The funds granted shall be distributed monthly.

(3) Federal funds at the disposal of an applicant for use in providing alcohol and drug abuse prevention, early intervention and treatment services may be counted toward the percentage contribution of an applicant.

(4) An applicant that is, at the time of a grant made under this section, expending funds appropriated by its governing body for the alcohol and drug abuse prevention, early intervention and treatment services shall, as a condition to the receipt of funds under this section, maintain its financial contribution to these programs at an amount not less than

the preceding year. However, the financial contribution requirement may be waived in its entirety or in part in any year by the Mental Health and Developmental Disability Services Division because of:

(a) The severe financial hardship that would be imposed to maintain the contribution in full or in part;

(b) The application of any special funds for the alcohol and drug abuse prevention, early intervention and treatment services in the prior year when such funds are not available in the current year;

(c) The application of federal funds, including but not limited to general revenue sharing, distributions from the Oregon and California land grant fund and block grant funds to the alcohol and drug abuse prevention, early intervention and treatment services in the prior year when such funds are not available for such application in the current year; or

(5) Any moneys received by an applicant from fees, contributions or other sources for alcohol and drug abuse prevention, early intervention and treatment services for service purposes, including federal funds, shall be considered a portion of an applicant's contribution for the purpose of determining the matching fund formula relationship. All moneys so received shall only be used for the purposes of carrying out ORS 430.345 to 430.380.

(6) Grants made pursuant to ORS 430.345 to 430.380 shall be paid from funds specifically appropriated therefor and shall be paid in the same manner as other claims against the state are paid. [Formerly 430.365, 1985 c.517 §1, 1985 c.740 §14, 1987 c.53 §6]

(2) Minority program funding proposals included within an application must be clearly identified as minority programs and must include distinct or severable budget statements.

(2) After making a determination of the appropriate level of funding minority programs under subsection (1) of this section, assess the remaining portions of all applications containing minority program funding proposals together with applications which do not contain funding proposals for minority programs on the basis of the remaining community need stated in ORS 430.345, adjusting such amounts as it deems justified on the basis of the facts presented for its consideration and such additional information as may be necessary to determine an appropriate level of funding such programs, and award such funds to those applicants. [1977 c.856 §11]

430.368 Appeal and review of funding requests; conclusiveness of assistant director's review. (1) Any alcohol and drug abuse prevention, early intervention and treatment service, including but not limited to minority programs, aggrieved by any final action of an applicant with regard to requesting funding for the program from the division, may appeal the applicant's action to the assistant director of the division within 30 days of the action. For the purposes of this section "final action" means the submission of the applicant's compiled funding requests to the division. The assistant director shall review, in consultation with the Governor's Council on Alcohol and Drug Abuse Programs, all appealed actions for compliance with the purposes and requirements of ORS 430.306, 430.338 to 430.380, 471.810, 473.030 and 473.050, including but not limited to ORS 430.338 (5).

(2) A city and county, or any combination thereof, may enter into a written agreement, as provided in ORS 190.003 to 190.620, jointly to establish, operate and maintain alcohol and drug abuse prevention, early intervention and treatment services. 430.455 Information to drug-dependent person upon arrest. When a person is arrested for violation of the criminal statutes of this state which do not involve crimes of violence against another person, and the officer or person making the arrest has reasonable grounds for believing the arrested individual is a drug-dependent person, the officer or person making the arrest may:

(1) Fully inform the arrested person of the right of the arrested person to evaluation and the possible consequences of such evaluation;

(2) Inform the arrested person of the right of the arrested person to counsel before consenting to evaluation; and

(3) Fully explain the voluntary nature of the evaluation and the limitations upon the confidentiality of the information obtained during the evaluation. [1977 c.871 §7]

person making the arrest shall request an approved site to conduct an evaluation to determine whether the arrested person is drug dependent. Refusal of the arrested person to consent to the evaluation is not admissible in evidence upon the trial of the arrested person. [1977 c.871 §8]

430.465 Referral for evaluation. A defendant may be informed of the rights of the defendant to evaluation and, upon giving written consent, may be referred for such evaluation at any time prior to conviction for the offense for which the defendant is charged, notwithstanding prior refusal to submit to evaluation. The procedures stipulated in ORS 430.455 and 430.460 shall be followed whenever the right to evaluation is restated under this section. [1977 c.871 §9]

[1977 c.871 §20]

430.510 Notice when treatment unsuccessful. If treatment under ORS 430.450 to 430.555 is unsuccessful, the prosecuting attorney and the court shall be notified before the defendant is released from treatment. After such notice the prosecution may be resumed. [1977 c.871 §25]

430.515 Procedure to terminate treatment. Termination of treatment under ORS 430.450 to 430.555 may be instituted at any time by either the prosecutor, the director of the treatment facility, the court or the person diverted into treatment. An order to terminate treatment shall be based upon a finding of substantial violation of the diversion plan or upon a showing to the satisfaction of the court that the person diverted constitutes a threat to the peace and safety of the public and that continued treatment will involve direct risk to the community or the treatment facility. Such findings and showing shall be made before the court in open hearing, with the person under treatment entitled to counsel and to due process of law. [1977 c.871 §26]
