**GENERAL ADMINISTRATIVE PROVISIONS**

**497.002 "Resident" and "nonresident" defined.** Except as provided in ORS 497.006, as used in this chapter:

(1) "Resident" means a person who has resided in this state at least six consecutive months immediately prior to the date of making application for a license, tag or permit issued by the commission. Temporary absence from the state for a purpose other than establishing residency outside the state shall not be considered in determining whether a person meets the residency requirements of this subsection.

(2) "Nonresident" means any person other than a resident. [1973 c.723 §41]

**497.006 Certain persons as residents for licensing purposes.** The following persons shall be considered resident persons for the purpose of purchasing licenses, tags and permits issued by the commission:

(1) Members of the Armed Forces of the United States who furnish to the commission evidence satisfactory to the commission that the person is permanently assigned to active duty in this state and the spouses and dependent children of such members.

(2) Any member of the Armed Forces of the United States who furnishes to the commission evidence satisfactory to the commission that the person is a member of the Armed Forces of the United States described in ORS 174.103 and the spouse and dependent children of such member.

(3) Aliens who furnish to the commission evidence satisfactory to the commission that the person is attending a school in this state pursuant to a foreign student exchange program. [1973 c.723 §42; 1987 c.158 §112; 1987 c.162 §8; 1989 c.264 §4]

497.010 [Repealed by 1973 c.723 §130]

**497.012 Validity of licenses on Snake River.** (1) Angling, hunting or trapping in the waters of the Snake River or on the islands of the Snake River, where the river forms the boundary line between the State of Oregon and the State of Idaho, by a holder of either a valid Oregon or Idaho license therefor in accordance with the laws and rules of the respective states is lawful.

(2) Nothing in this section is intended to authorize:

(a) The holder of an Oregon license to angle, hunt or trap on the shoreline, sloughs or tributaries on the Idaho side of the Snake River.

(b) The holder of an Idaho license to angle, hunt or trap on the shoreline, sloughs

or tributaries on the Oregon side of the Snake River. [1973 c.723 §43]

**497.014 Validity of licenses in Pacific Ocean.** (1) Angling in the waters of the Pacific Ocean within three miles of the coast of the State of Oregon or the State of Washington, between the Oregon-Washington boundary and Cape Falcon, by the holder of either a valid Oregon or Washington angling license therefor in accordance with the laws and rules of the respective states is lawful. However, a person other than a Washington resident landing fish by boat in Oregon must hold a valid Oregon angling license. All persons landing fish by boat in Oregon are subject to all Oregon angling laws, including bag and length requirements.

(2) This section does not become operative until laws, rules or regulations of the State of Washington become operative that, in substance or effect, contain provisions which make angling with a valid Oregon angling license lawful in the waters of the Pacific Ocean within three miles of the coast of the State of Oregon or the State of Washington between the Oregon-Washington boundary and Leadbetter Point. This section remains operative only while such laws, rules or regulations remain operative. [1983 c.173 §§2, 3; 1985 c.373 §1]

497.015 [1971 c.530 §2; repealed by 1973 c.723 §130]

**497.016 Term of licenses, tags and permits.** Unless otherwise provided by law, all licenses, tags and permits issued by the commission shall be valid for such period of time as the commission prescribes. [1973 c.723 §44; 1981 c.445 §1]

The commission shall prescribe the procedure for the issuance of such licenses, tags and permits. Agents of the commission shall issue licenses, tags and permits in accordance with the prescribed procedure and shall charge and collect the fees prescribed by law therefor. However, agents of the commission may elect whether or not to issue licenses, tags or permits by use of a state computerized licensing system.

(2) In addition to the fees prescribed by law for the issuance of a license, tag or permit, the issuing agent shall charge and collect 50 cents for each license, tag or permit. If the agent is a county clerk, the agent shall deposit such additional fees in the general fund of the county for which the agent is the clerk. If the agent is an employe of the State Department of Fish and Wildlife, the moneys

shall be deposited in the State Wildlife Fund. Agents other than county clerks or department employees who issue licenses without the use of a state computerized licensing system may retain such additional fees for their license tag or permit issuance services. Agents other than county clerks or department employees who issue licenses, tags or permits using a state computerized licensing system may retain such portion of the additional fees as may be specified by contract between the department and the agent for license, tag or permit issuance service performed by the agent.

(3) If the commission finds that an agent appointed pursuant to this section has violated any of the provisions of law or the procedures prescribed by the commission for the issuance of licenses, tags or permits or the collection and disposition of fees therefrom, the commission may revoke the authority of the agent to issue licenses, tags and permits, or may suspend such authority for such time as the commission considers appropriate. [1973 c.723 §45; 1975 c.183 §1; 1981 c.445 §2; 1987 c.345 §1; 1989 c.573 §1]

(3) Notwithstanding subsection (2) of this section, the commission shall not require a license agent to remit moneys from the issuance of licenses, tags and permits more often than once each month if:

(a) The license agent issues licenses, tags and permits in the amount of \$12,500 or less each year; and

(b) The license agent does not use a state computerized licensing system to issue licenses, tags and permits. [1973 c.723 §46; 1975 c.85 §1; 1987 c.345 §2; 1989 c.573 §2]

**497.030** [Repealed by 1973 c.723 §130]

**497.032 Duplicate licenses, tags and permits; fee.** If a license, tag or permit issued by the commission is lost, destroyed or stolen, the holder thereof may submit to the commission a certificate stating that the license, tag or permit has been lost, stolen or destroyed, together with a fee of \$5 for each such license, tag or permit. Upon receipt of the certificate and appropriate fees, the commission shall issue to the person a duplicate license, tag or permit that may be used in

lieu of the lost, destroyed or stolen licenses, tags or permits. [1973 c.723 §47; 1981 c.445 §3; 1985 c.60 §6]

## LICENSE, TAG AND PERMIT REQUIREMENTS AND FEES

**497.071 Dedication of certain license, tag and permit fee increases.** The Legislative Assembly finds it imperative that the wildlife resources of the State of Oregon be augmented to a level sufficient to provide Oregonians the recreational benefits of hunting and angling, an abundance of wildlife, and the reasonable expectation that their efforts will result in the taking of game or fish. The intent of this legislation is to provide adequate revenue to the State Fish and Wildlife Commission whereby game mammal herds and game fish populations may be increased for the benefit of Oregon hunters and anglers. Concomitant with the purposes for which the Legislative Assembly approves this legislation, the State Fish and Wildlife Commission is directed to expend the revenues created by this section and ORS 497.102 to 497.134 in achieving wildlife management objectives including, but not limited to the following:

(1) Habitat management.

(2) Predator control.

(3) Replenishment of fish and game populations.
