471.010 "Hotel" defined. "Hotel" means every building or other structure kept, used, maintained, advertised or held out to the public to be a place where food is served and sleeping accommodations are offered for pay to transient guests, in which 20 or more rooms are used for sleeping accommodations of such guests and having one or more dining rooms where meals are served to such guests; such sleeping accommodations and dining rooms being conducted in the same building, or buildings in connection therewith, and such structures being provided, in the judgment of the commission, with adequate kitchen and dining room equipment and capacity, and having employed therein such number and kinds of employees as the commission may prescribe by rule for preparing, cooking and serving suitable food for its guests. [Amended by 1979 c.236 §5]

471.015 "Restaurant" and "premises" defined. (1) "Restaurant" means an area occupied and set apart from adjoining property by boundaries sufficiently apparent to indicate the approximate limits of occupation, with adequate kitchen and dining room equipment, and catering to and serving bona fide meals to the general public.

(2) "Premises" or "licensed premises" used in connection with a licensed location means the area where refreshments or food are served at the address for which the license is issued. [Amended by 1975 c.207 §1; 1979 c.236 §6]

471.017 Inclosure of restaurant or licensed premises. Nothing in this chapter requires any restaurant or licensed premises to be inclosed by wall, fence or any other means. [1975 c.207 §4]

Note: 471.017 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 471 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(c) To protect the safety, welfare, health, peace and morals of the people of the state.

(2) Consistent with subsection (1) of this section, it is the policy of this state to encourage the development of all Oregon industry.

471.035 Certain products excepted from liquor laws. No provision of the Liquor Control Act shall, by reason only that such product contains alcoholic liquor, prevent the sale of any perfume, lotion, tincture, varnish, dressing fluid, extracts, acid vinegar, or of any official medicinal or pharmaceutical preparations, or of any patent or proprietary medicine intended solely for medicinal purposes.

471.040 General powers of the commission. The commission has the powers and duties specified in this chapter, and also the powers necessary or proper to enable it to carry out fully and effectually all the purposes of this chapter. It shall make such

rules and regulations pertaining to natural and fortified wines as will prevent the importation and sale in Oregon of blended, rectified, adulterated or low-quality wines. The jurisdiction, supervision, powers and duties of the commission extend to any person who buys, sells, manufactures, imports or transports any alcoholic liquor within this state. The commission may sue and be sued.

471.045 Liquor laws supersede and repeal inconsistent charters and ordinances. The Liquor Control Act, designed to operate uniformly throughout the state, shall be paramount and superior to and shall fully replace and supersede any and all municipal charter enactments or local ordinances inconsistent with it. LIQUOR LICENSES

471.205 Necessity of license to brew or distill liquor. No person shall brew, ferment, distill, blend or rectify any alcoholic liquor unless licensed so to do by the commission. However, the Liquor Control Act does not apply to the making or keeping of naturally fermented wines and fruit juices or beer in the home, for home consumption and not for sale.

471.210 Commission's licensing duties; bonds; local government recommendations required; fee. (1) The commission shall provide for the licensing of persons and incorporated cities within the state to manufacture, distribute, take orders for and sell spirits, wines, beer and other alcoholic liquors. Except as provided in subsection (2) of this section, every licensee or applicant for a brewery, winery, wholesale, wine warehouse or brewery-public house license shall give, and at all times maintain on file with the commission, a bond with a corporate surety authorized to transact business in this state. The bond shall be in form and amount acceptable to the commission, shall be payable to the commission and conditioned that such licensee or applicant will pay any fine imposed for any violation of any provision of the Liquor Control Act and that the licensee or applicant will pay all license fees, privilege taxes, taxes on alcoholic liquors, together with penalties and interest thereon, levied or assessed against the licensee or applicant under statutes relating to the importation, manufacture, distribution, sale or taxation of alcoholic liquors in the State of Oregon.

(2) Under such conditions as the commission may prescribe, a brewery, winery, wholesale, wine warehouse or brewery-public house licensee or applicant may deposit in lieu of the bond required by subsection (1) of this section, the equivalent value in cash, bank letters of credit recognized by the State Treasurer or negotiable securities of a character approved by the State Treasurer. The deposit is to be made in a bank or trust company for the benefit of the commission. Interest on deposited funds or securities shall accrue to the depositor.

(3) The commission may require of every applicant for a license the recommendation in writing of the governing body of the county in the event the place of business of the applicant is outside an incorporated city, and of the city council if the place of business of the applicant is within an incorporated city. The commission may take such recommendation into consideration before

granting or refusing the license. The applicant shall pay to such recommending authority a fee determined by the governing body of the recommending authority, not to exceed \$25, for each application for a license.

(4) After public notice and hearing, the governing body of a city or county may adopt an ordinance, rule or resolution prescribing licensing guidelines to be followed in making recommendations on license applications and in allowing opportunity for public comment on applications. If the guidelines are approved by the commission as consistent with commission rules, after public notice and hearing the governing body may adopt an ordinance, rule or regulation establishing a system of fees that is reasonable and necessary to pay expenses of processing the written recommendation. In no case shall the fees be greater than \$100 for an original application, \$75 for a change-in-ownership or change in location or change in privilege application and \$35 for a renewal or temporary application. [Amended by 1967 c.359 §693; 1977 c.518 §3; 1979 c.45 §1; 1979 c.264 §5a; 1983 c.691 §1; 1983 c.740 §187; 1985 c.591 §1, 1987 c.511 §1; 1989 c.48 §1]

(1) Cities and counties may adopt reasonable time, place and manner regulations of the nuisance aspects of establishments that offer entertainment or serve alcoholic beverages if the city or county makes specific findings that the establishment would cause adverse effects to occur.

(2) The authority granted to cities and counties by this section is in addition to, and not in lieu of, the authority granted to a city or county under its charter and the statutes and Constitution of this state. [1989 c.846 §16]

Note: 471.213 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 471 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

A copy of the application shall be kept on the licensed premises and shall be made available for immediate inspection by any inspector or investigator employed by the commission or by any other peace officer until the applicant receives the permit.

(2) An applicant for a service permit must be 18 years of age or over. Application for a service permit shall be made on a form supplied by the commission. (2) The issuance, suspension or revocation of a permit under ORS 471.360 to 471.390 does not relieve a licensee from responsibility for any act of an employee on the licensee's premises.

(3) When there has been a violation of this chapter or ORS chapter 472 or any rule adopted thereunder upon any premises licensed by the commission, the commission may revoke or suspend either the service permit of the employee who violated the law or rule or the license of the licensee upon whose premises the violation occurred, or both the permit and the license.

(4) The commission may revoke or suspend any license issued by the commission if the licensee knowingly indorses a person's application for a permit when the person has been refused a permit or has had a permit suspended or revoked, or when the licensee fails to comply with any provision to be performed by the licensee under ORS 471.360 to 471.390. (a) Upon a first conviction, a fine of \$350.

(4) Notwithstanding any other provision of law, the commission shall only impose letters of reprimand for the first three violations of this section within a two-year period. Any violation, of the order or mutilation or removal of the order so posted shall be a contempt of court, if the posted order contains a notice to that effect.

471.645 Temporary injunction. If a temporary injunction is granted, the court may issue further restraining orders as described in ORS 471.635; and forthwith may issue an order closing such place against its use for any purpose until the final decision, or the court may allow such place to be occupied or used during the pendency of the injunction proceedings by requiring the defendants to furnish bond with sufficient surety, to be approved by the court, in the penal sum of not less than \$2,500, payable to the state. The bond shall be conditioned that alcoholic liquor will not be manufactured, possessed, sold, served, bartered, or given away, or furnished, or otherwise disposed of thereon or therein, or kept thereon or therein with the intent to sell, barter, serve, or give away, or otherwise dispose of alcoholic liquor contrary to law, and that the defendants will pay all fines, costs and damages assessed against them for any violation of such conditions. The State of Oregon in an action brought by the Attorney General, the commission or its administrators, or the district attorney, may take whatever steps necessary to recover the whole amount as a penalty for the use of the county wherein the premises are situated.

471.650 Nature of permanent injunction. If a final decree against the defendants is granted, the court shall order that the place constituting the nuisance be closed for a period not exceeding two years, or closed for a part of said time, and until the owner, lessee, tenant or occupant thereof gives a bond identical to the bond required under ORS 471.645. If any condition of the bond is violated, the whole amount may be recovered as a penalty for the use of the county wher-

ein the premises are situated. In any such suit process to nonresident defendants may be served by publication in a newspaper of general circulation in the county having jurisdiction of the injunction proceedings. Notice shall be published once each week for two consecutive weeks or for such time as the court, by order, may prescribe.

471.655 Owner may defend; evidence concerning nuisance. (1) The owner of any property closed or restrained, or to be closed or restrained, may appear at any time between the filing of the complaint and the trial and show cause why the court should cancel or refrain from issuing any decree orders as against the owner. In order to obtain such relief, the owner must prove to the satisfaction of the court that the owner is the lawful owner of the property and, further, that with reasonable care and diligence the owner could not have known of the illegal use of the owner's property.

(2) Evidence of the general reputation of the premises upon which a nuisance is alleged to exist is admissible in evidence for the purpose of proving the existence of the nuisance, and of knowledge of, and of acquiescence and participation therein, on the part of persons charged with maintaining or assisting in the maintenance of a nuisance.

471.657 Confiscation and forfeiture for violation of ORS 471.475. Upon conviction for violation of ORS 471.475, the premises upon which the violation has occurred shall be declared to be a common nuisance and subject to abatement proceedings as provided by ORS 471.605 to 471.655. Any person who knowingly suffers or permits such nuisance to exist or be kept or maintained in a private or public club or place of which the person is the owner, manager or lessor, may be a party defendant to such abatement proceedings. In any such case, upon conviction, all alcoholic liquor, whether purchased or acquired from any other source, and all property, including bars, glasses, mixers, lockers, chairs, tables, cash registers, music devices, gambling devices, and all facilities for the mixing, storing, serving or drinking of alcoholic liquor shall be declared to be a common nuisance and shall be subject to confiscation and forfeiture as provided for by ORS 471.610. No claim of ownership or of any right, title, or interest in or to any of the personal property enumerated in this section or ORS 471.475 shall be held valid unless claimant shows to the satisfaction of the court that claimant is in good faith the owner of the claim and had no knowledge that the personal property was used in violation of ORS 471.475.

471.660 Seizure of conveyance transporting liquor and liquor therein; notice

to owner; return of conveyance; costs. (1) When any peace officer discovers any person in the act of transporting alcoholic liquors in violation of law, in or upon any vehicle, boat or aircraft, or conveyance of any kind, the officer may seize any alcoholic liquor found therein, take possession of the vehicle or conveyance and arrest any person in charge thereof.

(2) The officer shall at once proceed against the person arrested, under the Liquor Control Act, in any court having competent jurisdiction, and shall deliver the vehicle or conveyance to the sheriff of the county in which such seizure was made.

(3) If the person arrested is the owner of the vehicle or conveyance seized, it shall be returned to the owner upon execution by the owner of a good and valid bond, with sufficient sureties in a sum double the value of the property, approved by the court and conditioned to return the property to the custody of the sheriff at a time to be specified by the court.

(4) If the person arrested is not the owner of the vehicle or conveyance seized, the sheriff shall make reasonable effort to determine the name and address of the owner. If the sheriff is able to determine the name and address of the owner, the sheriff shall immediately notify the owner by registered or certified mail of the seizure and of the owner's rights and duties under this section and ORS 471.665.

(5) A person notified under subsection (4) of this section, or any other person asserting a claim to rightful possession of the vehicle or conveyance seized, except the defendant, may move the court having ultimate trial jurisdiction over any crime charged in connection with the seizure to return the vehicle or conveyance to the movant.

(6) The movant shall serve a copy of the motion upon the district attorney of the county in which the vehicle or conveyance is in custody. The court shall order the vehicle or conveyance returned to the movant, unless the court is satisfied by clear and convincing evidence that the movant knowingly consented to the unlawful use that resulted in the seizure. If the court does not order the return of the vehicle or conveyance, the movant shall obtain the return only as provided in subsection (3) of this section.

(7) If the court orders the return of the vehicle or conveyance to the movant, the movant shall not be liable for any towing or storage costs incurred as a result of the seizure.

(8) If the court does not order the return of the vehicle or conveyance under subsection (6) of this section, and the arrested

person is convicted for any offense in connection with the seizure, the vehicle or conveyance shall be subject to forfeiture as provided in ORS 471.665. [Amended by 1973 c.836 §351; 1981 c.601 §2]

471.665 Disposal of conveyance transporting liquor and liquor therein. (1) The court, upon conviction of the person arrested under ORS 471.660, shall order the alcoholic liquor delivered to the commission, and shall, subject to the provisions of subsection (3) of this section, and the ownership rights of innocent third parties, order a sale at public auction by the sheriff of the county of the property seized. The sheriff, after deducting the expense of keeping the property and the cost of sale, shall pay all the liens, according to their priorities, which are established by intervention or otherwise at such hearing or in other proceedings brought for that purpose, and shall pay the balance of the proceeds into the general fund of the county. No claim of ownership or of any right, title or interest in or to such vehicle that is otherwise valid shall be held invalid unless the state shows to the satisfaction of the court, by clear and convincing evidence, that the claimant had knowledge that the vehicle was used or to be used in violation of law. All liens against property sold under this section shall be transferred from the property to the proceeds of the sale.

(2) If no person claims the vehicle or conveyance, the taking of the same and the description thereof shall be advertised in some daily newspaper published in the city or county where taken, or if no daily newspaper is published in such city or county, in a newspaper having weekly circulation in the city or county, once a week for two weeks and by handbills posted in three public places near the place of seizure, and shall likewise notify by mail the legal owner, in the case of an automobile, if licensed by the State of Oregon, as shown by the name and address in the records of the Motor Vehicles Division of the Department of Transportation. If no claimant appears within 10 days after the last publication of the advertisement, the property shall be sold and the proceeds, after deducting the expenses and costs, shall be paid into the general fund of the county.

(3) In the case of any boat, vehicle or other conveyance seized pursuant to ORS 167.247 the boat, vehicle or other conveyance may, in the discretion of the seizing law enforcement agency, following conviction of the person arrested but prior to public auction, be claimed by the seizing law enforcement agency by giving timely notice to the sheriff of the county in which the seizure was made, that the seizing law enforcement agency in-

tends to retain the boat, vehicle or other conveyance for official use. On receipt of notice of such claim, the sheriff shall determine the expense of keeping the boat, vehicle or other conveyance, and all the liens. The seizing agency may then pay the total of the expenses and liens to the sheriff of the county in which the seizure was made. The sheriff shall pay all the liens, according to their priorities, and all other expenses incurred in the seizing and keeping of the boat, vehicle or other conveyance. Upon payment of the liens and expenses, the boat, vehicle or other conveyance shall be delivered to the possession of, and title to the conveyance shall rest in, the seizing agency. The seizing agency then shall put the boat, vehicle or other conveyance to official law enforcement use. [Amended by 1971 c.743 §374a; 1973 c.836 §352; 1977 c.745 §40]

Note: Sections 15, 18 and 22, chapter 791, Oregon Laws 1989, provide

Sec. 15. Notwithstanding ORS 167.242, 167.247, 205.245 and 471.665, until December 31, 1993, ORS 167.242, 167.247, 205.245 and 471.665 shall not be operative, but sections 16, 17, 18 and 21 of this Act shall operate in lieu thereof. [1989 c.791 §15]

Sec. 18. (1) The court, upon conviction of the person arrested under ORS 471.660, shall order the alcoholic liquor delivered to the commission, and shall, subject to the ownership rights of innocent third parties, order a sale at public auction by the sheriff of the county of the property seized. The sheriff, after deducting the expense of keeping the property and the cost of sale, shall pay all the liens, according to their priorities, which are established by intervention or otherwise at such hearing or in other proceedings brought for that purpose, and shall pay the balance of the proceeds into the general fund of the county. No claim of ownership or of any right, title or interest in or to such vehicle that is otherwise valid shall be held invalid unless the state shows to the satisfaction of the court, by clear and convincing evidence, that the claimant had knowledge that the vehicle was used or to be used in violation of law. All liens against property sold under this section shall be transferred from the property to the proceeds of the sale.

(2) If no person claims the vehicle or conveyance, the taking of the same and the description thereof shall be advertised in some daily newspaper published in the city or county where taken, or if no daily newspaper is published in such city or county, in a newspaper having weekly circulation in the city or county, once a week for two weeks and by handbills posted in three public places near the place of seizure, and shall likewise notify by mail the legal owner, in the case of an automobile, if licensed by the State of Oregon, as shown by the name and address in the records of the Motor Vehicles Division of the Department of Transportation. If no claimant appears within 10 days after the last publication of the advertisement, the property shall be sold and the proceeds, after deducting the expenses and costs, shall be paid into the general fund of the county. [1989 c.791 §18]

Sec. 22. This Act is repealed on December 31, 1993. [1989 c.791 §22]

471.670 Disposal of funds collected in enforcement of liquor laws; payment of enforcement expenses. (1) Except as provided in subsection (2) of this section, all

finer imposed by any judge, magistrate or court in the enforcement of the Liquor Control Act shall be forwarded immediately to the county treasurer of the county in which such conviction is had. The county treasurer shall keep the same in a separate fund designated as an enforcement fund. All warrants for any expenditures in the enforcement of that statute, which have been approved by the district attorney of said county, shall be drawn on this fund. All claims shall be verified by the claimants or persons having knowledge or supervision of the expenditures and shall be audited by the county court in the usual manner before presentation for payment thereof. When the enforcement fund exceeds the amount paid to satisfy the total of all claims made against it during the preceding calendar year, the excess amount shall be paid to the general fund of such county by the county treasurer on June 30 and December 31 of each year.

(2) Any fine imposed or collected by a police or municipal judge or recorder of any city may be retained by the municipality and shall be paid over and become a part of the city's general fund.

471.675 Resisting arrest or interfering with enforcement. No person shall forcibly resist lawful arrest, or by physical contact recklessly interfere with an investigation of any infringement of the Liquor Control Act or Distilled Liquor Control Act or with any lawful search or seizure being made by an officer or inspector of the commission, when such person knows or should know that such acts are being performed by an officer or inspector of the commission. [Amended by 1981 c.370 §1]

471.680 Allegation and proof in prosecutions. In any prosecution for the sale of alcoholic liquor it is not necessary to prove the exact variety, or to mention the quantity of alcoholic liquor sold, except in the case where the variety or quantity is essential to establish the offense. As regards quantity it is sufficient to allege the sale of a quantity, the sale of which quantity is unlawful. The description of any offense, alleged to be a violation of the Liquor Control Act, in the words of that statute or in any words of like effect, is sufficient in law. Any exceptions, exemptions, provisions, excuse or qualification may be proved by the defendant, but need not be specified or negatived in the complaint, information or indictment. If it is so specified or negatived, no proof in relation to the matter so specified or negatived is required on the part of the plaintiff, informant or complainant.

471.685 Governor authorized to suspend license. In case of invasion, disaster,

insurrection, riot, or imminent danger thereof, the Governor may, for the duration of such invasion, disaster, insurrection, riot, or imminent danger thereof, immediately suspend without notice any license in the area involved granted under the provisions of this chapter and ORS chapter 472. [1963 c.91 §2]

471.695 Fingerprinting of license applicants, certain commission employees.

(1) The commission may require each applicant for a Class A dispenser's license, a restaurant license, a retail malt beverage license or a seasonal dispenser's license to submit to fingerprinting. If the applicant is a corporation, the fingerprints of each officer, director and major stockholder of the corporation may be required by the commission. Prior to approving any change in officers, directors or major stockholders, the commission may require the fingerprints of the new officials.

(2) The commission shall require that all employees of the commission who work in the licensing or enforcement divisions be fingerprinted.

(3) Fingerprints acquired under this section may be submitted to appropriate law enforcement agencies for checking to determine any unlawful activities of the licensee, applicant or employee.

(4) As used in this section, "major stockholder" means any person who owns, directly or indirectly, more than 10 percent of any class of any equity security of the corporation. [1979 c.634 §2]

471.700 Revocation of license on gambling conviction. In carrying out its duties under ORS 471.315 or 472.180, the commission shall not suspend or cancel a license on grounds of any violation of ORS 167.117 to 167.162 until:

(1) The licensee has been convicted thereof in a court of competent jurisdiction; or

(2) An employee of the licensee has been convicted thereof in a court of competent jurisdiction and the violation occurred on the licensed premises. [1979 c.171 §2]

471.703 Police notice to commission or social host when certain persons involved in motor vehicle accidents; content; commission duty. (1) The police shall notify the Oregon Liquor Control Commission of the name of the alleged provider of alcoholic liquor when:

(a) The police investigate any motor vehicle accident where someone other than the operator is injured or incurs property damage;

(b) The operator appears to have consumed alcoholic liquor;

(c) A citation is issued against the operator that is related to the consumption of alcoholic liquor or could have been issued if the operator had survived; and

(d) The provider of the alcoholic liquor is alleged to be a licensee or permittee of the commission.

(2) The notice shall include the name and address of the operator involved and the name and address of the person who named the alleged provider, if the person is other than the operator.

(3) Upon receipt of the notice described in subsection (1) of this section, the commission shall cause the licensee or permittee named as the alleged provider to be notified of receipt of the notice and of its content. A copy of the notice shall be retained in the files of the commission and shall be open to inspection by the person injured or damaged by the motor vehicle operator or a representative of the person.

(4) The police shall notify the alleged social host when the circumstances described in subsection (1) of this section occur and the alleged social host is named as the provider of the alcoholic liquor. The notice shall include the information described in subsection (2) of this section. [1987 c.774 §15]

Note: 471.703 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 471 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

The commissioners are entitled to compensation and expenses as provided in ORS 292.495. Each commissioner at the time of appointment and qualification shall be a resident of this state and shall have resided in this state for at least five years next preceding appointment and qualification. The commissioner shall be an elector therein and not less than 30 years of age. A commissioner shall cease to hold office if the commissioner ceases to possess the residency or industry qualification for appointment and the Governor shall appoint

a qualified individual to complete the unexpired term.

(2) The term of office of a commissioner shall be four years from the time of appointment and qualification and until a successor qualifies. The terms of the commissioners shall commence April 1. In case any commissioner is allowed to hold over after the expiration of the term, the successor shall be appointed for the balance of the unexpired term. Vacancies in the commission shall be filled by the Governor for the unexpired term. Each commissioner is eligible for reappointment but no person shall be eligible to serve for more than two full terms.

(3) All appointments of commissioners by the Governor are subject to confirmation by the Senate pursuant to section 4, Article III, Oregon Constitution. [Amended by 1967 c.577 §11, 1969 c.314 §50, 1973 c.792 §17; 1979 c.251 §1; 1981 c.545 §9]

471.710 Removal; prohibited interests of commissioner and employee. (1) The Governor may remove any commissioner for inefficiency, neglect of duty, or misconduct in office, giving to the commissioner a copy of the charges made and an opportunity of being publicly heard in person or by counsel, in the commissioner's own defense, upon not less than 10 days' notice. If such commissioner is removed, the Governor shall file in the office of the Secretary of State a complete statement of all charges made against such commissioner, the findings thereon, and a complete record of the proceedings.

(2) No person, other than the member appointed in accordance with ORS 471.705 who is designated from the food and alcoholic beverage retail industry, is eligible to hold the office of commissioner, or to be employed by the commission if:

(b) Anyone in the person's household or immediate family has a financial interest described in paragraph (a) of this subsection;

(c) Anyone in the person's household or immediate family is employed by a business licensed by the commission, unless the person is not in a position to take action or make decisions which could affect the licensed business; or

(4) Nothing in this section prohibits a person from having a financial interest resulting from investments made by the Public Employees' Retirement System or through mutual funds, blind trusts or similar investments where the person does not exercise control over the nature, amount or timing of the investment.

(5) The commission by rule may establish additional restrictions to prohibit potential conflicts of interest. The commission by rule shall define "immediate family" and "business connection" as used in this section. [Amended by 1979 c 251 §2, 1983 c.168 §1, 1987 c.511 §7]

471.715 Chairman; meetings; quorum.

(2) The commission shall meet at such times and places within this state as it determines. A majority of the commissioners constitutes a quorum for the transaction of any business, for the performance of any duty or for the exercise of any power of the commission. (5) To issue, sign, indorse and accept checks, promissory notes, bills of exchange and other negotiable instruments.

(6) In the event the United States Government provides any plan or method whereby the taxes upon alcoholic liquors are collected at the source, to enter into any and all contracts and comply with all regulations, even to the extent of partially or wholly abrogating any statutory provisions which might be in conflict with federal law or regulations, to the end that the commission receives the portion thereof allocated to this state, to be distributed as provided by statute.

(7) To secure and pay for such policies of insurance as may be necessary to adequately protect it from loss by fire, theft or other casualty.

(4) To investigate and aid in the prosecution of every violation of statutes relating to alcoholic liquors, to seize alcoholic liquor manufactured, sold, kept, imported or transported in contravention of this chapter, and apply for the confiscation thereof, whenever required by statute, and cooperate in the prosecution of offenders before any court of competent jurisdiction.

(5) To adopt such regulations as are necessary and feasible for carrying out the pro-

Such wine or liquor shall be sold only by the commission or its duly au-

thorized and regularly employed agent or representative. It shall be delivered to the purchaser personally. All other wines containing not over 21 percent of alcohol by volume or any other alcoholic liquors containing not over eight percent of alcohol by volume, may be manufactured, sold, possessed, distributed, imported or transported, as provided by this chapter and not otherwise. [Amended by 1953 c.120 §6; 1974 s.s. c.4 §6]

It shall keep on hand in such stores or warehouses such quantities and kinds of alcoholic liquors as are reasonably required to supply the public demand. Any person qualified to purchase such liquors from the commission has the right to present to the commission, or at any of its stores, an application for any kind or brand of alcoholic liquor which the person may desire and which may be manufactured or obtainable in any place in the United States, and the commission shall obtain such liquor and sell it to the applicant. The stores shall be closed on Sundays and any legal holidays or any state or national election days designated by the commission. ORS 243.105 to 243.205 at the expense of the agent and may participate in the deferred compensation program under ORS 243.400 to 243.495. For such purposes, agents shall be considered eligible employees.

(2) A person who is the surviving spouse or child of a deceased agent or the spouse or child of a disabled agent of the commission shall be given preference in the appointment of a successor agent, if otherwise qualified, the spouse having greater preference. (2) The commission shall review the statement and may suspend, cancel or refuse to renew the license of any licensee when conditions exist in relation to any person having a financial interest in the place of business which would constitute grounds for refusing to issue a license or for cancellation or suspension of a license if such person were the licensee. However, in cases where the financial interest is held by a corporation, only the officers and directors of the corporation, any individual or combination of individuals who own a controlling financial interest in the business and any manager of the business shall be considered persons having a financial interest within the meaning of this subsection. [Amended by 1953 c 101 §2]

471.765 Procedure when person refuses to testify or produce books. If a person in attendance before the commission or a commissioner refuses, without reason-

able cause, to be examined or to answer a legal and pertinent question, or to produce a book or paper when ordered so to do by the commission, the commission may apply to the judge of the circuit court of any county where such person is in attendance, upon proof by affidavit of the fact, for a rule or order returnable in not less than two nor more than five days, directing such person to show cause before the judge who made the order, or any other judge of such county, why the person should not be punished for contempt. Upon the return of such order, the judge shall examine such person under oath and the person shall be given an opportunity to be heard. If the judge determines that such person has refused, without reasonable cause or legal excuse, to be examined or to answer a legal or pertinent question, or to produce a book or paper which the person was ordered to bring or produce, the judge may forthwith punish the offender for contempt of court.

471.770 Self-incrimination as a basis for refusing to testify or produce books. No person shall be excused from testifying or from producing any books, papers or documents in any investigation or inquiry by or upon any hearing before the commission or any commissioner when ordered so to do by the commission or any of its authorized agents, upon the ground that the testimony, evidence, books, papers or documents required of the person may tend to incriminate the person or subject the person to penalty or forfeiture. No person shall be prosecuted, punished or subjected to any penalty or forfeiture for or on account of any act, transaction, matter or thing concerning which the person shall, under oath, have, by order of the commission, or a commissioner, or any of its authorized agents, testified to or produced documentary evidence of; but no person so testifying shall be exempt from prosecution or punishment for any perjury committed by the person in testimony. [Amended by 1953 c.101 §2]

471.775 Service of subpoenas; authority of inspectors. (1) The provisions of ORS 183.440 shall apply to subpoenas issued by each member of the commission or any of its authorized agents.

(2) Inspectors and investigators employed by the commission shall have all the authority given by statute to peace officers of this state, including authority to serve and execute warrants of arrest and warrants of search and seizure. [Amended by 1953 c.101 §2, 1971 c 734 §68]

471.780 Issuance of purchase orders; preservation of records. Every order given by the commission for alcoholic liquor must have written approval of two of its members.

A duplicate of every order for alcoholic liquor shall be kept at the head office of the commission. All purchase orders, sales records and other records of the commission shall be preserved until audited by the state auditors. Thereafter they may be destroyed by order of the commission with the consent and approval of the State Auditor. [Amended by 1953 c.13 §2; 1969 c.145 §1]

471.785 [Amended by 1961 c.160 §23; 1967 c.577 §3; repealed by 1973 c.794 §34]

471.790 Commissioners not liable for official acts; commission funds entitled to priority. No member of the commission may be sued for doing or omitting to do any act in the performance of duties as prescribed in the Liquor Control Act. No member of the commission personally shall be liable for any loss caused by the default or failure of the depository of funds of the commission. All funds of the commission deposited in any bank or trust company are entitled to priority of payment as public funds of the state, if the commission funds are only kept in depositories designated by the State Treasurer and under security of the same character required by law for depositories of state funds.

471.795 Purchase and use of liquor by member or employee of commission. No provision of the Liquor Control Act prevents any member or employee of the commission from purchasing and keeping in possession, for the personal use of self or members of the family of the member or employee, any alcoholic liquor in the same manner as it may be purchased or kept by any other person under that statute.

471.800 Restrictions on out-of-state wine; imposition. If by the laws of another state or by the rules and regulations of any administrative body or authorized agency thereof or therein, market restrictions are imposed that prevent or tend to prevent the sale of wine manufactured in Oregon in free and unrestricted competition with like kinds of wine manufactured in such other state, the commission is authorized and directed to impose similar restrictions in Oregon upon such wine manufactured in such other state and offered for sale in Oregon.

471.805 Disposition of moneys; revolving fund. (1) Except as otherwise provided in ORS 471.810 (2), all money collected by the commission under this chapter and ORS chapters 472 and 473 and privilege taxes shall be remitted to the State Treasurer who shall credit it to a suspense account of the commission. Whenever the commission determines that moneys have been received by it in excess of the amount legally due and payable to the commission or that it has received money to which it has no legal inter-

est, or that any license fee or deposit is properly refundable, the commission is authorized and directed to refund such money by check drawn upon the State Treasurer and charged to the suspense account of the commission. After withholding refundable license fees and such sum, not to exceed \$250,000, as it considers necessary as a revolving fund for a working cash balance for the purpose of paying travel expenses, advances, other miscellaneous bills and extraordinary items which are payable in cash immediately upon presentation, the commission shall direct the State Treasurer to transfer the money remaining in the suspense account to the Oregon Liquor Control Commission Account in the General Fund.

(2) All necessary expenditures of the commission incurred in carrying out the purposes and provisions required of the commission by law, including the salaries of its employees, purchases made by the commission and such sums necessary to reimburse the \$250,000 revolving fund, shall be audited and paid from the Oregon Liquor Control Commission Account in the General Fund, upon warrants drawn by the Executive Department, pursuant to claims duly approved by the commission.

(3) Money produced by the operation of this chapter and ORS chapters 472 and 473 necessary to pay such expenditures is appropriated from the Oregon Liquor Control Commission Account in the General Fund for such purposes. [Amended by 1955 c.26 §1; 1967 c.577 §4; 1975 c.424 §2; 1979 c.367 §3]

471.810 Distribution of available moneys in Oregon Liquor Control Commission Account. (1) At the end of each month, the commission shall certify the amount of money available for distribution in the Oregon Liquor Control Commission Account, and after withholding such money as it may deem necessary to pay its outstanding obligations shall within 35 days of the month for which a distribution is made direct the State Treasurer to pay the amounts due, upon warrants drawn by the Executive Department, as follows:

(a) Fifty-six percent, or the amount remaining after the distribution under subsection (3) of this section, credited to the General Fund available for general governmental purposes wherein it shall be considered as revenue during the quarter immediately preceding receipt;

(b) Twenty percent to the cities of the state in such shares as the population of each city bears to the population of the cities of the state, as determined by the State Board of Higher Education last preceding such apportionment, under ORS 190.510 to 190.610;

(c) Ten percent to counties in such shares as their respective populations bear to the total population of the state, as estimated from time to time by the State Board of Higher Education; and

(d) Fourteen percent to the cities of the state to be distributed as provided in ORS 221.770 and this section.

(2) The commission shall direct the Executive Department to transfer 50 percent of the revenues from the taxes imposed by ORS 473.030 and 473.040 to the Mental Health Alcoholism and Drug Services Account in the General Fund to be paid monthly as provided in ORS 430.380.

(3) Notwithstanding subsection (1) of this section, no city or county shall receive for any fiscal year an amount less than the amount distributed to the city or county in accordance with ORS 471.350 (1965 Replacement Part), 471.810, 473.190 and 473.210 (1965 Replacement Part) during the 1966-1967 fiscal year unless the city or county had a decline in population as shown by its census. If the population declined, the per capita distribution to the city or county shall be not less than the total per capita distribution during the 1966-1967 fiscal year. Any additional funds required to maintain the level of distribution under this subsection shall be paid from funds credited under paragraph (a) of subsection (1) of this section.
