayer mentioned in the warrant, the amount of the tax or portion of the tax and penalties for which the warrant is issued and the date the copy is recorded. The amount of the warrant so recorded shall become a lien upon the title to and interest in real property of the taxpayer against whom it is issued in the same manner as a judgment duly docketed. The sheriff immediately shall proceed upon the warrant in all respects, with like effect and in the same manner prescribed by law in respect to executions issued against property upon judgment of a court of record, and shall be entitled to the same fees for services in executing the warrant, to be added to and collected as a part of the warrant liability.

(3) In the discretion of the department a warrant of like terms, force and effect may be issued and directed to any agent authorized to collect the taxes imposed by the Tobacco Products Tax Act. In the execution of the warrant, the agent shall have all the powers conferred by law upon sheriffs, but is entitled to no fee or compensation in excess of actual expenses paid in the performance of such duty.

(4) If a warrant is returned not satisfied in full, the department shall have the same remedies to enforce the claim for taxes against the taxpayer as if the people of the state had recovered judgment against the taxpayer for the amount of the tax. [1985 c.816 §35, 1987 c.158 §55]

323.615 Refund agreement with governing body of Indian reservation; appropriation for refunds. (1) The director is authorized to enter into a tobacco products tax refund agreement with the governing body of any Indian reservation in Oregon. The agreement may provide for a mutually agreed upon amount as a refund to the governing body of any tobacco tax collected under the Tobacco Products Tax Act in connection with the sale, use, storage or consumption of tobacco products on the Indian reservation. This provision is in addition to other laws allowing tax refunds.

(2) There is annually appropriated to the director from the suspense account established under ORS 293.445 and 323.625, the amounts necessary to make the refunds provided by subsection (1) of this section. [1985 c.816 §36]

323.620 Remedies cumulative. The remedies of the state provided for in the Tobacco Products Tax Act are cumulative, and no action taken by the department or Attorney General constitutes an election by the state to pursue any remedy to the exclusion of any other remedy for which provision is made in the Tobacco Products Tax Act. [1985 c.816 §40]

323.625 Disposition of moneys. All moneys received by the Department of Revenue under the Tobacco Products Tax Act shall be deposited in the State Treasury and credited to a suspense account established under ORS 293.445. [1985 c.816 §42]

323.635 Penalties in ORS 323.995 additional to other penalties. The penalties provided in ORS 323.995 are additional to all other penalties provided under the Tobacco Products Tax Act. [1985 c.816 §44]

323.645 Short title. ORS 323.500 to 323.640 may be cited as the Tobacco Products Tax Act. [1985 c.816 §46]

Note: ORS 323.500 to 323.645 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 323 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation
