(2) Under or to an annuity plan which, at the time of such payment, meets the requirements of section 401(a) of the United States Code. [Amended by 1973 c 300 §4, 1981 c 77 §7]

BENEFITS AND CLAIMS

(Generally)

657.150 Amount of benefits; length of employment and wages necessary to qualify for benefits. (1) An individual shall be paid benefits for weeks during the benefit year in an amount which is to be determined by taking into account the individual's weeks of work in subject employment in the base year as provided in this section.

(2) To qualify for benefits an individual must have worked 18 or more weeks in sub-

ject employment in the base year with total base year wages of \$1,000 or more. In addition thereto the individual must have earned wages in subject employment equal to six times the individual's weekly benefit amount in employment for service performed subsequent to the beginning of a preceding benefit year if benefits were paid to the individual for any week in the preceding benefit year.

(3) If the wages paid to an individual are not based upon a fixed period of time or if wages are paid at irregular intervals or in such manner as not to extend regularly over the period of employment, for the purposes of subsections (2) to (5) of this section, the individual's wages shall be allocated in accordance with rules prescribed by the assistant director. Such rules shall, insofar as possible, produce results the same as those which would exist if the individual had been paid wages at regular intervals.

(4) An eligible individual's weekly benefit amount shall be 1.25 percent of the total wages paid in the individual's base year. However, such amount shall not be less than the minimum, nor more than the maximum weekly benefit amount.

(a) The minimum weekly benefit amount shall be 15 percent (.1500) of the state average weekly covered wage for the preceding calendar year, effective for any benefit year commencing on and after the week which includes July 4, 1975, and the week that includes each July 4 thereafter.

(b) The maximum weekly benefit amount shall be:

(A) Fifty-five percent (.5500) of the state average weekly covered wage for calendar year 1979, effective for any benefit year commencing with and after the week which includes July 4, 1980, and through any benefit year commencing with the week which includes June 27, 1981.

(B) Fifty-five percent (.5500) of the state average weekly covered wage for calendar year 1980, effective for any benefit year commencing with and after the week which includes July 4, 1981, through any benefit year commencing with the week which includes September 27, 1981.

(C) Fifty-eight percent (.5800) of the state average weekly covered wage for calendar year 1980, effective for any benefit year commencing with and after the week which includes October 4, 1981, through any benefit year commencing with the week which includes June 27, 1982.

(D) Sixty percent (.6000) of the state average weekly covered wage for calendar year 1981, effective for any benefit year commencing with and after the week which includes July 4, 1982, through any benefit year

commencing with the week which includes June 27, 1983.

(E) Sixty-four percent (.6400) of the state average covered weekly wage for the preceding calendar year, effective for any benefit year commencing with and after the week which includes July 4, 1983, and the week which includes each July 4 thereafter.

(c) All weekly benefit amounts, if not a multiple of \$1, shall be computed to the next lower multiple of \$1.

(d) For the purposes of this subsection, the state average weekly covered wage means an amount determined by the Employment Division by dividing the total wages paid by subject employers during the year by 52 times the average monthly employment reported by subject employers for the year.

(5) Benefits paid to an eligible individual in a benefit year shall not exceed 26 times the individual's weekly benefit amount, or one-third of the base year's wages paid, whichever is the lesser. If such amount is not a multiple of \$1, it shall be computed to the next lower multiple of \$1.

(6) An eligible unemployed individual who has employment in any week shall be paid with respect to such week a benefit in an amount equal to the individual's weekly benefit amount less that part of the remuneration, if any, payable to the individual with respect to such week which is in excess of one-third of the individual's weekly benefit amount. If the resulting amount is not a multiple of \$1, it shall be computed to the next lower multiple of \$1.

(7) Payment which has been, is or will be paid to an individual for a holiday shall be considered as earnings in the determination of the amount of benefits payable with respect to the week in which the holiday falls in the same manner as provided in subsection (6) of this section. However, if payment for the holiday is delayed more than 45 days following the end of the week in which the holiday falls, the provisions of this section do not apply and previously reduced benefits shall be adjusted accordingly.

(8) Payment which has been, or will be made to an individual as a member of a reserve component of the Armed Forces of the United States, including the organized militia of the State of Oregon, for the performance of inactive duty training shall not be considered as earnings in the determination of the amount of benefits payable. [1935 c.655 §15; 1957 c.699 §1; 1959 c.567 §1; 1961 c.211 §1; 1963 c.441 §1; 1967 c.434 §1; 1969 c.569 §1; 1971 c.463 §13; 1971 c.521 §1; 1973 c.146 §1; 1973 c.535 §1; 1975 c.661 §2; 1977 c.670 §1; 1981 c.77 §10; 1981 c.751 §1; 1983 c.51 §1; 1987 c.237 §1; 1989 c.897 §1]

657.152 Adjusting benefits to even dollar amounts. Notwithstanding any other provision of this chapter to the contrary, any amount of unemployment compensation payable to any individual for any week if not an even dollar amount, shall be rounded to the next lower full dollar amount. [1983 c.51 §4]

657.155 Benefit eligibility conditions.

(1) An unemployed individual shall be eligible to receive benefits with respect to any week only if the assistant director finds that:

(a) The individual has registered for work at and thereafter has continued to report at an employment office in accordance with such rules as the assistant director may prescribe. However, the assistant director may, by rule, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs and as to such other types of cases or situations with respect to which the assistant director finds that compliance with such requirements would be oppressive, or would be inconsistent with the purposes of this chapter; provided, that no such rule conflicts with ORS 657.255.

(b) The individual has made a claim for benefits with respect to such week in accordance with ORS 657.260.

(c) The individual is able to work, is available for work, and is actively seeking and unable to obtain suitable work. No individual participating in a community work and training program, as defined in ORS 411.855, shall, solely by reason thereof, be unavailable for work within the meaning of this section.

(d) The individual has been unemployed for a waiting period of one week.

(e) The individual is not disqualified from benefits or ineligible for benefits under any other section of this chapter.

(f) The individual is qualified for benefits under ORS 657.150.

(2) An individual who leaves the normal labor market area of the individual for the major portion of any week is presumed to be unavailable for work within the meaning of this section. This presumption may be overcome if the individual establishes to the satisfaction of the assistant director that the individual has conducted a bona fide search for work and has been reasonably accessible to suitable work in the labor market area in which the individual spent the major portion of the week to which the presumption applies.

(3) The assistant director shall either promptly allow credit or pay benefits for any week for which benefits are claimed or promptly give notice of denial thereof in the

manner provided in ORS 657.265 (4) and (5). [Amended by 1955 c.655 §7; 1961 c.631 §8, 1967 c.130 §11; 1973 c.398 §1, 1977 c.295 §3; 1979 c.521 §1]

657.157 Effect of designated vacation period on eligibility; conditions. An individual who is not working as a result of a designated vacation period existing for the major portion of a week shall be ineligible for benefits with respect to such week if the designated vacation period exists:

(1) As provided in a collective bargaining agreement if the employee is required or is eligible to take vacation pay or other paid leave of a similar nature;

(2) At the request of the individual; or

(3)(a) When the period of time the individual is not working occurs during a period which substantially corresponds to a period in the immediately preceding year during which the employer has not made work available to a work unit of which the individual is currently a member;

(b) During the preceding year, the period when work was not available occurred at the work site where the individual is currently employed; and

(c) Notwithstanding any other reasons for the cessation of work, the employer has clearly indicated to the employees, in both the preceding and present years, that the period of time away from work is considered to be a vacation period for which the employee is required or is eligible to take vacation pay or other paid leave of a similar nature. [1989 c.897 §3]

657.159 Claimants required to submit job qualifications to Oregon State Employment Service; use of information; referring claimant to available jobs. (1) To satisfy the registration requirements of subsection (1) of ORS 657.155, an unemployed individual who submits a claim for benefits, at the request of the assistant director or an authorized representative of the assistant director, shall submit to the Oregon State Employment Service information regarding the individual's job qualifications, training and experience as the assistant director or an authorized representative of the assistant director deems necessary to carry out job placement and counseling services for the individual.

(2) Information submitted by an individual pursuant to the provisions of subsection (1) of this section shall be promptly used by the Oregon State Employment Service for matching against available job openings retained in division records. The results shall be made available to division placement personnel who will refer the claimant to any available, suitable job opening for which the

individual qualifies, provided the referral is not in conflict with federal or state law.

(3) In determining the amount and type of information an individual must submit to satisfy the requirements of subsection (1) of this section, the assistant director or an authorized representative of the assistant director shall consider, among other factors, the individual's employer affiliation, the anticipated and actual duration of the individual's period of employment, union membership and union hiring practices, state and local labor market conditions and information from past or prospective employers of the individual. [1979 c.149 §2]

657.160 [Amended by 1959 c.643 §1, 1961 c.209 §1; 1965 c.213 §1; 1967 c.230 §1, 1969 c.75 §1; repealed by 1973 c.398 §3]

657.165 Waiting period eligibility, condition, limitation. No week shall be counted as a week of unemployment for the purposes of ORS 657.155 (1)(d):

(1) Unless it occurs within the benefit year that includes the week for which the unemployed individual claims payment of benefits.

(2) If benefits have been paid with respect thereto.

(3) Unless the unemployed individual was eligible for benefits with respect thereto as provided in ORS 657.150, 657.155 to 657.176, 657.184, 657.186, 657.200 to 657.213 and 657.221, except for the requirements of ORS 657.155 (1)(d). [Amended by 1959 c.642 §2; 1975 c.257 §5, 1981 c.46 §1; 1983 c.508 §5]

657.167 Amount and time period for payment of benefits to educational institution employees. (1) Benefits based on service in an instructional, research or principal administrative capacity for an educational institution or institution of higher education shall be payable to an individual in the same amount, on the same terms and subject to the same conditions as benefits payable on the basis of other service subject to this chapter, except that benefits shall not be paid based on such services for any week of unemployment commencing during the period between two successive academic years or, when an agreement provides instead for a similar period between two regular terms whether or not successive or during a period of paid sabbatical leave provided for in the individual's contract and if such individual performs such services in the first of such academic years or terms and if there is a contract or a reasonable assurance that such individual will perform services in any such capacity for any institution in the second of such academic years or terms. All services by an individual for an institution shall be deemed in instructional, research or princi-

pal administrative capacity if at least 50 percent of the individual's time is spent in such activities.

(2) With respect to any services described in subsection (1) of this section compensation payable on the basis of such services shall be denied to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is reasonable assurance that such individual will perform such services or any services described in ORS 657.221 (1) in the period immediately following such vacation period or holiday recess.

(3) With respect to any services described in subsection (1) of this section, benefits based on such services shall be denied as specified in subsections (1) and (2) of this section to any individual who performed such service in an institution while in the employ of an education service district established by ORS chapter 334, providing 50 percent or more of the individual's time is spent in instructional, research or principal administrative capacity in such institution.

(4) The provisions of subsections (1), (2) and (3) of this section apply only to service performed for an educational institution or institution of higher education operated by a nonprofit employing unit, as defined in ORS 657.072 (2), or by the state or by a political subdivision. [1971 c 463 §12; 1975 c 284 §1, 1977 c.241 §2, 1981 c 60 §1; 1983 c.528 §2; 1985 c.226 §2; 1985 c.748 §1]

657.170 Extending base year; limitation. (1) If the assistant director finds that during the base year of the individual any individual has been incapable of work during the greater part of any calendar quarter, such base year shall be extended a calendar quarter. Except as provided in subsection (2) of this section, no such extension of an individual's base year shall exceed four calendar quarters.

(2) If the assistant director finds that during and prior to the individual's base year the individual has had a period of temporary total disability caused by illness or injury and has received compensation under ORS chapter 656 for a period of temporary total disability during the greater part of any calendar quarter, the individual's base year shall be extended as many calendar quarters as necessary to establish a valid claim, up to a maximum of four calendar quarters prior to the quarter in which the illness or injury occurred, if the individual:

(a) Files a claim for benefits not later than the fourth calendar week of unemploy-

ment after the end of the period of temporary total disability described in this subsection; and

(b) Files such a claim within the three-year period immediately following the commencement of such period of illness or injury.

(3) Notwithstanding the provisions of this section, benefits payable as a result of the use of wages paid in a calendar quarter prior to the individual's current base year as defined in ORS 657.010 (1) shall not exceed one-third of such wages less benefits paid previously as a result of the use of such wages in computing a previous benefit determination. [Amended by 1953 c 646 §2; 1961 c.208 §1, 1989 c.235 §1]

657.175 [Repealed by 1955 c 655 §8 (657.176 and 657.181 enacted in lieu of 657.175, 657.180 and 657.185)]

657.176 Grounds and procedure for disqualification. (1) An authorized representative designated by the assistant director shall promptly examine each claim to determine whether an individual is subject to disqualification as a result of a separation, termination, leaving, resignation, or disciplinary suspension from work or as a result of failure to apply for or accept work and shall promptly enter an assistant director's decision if required by ORS 657.265 (4).

(2) An individual shall be disqualified from the receipt of benefits until the individual has performed service in employment subject to this chapter, or for an employing unit in this or any other state or Canada or as an employee of the Federal Government, for which remuneration is received which equals or exceeds four times the individual's weekly benefit amount subsequent to the week in which the act causing the disqualification occurred, if the authorized representative designated by the assistant director finds that the individual:

(a) Has been discharged for misconduct connected with work, or

(b) Has been suspended from work for misconduct connected with work, or

(c) Voluntarily left work without good cause, or

(d) Failed without good cause to apply for available suitable work when referred by the employment office or the assistant director, or

(e) Failed without good cause to accept suitable work when offered.

(3) If the authorized representative designated by the assistant director finds an individual was discharged for misconduct because of the individual's commission of a felony or theft in connection with the individual's work, all benefit rights based on

wages earned prior to the date of the discharge shall be canceled if the individual's employer notifies the assistant director of the discharge within 10 days following the notice provided for in ORS 657.265 (1) or within 20 days following the notice provided for in ORS 657.265 (2), and:

(a) The individual has admitted commission of the felony or theft to an authorized representative of the assistant director, or

(b) The individual has signed a written admission of such act and such written admission has been presented to an authorized representative of the assistant director, or

(c) Such act has resulted in a conviction by a court of competent jurisdiction.

(4) An individual disqualified under subsection (2) of this section shall have the individual's maximum benefit amount reduced by eight times the individual's weekly benefit amount. However, in no event shall the individual's maximum benefit amount be reduced to less than the individual's weekly benefit amount unless the individual has previously received benefits during the individual's benefit year.

(5) An individual shall not be disqualified from receiving benefits under paragraph (c) or (e) of subsection (2) of this section or under ORS 657.200 if the individual ceases work or fails to accept work when a collective bargaining agreement between the individual's bargaining unit and the individual's employer is in effect and the employer unilaterally modifies the amount of wages payable under the agreement, in breach of the agreement.

(6) For purposes of applying subsection (2) of this section, when an individual has notified an employer that the individual will leave work on a specific date and it is determined:

(a) That such separation would be for reasons which constitute good cause;

(b) The individual voluntarily left work without good cause prior to the date of the impending good cause voluntary leaving date; and

(c) The actual voluntary leaving of work occurs no more than 15 days prior to the planned date of voluntary leaving,

then such separation from work shall be adjudicated as if the actual voluntary leaving had not occurred and the planned voluntary leaving had occurred. However, the individual shall be ineligible for benefits for the period including the week in which the actual voluntary leaving occurred through the week prior to the week of the planned good cause voluntary leaving date.

(7) For purposes of applying subsection (2) of this section when an employer has notified an individual that the individual will be discharged on a specific date and it is determined:

(a) That such discharge would not be for reasons which constitute misconduct connected with the work;

(b) The individual voluntarily left work without good cause prior to the date of the impending discharge; and

(c) The voluntary leaving of work occurs no more than 15 days prior to the date of the impending discharge,

then such separation from work shall be adjudicated as if the voluntary leaving had not occurred and the discharge had occurred. However, the individual shall be ineligible for benefits for the period including the week in which the voluntary leaving occurred through the week prior to the week in which the individual would have been discharged. 657.178 [1959 c 643 §4; repealed by 1973 c 398 §3]

657.179 Eligibility of individuals participating in certain federally approved training. (1) Notwithstanding provisions of this chapter relating to being available for work, actively seeking work or refusing to accept work, an unemployed individual otherwise eligible for unemployment insurance benefits shall not be denied benefits because the individual is in training approved under Section 236 (a)(1) of the Trade Act of 1974; nor shall such individual be denied benefits by reason of leaving work to enter such training if the work left is not suitable work.

(2) As used in this section "suitable work" means work of a substantially equal or higher skill level than the individual's past adversely affected employment (as defined for purposes of the Trade Act of 1974). Such work must pay wages which equal or exceed 80 percent of the individual's average weekly wage as determined for the purposes of the Trade Act of 1974. [1982 s.s.1 c 30 §7]

657.180 [Repealed by 1955 c.655 §8 (657.176 and 657.181 enacted in lieu of 657.175, 657.180 and 657.185)]

657.181 [1955 c.655 §10 (657.176 and 657.181 enacted in lieu of 657.175, 657.180 and 657.185); 1957 c 699 §3, repealed by 1959 c.643 §5]

657.182 [1961 c.207 §1; 1971 c 743 §404; repealed by 1973 c.398 §3]

657.184 Benefits payable for service by aliens. Benefits shall not be paid on the basis of services performed by an alien unless such alien is an individual who was lawfully admitted to the United States for permanent residence at the time such services were performed, was lawfully present for purposes

of performing such services, or was permanently residing in the United States under color of law at the time such services were performed, including an alien who was lawfully present in the United States as a result of the application of the provisions of section 203(a) (7) or section 212(d) (5) of the Immigration and Nationality Act. [1977 c.241 §5; 1987 c.124 §1]

657.185 [Repealed by 1955 c.655 §8 (657 176 and 657.181 enacted in lieu of 657 175, 657 180 and 657.185)]

657.186 Benefits payable for service by athletes. Benefits shall not be paid to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week of unemployment which commences during the period between two successive sport seasons if the individual performed such services in the first season and there is reasonable assurance that the individual will perform such services in the subsequent season. [1977 c.241 §6]

657.190 Suitable work factors. In determining whether or not any work is suitable for an individual, the assistant director shall consider, among other factors, the degree of risk involved to the health, safety and morals of the individual, the physical fitness and prior training, experience and prior earnings of the individual, the length of unemployment and prospects for securing local work in the customary occupation of the individual and the distance of the available work from the residence of the individual.

657.195 Suitable work exceptions. (1) Notwithstanding any other provisions of this chapter, no work is deemed suitable and benefits shall not be denied under this chapter to any otherwise eligible individual for refusing to accept new work under any of the following conditions:

(a) If the position offered is vacant due directly to a strike, lockout or other labor dispute.

(b) If the remuneration, hours or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality.

(c) If, as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

(2) On and after November 8, 1938, and for the purposes of this chapter only, this section shall have the same meaning as the provisions of section 3304(a) (5) of the United

States Internal Revenue Code. [Amended by 1973 c.300 §5]

657.200 Labor dispute disqualification.

(1) An individual is disqualified for benefits for any week with respect to which the assistant director finds that the unemployment of the individual is due to a labor dispute which is in active progress at the factory, establishment or other premises at which the individual is or was last employed or at which the individual claims employment rights by union agreement or otherwise.

(2) When an employer operates two or more premises in the conduct of business they shall be considered one premises for the purposes of this chapter if the labor dispute at one makes it impossible or impractical to conduct work at the others or in a normal manner.

(3) This section does not apply if it is shown to the satisfaction of the assistant director that the individual:

(a) Is unemployed due to a lockout, as defined in ORS 662.205, at the factory, establishment or other premises at which the individual was last employed; and

(A) The lockout is not the result of a labor dispute between a multiemployer bargaining unit and an employer other than the employer last employing the individual; and

(B) The recognized or certified bargaining agent has announced to the employer that individuals with whom the employer is engaged in the labor dispute are ready, willing and able to work pending the negotiation of a new contract under the current terms and conditions of employment last offered by the employer immediately prior to such bargaining agent announcement or, if there has been no employer offer, under the terms and conditions of employment immediately prior to such bargaining agent announcement; and

(C) The employer employs individuals who were not employed by the employer immediately prior to the labor dispute, to replace the individuals unable to work during the lockout; or

(b) Is not participating in or financing or directly interested in the labor dispute which caused the unemployment of the individual; and

(c) Does not belong to a grade or class of workers of which, immediately before the commencement of the labor dispute, there were members employed at the premises at which the labor dispute occurs, any of whom are participating in or financing or directly interested in the dispute.

(4) An individual who meets all other applicable benefit eligibility requirements of

this chapter is not disqualified from receipt of benefits by this section if:

(a) The individual was laid off from the employer prior to commencement of the labor dispute, did not work for the employer more than seven days during the 21 calendar days immediately prior to the commencement of the labor dispute and meets the requirements of paragraph (b) of subsection (3) of this section; or

(b) During the labor dispute, the individual's job or position is filled by the employer hiring a permanent replacement and the following conditions are met:

(A) The individual subsequently unilaterally abandons the labor dispute and affirmatively seeks reemployment with the employer; and

(B) The individual meets the requirements of paragraph (b) of subsection (3) of this section.

(5) An individual who maintains membership in a labor union or who continues to pay labor union dues does not violate the provisions of paragraph (b) of subsection (3) of this section, for the purpose of subsection (4) of this section. [Amended by 1985 c.133 §1, 1989 c.1095 §1]

657.205 Deduction of retirement pay.

(1) Subject to the provisions of subsections (2), (3) and (4) of this section, an individual is disqualified for benefits for any week with respect to which the individual is receiving, will receive, or has received a governmental or other pension, retirement or retired pay, annuity, or other similar periodic payment based on the previous work of the individual, if payment is received under a plan maintained or contributed to by a base year employer of the individual.

(2) In determining disqualification for any week under subsection (1) of this section, if the remuneration and payments referred to in subsection (1) of this section cover a period greater than and include such week, a pro rata share of such remuneration and payments shall be apportioned to such week or weeks. Such payments made in a lump sum upon separation or in weekly or other instalments shall be considered as payments with respect to weeks following separation without regard to the existence or lack thereof of an employee-employer relationship during the weeks such pay is allocated pursuant to the assistant director's rules.

(3) If payments referred to in subsection (1) of this section are being received by an individual under the federal Social Security Act, the assistant director shall take into account the individual's contribution and

make no reduction in the weekly benefit amount.

(4) If under this section the remuneration and payments, or the pro rata share thereof, in any week are less than the benefits which would otherwise be due under this chapter for such week, such individual is entitled to receive for such week, if otherwise eligible, benefits reduced by the amount of such remuneration and payments. 657.210 Disqualification in other jurisdictions. An individual is disqualified for benefits for any week with respect to which or a part of which the individual has received, will receive or is claiming unemployment benefits under an unemployment insurance law of another state, the United States or any other governmental jurisdiction. However, if the appropriate agency of such other state, the United States or any other governmental jurisdiction finally determines that the individual is not entitled to such unemployment benefits, this disqualification shall not apply. [Amended by 1979 c.267 §3]

657.213 Ineligibility for benefits upon conviction of fraud in obtaining benefits.

(1) Upon conviction of any person by a court of competent jurisdiction of wilfully making a false statement or misrepresentation, or wilfully failing to report a material fact, to obtain any benefits under this chapter, in addition to any penalties imposed by the court, such person shall:

(a) Be ineligible for benefits based upon wages paid to the person in the calendar quarter in which the person was convicted and in all prior calendar quarters; and

(b) Be ineligible for benefits after such conviction until the person has reimbursed the fund for the full amount received as a result of the false statement or misrepresentations or of the failure to report a material fact.

(2) The provisions of this section are in addition and supplemental to the provisions of ORS 657.215 and 657.310. [1955 c.655 §12; 1973 c.300 §6]

657.215 Disqualification for misrepresentation. An individual is disqualified for benefits for a period not to exceed 26 weeks whenever the assistant director finds that the individual has wilfully made a false statement or misrepresentation, or wilfully failed to report a material fact to obtain any benefits under this chapter. The length of such period of disqualification and the time when such period begins shall be determined by the assistant director in the discretion of the assistant director, according to the cir-

cumstances in each case. During each week of disqualification so imposed, an individual must meet all the eligibility requirements of this chapter. Any disqualification imposed under this section may be applied to any week claimed but remaining unpaid on the date of the disqualifying decision under this section but not to exceed three years from the date of the decision. 657.221 Ineligibility for benefits of certain educational institution personnel. (1) Benefits based on services performed in other than an instructional, research or principal administrative capacity for an educational institution or institution of higher education shall be payable to an individual in the same amount, on the same terms and subject to the same conditions as benefits payable on the basis of other service subject to this chapter. However:

(a) Benefits shall not be paid on the basis of such services for any week of unemployment which commences during a period between two successive academic years or terms if the individual performs such services in the first academic year or term and there is a reasonable assurance that the individual will perform any such services in the second academic year or term for any institution; except that

(b) If benefits are denied to an individual for any week under paragraph (a) of this subsection and such individual was not offered an opportunity to perform such services for the institution for the second of such academic years or terms, such individual shall be entitled, if otherwise eligible, to payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of paragraph (a) of this subsection.

(2) With respect to the application of this section, the following shall apply:

(a) An employee who terminates an employee-employer relationship by electing not to accept an offer of work for a subsequent academic year or term, other than by reason of labor negotiations or a labor dispute in progress, shall be deemed to have voluntarily left work. The effective date of such leaving shall be the date the individual notifies the institution of the election not to accept the offer of work for the subsequent period except that if such individual continues to work under the terms of a previously existing contract or agreement, the effective date of leaving shall be the last day worked for the institution.

(b) In the event the institution does not extend to the individual an offer of work or provide a reasonable assurance the individual is expected to return to work for the institution following the period between the academic years or terms, the separation from work shall be considered an involuntary leaving or layoff.

(3) With respect to any services described in subsection (1) of this section compensation payable on the basis of such services shall be denied to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is reasonable assurance that such individual will perform such services or any services described in ORS 657.167 (1) in the period immediately following such vacation period or holiday recess.

(4) With respect to any services described in subsection (1) of this section, benefits based on such services shall be denied as specified in subsections (1) and (3) of this section to any individual who performed such services in an institution while in the employ of an education service district established by ORS chapter 334, providing 50 percent or more of the individual's time is in the performance of services in such institution.

(1) Benefits shall be payable from the fund and shall be paid through employment offices, in accordance with such regulations as the assistant director may prescribe.

(2) In the event of the death of any person to whom benefits are due under this chapter, but which benefits remain unpaid in whole or in part, such benefits may be paid to any person or persons designated by the assistant director in the following order:

(a) Surviving spouse.

(b) Surviving children, including adopted children.

(c) Mother or father of the deceased.

657.260 Filing claims for benefits; employer to post statements concerning claim regulations. (1) Claims for benefits shall be filed in accordance with such regulations as the assistant director may prescribe.

(2) Each employer shall post and maintain printed statements concerning such regulations or such other matters as the assistant director may by regulation prescribe in places readily accessible to individuals in the employer's service and shall make available to each such individual copies of printed statements or materials relating to claims for benefits as the assistant director may by regulation prescribe. The printed statement shall include notice to the workers in plain language of the potential disqualification from receipt of benefits for voluntarily leaving work or being discharged. Such printed statements shall be supplied by the assistant director to each employer without cost to the employer.

(3) The assistant director shall make available to claimants, a printed statement that it is an unlawful employment practice for an employer to discharge, demote, suspend or in any manner discriminate or retaliate against an employee with regard to promotion, compensation or other terms, conditions or privileges of employment for the reason that the employee has testified at an unemployment compensation hearing or other hearing conducted pursuant to this chapter.

(4) Every person making a claim shall certify that the person has not, during the week with respect to which benefits are claimed, received or earned wages or compensation for any employment, whether subject to this chapter or not, otherwise than as specified in the claim. [Amended by 1973 c.300 §7; 1983 c.409 §2; 1985 c.404 §4]

657.265 Initial determination of claim; request for a hearing. (1) When either of the following is filed, an authorized representative designated by the assistant director

shall promptly notify the claimant's last employing unit and, if necessary, the immediately preceding employing units sufficient to establish service for which remuneration is received equal to or in excess of four times the individual's weekly benefit amount:

(a) A new claim establishing a benefit year.

(b) An additional claim reactivating an existing claim following a period of employment.

(2) An authorized representative shall promptly examine each new claim for benefits and, on the basis of information available, shall determine the total amount of wages paid to the claimant during the base year and whether or not such amount is sufficient to qualify the claimant for benefits and, if so, the weekly benefit amount payable to the claimant, the maximum amount payable with respect to such benefit year and the maximum duration thereof. Notice of an initial or amended determination under this subsection shall promptly be given to the claimant and to all employers that have paid wages to the claimant during the base year. Notice to an employer shall include notice of the potential charges to the employer's account pursuant to ORS 657.471. The initial determination under this subsection shall be applicable to all weeks of the benefit year respecting which the claim was filed; however, such determination may be amended with respect to any week or weeks of the benefit year.

(3) Unless the claimant or one of the employers entitled to notice under subsection (2) of this section, within 20 days after delivery of such initial or amended determination, or, if mailed, within 20 days after the same was mailed to the party's last-known address, files with the assistant director a request for hearing upon the initial or amended determination, it shall become final and benefits shall be paid or denied in accordance therewith, unless otherwise provided by law. An initial or amended determination may be canceled by the claimant at any time even though final, providing no disqualification has been assessed, no appeal has been requested by the claimant nor benefits paid on such claim.

(4) In addition to and separate from the determination under subsection (2) of this section, an authorized representative shall promptly examine each claim for waiting week credit or for benefits and, on the basis of the facts available, make a decision to allow or deny such claim. Information furnished by the claimant, the employer or the employer's agents on forms provided by the Employment Division pursuant to the authorized representative's investigation under

this subsection shall be accompanied by a signed statement that such information is true and accurate to the best of the individual's knowledge. Notice of such decision need not be given to the claimant if the claim is allowed; but if the claim is denied, written notice stating the reasons therefor shall be given to the claimant. If the claim is denied under any provision of ORS 657.176, notice to the claimant shall also set forth the specific material facts obtained from the employer and used by the authorized representative to support the reasons of the denial. If the claim is denied under any provision of ORS 657.176, written notice of such decision shall be given to the employing unit who, in the opinion of the assistant director, is most directly involved with the facts and circumstances relating to the reasons for the disqualification. Notice of a decision that was wholly or partially based on information filed with the assistant director in writing within 10 days subsequent to notice to employing units as provided in subsection (1) of this section shall be given to any employing unit that has so filed such information. If a decision to allow payment made pursuant to this subsection does not require notice, that decision may be amended by an authorized representative. The amendment shall be made by written notice which provides for a right of appeal pursuant to subsection (6) of this section. Such amendment must be issued within one year of the original decision to allow payment, except in cases of alleged wilful misrepresentation or fraud. If a decision made pursuant to this subsection does require notice, that decision may be amended unless it has become a final decision under subsection (6) of this section.

(5) When any employer entitled to notice under subsection (2) of this section files information in writing with the assistant director within 10 days of its knowledge of an occurrence raising any new question not previously decided, an authorized representative shall promptly reexamine the subject claim for waiting week credit, or for benefits. On the basis of the facts available, the authorized representative shall promptly make a decision and give written notice thereof, stating the reasons therefor, to both the claimant and to any base year employer that has so filed such information.

(6) Unless the claimant or one of the employing units entitled to notice under subsection (4) or (5) of this section within 20 days after delivery of such notice or, if mailed, within 20 days after the same was mailed to the party's last-known address, files with the assistant director a request for hearing upon the decision, it shall be final and benefits shall be paid or denied in ac-

cordance therewith, unless otherwise provided by law. If the decision is to allow benefits, the assistant director shall pay such benefits regardless of any pending hearing on the claim. [Amended by 1961 c.252 §3; 1965 c.210 §1; 1967 c.435 §3; 1969 c.597 §177; 1971 c.77 §1; 1975 c.257 §6; 1977 c.295 §6; 1981 c.77 §11; 1981 c.751 §3; 1983 c.395 §1; 1983 c.508 §7; 1983 c.522 §1]

657.270 Hearing before referee; application for review. (1) When a request for hearing upon the claim has been filed, as provided in ORS 657.265, the assistant director shall designate a referee to conduct such hearing. The assistant director shall also notify the parties, in plain language, of their right, upon their request, to receive by mail copies of all documents and records in the possession of the Employment Division relevant to the decision of the authorized representative, including any statements of the claimant, employer or employer's agents.

(2) When the hearing is conducted by telephone, the assistant director shall mail all parties copies of all documents and records in the possession of the assistant director which will be introduced at the hearing as exhibits, including any statements of the claimant, employer or employer's agents, and all jurisdictional documents, at least seven days prior to the hearing. A party may request that the hearing be continued in order to receive copies of and respond to documentary evidence introduced at the hearing and not mailed to the party prior to the hearing.

(3) After the referee has afforded all parties reasonable opportunity for a fair hearing, the referee shall promptly affirm, modify or set aside the decision of the authorized representative with respect to the claim and promptly shall notify all parties entitled to notice of the decision of the authorized representative, as set forth in ORS 657.265, of the decision and reasons therefor.

(4) Unless the assistant director or any other party to the hearing, within 20 days after the delivery of such notification, or if mailed, within 20 days after the same was mailed to the party's last-known address, files with the Employment Appeals Board an application for review, such decision shall be final.

(5) Where the claimant or the employer is unrepresented at the hearing, the referee shall explain the issues involved in the hearing and the matters which the unrepresented claimant or the employer must either prove or disprove. The referee shall insure that the record developed at the hearing shows a full and fair inquiry into the facts necessary for consideration of all issues properly before the referee in the case. As used in this section, a claimant or employer is "unrepre-

sented" if not represented by an attorney, paralegal worker, legal assistant, union representative or person otherwise qualified by experience or training. [Amended by 1965 c.210 §2; 1969 c.597 §178; 1973 c.300 §8, 1981 c.77 §12; 1983 c.395 §2; 1985 c.404 §1]

657.275 Review by Employment Appeals Board. Whenever the assistant director or any interested party files with the Employment Appeals Board a timely application for review, the Employment Appeals Board shall promptly affirm, modify or set aside the decision of the referee. The claimant and any other interested party shall be promptly notified of its decision. If the Employment Appeals Board finds that additional evidence is required to reach a decision, it may remand the matter to the assistant director, who shall designate a referee to conduct a hearing to obtain additional evidence in the matter. The Employment Appeals Board shall promptly notify the claimant and any other interested party of such action. The referee may either make a new decision based on the additional and original evidence or forward the additional evidence to the Employment Appeals Board for a decision. If the referee issues a new decision, it shall be subject to review in accordance with the provisions of ORS 657.270 (4). [Amended by 1959 c.583 §18, 1965 c.210 §3; 1983 c.522 §2; 1985 c.404 §2]

657.280 General procedure and records concerning disputed claims. (1) The manner in which disputed claims shall be presented, the reports thereon required from the claimant and from the employers and the conduct of hearings shall be in accordance with the regulations prescribed by the assistant director for determining the rights of the parties, whether or not such regulations conform to common law or statutory rules of evidence and other technical rules of procedure.

(2) A full and complete record shall be kept of all proceedings in connection with the disputed claim. All testimony at any hearing upon a disputed claim shall be recorded but need not be transcribed unless the disputed claim is appealed further. [Amended by 1983 c.522 §3]

657.282 Judicial review of decisions under ORS 657.275. Judicial review of decisions under ORS 657.275 shall be as provided for review of orders in contested cases in ORS 183.310 to 183.550, except that the petition shall be filed within 30 days after the order is served. The assistant director may file petition for judicial review in accordance with this section from decisions of the Employment Appeals Board. [1971 c.734 §94; 1983 c.522 §4]

657.285 [Amended by 1959 c.583 §19; repealed by 1971 c.734 §21]

657.290 Continuous jurisdiction of assistant director; reconsideration of previous decisions. (1) The assistant director, upon motion of the assistant director or upon application of any party to a claim for benefits, may at any time reconsider any final decision under this chapter. Reconsideration may occur when there is evidence of:

- (a) Errors of computation;
- (b) Clerical errors;
- (c) Misinformation provided a party by the division;
- (d) Facts not previously known to the division; or
- (e) Errors caused by misapplication of law by the division.

(2) Such reconsideration shall be accomplished by the assistant director or any employee the assistant director may designate for the purpose, in accordance with such regulations as the assistant director may prescribe, and may include the making of a new decision which, if made, shall award, deny, terminate, continue, increase, or decrease benefits to the extent found necessary and appropriate for the correction of previous error respecting such benefits. However, any such new decision shall be subject to hearing, review and appeal in accordance with ORS 657.265 to 657.282.

(3) The Employment Appeals Board upon its own motion or upon application of any party in interest may in its discretion at any time after the same was made and irrespective of whether it has become final under this chapter, reconsider any previous decision of the Employment Appeals Board. Such reconsideration shall be accomplished by the Employment Appeals Board or special referee designated for the purpose and may include the making of a new decision to the extent necessary and appropriate for the correction of previous error of fact or law. Such new decision shall be subject to judicial review in accordance with ORS 657.282. [Amended by 1959 c.583 §20; 1961 c.252 §4; 1965 c.210 §4; 1975 c.257 §7; 1983 c.522 §5, 1985 c.565 §88]

657.295 Witness fees; disputed claim expenses; counsel; fees. (1) Witnesses other than parties subpoenaed pursuant to ORS 657.265 to 657.280 or 657.290 shall be allowed fees at a rate fixed by the assistant director. Such fees and all expenses of proceedings before the assistant director or the Employment Appeals Board involving disputed claims, excepting charge for services rendered by counsel or other agent representing the claimant, employer or other interested person, are deemed a part of the expense of administering this chapter, and no individual claiming benefits shall be charged fees of any kind in any proceedings under this chapter

by the assistant director or representatives of the assistant director.

(2) Notwithstanding any other law, a person in any proceeding before the assistant director or Employment Appeals Board may be represented by counsel or other agent authorized by such person. No such counsel or agent representing an individual who is claiming benefits shall charge or receive for such services more than an amount approved by the assistant director. As used in this subsection, "person" has the meaning defined in ORS 174.100 and also includes this state and all political subdivisions therein. [Amended by 1959 c.583 §21; 1969 c.161 §1, 1983 c.147 §1]

657.300 False statements or failure to report material fact by employer. No employer or employer's agent shall intentionally and wilfully make or cause to be made false statements or wilfully fail to report a material fact regarding the claim of a claimant or regarding a claimant or claimant's eligibility for benefits under this chapter. [Amended by 1983 c.395 §3; 1985 c.748 §3]

657.305 [Amended by 1955 c.655 §16; repealed by 1971 c.743 §432]

657.310 Recovery or deduction of benefits paid because of misrepresentation of recipient. (1) Any person who makes, or causes to be made, a false statement or representation of, or fails to disclose, a material fact, and as a result thereof has received any amount as benefits under this chapter to which the person was not entitled shall, irrespective of the knowledge or intent of the person, if the existence of such nondisclosure or misrepresentation has been found in connection with a decision which was made and has become final pursuant to this chapter, be liable to repay such amount to the assistant director for the fund or to have such amount deducted from any future benefits payable to the person under this chapter.

(2) No decision shall be construed to authorize the recovery of the amount of any benefits paid to a claimant unless such decision specifies that the claimant is liable to repay the same to the fund by reason of the nondisclosure or misrepresentation of a material fact, the nature of such nondisclosure or misrepresentation, and the week or weeks for which such benefits were paid, nor until such decision has become final.

(3) In any case in which a claimant is liable to repay to the assistant director any amount for the fund, such amount shall be collectible without interest by civil action brought in the name of the assistant director. [Amended by 1963 c.14 §1]

657.315 Recovery or deduction of benefits paid erroneously; credit for amounts considered in back pay settlement. (1) If it is determined by the assistant director that

an individual has been paid benefits to which the individual was not entitled because:

(a) Of any error not due to the misrepresentation or nondisclosure of a material fact by the individual; or

(b) An initial decision to pay benefits is subsequently reversed by a decision finding the individual was not eligible for such benefits, and the decision establishing the erroneous payment of benefits has become final; the individual shall be liable to have a like amount deducted from any benefits otherwise payable to the individual pursuant to this chapter during the benefit year within which the unauthorized or improper amount was paid. If the amount paid in error is not repaid or recovered within the individual's benefit year as specified above, the amount, or any balance thereof, may be deducted from benefits otherwise payable to the individual for any week or weeks within 52 weeks following the week in which the decision establishing the erroneous payment became final.

(2) Amounts paid to an individual in excess of the maximum benefits allowable pursuant to this chapter may be recovered in a civil action brought in the name of the assistant director for such purpose.

(3) If a settlement agreement or an award of back pay is made by or between a public employer and its employee or employees, which agreement takes into consideration unemployment insurance benefits paid to such persons, any amount deducted from sums determined due under such settlement or award on account of such benefits paid shall be reimbursed by the public employer to the Employment Division. The Employment Division shall then credit the account of the claimant's base year employer or employers or to the pool account whichever is appropriate and to the extent of any such reimbursement the Employment Division shall cancel any benefit overpayment charged to the claimant or claimants involved. [Amended by 1971 c.77 §2; 1975 c.284 §3; 1977 c.400 §6]

657.317 Waiving recovery of benefits when benefits are disqualified due to change in law; effect of finding of non-compliance with federal law. (1) The assistant director shall waive recovery of benefits under ORS 657.315 if the assistant director finds that the benefits are recoverable due to a change in federal or state law, the application of which has caused the disqualification of benefits previously paid.

(2) If the United States Secretary of Labor serves notice that the provisions of subsection (1) of this section fail to meet the requirements of the Social Security Act or

the Federal Unemployment Tax Act then subsection (1) of this section shall no longer be of any force or effect. [1983 c.528 §§6, 7]

657.320 Cancellation of unrecoverable benefits. (1) If any amount paid to an individual as benefits, for which the individual has been found liable under the provisions of ORS 657.310 to repay or to have deducted from benefits payable, has neither been repaid nor so deducted within a period of three years following the date the decision establishing the improper payment became final, and is equal to or is less than the state maximum weekly benefit amount then in effect or determined by the assistant director to be uncollectible, the same together with the record thereof and the resulting shortage, shall be canceled, and such amount, excluding any amount chargeable to reimbursable employers, shall be permanently charged to the fund. However, such amount shall not be canceled if the debt is being recovered by payments or deductions which were received within the last three months nor if repayment of such overpayment is required under ORS 657.213.

(2) If an amount paid to an individual as benefits, for which the individual has been found liable under the provisions of ORS 657.315 (1) to have deducted from benefits payable, has neither been repaid nor so deducted from benefits otherwise payable to the individual for any week or weeks within 52 weeks following the week in which the decision establishing the improper payment became final, the same together with the record thereof and the resulting shortage, shall be canceled and such amount, excluding any amount chargeable to reimbursable employers, shall be permanently charged to the fund. [Amended by 1977 c.294 §5, 1983 c.146 §1]

(d) Has not received and is not seeking, or the appropriate agency has finally determined that the individual is not entitled to receive, unemployment benefits under the unemployment compensation law of Canada.

(10) "State law" means the unemployment insurance law of any state, approved by the United States Secretary of Labor under section 3304 of the Internal Revenue Code of 1954, as amended. [1971 c.2 §2; 1974 s.s. c.46 §1; 1977 c.228 §1; 1979 c.267 §4; 1982 s.s.1 c.30 §1]

657.323 ORS 657.321 to 657.329 supersede inconsistent provisions of chapter. The provisions of this chapter relating to the payment of regular benefits shall apply to claims for and the payment of extended benefits, except when the result would be inconsistent with the provisions of ORS 657.321 to 657.329. [1971 c.2 §3]

657.325 Eligibility for extended benefits. (1) An individual shall be eligible to receive extended benefits with respect to any week of unemployment in the individual's eligibility period only if the assistant director

finds that with respect to such week the individual:

(a) Is an "exhaustee";

(b) Has satisfied the requirements of this chapter for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits; and

(c) Has been paid wages by an employer or employers subject to the provisions of this chapter during the base period of the individual's applicable benefit year in an amount equal to or in excess of 40 times the individual's applicable weekly benefit amount.

(2) The weekly extended benefit amount payable to an individual for a week of total unemployment in the individual's eligibility period shall be an amount equal to the weekly benefit amount payable to the individual during the applicable benefit year.

(3) The maximum extended benefit amount payable to any eligible individual with respect to the applicable benefit year shall be 50 percent of the total amount of regular benefits which were payable to the individual under this chapter in the applicable benefit year.

(4) Notwithstanding subsection (1) of this section, extended benefits shall not be payable to any individual for any week pursuant to an interstate claim filed in any other state under the interstate benefit payment plan if an extended benefit period is not in effect for such week in such other state.

(5) The provisions of subsection (4) of this section shall not apply with respect to the first two weeks for which extended benefits would otherwise be payable to an individual pursuant to an interstate claim filed under the interstate benefit payment plan.

(6) Notwithstanding the provisions of subsections (1) to (5) and (12) of this section, an individual shall be ineligible for payment of extended benefits for any week of unemployment in the individual's eligibility period if the assistant director finds that during such week:

(a) The individual failed to accept any offer of suitable work or failed to apply for any suitable work, as defined under subsection (8) of this section, to which the individual was referred by the assistant director; or

(b) The individual failed to actively engage in seeking work as prescribed under subsection (10) of this section.

(7) Any individual who has been found ineligible for extended benefits by reason of the provisions in subsection (6) of this section shall also be denied benefits beginning

with the first day of the week following the week in which such failure occurred and until the individual has been employed in each of four subsequent weeks, whether or not consecutive, and has earned remuneration equal to not less than four times the extended weekly benefit amount.

(8)(a) For purposes of this section, the term "suitable work" means, with respect to any individual, any work which is within such individual's capabilities, provided, however:

(A) That the gross average weekly remuneration payable for the work must exceed the sum of the individual's weekly benefit amount and the amount, if any, of supplemental unemployment benefits, as defined in section 501(c)(17)(D) of the Internal Revenue Code of 1954, payable to such individual for such week; and

(B) The work must pay wages which equal or exceed the higher of the state or local minimum wage or the minimum wage provided by section 6 (a)(1) of the Fair Labor Standards Act of 1938, without regard to any exemption;

(b) No individual shall be denied extended benefits for failure to accept an offer of or referral to any job which meets the definition of suitability as described herein if:

(A) The position was not offered to such individual in writing or was not listed with the Employment Division; or

(B) Such failure could not result in a denial of benefits under the definition of suitable work for regular benefit claimants pursuant to ORS 657.190 to the extent that the criteria of suitability are not inconsistent with the provisions of this section; or

(C) The individual furnishes satisfactory evidence to the assistant director that the individual's prospects for obtaining work in the individual's customary occupation within a reasonably short period are good. If such evidence is deemed satisfactory for this purpose, the determination of whether any work is suitable with respect to such individual shall be made in accordance with the definition of suitable work in ORS 657.190 without regard to the definition specified in this subsection.

(9) Notwithstanding the provisions of subsection (8) of this section to the contrary, no work shall be deemed to be suitable work for an individual which does not accord with the labor standard provisions required by section 3304(a)(5) of the Internal Revenue Code of 1954 and as set forth in ORS 657.195.

(10) For the purposes of paragraph (b) of subsection (6) of this section, an individual

shall be treated as actively engaged in seeking work during any week if:

(a) The individual has engaged in a systematic and sustained effort to obtain work during such week; and

(b) The individual furnishes tangible evidence of engaging in such effort during such week.

(11) The Employment Division shall refer any claimant entitled to extended benefits to any suitable work which meets the criteria prescribed in subsection (8) of this section.

(12) An individual shall not be eligible to receive extended benefits under this section if the individual has been disqualified for regular or extended benefits under ORS 657.176 (2) unless the individual has satisfied the disqualification as provided in ORS 657.176 (2). [1971 c.2 §4; 1981 c.46 §2; 1981 c.564 §1, 1982 s.s.1 c.30 §2; 1983 c.508 §8]

657.326 Adjustment of extended benefits to be received when benefit year ends within extended benefit period. Notwithstanding any other provisions of this chapter, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that such individual would, but for this section, be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced (but not below zero) by the product of the number of weeks for which the individual received any amounts as trade readjustment allowances within that benefit year, multiplied by the individual's weekly benefit amount. [1982 s.s.1 c.30 §5]

657.327 Notice of effectiveness of extended benefits; employers not to be charged for extended benefits. (1) Whenever an extended benefit period is to become effective in this state as a result of a state "on" indicator, or an extended benefit period is to be terminated in this state as a result of a state "off" indicator, the assistant director shall make an appropriate public announcement.

(2) No employer's account shall be charged for extended benefits paid to an unemployed individual pursuant to the provisions of ORS 657.321 to 657.329. [1971 c.2 §5; 1982 s.s.1 c.30 §3]

657.329 Applicability of ORS 657.321 to 657.329. ORS 657.321 to 657.329 shall apply to individuals meeting the requirements thereof for the week ending January 16, 1971, and any week thereafter. [1971 l.c.2 §6]

657.331 "Additional benefits" and "additional benefit period" defined. (1) As used in ORS 657.331 to 657.334:

(a) "Additional benefits" means benefits totally financed by the state and payable under this chapter to exhaustees by reason of conditions of high unemployment.

(b) "Additional benefit period" means a period not within an extended benefit period which:

(A) Begins with the third week after a week for which there is a state additional benefits "on" indicator; and

(B) Ends with the second week after the first week for which there is a state "on" indicator as defined in ORS 657.321 (3); or

(C) If there is no "on" indicator, ends with the later occurrence of the following:

(i) The third week after the first week for which there is a state additional benefits "off" indicator; or

(ii) The seventh consecutive week of such period.

(2) Notwithstanding the provisions of paragraph (b) of subsection (1) of this section, no additional benefit period may begin by reason of a state additional benefit "on" indicator before the eighth week following the end of a prior additional benefit period which was in effect with respect to this state.

(3) There is a state additional benefit "on" indicator for any week for which the assistant director determines that for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) equaled or exceeded 4.5 percent.

(4) There is a state additional benefits "off" indicator for any week for which the assistant director determines that, for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) was less than 4.5 percent.

(5) For purposes of this section, the rate of insured unemployment shall have the same meaning as provided in ORS 657.321 (5). [1983 c.818 §§4, 5; 1985 c.194 §2]

657.332 Eligibility for benefits; maximum amount. During an additional benefit period an individual who has exhausted regular benefits pursuant to this chapter with respect to a week which begins subsequent to August 9, 1983, and who continues to otherwise meet the eligibility requirements for regular benefits under the provisions of this chapter, and who is not eligible for any other unemployment benefits, including benefits provided for by any federal law extending benefits beyond those provided for as regular benefits or extended benefits, may receive additional benefits for weeks subsequent to August 9, 1983, in an amount equal to the

weekly benefit amount of the individual's most recent regular unemployment benefit claim subject to the provisions of this chapter. The maximum additional benefits an individual may receive under ORS 657.331 to 657.334 is 25 percent of the most recent regular unemployment benefit claim. [1983 c.818 §6]

657.333 Charging employer's account for benefits; reimbursing employer payments. No employer's account shall be charged for additional benefits paid to an unemployed individual under ORS 657.131 to 657.134. However, nothing in this section shall be construed to relieve the state, reimbursing political subdivisions or reimbursing nonprofit employers from paying into the unemployment insurance trust fund an amount equal to the additional benefits paid to an unemployed individual under ORS 657.131 to 657.134. [1983 c.818 §7]

657.334 Limitation on period for which benefits paid. Additional benefits may be paid under the provisions of ORS 657.331 to 657.334 only with respect to weeks not within an extended benefit period, and not within a period covered by any federal law allowing the filing of new claims extending benefits beyond those provided for as regular or extended benefits. [1983 c.818 §8; 1985 c.194 §1; 1987 c.126 §1; 1989 c.818 §1]

657.330 [1969 c.156 §2; 1971 c.82 §1; renumbered 657.337 in 1989]

COVERAGE OF VOCATIONAL TRAINEES

657.335 "Program of instruction," "vocational training" defined. (1) As used in ORS 657.335 to 657.360, "program of instruction" means a program of instruction in vocational training or a program of instruction in basic educational skills as a prerequisite for such vocational training, or both, approved by the assistant director for the individual.

(2) "Vocational training" as used in ORS 657.335 to 657.360 means vocational or technical training or retraining in Oregon schools or classes (including but not limited to, field or laboratory work and remedial or academic and technical instruction incident thereto) and is conducted as a program designed to prepare individuals for gainful employment in recognized or new occupations. The term "vocational training" does not include programs of instruction for an individual (including transfer credit programs of instruction given at community colleges) which are primarily intended to lead toward a baccalaureate or higher degree or training that has for its purpose the preparation of individuals for employment in occupations which require a baccalaureate or higher de-

gree from institutions of higher education. [1969 c.156 §3; 1971 c.82 §2]

657.337 Policy. The people of the State of Oregon recognize the fact that a segment of the population of Oregon faces difficulty in gaining stable employment due to lack of skills to cope with the advancement in technological improvements and the effects of automation and relocation in the economy. It is the policy of the State of Oregon to alleviate this problem by facilitating vocational training and the acquiring of necessary basic educational skills as a prerequisite for such training. To further this policy unemployment insurance benefits shall not be denied to individuals qualified under the provisions of ORS 657.150 during a period of vocational training, or a program of instruction in basic educational skills as a prerequisite for such vocational training to enhance the opportunity of such individuals in the labor market, provided such program of instruction is approved by the assistant director. [Formerly 657.330]

657.340 Eligibility of trainees to receive benefits. (1) Notwithstanding provisions of this chapter relating to availability for work, actively seeking work or refusal to accept suitable work, an unemployed individual otherwise eligible for unemployment insurance benefits shall not be ineligible for such benefits or waiting week credit because of enrollment in and attendance in such program of instruction.

(2)(a) An individual shall not be eligible for unemployment insurance benefits under the provisions of ORS 657.335 to 657.360 for any week or part of any week with respect to which the individual is entitled to receive directly or indirectly any incentive payments, living allowances, subsistence, per diem, wage payments or other cash benefits on account of participation in such programs of instruction whether such payment or benefit is payable from federal, state or private funds, or any combination thereof.

(b) Furnishing of or payment for books, instructional materials, tuition, reimbursement for travel expense or other expenses, or cost of such programs of instruction, or the furnishing in cash or in kind of a daily lunch allowance, does not constitute the direct or indirect receipt of a payment or benefit under this subsection. [1969 c.156 §§5, 6; 1971 c.82 §3]

657.345 Approval of programs by assistant director. (1) In approving such program of instruction for an individual the assistant director shall require:

(a) That the written training plan for such program of instruction relates to an occupation or skill for which there are, or

expected to be, reasonable employment opportunities in this state.

(b) That the individual has the qualifications and aptitudes to successfully complete such program of instruction.

(c) That employment opportunities for which the individual is fitted by training and experience do not exist or have substantially diminished in the labor market of the individual to the extent that in the judgment of the assistant director the individual will experience an extended period of unemployment and dependence upon the unemployment insurance program.

(d) That the program of instruction will be completed within a maximum of 180 days. However, the assistant director shall approve an extension of the program of instruction not to exceed 90 days upon receipt of information certified by the vocational trainer that such extension is necessary for the individual to complete the program of instruction.

(2) A program of instruction which satisfies subsection (1) of this section shall be approved by the assistant director.

(3) Notwithstanding the provisions of subsection (1) of this section, individuals who are identified as dislocated workers under the procedures of the Job Training Partnership Act, section 302, Title III (P. L. 97-300) and who attend training programs identified under that section of the Act shall be considered to be in a program of instruction with the approval of the assistant director. [1969 c.156 §7; 1971 c.82 §4; 1983 c.9 §1]

657.350 Rules for administering trainee benefit program. The assistant director shall promulgate rules as necessary for the administration of ORS 657.335 to 657.360, including but not limited to procedures for approval, undertaking periodic reviews for continued approval, or for disapproval of such program of instruction for an individual. [1969 c.156 §8; 1971 c.82 §5]

657.355 Denial of benefits to trainees subject to review. Notice, hearing, and review of a decision to approve or disapprove an application of an individual or to deny continued approval of an individual's participation under ORS 657.335 to 657.360 shall be subject to the provisions of ORS 657.265 to 657.282. [1969 c.156 §9; 1975 c.257 §8]

657.357 Apprenticeship program participants eligible for benefits; conditions. Notwithstanding the requirements or restrictions of ORS 657.335 to 657.360 or the provisions of this chapter relating to availability for work, actively seeking work or refusal to accept suitable work, an unemployed individual participating in an apprenticeship program who is otherwise eligible

for unemployment insurance benefits shall not be ineligible for such benefits or waiting week credit solely by reason of attending a program of related instruction established in accordance with ORS 660.157 when such attendance does not exceed three weeks during the benefit year of the individual and when such attendance is required as a condition of the individual's continued employment and shall be considered to be in a program of instruction with the approval of the assistant director if the individual:

(1) Provides the assistant director with a copy of that individual's effective apprenticeship agreement approved in accordance with the requirements of ORS chapter 660; and

(2) Establishes to the satisfaction of the assistant director that the training is scheduled by a work-related entity other than the claimant. [1989 c.818 §3]

657.360 When employer charged for benefits. Except for benefits paid pursuant to ORS 657.357, no employer's account shall be charged for benefits paid to an unemployed individual during the period such individual is enrolled in and attending such program of instruction. [1969 c.156 §4; 1971 c.82 §6; 1989 c.818 §4]

SHARED WORK PLANS

657.370 Definitions for ORS 657.370 to 657.390. As used in ORS 657.370 to 657.390, unless the context requires otherwise:

(3) "Shared work employer" means an employer with a shared work plan in effect.

(5) "Approved shared work plan" or "approved plan" means an employer's shared work plan which meets the requirements of ORS 657.375.

(6) "Normal weekly hours of work" means the number of hours in a week that the employee normally would work for the shared work employer or 40 hours, whichever is less. [1982 s.s.1 c.2 §8]

657.375 Plan applications; approval by assistant director; benefit amount. (1) An employer wishing to participate in the shared work unemployment benefit program shall submit a signed, written shared work plan to the assistant director for approval. The assistant director shall give written approval of a shared work plan only if it:

(a) Specifies the employees in the affected group.

(b) Applies to only one affected group.

(c) Includes a certified statement by the employer that each individual specified in the affected group is an affected employee.

(d) Includes a certified statement by the employer that for the duration of the plan the reduction in the normal weekly hours of work of the employees in the affected group is instead of layoffs which otherwise would result in at least as large a reduction in the total normal weekly hours of work.

(e) Specifies an expiration date which is no more than one year from the date the employer submits the plan for approval.

(f) Specifies the manner in which the employer will treat fringe benefits of the employees in the affected group.

(g) Is approved in writing by the collective bargaining agent for each collective bargaining agreement which covers any employee in the affected group.

(2) The assistant director shall establish the beginning and ending dates of an approved shared work plan. Such plan cannot exceed 52 consecutive weeks. A subsequent plan may not be approved by the assistant director until 52 weeks have elapsed following the week for which final payment of benefits is made under the prior plan.

(3) The assistant director shall approve or disapprove the plan within 15 days of its receipt. The assistant director shall notify the employer of the reasons for disapproval of a shared work plan within 10 days of such determination. Determinations of the assistant director shall be final and are not subject to review by any court or other administrative body.

(4) Disapproval of a plan may be reconsidered upon application of the employer or at the discretion of the assistant director. Approval of a shared work plan may be revoked by the assistant director when it is established that such approval was based, in whole or in part, upon information contained therein which is either false or substantially misleading. [1982 s.s.1 c.2 §9]

657.380 Eligibility of employees; benefit limitation. (1) Notwithstanding any other provision of this chapter, for the purposes of ORS 657.370 to 657.390, an individual is un-

employed and eligible to receive shared work benefits with respect to any week if, in addition to meeting all other eligibility requirements of this chapter, except as specifically excepted in subsection (4) of this section, the assistant director finds:

(a) During the week the individual is employed as a member of an affected group in an approved plan which was approved prior to the week and is in effect for the week.

(b) During the week the individual's normal weekly hours of work were reduced, in accordance with an approved plan, at least 20 percent but not more than 40 percent, with a corresponding reduction in wages.

(2) Shared work benefits shall not be paid to an eligible individual for more than 26 weeks under an approved plan or modification thereof.

(3) The total amount of regular benefits and shared work benefits paid to an individual in a benefit year shall not exceed the total for the benefit year as provided in ORS 657.150 (5).

(4) An otherwise eligible individual shall not be denied benefits under this section because of the application of any provision of this chapter relating to availability for work, active search for work or refusal to apply for or accept work from other than the individual's shared work employer. [1982 s.s.1 c.2 §10]

657.385 Method of paying benefits; disqualification; applicability of law to shared work plans. (1) An individual who is eligible for shared work benefits under ORS 657.370 to 657.390 shall be paid, with respect to any week of unemployment, a weekly shared work unemployment insurance benefit amount. Such amount shall be equal to the individual's regular weekly benefit amount multiplied by the nearest full percentage of reduction of the individual's regular weekly hours of work, as set forth in the employer's plan. The benefit payment under ORS 657.370 to 657.390, if not a multiple of one dollar, shall be rounded to the nearest dollar, and an even one-half dollar shall be rounded to the next highest multiple of one dollar.

(2) The provisions of ORS 657.150 (6) shall not apply to earnings from the shared work employer of an individual eligible for payments under ORS 657.370 to 657.390 unless the resulting payment would be less than the regular benefit payment for which the individual would otherwise be eligible under ORS 657.150 (6) without regard to shared work unemployment insurance benefits.

(3) An individual shall be disqualified for benefits payable under ORS 657.370 to

657.390 for any week in which paid work is performed for the shared work employer in excess of the reduced hours as set forth in the approved plan.

(4) Except as otherwise provided by or inconsistent with ORS 657.370 to 657.390, all provisions of this chapter and the assistant director's rules apply to ORS 657.370 to 657.390. The assistant director may adopt such rules as is deemed necessary to make distinctions and requirements to carry out the purposes of ORS 657.370 to 657.390. [1982 s.s.1 c.2 §11, 1983 c.51 §2]

657.390 Employer tax rate. Notwithstanding ORS 657.462, an employer who had an approved shared work plan at any time during the six calendar quarters preceding and ending on the computation date, under which shared work benefits were paid to employees of the employer for weeks which occurred during such six-quarter period, shall not receive a tax rate that is less than the employer's benefit ratio, expressed as a percentage rounded to the nearest 10th of one percent. However, the rate shall not be more than 3.0 percentage points higher than the maximum rate of the schedule in effect for the next calendar year. [1982 s.s.1 c.2 §12]

657.415 When employer ceases to be subject to this chapter. (1) No employer subject to this chapter shall cease to be subject except upon a written application and after a finding by the assistant director that the employer did not, during and since the preceding calendar year, have sufficient employment or payroll to qualify as an employer as defined in this chapter.

(2) The employer shall cease to be subject effective with the first day of the calendar quarter in which the written application was filed. Such exemption shall continue until the employer again qualifies as an employer

as defined in this chapter. [Amended by 1955 c.655 §18, 1981 c.77 §13]

657.420 [Repealed by 1981 c 5 §3]

(1) Any employing unit, for which individuals perform services that are not employment subject to this chapter, may file with the assistant director a written election that all such excluded services are employment for all the purposes of this chapter.

(2) Notwithstanding subsection (1) of this section:

(a) A nonprofit employing unit as defined in ORS 657.072, a state agency or a political subdivision may file a written election that all otherwise excluded services performed by individuals within the same grade, class or occupation or at a specific establishment or geographic area are employment subject to this chapter.

(b) An employing unit for which services are performed that are subject to the Federal Unemployment Tax Act may file a written election with the assistant director that such services are employment for all purposes of this chapter.

(3) Elections filed pursuant to subsections (1) and (2) of this section are not effective unless approved by the assistant director. Upon approval of the election by the assistant director, the services are employment subject to this chapter effective the first day of the calendar quarter in which the election was filed, or a later date when so specified in the election. Such election shall continue in effect until canceled but shall be for not less than two completed calendar years.

(4) An employing unit may cancel its election as of January 1 of any calendar year that is subsequent to two calendar years, only if such employing unit has filed, at least 30 days prior to such January 1, a written notice with the assistant director of its intention to cancel such election. Upon timely notice of intention to cancel the election, such services shall cease to be employment subject to this chapter.

(5) The assistant director may cancel the election of any employing unit and such elected services shall cease to be employment subject to this chapter at any time while such employing unit is in default in payment of taxes or other amounts due under this chapter. [Amended by 1971 c.463 §14; 1973 c.715 §3; 1981 c.5 §4]

657.430 Tax rates based on experience. The assistant director shall, for each calendar year determine the tax rate applicable to

Sec. 2. (2) Notwithstanding any other provision of law, each employer subject to this chapter shall pay to the division, for the second calendar quarter of 1989 and the first calendar quarter of each odd-numbered year thereafter, an amount equal to three one-hundredths of a percent of wages subject to tax under this chapter for that calendar quarter. All such moneys shall be paid and collected in the same manner and at the same time as unemployment compensation taxes under this chapter, unless the assistant director prescribes otherwise. After deduction of collection and administration expenses of the division in the amount of \$5,000, all such moneys shall be paid into the Wage Security Fund. Moneys due pursuant to this section but not received by the division for payment to the Wage Security Fund by September 30, 1989, and by June 30 of each odd-numbered year thereafter shall be paid into the Unemployment Compensation Trust Fund. 657.457 Rate where employer fails to file contribution reports and pay contributions when due. (1) Notwithstanding the provisions of this chapter, no employer's tax rate for any rating period after December 31, 1977, shall be less than the rate assigned an employer in accordance with ORS 657.435 if the employer has failed prior to September 1 to:

(a) File all tax reports as required by the assistant director; or

(b) Pay all taxes due.

(2) If prior to November 10 immediately following the computation date the employer establishes to the satisfaction of the assistant director good cause for the failure of the employer, the assistant director may waive the requirement of subsection (1) of this section and compute the employer's tax rate as otherwise provided in this chapter. [1957 c.699 §8(1), (2), 1967 c.435 §4, 1977 c.538 §2]

657.458 Definitions for employer tax rate computations. As used in this chapter unless the context requires otherwise:

(1) "High benefit cost period" means the 12 consecutive month period in the last 10 completed calendar years in which the benefit cost rate was the highest. The benefit cost rate is determined by dividing the amount of benefits paid attributable to employers subject to the tax, during any 12 consecutive months within the 10-year period by total wages, as defined in ORS 657.105, reported by all employers subject to the tax for the four consecutive calendar quarters which includes the quarter in which the 12 consecutive month period ended. All benefits paid from the Unemployment Compensation Trust Fund attributable to employers subject to the tax, including but not limited to the Oregon share of extended benefits and any special state additional benefits, shall be included in the amount of benefits under this subsection.

(2) "Average monthly employment" means the total number of persons employed in each month for 12 consecutive months, as reported by employers subject to the tax under this chapter, divided by 12.

(3) "Average weekly check amount" means the gross amount of benefit payments, excluding extended benefits, made during a 12 consecutive month period, divided by the number of such weekly payments made to all individuals receiving benefits under this chapter during that period. The number and amount of payments made under section 11, chapter 2, Oregon Laws 1982 (first special session), shall be excluded from the computation under this subsection.

(4) "Adjusted average weekly check amount" means the average weekly check amount in a calendar year plus one-half of the increase in the maximum weekly benefit amount plus one-half of the increase in the minimum weekly benefit amount from the week including July 4 immediately preceding such calendar year to the week including July 4 immediately following such calendar year. [1969 c.157 §2 (657.458 and 657.459 enacted in lieu of 657.461); 1971 c.463 §15; 1977 c.538 §3, 1983 c.508 §9]

657.459 Computation of Fund Adequacy Percentage Ratio. (1) For the purpose of computing employer tax rates for calendar year 1978 and each year thereafter the assistant director, or the assistant director's authorized representative, shall compute a "Fund Adequacy Percentage Ratio." This computation shall be made in September of each year and shall be the ratio of the amount in the Unemployment Compensation Trust Fund, as of August 31 preceding the computation, to a calculated amount of benefits which would be paid during the following calendar year if high unemployment were to occur. The calculated amount of benefits shall be determined as follows:

(a) Average monthly employment in the calendar year preceding the calculation shall be divided by the average monthly employment in the high benefit cost period with the resulting quotient carried to the fourth decimal point.

(b) The adjusted average weekly check amount for the calendar year preceding the calculation shall be divided by the average weekly check amount in the high benefit cost period with the resulting quotient carried to the fourth decimal point.

(c) The amount of benefits paid during the high benefit cost period and attributable to employers subject to the tax shall be multiplied by the quotient determined in paragraph (a) of this subsection. The resulting product shall be multiplied by the quotient determined in paragraph (b) of this subsection. All benefits paid from the Unemployment Compensation Trust Fund attributable to employers subject to the tax, including but not limited to the Oregon share of extended benefits and any special state additional benefits, shall be included in the amount of benefits under this subsection.

(2) The amount in the Unemployment Compensation Trust Fund, as of August 31 preceding the computation, shall be divided by the final product determined in paragraph (c) of subsection (1) of this section. The quotient obtained shall be expressed as a percentage and is the "Fund Adequacy Percentage Ratio" used to determine the applicable schedule of Table A of ORS 657.462

to be in effect for the succeeding calendar year.

(3) Notwithstanding the provisions of subsection (2) of this section, if the product obtained by multiplying 3.3 times the average monthly employment in the calendar year preceding the calculation times the adjusted average weekly check amount for the calendar year preceding the computation exceeds the amount determined in paragraph (c) of subsection (1) of this section, such product shall be used in lieu of the amount determined in paragraph (c) of subsection (1) of this section in the Trust Fund Adequacy Ratio calculation in subsection (2) of this section.

(4) Products obtained in subsections (1) and (3) of this section shall be rounded to the nearest dollar. [1969 c.157 §3 (657.458 and 657.459 enacted in lieu of 657.461), 1971 c.463 §16; 1975 c.354 §2; 1977 c.538 §4, 1983 c.508 §10]

657.460 [Repealed by 1959 c.606 §4]

657.461 [1967 c.434 §5 (enacted in lieu of 657.464) repealed by 1969 c.157 §1 (657.458 and 657.459 enacted in lieu of 657.461)]

657.462 Computation of benefit ratio; grouping employers within cumulative taxable payroll percentage limits; assignment of rates. (1) Notwithstanding the provisions of ORS 657.430, the assistant director or the assistant director's authorized representative shall, for each calendar year, compute a benefit ratio for each employer who meets the requirements of this section. For an employer whose record has been chargeable with benefits throughout the 12 preceding calendar quarters ending on the computation date, the benefit ratio shall be a quotient obtained by dividing the total benefit charges to the employer's record in such 12 calendar quarters by the total of the employer's taxable payrolls for the same 12 calendar quarters. For an employer whose record has been chargeable with benefits for at least four or more consecutive calendar quarters but less than 12 consecutive calendar quarters and ending on the computation date, the benefit ratio shall be the quotient obtained by dividing the total benefits charged to the employer's record for such consecutive calendar quarters by the total of the employer's taxable payrolls for the same period. Benefit ratios shall be carried out to the sixth decimal place.

(2) A listing shall be prepared of all employers meeting the requirements of this section and whose account is open according to Employment Division records as of August 31 following the computation date. This listing shall start with the employer having the lowest benefit ratio and progress through the employer having the highest benefit ratio. The listing shall show for each employer (a)

the benefit ratio, (b) taxable payroll for the four calendar quarters immediately preceding the computation date, and (c) a cumulative total consisting of the sum of such employer's taxable payroll and the taxable payroll of all other preceding employers on the list.

(3) The division shall group all employers in accordance with the cumulative taxable payroll percentage limits for the schedule in effect under Table A. All employers who fall within the same group will be assigned the tax rate for that group. However, if this grouping results in the taxable payroll of an employer falling in two groups, such employer and any other employer with the same benefit ratio shall be assigned the lower of the two applicable rates. Fractions of a cent will be dropped in computing taxable payroll limits used in Table A. The schedule in effect shall be in accordance with the Fund Adequacy Percentage Ratios set forth in Table A.

657.467 Amounts included in fund adequacy percentage ratio computations. Notwithstanding the payment of regular and extended unemployment insurance benefits to employees of employing units which reimburse the fund in lieu of taxes from moneys in the Unemployment Compensation Trust Fund, such moneys shall be included with the balance in the Unemployment Compensation Trust Fund in any computation of a fund adequacy percentage ratio under this chapter as though said moneys had been reimbursed to the fund as provided in ORS 657.505. Should advance payments made by reimbursing employers exceed the amount of benefit payments, the excess amount shall be excluded from the fund balance. 657.470 [Repealed by 1963 c.302 §4]

657.471 Manner of charging benefits to employer. (1) Subject to the provisions of subsections (2) to (7) and (10) of this section, benefits paid to an eligible individual shall be charged to each of the individual's employers during the base year in the same

proportion that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that year.

(2) With the exception of a political subdivision electing to pay taxes pursuant to ORS 657.509, an employer's account shall not be charged with benefits paid an unemployed individual in excess of one-third of the base year wages paid that individual while in the employ of such employer.

(3) Benefits paid to an individual for unemployment immediately after the expiration of a period of disqualification for having left work of an employer voluntarily without good cause shall not be charged to that employer.

(4) Benefits paid to an individual for unemployment immediately after the expiration of a period of disqualification for having been discharged by an employer for misconduct shall not be charged to that employer.

(5) Benefits paid without any disqualification to an individual who has left work of an employer voluntarily for good cause not attributable to the employer shall not be charged to that employer for the immediate period of unemployment.

(6) If it is determined under the provisions of subsection (3), (4) or (5) of this section that benefits paid to an individual shall not be charged to an employer, such employer's account shall not be charged for any benefits paid for any subsequent period or periods of unemployment during that individual's affected benefit year or during any benefit year beginning within 52 weeks subsequent to the affected benefit year.

(7) If a base-year employer, not otherwise eligible for relief of charges for benefits under this section, receives notification of an initial valid determination of a claim filed by an individual who:

(a) Left work of such employer voluntarily and not attributable to the employer, such employer may request relief of charges within 20 days after the mailing of such notice thereof to the employer's last address as shown by the records of the assistant director. The request must advise the assistant director in writing the date of such leaving and that such leaving was voluntary and not attributable to the employer and the reason therefor. Upon receipt of such notice from the employer the assistant director shall investigate the separation and if the resulting determination, which shall be made by the assistant director, establishes that the leaving was voluntary and not attributable to the employer, that employer's account shall not be charged with benefits during that individ-

ual's benefit year. If the individual was re-employed by such employer prior to the filing of the initial valid claim, the employer shall not receive relief of the employer's account under this subsection; or

(b) Was disqualified for the individual's most recent separation from such employer by an assistant director's decision which found the individual has been discharged for misconduct connected with the work, that employer may request relief of charges within 20 days after the mailing of such notice thereof to the employer's last address as shown by the records of the assistant director. Upon receipt of such request from the employer, the assistant director shall examine division records and if the requirements of this subsection have been met shall grant the relief of charges to that employer for benefits paid to the individual during the benefit year.

(8) The determination of the assistant director under paragraph (a) of subsection (7) of this section shall be final in all cases unless an application for hearing is filed within 20 days after delivery of such decision, or, if mailed, within 20 days after the same was mailed to the employer's last-known address. When a request for hearing has been timely filed, the assistant director shall designate a referee to conduct a hearing. After the referee has afforded all parties an opportunity for a fair hearing, the referee shall affirm or reverse the decision and promptly notify all parties entitled to notice of the decision and the reasons therefor. Decisions of the referee under this subsection become final and may be judicially reviewed as provided in ORS 657.684 to the extent applicable.

(9) If the assistant director finds that an employer or any employee, officer or agent of an employer, in submitting facts pursuant to subsection (7) or (8) of this section wilfully makes a false statement or representation or wilfully fails to report a material fact concerning the termination of an individual's employment, the assistant director shall make a determination thereon charging the employer's reserve account not less than two nor more than 10 times the weekly benefit amount of the claimant or claimants, as the case may be. The assistant director shall give notice to the employer of the determination under this subsection and such decision of the assistant director shall become final unless an application for hearing is filed in accordance with subsection (8) of this section.

(10) Benefits paid to an individual shall not be charged to a base-year employer if:

(a) The employer furnished part-time work to the individual during the base year;

(b) The individual has become eligible for benefits because of loss of employment with one or more other employers;

(c) The employer has continued to furnish part-time work to the individual in substantially the same amount as during the individual's base year; and

(d) The employer requests relief of charges within 20 days after the mailing of notification to the employer of an initial valid determination of a claim filed by the individual. [Formerly 657.466, 1967 c.435 §5; 1973 c.300 §12, 1975 c.257 §10; 1977 c.294 §6; 1983 c.518 §1]

657.472 [1957 c.699 §8(3); repealed by 1963 c.354 §1 (657.552, 657.652, 657.679, 657.681 and 657.683 enacted in lieu of 657.472, 657.512, 657.550 and 657.672)]

657.473 Statement of benefits charged to employer's account. Employers subject to this chapter may be furnished, upon written request, a statement of benefits charged to their accounts at such times and in such form as may be determined by the assistant director. Nothing in this section shall in any way be construed as to relieve an employer's account from benefit charges nor to grant any appeal therefrom. [1967 c.435 §2]

657.475 Where a number of the same workers are normally employed by several employers; records; contributions; charging benefits. (1) Where a number of workers are normally employed in employment in the course of a year by several employers, such employers, with the approval of the assistant director, may appoint an agent who shall maintain such records and prepare and file such returns and reports as are required under this chapter in respect to such workers, including returns and reports of wages paid and payable to such workers, and may pay the employers' contributions levied under this chapter in respect to wages paid and payable to such workers and shall perform such other acts on behalf of such employers as the assistant director may authorize, all in the same manner as though such agent were the employer of such workers.

(2) The assistant director may, by regulation, provide for the manner of crediting to each such employer the employment experience of such group of employers who have appointed such agent with respect to such workers, for the purpose of any classification of employers made pursuant to this chapter for the determination of future rates of employers' contributions.

(3) Any of such employers who operate or do business in more than one place may, with the approval of the assistant director, appoint a separate agent in each such place.

(4) This section shall not be construed to make such agent the employer of such work-

ers, or relieve any employer of obligations to comply with the terms of this chapter, except to the extent that such obligations are discharged by such agent.

657.477 Related corporations as common paymaster; treatment of compensation for services. For purposes of this chapter, if two or more related corporations concurrently employ the same individual and compensate such individual through a common paymaster which is one of such corporations, each such corporation shall be considered to have paid as remuneration to such individual only the amounts actually disbursed by it to such individual, and shall not be considered to have paid as remuneration to such individual amounts actually disbursed to such individual by another of such corporations. [1979 c.255 §2]

657.480 Effect of transfer of employing unit. If the organization, trade or business, including the entire employing enterprise and all its incidents for all purposes of this chapter, of any employer is by purchase or otherwise transferred to an employing unit, whether or not such acquiring employing unit was an employing unit within the meaning of ORS 657.020 prior to such acquisition, the employing unit to which the transfer is made shall assume the position of such employer with respect to such employer's experience, payrolls and otherwise the same as if there had been no change in ownership and shall be required to assume and continue the experience of such employer pursuant to ORS 657.430 to 657.475 and 657.480 to 657.487. However, no employing unit to which the organization, trade or business of an employer has been transferred is entitled to a tax rate of less than the rate assigned an employer in accordance with ORS 657.435 unless and until such employing unit, based upon its experience and the experience of the organization, trade or business transferred, has throughout the 12 consecutive months preceding the computation date had its account chargeable with benefits. [Amended by 1977 c.538 §6]

657.485 Notice of rate; procedure for redetermination. (1) An employer, when notified that the employer has been determined an employer subject to this chapter, shall also be notified of the tax rate for the employer as determined pursuant to this chapter. Such tax rate shall become conclusive and binding upon the employer unless within 20 days after the mailing of the notice to the last-known address of the employer as shown on the records of the assistant director, or in the absence of mailing, within 20 days after the delivery of such notice, the employer files a request for hearing with the

assistant director, setting forth the reason therefor.

(2) An employer whose rate has been determined in accordance with the provisions of ORS 657.462, shall be notified of the tax rate for the employer not later than November 15 of the year preceding the calendar year for which the rate is applicable. An employer whose account is open according to the Employment Division records as of November 15 but whose tax rate was not determined under ORS 657.462 shall be notified of the tax rate for the following calendar year by November 15 or as soon as possible thereafter. Such tax rate shall become conclusive and binding upon the employer unless, within 20 days after the mailing of the notice to the last-known address of the employer as shown by the records of the assistant director or, in the absence of mailing, within 20 days after the delivery of such notice, the employer files a written application for review and redetermination with the assistant director, setting forth the reasons therefor.

(3) If a valid application is filed within the time provided in subsection (2) of this section, an authorized representative of the assistant director shall review the determination and notify the employer in writing thereof. If the review results in a change in either the employer's tax rate or information included on the original tax rate notice, an amended notice shall be provided the employer.

(4) The decision of the authorized representative reflecting the result of the review provided for in subsection (3) of this section shall become final and conclusive and binding upon the employer unless the employer, within 20 days after delivery of the notice, or if mailed, within 20 days after the same was mailed to the last-known address of the employer, files a request for hearing with the assistant director. The request shall be in writing and shall state that the decision of the authorized representative is incorrect and the reasons therefor.

(5) When a valid request for hearing has been filed, as provided in subsections (1) and (4) of this section, a referee designated by the assistant director shall grant a hearing unless a hearing has previously been afforded the employer on the same grounds as set forth in the request. The referee shall give notice of the time and place of hearing to the assistant director or authorized representative of the assistant director and shall also give notice to the employer by mail directed to the last-known address of record with the assistant director. Hearings under this subsection shall be conducted in accordance with this chapter and the rules of the assist-

ant director. The filing of a request for hearing with respect to a disputed tax rate shall not affect the right of the assistant director or authorized representative of the assistant director to perfect any liens provided by this chapter.

(6) After hearing, the referee shall enter findings of fact and decision either affirming or modifying the tax rate notice. The employer and the assistant director shall be promptly notified of the decision of the referee. All testimony at any hearing held before a referee under this section shall be recorded but need not be transcribed unless a petition for judicial review from the decision of the referee is filed in the manner and within the time prescribed in ORS 657.487.

(7) A decision of the referee shall become final on the date of notification or the mailing thereof to the assistant director and to the employer at the last-known address of record with the assistant director, and shall become conclusive and binding upon the employer and the assistant director unless a petition for judicial review is filed in the manner and within the time prescribed in ORS 657.487.

(8) No employer shall have any standing, in any proceeding involving tax rate or tax liability, to contest the chargeability to the account of the employer of any benefits paid in accordance with a determination, redetermination or decision pursuant to ORS 657.265 to 657.290, except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for the employer or for a predecessor employer and only in the event that the employer or the predecessor was not a party to such determination, redetermination or decision or to any other proceeding under this chapter in which the character of such service was determined. At any hearing under this section the tax rate determined by the assistant director or authorized representative of the assistant director shall be prima facie correct and the burden shall be upon the protesting employer to prove it is incorrect. [Amended by 1959 c.583 §22; 1965 c.210 §5; 1971 c.734 §95; 1977 c.538 §7]

657.487 Judicial review of decisions or orders under ORS 657.485. Judicial review of decisions or orders under ORS 657.485 shall be as provided for review of orders in contested cases in ORS 183.310 to 183.550, except that the petition shall be filed within 20 days after the order is final. The assistant director may file petition for judicial review in accordance with this section from decisions of the referee. [1971 c.734 §97; 1977 c.538 §8]

657.490 Employer or employee has no prior right to employer's contributions.

This chapter shall not be construed to grant any employer or any individual in the service of the employer prior claims or rights to the amount paid by the employer into the fund.

657.495 Fraud in lowering contributions. No person shall wilfully make a false statement or misrepresentation to lower contributions paid to the fund.

COLLECTION OF TAXES

657.504 Applicability of certain non-charging provisions. The noncharging provisions of this chapter, including but not limited to ORS 657.327, 657.360, 657.471 and 657.770, do not apply to employers making reimbursement payments or payments in lieu of taxes in accordance with ORS 657.505. [1973 c.118 §4]

657.505 Payment of and liability for taxes. (1) On and after January 1, 1936, taxes shall be payable by each employer then subject to this chapter. Taxes shall become payable by any other employer on and after the date on which the employer becomes subject to this chapter.

(2) An employer shall be liable for taxes on all wages paid for services performed on or after the first day of a calendar quarter.

(3) Taxes of an employer shall not become payable until this chapter has been approved by the Secretary of Labor, and notice of such approval has been given to the Governor as provided in section 3304 of the Federal Unemployment Tax Act.

(4) All taxes shall be paid to and collected by the assistant director at such times and in such manner as the assistant director may prescribe and upon collection, shall be deposited in the Unemployment Compensation Trust Fund.

(5) In lieu of taxes required of all other employers subject to this chapter, the state shall pay into the fund an amount equivalent to the amount of all regular benefits and all extended benefits paid out to claimants who during the applicable base year were paid wages by the state. Payments required under this section shall be payable from the General Fund of the state except that if a claimant was paid wages by the state during the base year from a special or administrative fund provided for by law, the payment into the fund shall be made from such special or administrative fund with the approval of the Executive Department.

(6) Any political subdivision subject to this chapter shall in lieu of taxes required of other employers subject to this chapter, pay into the fund an amount equivalent to the amount of all regular benefits and all extended benefits paid out to claimants who

during the applicable base year were paid wages by the political subdivision.

(7)(a) Any nonprofit employing unit as defined in ORS 657.072 (2), subject to or electing coverage under this chapter shall pay taxes under the provisions of ORS 657.475 and 657.480. However, such nonprofit employing unit may elect to make reimbursement payments into the Unemployment Compensation Trust Fund in an amount equivalent to the amount of regular benefits and one-half of extended benefits paid out to claimants who during the applicable base period were paid wages by such nonprofit employing unit. Such reimbursement payments shall be deemed to be taxes for all purposes of this chapter.

(b) A nonprofit employing unit may elect to make reimbursement payments by filing with the assistant director a written notice to this effect within the 30-day period following the close of the calendar quarter in which the employing unit became an employer, or may make a timely election within 30 days after the assistant director finds the nonprofit employing unit in default with respect to payment of taxes if the assistant director has not found the default to be due to an intent to postpone or avoid either payment of taxes due the Unemployment Compensation Trust Fund or the election to make reimbursement payments pursuant to this paragraph. A nonprofit employing unit failing to submit a timely notice of election of reimbursement shall be liable for taxes on any wages paid for services performed for such employing unit for two calendar years. Such employing unit will remain liable for taxes for any calendar year thereafter unless a written notice of election of reimbursement is filed with the assistant director by January 31 of such calendar year. The assistant director shall for good cause extend the period within which a notice of election of reimbursement must be filed for an additional 30 days.

(c) Elections of reimbursement shall continue until canceled but shall be for a period of not less than two calendar years. Any nonprofit employing unit may cancel such election, and pay taxes as any other employer, by filing with the assistant director a written notice of its intention to cancel such election by January 31 of the year in which the cancellation is to be effective. The assistant director may for good cause extend the period within which a notice of cancellation may be filed for an additional 30 days. Once a cancellation is effective the nonprofit employing unit must pay taxes for two calendar years before it is again eligible for election of reimbursement. An employer whose election of reimbursement has been

canceled shall thereafter be liable for taxes at the rate assigned an employer in accordance with ORS 657.435 until such employer is eligible for a rate based on the experience of the employer in accordance with the provisions of ORS 657.475 and 657.480.

(d) Each nonprofit employing unit that elects to reimburse the fund shall, within 30 days after the effective date of its election, either execute and file with the assistant director a surety bond or deposit with the assistant director money or other security as approved by the assistant director. The amount of the bond or deposit shall be determined as a percentage of the employing unit's total wages paid for employment covered by this chapter for the four calendar quarters immediately preceding the effective date of the election. The following schedule shall apply in determining the amount of bond or deposit:

Four Quarter Payroll	Percent
Under \$100,000	2.0
\$ 100,000 to \$499,999	1.5
500,000 to 999,999	1.0
1,000,000 and over	0.5

If the nonprofit employing unit did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the assistant director. The amount of the bond or deposit as determined by the schedule in this subsection shall not exceed the amount of taxes the employing unit would have been assessed at the maximum tax rate for the same period had not the employing unit elected to make reimbursement payments. However, no surety bond or deposit shall be required of an institution of higher education, unless in the discretion of the assistant director the assistant director determines that a surety bond or deposit shall be required of such an institution.

(A) Any bond deposited under this paragraph shall be in force for a period of not less than two calendar years and shall be renewed with the approval of the assistant director, at such times as the assistant director may prescribe, but not less frequently than at two year intervals as long as the employing unit continues to be liable for reimbursement payments. The assistant director shall require adjustments to be made in a previously filed bond as the assistant director deems appropriate. If the bond is to be increased, the bond shall be filed by the employing unit within 30 days of the date notice of the required adjustment was mailed or otherwise delivered to it. Failure by any employing unit covered by such bond to pay

the full amount of reimbursements when due, together with any applicable interest and penalties, shall render the surety liable on said bond to the extent of the amount thereof including interest and penalties assessed pursuant to this chapter.

(B) Any deposit of money or security in accordance with this paragraph shall be retained by the assistant director. Money shall be deposited in the Employment Tax Guarantee Fund. When liability under the election is terminated the deposit shall be returned to the employing unit, less any deductions as hereinafter provided. The assistant director may transfer moneys from the Employment Tax Guarantee Fund or sell securities deposited as necessary to satisfy any due and unpaid reimbursements and any applicable interest and penalties. The assistant director shall require the employing unit within 30 days following transfer of a money deposit or sale of securities to deposit sufficient additional money or securities to restore the original deposit in full. The assistant director may, at any time, review the adequacy of the deposit made by any employing unit. If, as a result of such review, the assistant director determines that an adjustment is necessary, the assistant director shall require the employing unit to make an additional deposit within 30 days of written notice of the determination or shall return to it such portion of the deposit as the assistant director no longer considers necessary, whichever action is appropriate.

(C) If any nonprofit employing unit fails to file a bond or make a deposit, or to file a bond in an increased amount or to increase or make whole the amount of a previously made deposit, as provided in this section, the assistant director may terminate such employing unit's election to make reimbursement payments. The assistant director may extend for good cause the applicable filing, deposit or adjustment period by not more than 30 days. An employing unit having its election terminated under this section shall pay taxes for a period of two calendar years before it is again eligible for election to reimburse.

(8)(a) At the end of each calendar quarter, or at the end of any other period as prescribed by the assistant director, the assistant director shall determine the amount of payments in lieu of taxes or reimbursement payments required, under subsections (5), (6) and (7) of this section, and shall bill each employer for such amount. If a claimant during a base year was employed by an employer liable for payments in lieu of taxes or reimbursement payments and other employers subject to the tax rate provisions of this chapter, the amount to be paid into the fund

by employers liable for payments in lieu of taxes or reimbursement payments shall be an amount which is in the same proportion that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that year.

(b) In determining the amount of payments in lieu of taxes or reimbursement payments, benefits paid for any reason shall be included if such benefits or any portion thereof were paid as a result of wages earned in the employ of an employer required to make reimbursing payments or payments in lieu of taxes. Such benefits paid includes but is not limited to payments made as a result of a determination or payments erroneously or incorrectly paid or paid as a result of a determination of eligibility which is subsequently reversed. Any benefit payments described in this paragraph that are subsequently recovered by the division will be credited on a pro rata basis to the account of the employer that reimbursed the fund for such benefits.

(c) Payment of any bill rendered under paragraph (a) of this subsection shall be made not later than the last day of the month immediately following the month in which such bill was mailed to the last-known address of the employer or was otherwise delivered to it. The assistant director may assess a nonprofit employing unit for past due taxes and such assessment shall be subject to the same interest, penalties, enforcement, appeal and any other provisions of this chapter that apply to taxes assessed pursuant to ORS 657.681.

(d) If a nonprofit employing unit is delinquent in making reimbursement payments as required under this section, the assistant director may terminate such employing unit's election and such employing unit must pay taxes for two calendar years before it is again eligible for election of reimbursement. Any employer whose election is terminated under provisions of this section shall remain liable for reimbursement payments for any benefits paid based on wages received prior to the effective date of termination of the election.

(9) Notwithstanding the provisions of subsections (5), (6), (7) and (8) of this section, each employing unit that is required to make payments in lieu of taxes or has elected to make reimbursement payments may request permission to make advance or budget payments in accordance with rules adopted by the assistant director.

(10) Two or more employers that have become liable for payments in lieu of taxes or reimbursement payments, in accordance with the provisions of subsections (5), (6) and

(7) of this section, may file a joint application to the assistant director for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Each application shall identify and authorize a group representative to act as the group's agent for the purpose of this subsection. Upon the approval of the assistant director of the application, the assistant director shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the assistant director receives the application and shall notify the group's agent of the effective date of the account. Such account shall remain in effect for not less than two years and thereafter until terminated at the discretion of the assistant director or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group. The assistant director shall prescribe such regulations as the assistant director deems necessary with respect to application for establishment, maintenance and termination of group accounts. This subsection shall not be construed to make such agent the employer of such workers, or relieve any employer of the obligations of the employer to comply with the terms of this chapter, except to the extent that such obligations are discharged by such agent as provided thereunder. [Amended by 1957 c 682 §6, 1971 c.463 §18; 1973 c.118 §2; 1977 c 446 §7; 1989 c 329 §4; 1989 c.609 §3]

657.506 Reports and taxes for musicians under contract; applicability. (1) The person or organization engaging the services of a musician or musicians shall be considered the employer for the purposes of this chapter, except when the services are performed pursuant to a written contract which expressly designates one or more musicians who sign the contract as responsible for the filing of any reports and the payment of any taxes based upon wages or earnings of a musician or musicians performing services under the contract. A written contract which so designates a musician or musicians as responsible shall be conclusive evidence that the person or organization engaging the services is not the employer of a musician or musicians performing services under the contract. The musician or musicians who sign a written contract designating them as responsible shall, for purposes of this chapter, be considered the employer of any musician performing services under the contract who did not sign the contract.

(2) The provisions of subsection (1) of this section do not apply to services performed for a nonprofit organization, as defined in ORS 657.072, for this state or for a political subdivision of this state. [1965 c.392 §2; 1977 c.538 §9; 1983 c.545 §1]

657.507 Employer's deposit or bond as security for payment of contributions. (1) If upon satisfactory evidence the assistant director finds it necessary for the protection of the Unemployment Compensation Trust Fund, the assistant director may require any employer subject to this chapter, except the state, including every state officer, board, commission, department, institution, branch, agency or political subdivision, to deposit and keep on deposit, with the assistant director, a sum equal to the contributions due the assistant director upon the employer's payroll or estimated payroll covering a period of three calendar quarters.

(2) The assistant director may, in the discretion of the assistant director and in lieu of such deposit, accept a bond in a form acceptable to the assistant director to secure payment of contributions to become due the fund. The deposit or posting of the bond shall not relieve the employer from making contributions to the fund based on the payroll of the employer as provided by this chapter. The assistant director may, in the discretion of the assistant director, at any time apply such deposit or bond or part thereof to the delinquencies or indebtedness of the employer arising under any provision of this chapter.

(3) Any deposit or bond shall be deemed for all purposes to become the sole property of the assistant director and shall be deposited in the Employment Tax Guarantee Fund and held for the sole benefit of the Unemployment Compensation Trust Fund and the Employment Division Special Administrative Fund, subject only to subsection (4) of this section. The deposit or bond shall be prior to all other liens, claims or encumbrances and shall be exempt from any process, attachment, garnishment or execution whatsoever and shall be for the sole benefit of the Unemployment Compensation Trust Fund and the Employment Division Special Administrative Fund except as provided in subsection (4) of this section.

(4) If an employer ceases to be an employer subject to this chapter, the assistant director shall, upon receipt of all payments due the fund based on the employer's payroll, refund to the employer all deposits remaining to the employer's credit and shall cancel any bond given under this section. Such sums as are on deposit in the Employment Tax Guarantee Fund or bonds held for the benefit of the Unemployment Compensation Trust Fund

shall first be applied to any indebtedness or deficiencies due from the employer to the Unemployment Compensation Trust Fund and the Employment Division Special Administrative Fund under any provisions of this chapter before any return is made to the employer. The employer shall have no interest in such deposit or bond prior to full compliance with this section and all provisions of this chapter. [1959 c.598 §7; 1967 c.435 §6]

657.508 Failure to comply with ORS 657.507. (1) If an employer fails to comply with ORS 657.507, the circuit court of the county in which the employer resides or in which the employer engages in business shall, upon the commencement of a suit by the assistant director for that purpose, enjoin the employer from further employing individuals in this state or continuing in business therein until the employer has complied with ORS 657.507.

(2) Upon filing of a suit for such purpose by the assistant director, the court shall set a day for hearing and shall cause notice thereof to be served upon the employer. The hearing shall be not less than five days from the service of the notice. [1959 c.598 §8; 1967 c.435 §7; 1983 c.508 §11]

657.509 Taxes from political subdivisions and people's utility districts; election; effect of canceling election; applicability of noncharging provisions. (1) Instead of the amount to be paid into the fund under provisions of ORS 657.505 (6), a political subdivision may elect to pay taxes in accordance with the provisions of ORS 657.430 and 657.480. The election shall be on forms prescribed by the assistant director and must be filed within the 30-day period following the close of the calendar quarter in which the political subdivision became an employer. An employer failing to submit a timely notice of election under this section shall be liable under provisions of ORS 657.505 (6) for a minimum of two calendar years. Thereafter such employer may file a written election to pay taxes. Such election must be filed by January 31 of the calendar year for which the election is to be effective. The assistant director may for good cause extend the period within which an election must be filed for an additional 30 days.

(2) An election shall continue until canceled but shall be for a period of not less than two calendar years. An employer may cancel such election by filing with the assistant director a written notice of its intention to cancel by January 31 of the year in which the cancellation is to be effective. The assistant director may for good cause extend the period within which a notice of cancellation may be filed for an additional 30 days.

Once a cancellation is effective, the political subdivision must pay amounts in accordance with ORS 657.505 (6) for two calendar years before it is again eligible to elect payment under this section.

(3) All noncharging provisions of this chapter shall apply to political subdivisions electing to pay taxes under this section, except that with respect to ORS 657.327, one-half of extended benefits applicable to a political subdivision paying taxes under this section shall be charged to the political subdivision.

(4) Notwithstanding the provisions of subsections (1) and (2) of this section, any political subdivision may elect to pay taxes or cancel a tax election effective January 1, 1978, if such election or notice of cancellation is filed by January 31, 1978. The assistant director may for good cause extend the period for filing an election for an additional 30 days. [1973 c.715 §5, 1975 c.156 §3; 1977 c.446 §8; 1989 c.609 §4]

657.510 Refunds. If not later than three years after the date on which any contributions, interest, fines or penalties were paid pursuant to this 1965 Act, an employer who has paid such contributions, interest, fines or penalties makes application for an adjustment thereof in connection with subsequent contributions, interest, fine or penalty payments, or for a refund thereof because such adjustment cannot be made, and the assistant director determines that such contributions, interest, fines or penalties, or any portion thereof were collected erroneously, the assistant director shall allow such employer to make an adjustment of the amount erroneously paid, without interest, in connection with subsequent contributions, interest, fine or penalty payments by the employer or, if such adjustment cannot be made, the assistant director shall refund said amount, without interest, from the Unemployment Compensation Trust Fund or from the Employment Division Special Administrative Fund, as applicable; provided that the assistant director shall not allow any adjustment in connection with subsequent contributions for amounts of interest, fines or penalty payments collected or received subsequent to July 1, 1965, nor shall the assistant director refund any such payment from the fund except that the assistant director may refund any such payment from the interest, fine and penalty collected after such date which are temporarily in the fund for clearance pending transfer to the Employment Division Special Administrative Fund. For like cause and within the same period, adjustment or refund from the Unemployment Compensation Trust Fund and the Employment Division Special Administrative Fund, as appropriate, may be

so made on the assistant director's own initiative. Refunds of contributions pursuant to ORS 657.065 (1) shall be refunded by the assistant director from the fund without application. When refunds of contributions are made pursuant to ORS 657.065 (1), refunds of fines, penalties and interest, if any, shall be made from the Employment Division Special Administrative Fund without application. [Amended by 1965 c.359 §4]

657.513 Political subdivision contribution payments from Local Government Employer Benefit Trust Fund. (1) A political subdivision required to make payments into the Unemployment Compensation Trust Fund under ORS 657.505 may request the Assistant Director for Employment of the Department of Human Resources, with the approval of the assistant director, to pay on behalf of the political subdivision such amounts as the political subdivision is required to pay into the fund. The employer may request the assistant director to pay on its behalf such amounts as the political subdivision is required to pay into the fund. This request must be filed with the assistant director by January 31 of any year in order to be effective July 1 of that year.

(2) A request shall continue until canceled but shall be for a period of not less than two years. A political subdivision may cancel its request by filing a written notice of its intention to cancel with the assistant director by January 31 of the year in which the cancellation is to be effective. A cancellation shall be effective only on June 30 of a year. The political subdivision shall be responsible for paying into the Unemployment Compensation Trust Fund any amounts paid out to claimants after the effective date of a cancellation and attributable to base period wages paid by the political subdivision during a period it was subject to the provisions of ORS 293.701, 294.725 to 294.755, 657.505 or this section.

(3) The assistant director may for good cause extend the period within which a request or cancellation of a request must be filed for an additional 30 days.

(4) The assistant director shall pay into the Unemployment Compensation Trust Fund from the Local Government Employer Benefit Trust Fund such amounts of benefits that are paid to claimants during the period the

political subdivision is a participant in the Local Government Employer Benefit Trust Fund created by ORS 294.730. Benefits paid to claimants during a period when the political subdivision is not a participant shall be reimbursed directly to the Unemployment Compensation Trust Fund by the political subdivision. [1977 c.491 §2, 1989 c.135 §6]

657.515 Delinquent taxes; interest; civil penalties; collection by civil action; settlement. (1) If an employer defaults with respect to any payment required to be made by the employer to the Unemployment Compensation Trust Fund, the taxes at any time due, together with interest thereon and penalties, shall be collected by the assistant director in a civil action against such employer brought in the name of the assistant director and judgment rendered thereon shall bear interest at the rate provided in subsection (2) of this section. Such employer's compliance with this chapter, requiring payments to be made to the Unemployment Compensation Trust Fund, shall date from the time said money was collected. The amount of taxes collected shall be paid into the Unemployment Compensation Trust Fund. The amount of interest, penalties and fines collected pursuant to this subsection shall be paid to the Employment Division Special Administrative Fund in accordance with the provisions of ORS 657.830 (3).

(2) Interest upon the amount due from an employer shall be paid and shall be collected, at the same time payment of taxes is required to be made by such employer to the Unemployment Compensation Trust Fund at the rate of one and one-half percent per month from the date prescribed for the payment to the Unemployment Compensation Trust Fund. In computing such interest, a fraction of a month shall be counted as a full month.

(3) If any employer fails to make payment of taxes required by this chapter at the time prescribed by the assistant director for the payment thereof, such employer shall be in default.

(4) If any employer who is in default with respect to payment of any taxes fails to make payment thereof within 10 days after written demand therefor has been made by the assistant director, such employer shall be subject, in the discretion of the assistant director, to a penalty of 10 percent of the amount of such taxes. A demand for payment shall be deemed to have been made when deposited in the mail addressed to such employer at the employer's last-known address as shown by the records of the assistant director.

(5) If any part of any deficiency is due to fraud with intent to avoid payment of taxes to the Unemployment Compensation Trust Fund, then 50 percent of the total amount of the deficiency, in addition to such deficiency, shall be assessed, collected and paid in the same manner as if it were a deficiency and shall be paid into the Employment Division Special Administrative Fund pursuant to this section and ORS 657.822.

(6) Civil actions brought in the name of the assistant director under this section to collect taxes, interest or penalties from an employer, shall be entitled to preference upon the calendar over all civil cases which involve only private parties.

(7) Notwithstanding the provisions of this section, if the assistant director finds that the total interest collectible on any delinquent account is in excess of 25 percent of the principal and that an employer or former employer, who no longer conducts an active business, has insufficient net assets to pay the full amount of all taxes, interest or penalties that may be due and where such employer or former employer can pay some but not all of such amount, the assistant director may agree to accept any amount the assistant director finds reasonable under the circumstances, as consideration for the settlement of the full amount of taxes, interest or penalties due. Whenever such an agreement is made a written record signed by the assistant director shall be maintained in the files of the assistant director. Such records shall set forth:

(a) The name of the taxpayer against whom the liability was assessed;

(b) The amount of the assessed liability;

(c) The amount of the liability paid;

(d) The amount of the liability canceled or waived;

(e) A sworn statement of the taxpayer or personal representative setting forth the complete financial responsibility of the taxpayer or the taxpayer's estate, and containing a full disclosure of all matters bearing upon the ability of the taxpayer or estate to pay the full amount of the liability assessed; and

(f) The written recommendation of an assistant to the Attorney General assigned to the assistant director that the liability be reduced in the amount shown by the record.

(8) A full and true copy of the record of each such agreement and settlement as provided in subsection (7) of this section shall be filed by the assistant director with the Secretary of State as a public record.

(9) The amount of any settlement reached pursuant to this section shall be first cred-

ited to the taxes due from such employer until the principal amount of taxes due has been satisfied and shall be deposited in the Unemployment Compensation Trust Fund. (Amended by 1959 c 598 §1; 1963 c.390 §1, 1965 c.359 §5; 1977 c.538 §10; 1981 c 29 §1)

657.517 Authority of assistant director to compromise or adjust debts or overpayments; determination of uncollectible amounts. (1) When in the judgment of the assistant director the best interests of the Employment Division are served, the assistant director may:

(a) Waive, reduce or compromise any tax balance of \$10 or less;

(b) Retain any tax overpayment of \$10 or less; or

(c) Waive, reduce or compromise any part or all of the tax interest and tax penalties provided by this chapter.

(2) The assistant director may determine that the amount of tax, interest and penalty due and unpaid on a delinquent tax account is uncollectible, and write such amount off, if:

(a) The delinquent amount has been reduced to the status of a lien or judgment under the provisions of this chapter and such lien or judgment has expired; or

(b) The taxpayer no longer has an active business in Oregon and has not had an active business within the three most recently completed calendar years, and there is little or no likelihood of recovering the amount due.

(3) In making the determination that an account is uncollectible, the assistant director shall consider, among other factors:

(a) The administrative costs of continued collection efforts in relation to the amount due;

(b) The accessibility of the taxpayer for effective collection actions; and

(c) The taxpayer's financial condition and ability to pay the amount due, both current and projected.

(4) A record shall be made showing the reasons for waiving, reducing, compromising or writing off amounts under this section. Such record shall be retained for a period of seven years from the date the account was written off. (1969 c.57 §2; 1981 c 5 §5; 1983 c 54 §1)

657.520 Claims for contribution are preferred. All contributions, interest charges, penalties or amounts due the Unemployment Compensation Trust Fund from any employer under this chapter and all judgments recovered by the assistant director against any employer under this chapter shall be given the same priority as taxes and

shall be deemed preferred to all general claims in all bankruptcy proceedings, trustee proceedings, proceedings for the administration of estates, receiverships and assignments for the benefits of creditors involving the employer liable therefor or the property of such employer.

657.525 Lien on subjects and products of labor for which contributions are due. A lien is created in favor of the assistant director upon all real property within this state and any structure or improvement thereon and upon any mine, lode, deposit, mining claim, road, tramway, trail, flume, ditch, pipeline, building or other structure or equipment on or pertaining thereto, and upon all lumber, sawlogs, spars, piles, ties or other timber, and upon all other manufactured articles of whatsoever kind or nature upon which labor is performed by the workers of any employer subject to this chapter, in a sum equal to the amount at any time due from such employer to the assistant director on account of labor performed thereon by the workers of such employer, together with interest and penalties.

657.530 Lien on property used in connection with employment on which contributions are due. The assistant director also shall have a lien upon all real or personal property of the employer used in connection with the employment on which contributions are due, in a sum equal to the amount at any time due from any employer subject to this chapter on account of labor performed by the workers of such employer, together with interest and penalty.

657.535 Liens under ORS 657.525 or 657.530; priority; filing statement of lien; foreclosure. (1) The liens created by ORS 657.525 and 657.530 shall be prior to all other liens and encumbrances, except labor liens and taxes, and they shall have equal priority with other tax liens.

(2) In order to assert such liens, the assistant director shall, within 60 days after the employer is in default, as provided in ORS 657.515 (3), file with the county clerk of the county within which such property is then situated, a statement in writing describing the property upon which a lien is claimed and stating the amount of the lien claimed by the assistant director. If a lien is claimed on real property not then owned by the employer, such statement must be filed within 60 days from the completion of the work.

(3) When a lien is claimed on real property, the assistant director shall, within one year from the filing of the statement, commence a suit to cause such lien to be foreclosed in the manner provided by law for the

foreclosure of other liens on real or personal property. If the lien is claimed on personal property, the assistant director may, within one year from the filing of the statement, commence foreclosure proceedings as provided in ORS 87.110 and 87.115 (1973 Replacement Part). [Amended by 1987 c.158 §127]

657.540 Lien on all property of defaulting employer; recording; priority; foreclosure. (1) If an employer liable for the payment of contributions to the Unemployment Compensation Trust Fund is in default, as provided in ORS 657.515 (3), the amount of contributions, interest and penalties due shall be a lien in favor of the assistant director upon all property, whether real or personal, belonging to such employer and shall attach upon the filing of a notice of claim of lien with the county clerk of the county in which the property is located.

(2) The notice of lien claim shall contain a true statement of the demand, after deducting all just credits and offsets, and the default of such employer. The county clerk shall record said claim of lien in a book kept for that purpose, which record shall be indexed as deeds and other instruments.

(3) The lien created by this section is prior to all liens and encumbrances recorded subsequent to the filing of notice of claim of lien, except taxes and labor liens.

(4) The lien created by this section may be foreclosed by a suit in the circuit court in the manner provided by law for the foreclosure of other liens on real or personal property. [Amended by 1965 c 359 §6]

657.542 Filing liens with Secretary of State. (1) Any lien filed as provided in ORS 657.535 and 657.540 may also be filed in the office of the Secretary of State. Filing in the office of the Secretary of State shall be of no effect, however, until the lien or copy thereof shall have been filed with the county clerk in the county where the property is situated at the time of the execution of the lien.

(2) When a lien is filed in compliance herewith and with the Secretary of State, such filing shall have the same effect as if the lien had been duly filed for record with the county clerk in each county of this state.

(3) A lien so filed with the Secretary of State shall be filed and indexed by the Secretary of State in the same manner as is provided in ORS 79.4010 for the filing and indexing of financing statements. [1959 c.598 §9; 1961 c 726 §425]

657.545 Release of lien of ORS 657.540 by bond. (1) The employer against whose property a lien has been filed under ORS 657.540 may cause the property to be released by filing with the county clerk of the county wherein such lien is recorded a bond

in a sum double the amount claimed in said lien, executed by a surety company licensed to do business in Oregon or by two freeholders of this state, having the qualifications of bail upon arrest, to be approved by the circuit judge of the district in which said lien is filed, or, in the event of the absence of the circuit judge from the county in which said lien is filed, then by the county judge of said county, running to the assistant director and conditioned for the payment of all damages, costs, charges and disbursements that may be recovered by the assistant director against such employer or that may be found to be a lien upon or against the property of such employer.

(2) The clerk shall issue to such employer a certificate stating that the bond is substituted in lieu of the property of said employer and that the lien on said property is forever released and discharged. A marginal entry of said release and bond shall be made in the lien docket containing the original record of statement of claim.

(3) If the assistant director establishes the validity of the lien by a suit to foreclose the same, the assistant director is entitled to judgment or decree against the sureties upon said bond.

657.550 [Amended by 1959 c.598 §2, repealed by 1963 c.354 §1 (657.552, 657.652, 657.679, 657.681 and 657.683 enacted in lieu of 657.472, 657.512, 657.550 and 657.672)]

657.552 Limitations on notices of assessment and on actions to collect contributions, interest and penalties. (1) Except in the case of failure without good cause to file a return, fraud or intent to evade any provision of this chapter or authorized regulations, every notice of assessment shall be given within four years after the last day of the month following the close of the calendar quarter during which the contribution liability included in the assessment accrued. An employer may waive this limitation period or may consent to its extension.

(2) In case of failure without good cause to file a return, every notice of assessment shall be given within eight years after the last day of the month following the close of the calendar quarter during which the contribution liability included in the assessment accrued. An employer may waive this limitation period or may consent to its extension.

(3) No action or suit shall be commenced to collect any amount of contributions, interest or penalties due under assessment unless such action or suit is commenced within three years from the date of the assessment, except in the case of fraud or intent to evade any provision of this chapter or authorized regulations, an action or suit may be commenced at any time.

(4) If the cause of action or suit accrues or has accrued against any employer who is out of the state or concealed therein, such action or suit may be commenced within three years after the return of such employer into the state, or the time of the concealment of the employer has ended; provided, however, actions to collect contributions, interest or penalties thereon which became due and payable prior to July 5, 1947, and suits to foreclose any lien therefor which is in existence on July 5, 1947, shall be commenced within three years after July 1, 1947. [1963 c.354 §5 (657.552, 657.652, 657.679, 657.681 and 657.683 enacted in lieu of 657.472, 657.512, 657.550 and 657.672)]

657.555 Authority to release, compromise or satisfy liens. Any lien provided for in ORS 657.525 to 657.540 may be released, compromised or satisfied by the assistant director, and the property against which a lien is claimed shall be released therefrom by filing a notice of such release or satisfaction with the county clerk of the county in which the notice of lien claim was filed.

657.557 Remedies for collection of contributions not exclusive. Remedies given to the assistant director under this chapter for the collection of contributions, interest and penalties shall be cumulative and no action taken by the assistant director or the duly authorized representative of the assistant director, the Attorney General, or any other officer, shall be construed to be an election on the part of the state or any of its officers to pursue any remedy to the exclusion of any other. [1959 c.598 §5]

657.560 Joining assistant director in actions involving title of property subject to assistant director's lien. The assistant director may be made a party to any suit or action involving the title to real or personal property against which the assistant director has or may claim a lien under this chapter.

657.565 Unlawful practices of employer. (1) No employer or agent of any employer shall wilfully refuse or fail to pay a contribution to the fund or to furnish any report, audit or information duly required by the assistant director under this chapter.

(2) No employer shall make a deduction from the wages or salary of any employee to pay any portion of the contribution which the employer is required to make.

657.570 Quarterly tax report form; filing with Department of Revenue. Every employing unit shall make and file a quarterly report of taxes due under this chapter upon a combined quarterly tax report form prescribed by the Department of Revenue. The report shall be filed with the Department of Revenue at the times and in the

manner provided by ORS 316.168 and 316.171. [1989 c.901 §5]

657.575 Repayment of default by nonprofit employing unit; conditions. (1) Notwithstanding any other provision of this chapter, when a nonprofit employing unit as defined in ORS 657.072 (2) is found by the assistant director to be in default with respect to payment of taxes required by this chapter, the nonprofit employing unit may elect to satisfy the deficiency together with any interest and penalties thereon, by making reimbursement payments into the Unemployment Compensation Trust Fund in an amount equivalent to the amount of regular benefits and one-half of extended benefits paid out to claimants who, during the period of noncompliance with this chapter, were paid wages by such nonprofit employing unit. However, the election to make reimbursement payments may not be made if the assistant director finds that any part of the deficiency is due to an intent to postpone or avoid either payment of taxes due the Unemployment Compensation Trust Fund or the election to make reimbursement payments pursuant to ORS 657.505 (8).

(2) Reimbursement payments made pursuant to this section shall be deemed to satisfy any deficiency, together with any interest and penalties thereon. If a nonprofit employing unit elects to make reimbursement payments under this section, any payments previously made to satisfy that deficiency shall be credited to the reimbursement payments for which the nonprofit employing unit is liable. If all liabilities for benefit payments to claimants are met, any payments in excess of the reimbursement payments required, together with any interest and penalties thereon, shall be refunded to the nonprofit employing unit. [1989 c.329 §2]

Note: Section 3, chapter 329, Oregon Laws 1989, provides.

Sec. 3. Section 2 of this 1989 Act [657.575] applies to default determinations of the assistant director, with respect to the payment of taxes required by this chapter [ORS chapter 657], made on or after January 1, 1987 [1989 c.329 §3]

in the fund to assure the payment of benefits under this chapter.

(2) In the event of general and extended unemployment, such that the reserve of the fund is reduced below the amount of reserve so determined, the assistant director may declare an emergency and announce a modified scale of benefits, an increased waiting period or other changes in the rules and regulations regarding eligibility for a receipt of benefits which the assistant director considers necessary to maintain the reserves of the fund.

The assistant director or the authorized agent of the assistant director shall issue subpoenas to any party upon request

thereof by a time to be therein specified, not less than 60 days from the date of the warrant.

(2) The sheriff shall, within five days after the receipt of the warrant, record with the clerk of the county a copy thereof, and thereupon the clerk shall enter in the County Clerk Lien Record the name of the employer mentioned in the warrant, and the amount of the tax, interest, penalties and collection charge for which the warrant is issued and the date when such copy is recorded. Thereupon the amount of the warrant so recorded shall become a lien upon the title to and interest in property of the employer against whom it is issued in the same manner as a judgment duly docketed. The sheriff thereupon shall proceed upon the same in all respects, with like effect and in the same manner prescribed by law in respect to executions issued against property upon the judgment of a court of record, and shall be entitled to the same fees for services in executing the warrant, to be added to and collected as a part of the warrant liability.

(4) If a warrant is returned not satisfied in full, the assistant director shall have the same remedies to enforce the claim for taxes, interest and penalties against the employer as if the assistant director had recovered judgment against the employer for the amount of the taxes, interest and penalties.

(5) Interest upon the taxes due as set forth in the warrant shall be paid and collected at the rate prescribed in ORS 657.515 (2). [1971 c.128 §2; 1983 c.696 §25]

The penalty shall be .0002 of the taxable wage base in effect for the year against which the penalty is being assessed for each employee listed each quarter on the late filed reports. The request must be in writing and state the reason why the report was filed late. If the assistant director determines the employer had good cause for filing the report late, the penalty shall be deleted. If it is determined there was not good cause for filing the report late, the request for deletion shall be denied.

(5) A decision denying the request shall become final, unless within 20 days from the date of mailing the decision to the last-known address of the employer, the employer files a request for hearing. [1963 c.354 §2 (657.552, 657.652, 657.679, 657.681 and 657.683 enacted in lieu of 657.472, 657.512, 657.550 and 657.672); 1975 c.156 §4; 1977 c.538 §11]

657.681 Computation and assessment of employer contributions and interest; jeopardy assessments; application for hearing. (1) If an employer files a report for the purpose of determining the amount of contributions due under this chapter but fails to pay contributions or interest, the assistant director or authorized representative may assess the amount of contributions or interest due on the basis of the information submitted and shall give written notice of the assessment to the employer mailed to the last-known address of record with the assistant director. In the event that such report is subsequently found to be incorrect additional assessments, may be made, subsection (5) of this section to the contrary notwithstanding.

(2) If an employer fails to file a report when required by the assistant director for the purpose of determining the amount of contribution due under this chapter, the assistant director or authorized representative may make an estimate based upon any information of the amount of wages paid for employment in the period or periods for which no report was filed and upon the basis of such estimate shall compute and assess the amount of employer contributions payable by the employer. Written notice of the assessment shall be mailed to the last-known address of the employer of record with the assistant director.

(3) If the assistant director or authorized representative is not satisfied with a report made by an employer for the purpose of determining the amount of contribution due under this chapter, the assistant director or authorized representative may compute the amount required to be paid upon the basis of facts contained in the report or upon the basis of any information obtainable and may make an assessment of the amount of the deficiency. Written notice of such deficiency assessment shall be mailed to the last-known address of the employer of record with the assistant director.

(4) If the assistant director or authorized representative has reason to believe that an employer is insolvent, or that the collection of any contributions will be jeopardized by delaying collection, the assistant director or authorized representative may thereupon make an immediate assessment of the estimated amount of accrued contributions, not-

ing upon the assessment that it is a jeopardy assessment levied under this subsection, and may proceed to enforce collection immediately, but interest shall not begin to accrue upon such contributions until the due date nor shall court costs be taxed against such employer on any action to enforce collection commenced prior to the due date. The assistant director or authorized representative may, in levying the assessment, demand a bond or deposit of such security as is necessary to insure collection of the amount of such assessment. Written notice of the assessment shall be mailed to the last-known address of the employer of record with the assistant director.

(5) All assessments provided for in this section shall finally fix the amount of contributions due and payable unless the employer shall within 20 days after the mailing of the notice of assessment apply to the assistant director for a hearing, or unless the assistant director or authorized representative on the motion of the assistant director or authorized representative reviews the same prior to a decision of the referee thereon pursuant to hearing. An employer who fails to apply for a hearing upon an assessment within the time provided or, having applied, fails to appear and be heard after due notice of such hearing, shall be precluded from raising any defense to any action, suit or proceeding brought by the assistant director for the recovery of contributions based upon such assessment which could have been raised in the hearing. An application for a hearing to review an assessment made under ORS 657.681 (4) which was accompanied by a demand for a bond or deposit shall not be valid unless such bond or deposit is filed with the application in a form acceptable to the assistant director or authorized representative.

(2) If a valid application for hearing is filed within the time provided by ORS 657.679 and 657.681, a referee designated by the assistant director shall review the determination or assessment and if requested by the employing unit shall grant a hearing unless a hearing has previously been afforded the employing unit on the same grounds as set forth in the application. (3) Hearings under ORS 657.679 and 657.681 shall be conducted in accordance with this chapter and the rules and regulations of the assistant director. The filing of an application for hearing with respect to a disputed assessment shall not affect the right of the assistant director or authorized representative to perfect any liens provided by this chapter.

(4) All testimony at any hearing held under ORS 657.679 and 657.681 shall be recorded but need not be transcribed unless a petition for judicial review from the decision of the referee is filed in the manner and within the time prescribed. At any hearing held as provided in ORS 657.679 and 657.681 the determination or assessment of the assistant director or authorized representative shall be prima facie correct and the burden shall be upon the protesting employing unit to prove that it is incorrect. Thereafter the referee shall enter the findings of fact and decision, either affirming, modifying, or setting aside the determination or assessment of the assistant director or authorized representative and in the case of an assessment, the referee may increase or decrease the amount of the assessment. The employing unit and the assistant director shall be promptly notified of the decision of the referee.

(5) A decision of the referee shall become final on the date of notification or the mailing thereof to the assistant director and to the employing unit at the last-known address of record with the assistant director unless within the time specified in ORS 183.480 (2) the referee upon the motion of the referee reviews the same and issues an amended decision in which case the amended decision becomes the final decision. [1963 c.354 §4 (657.552, 657.652, 657.679, 657.681 and 657.683 enacted in lieu of 657.472, 657.512, 647.550 and 567.672), 1967 c.435 §9; 1971 c.734 §98]

The assistant director may file petition for judicial review in accordance with this section from decision of the referee. When judicial review is upon an assessment or assessments made pursuant to ORS 657.681 and the court determines the assessment or assessments are valid, judgment shall be given in favor of the assistant director for the amount due as determined by the court. [1971 c.734 §100]

OREGON STATE EMPLOYMENT SERVICE

657.705 Oregon State Employment Service. There is created under the assistant director a subdivision, to be known as the Oregon State Employment Service, which shall be affiliated with the United States Employment Service. Such subdivision shall be administered by a person well qualified by technical training and experience in the functions to be performed. Such a person shall be appointed by the assistant director subject to the provisions of ORS 657.650. [Amended by 1959 c.583 §17; 1969 c.597 §189]

657.710 Free public employment offices; public agencies to provide information on job vacancies. (1) The assistant director shall establish and maintain such free public employment offices, subject to any contract, agreements or obligations entered into or assumed under chapter 135, Oregon Laws 1935, including such branch offices as may be necessary for the proper administration of this chapter. The assistant director shall maintain a subdivision for this purpose. All moneys made available by or received by the state for the Oregon State Employment Service shall be paid to and expended from the Unemployment Compensation Administration Fund.

(2) Each public agency shall provide to the assistant director timely information pertinent to all existing job vacancies over which the public agency exercises employment control and for which there will be open recruitment. Such information shall be made available to the public by the assistant director. As used in this subsection "public agency" has the meaning provided for that term in ORS 279.011. [Amended by 1969 c.597 §190; 1983 c.339 §1]

657.715 Wagner-Peyser Act accepted. The State of Oregon hereby accepts the provisions of the Act of Congress approved June 6, 1933, entitled "An act to provide for the establishment of a national employment system and for cooperation with the states in the promotion of such system, and for other purposes."

657.720 Cooperation with federal agencies, political subdivisions or private organizations in maintaining public employment service. (1) The assistant director is designated and constituted the agency of this state for the purpose of the Wagner-Peyser Act. The assistant director shall cooperate with all authorities of the United States having powers and duties under the Wagner-Peyser Act and do and perform all things necessary to secure to this state the benefits of the Wagner-Peyser Act in the promotion and maintenance of a system of public employment offices.

(2) The assistant director may cooperate with or enter into agreements with the Railroad Retirement Board with respect to the establishment, maintenance and use of free public employment service facilities. For the purpose of establishing and maintaining free public employment service the assistant director may enter into agreements with the Railroad Retirement Board or any other agency of the United States charged with the administration of an unemployment insurance law, with any political subdivision of this state, or with any private nonprofit organization, and as a part of any such agreement may accept moneys, services or quarters as a contribution to the Unemployment Compensation Administration Fund.

657.725 Employment districts. The assistant director may divide the state into such number of employment districts as the assistant director finds necessary and maintain a district office in each of said districts.

RECIPROCAL AND COOPERATION AGREEMENTS

657.755 Cooperation with federal agencies administering unemployment insurance laws. The assistant director shall:

(1) Cooperate in all necessary respects with the appropriate agencies and departments of the Federal Government in the administration of this chapter and of free public employment offices.

(2) Make the state's records relating to the administration of this chapter available to the Railroad Retirement Board and furnish to the Railroad Retirement Board, at the expense of such board, copies thereof as that board deems necessary for its purposes.

(3) Afford reasonable cooperation with every agency of the United States charged with the administration of any unemployment insurance law and make all reports thereon requested by any directly interested federal agency or department.

(4) Accept any sums allotted or apportioned to the state for such administration and comply with all reasonable federal regulations governing the expenditures of such sums.

657.757 Cooperation with federal agencies administering training or retraining programs and other assistance. (1) The Employment Division is authorized to cooperate with or enter into agreements with appropriate agencies of the Federal Government whereby:

(a) The assistant director may act as agent of the Federal Government, in the payment of subsistence or other cash allowances provided in programs adopted by the

Federal Government, including training and retraining programs or other assistance to individuals in this state.

(b) In performing services incidental to such programs the assistant director may make such reports, surveys and analyses as may be required and comply with all reasonable rules and regulations in connection with such programs.

(c) The assistant director may accept any sums allotted or apportioned to the state for administrative purposes and maintain separate accounting of all subsistence or cash allowances deposited with the state for payment to qualified individuals.

(2) Nothing in this section shall in any way affect the validity of any agreements entered into with any federal agency prior to July 1, 1963. [1963 c 216 §2]

657.760 Reciprocal agreements on coverage and collection of contributions. The assistant director may enter into agreements with the appropriate agencies of other states or the Federal Government whereby:

(1) Potential rights to benefits accumulated under the unemployment insurance laws of the several states or under such a law of the Federal Government, or both, may constitute the basis for the payment of benefits through a single appropriate agency under terms which the assistant director finds will be fair and reasonable as to all affected interests and will not result in any substantial loss to the fund.

(2) Individuals performing services in this and other states for a single employing unit under circumstances not specifically provided for in ORS 657.035 (2) or under similar provisions in the unemployment insurance laws of such other states, shall be deemed to be engaged in employment performed entirely within this state or within one of such other states and whereby potential rights to benefits accumulated under the unemployment insurance laws of one or more states or under such a law of the Federal Government, or both, may constitute the basis for the payment of benefits.

(3) The collection and payment of contributions by employers with respect to employment not localized within this state is adjusted.

657.765 Reciprocal agreements concerning payroll taxes for out-of-state work. Whenever the unemployment insurance laws of other states provide for inclusion of out-of-state payment of wages in computing wages paid in like manner as provided in ORS 657.095 (2), the assistant director may enter into agreements with those empowered to administer the unemployment

insurance laws of such other states for the purpose of:

(1) Waiving the further collection of payroll taxes in all the states when the aggregate amount of said wages is in excess of "payroll" as defined in ORS 657.095 (1); and

(2) Securing uniformity for payroll reporting on such out-of-state work. [Amended by 1955 c.655 §24; 1973 c.300 §13; 1973 c 810 §3]

657.770 Reciprocal agreements concerning wages used as basis for benefits.

(1) The assistant director may enter into reciprocal arrangements with appropriate and duly authorized agencies of other states or of the Federal Government, or both, whereby wages, upon the basis of which an individual may become entitled to benefits under an employment security law of another state or of the Federal Government, shall be deemed to be wages for insured work for the purpose of determining benefits under this chapter; and wages for insured work, on the basis of which an individual may become entitled to benefits under this chapter shall be deemed to be wages on the basis of which unemployment insurance is payable under such law of another state or of the Federal Government.

(2) No such arrangement shall be entered into unless it contains provision for reimbursement to the fund for such of the benefits paid under this chapter on the basis of such wages and provision for reimbursement from the fund for such benefits paid under such other law on the basis of wages for insured work, as the assistant director finds will be fair and reasonable to all affected interests.

(3) Reimbursements paid from the fund pursuant to this section are deemed to be benefits for the purposes of this chapter; except that no charge shall be made to an employer's account under ORS 657.471 in excess of the maximum benefits payable under ORS 657.150 or when no benefits would have been payable to an individual but for this section, because of the lack of wages for insured work necessary to qualify for benefits.

(4) Notwithstanding the provisions of subsections (1) and (2) of this section, the assistant director shall participate in any arrangements for the payment of compensation on the basis of combining an individual's wages and employment covered under this chapter with wages and employment covered under the unemployment insurance laws of other states which are approved by the United States Secretary of Labor in consultation with the state unemployment insurance agencies as reasonably calculated to assure the prompt and full payment of compensation in such situations and which include provisions for:

(a) Applying the base period of a single state law to a claim involving the combining of an individual's wages and employment covered under two or more state unemployment insurance laws, and

(b) Avoiding the duplicate use of wages and employment by reason of such combining. [Amended by 1957 c.699 §11; 1971 c.463 §19]

657.775 Cooperation with other states on reciprocal basis for collection of contributions. (1) The courts of the State of Oregon shall recognize and enforce the liability for unemployment insurance contributions imposed by other states which extend a like comity to this state, and officials of such other states may initiate civil proceedings in the courts of this state to enforce the collection of such contributions. The certificate of the Secretary of State of such other states that such officials have the authority to collect the contributions is conclusive evidence of such authority.

(2) The Attorney General is empowered to initiate and prosecute civil proceedings in the courts of other states by and in the name of the assistant director to enforce the liability for unemployment insurance contributions imposed by the State of Oregon, and may also initiate and prosecute civil proceedings in this state as agent for and on behalf of any other state to enforce liability for unemployment insurance contributions due such state if the state extends a like comity to the State of Oregon. The compensation for the services of the Attorney General rendered on behalf of other states under this section shall be paid from moneys appropriated to the Employment Division for administrative expenditures. The compensation for similar officers of other states for services rendered on behalf of this state under this section shall be paid by such other state. However, all other expenses of civil proceedings under this section shall be paid by the state, officer or agency thereof at whose request such proceedings were initiated.

(3) The Attorney General, with the approval of the assistant director, may employ a special assistant under ORS 180.140 (5) to initiate and prosecute civil proceedings in other states to enforce liability for unemployment contributions imposed by the State of Oregon and nothing in this section shall be deemed to prevent the officials of other states from employing any member of the Oregon State Bar to initiate and prosecute civil proceedings in this state to enforce liability for unemployment insurance imposed by such other states.

(4) As used in this section, "contributions" includes interest and penal-

ties imposed pursuant to an unemployment insurance statute. [1963 c.453 §2, 1983 c.740 §247]

657.780 Agreements with governmental agencies to withhold benefits for child support obligations. (1) The assistant director may enter into agreements with the appropriate agencies of this state, other states and agencies of the Federal Government, whereby child support obligations owed by an individual who is eligible for unemployment compensation may be met, in whole or in part, by withholding all or a portion of the unemployment compensation due the individual and forwarding of the amount so withheld to the appropriate child support enforcement agency.

(2) Any amount deducted and withheld under subsection (1) of this section shall for all purposes be treated as if it were paid to the individual as unemployment compensation.

(3) This section shall apply only if appropriate arrangements have been made for reimbursement, by the agency or agencies involved, for the administrative costs incurred by the Employment Division under this section.

(4) The assistant director shall prescribe such rules as is deemed necessary with respect to implementation and administration of procedures to comply with the provisions of this section. [1982 s.s.1 c.30 §9]

(4) All other moneys received for the fund from any other source.

(5) All moneys credited to this state's account in the unemployment trust fund pursuant to section 903 of the Social Security Act, as amended. [Amended by 1957 c.609 §1; 1965 c.359 §7]
