(2) "Common property" means any real property or interest in real property within a planned community which is owned or leased by the homeowners association or owned as tenants in common by the lot owners, or designated in the declaration for transfer to the association. "Common property" does not include any lot designated on the plat or in the declaration of a planned community for ownership by a person other than the homeowners association.

(4) "Declarant" means:

(c) Any person, other than a homeowners association, to whom a declarant has transferred, for the purpose of resale, all of the declarant's ownership interest in the planned community.

(5) "Declaration" means the instrument described in ORS 94.580 which establishes a planned community, and any amendments to the instrument.

(9) "Planned community" means any subdivision under ORS 92.010 to 92.190 which results in a pattern of ownership of real property and all the buildings, improvements and rights located on or belonging to the real property, in which:

(a) There is a homeowners association responsible for the maintenance, operation, insurance and property taxes relating to any common property of the planned community or for the exterior maintenance of any property that is individually owned; and

(b) Owners of individual lots, by virtue of their ownership, automatically are members of the homeowners association and assume liability for membership fees.

(10) "Purchaser" means any person other than a declarant who, by means of a voluntary transfer, acquires a legal or equitable interest in a lot, other than as security for an obligation.

(11) "Purchaser for resale" means any person who purchases from the declarant more than two lots for the purpose of resale whether or not the purchaser for resale makes improvements to the lots before reselling them.

(12) "Special declarant rights" means any rights, in addition to the rights of the

declarant as a lot owner, reserved for the benefit of the declarant under the declaration or ORS 94.550 to 94.783, including but not limited to:

(a) Constructing or completing construction of improvements in the planned community which are described in the declaration;

(b) Expanding the planned community or withdrawing property from the planned community under ORS 94.580 (3) and (4);

(c) Converting lots into common property;

(d) Making the planned community subject to a master association under ORS 94.695; or

(15) "Votes" means the votes allocated to lots in the declaration under ORS 94.580 (2)(g). [1981 c.782 §3]

94.560 Legislative findings. The Legislative Assembly finds that:

(1) In the State of Oregon there are hundreds of homeowners associations to which the Oregon Condominium Law (ORS chapter 100) does not apply.

(2) These homeowners associations have established a pattern of ownership in which ownership of a single unit makes the owner automatically a member of a homeowners association with responsibilities for management and maintenance.

(3) Many of these homeowners associations as associations and their members as individuals have experienced problems from the lack of statutory provisions. These problems which have arisen are usually the result of inexperience with this kind of ownership. This inexperience often leads to difficulties for the association when it assumes responsibility for the administration of the planned development because usually neither the developer who drafted the documents nor the local jurisdiction which may have reviewed them has realized the long term management implications of the restrictions imposed by the documents. The most serious and frequent error is imposing excessive voting requirements for any changes in the documents, a basic error that

makes it and other errors unnecessarily difficult, if not impossible, to correct. Of almost equal importance is the lack of disclosure of significant differences this pattern of ownership imposes on the homeowner and the restrictions on choice that must be accepted.

(4) Oregon land conservation policies and the increasing cost of land will result in rapid growth of this kind of home ownership pattern.

(5) It is a matter of statewide concern that the Legislative Assembly address problems associated with homeowners associations in order to make this kind of home ownership pattern an acceptable choice and in order to assure proper maintenance of the projects so that the investment of the owners and the appearance of Oregon communities are protected.

(6) It is essential that the Legislative Assembly establish basic statutory requirements for disclosure to first and subsequent buyers, for the organization of the homeowners association, and for a process by which administrative responsibility for the planned community is transferred from the developer to the association of individual owners.

(7) ORS 94.550 to 94.783 are intended to make developers, their legal counsel and homeowners in Oregon homeowners associations the beneficiaries of experience accumulated under Oregon's condominium law and gathered from members of existing Oregon homeowners associations and associations in parts of the country where the record of experience is longer than that in Oregon. [1981 c.782 §3a]

(Creation of Planned Community)

94.565 Planned community to be created under ORS 94.550 to 94.783; exception; sale of lot or unit prohibited until declaration filed. (1) Except as provided in ORS 94.570, no person shall create a planned community in this state except as provided in ORS 94.550 to 94.783.

(2) No person shall sell any lot or unit in a planned community until the declaration for the planned community is recorded with the county recording officer of each county in which the planned community is located. [1981 c.782 §5]

94.570 Applicability of ORS 94.550 to 94.783. (1) ORS 94.550 to 94.783 do not apply to any person establishing:

(a) A planned community that contains 20 or fewer lots, if the declarant has reserved no right to increase the total number of lots in the planned community beyond 20;

(b) A condominium under ORS chapter 100;

(c) A planned community that is exclusively commercial or industrial, or commercial and industrial;

(d) A de minimus planned community described in subsection (2) of this section; or

(e) A timeshare plan under ORS 94.803 and 94.807 to 94.945.

(2) A de minimus planned community is one:

(a) That is defined or accepted as such by any of the agencies listed in ORS 94.585; or

(b) For which the estimated total annual assessment against all lots in the planned community for maintenance and for the reserves required under ORS 94.595 does not exceed the greater of two percent of the estimated value of all lots against which the assessment will be levied or the product of \$360 multiplied by the total number of lots in the planned community. For purposes of this paragraph, the estimated value includes the sewers, water systems and streets but not any structures. The assessment estimate under this paragraph:

(A) Shall include current costs for any services which the declarant will be providing at less than cost during the period the declarant is marketing the lots and which the association will have to provide at cost after the declarant no longer performs these services. Current costs shall be based on competitive current rates for alternative professional services for such items as landscape and pool maintenance.

(B) Shall include maintenance and reserve account estimates based on figures obtained from the department of the city, county or district which would normally perform or contract for services which instead are provided by the planned community.

(C) Shall be conclusively presumed to have been made in good faith if one year after the declarant no longer provides any services at less than cost, the total assessment for maintenance and reserves does not exceed three percent of the current assessed value of these lots not including structures on the lots.

(3) Notwithstanding paragraph (a) of subsection (1) of this section, ORS 94.550 to 94.783 apply to a planned community with 20 or fewer units if the declarant so provides in the declaration of the planned community.

(4) Nothing in this section prohibits the establishment of a condominium subject to ORS chapter 100 within a planned community. [1981 c.782 §6; 1983 c.530 §52; 1985 c.76 §3]

94.575 Applicability of subdivision law. ORS 92.010 to 92.170 apply to a planned

community established under ORS 94.550 to 94.783. [1981 c.782 §4]

(p) A statement of the circumstances under which the individual owners will assume

control of the homeowners association as provided under ORS 94.609. These circumstances may be established by a percentage of votes, a stated number of years or the occurrence of a stipulated event;

(q) A statement of the time at which the deed to the common property is to be delivered, whether by date or upon the occurrence of a stipulated event if the deed is not to be delivered at the turnover meeting under ORS 94.616; and

(A) A right to divide the lot or to combine it with other lots;

(B) A right to repair or restore improvements on the lot at the owner's discretion in the event of damage or destruction;

(C) The requirement for architectural controls, including but not limited to fencing, landscaping or choice of exterior colors and materials of structures to be placed on the common property or on a lot; and

(D) The requirement of review of any plans of any structure to be placed on the common property or a lot.

(3) If the declarant reserves the right to expand the planned community by annexing lots or common property or by creating additional lots by developing existing property in the planned community, the declaration shall contain in addition to the provisions required under subsections (1) and (2) of this section, a general description of the plan of development, including:

(a) The procedure by which the planned community will be expanded;

(b) The maximum number of lots and units to be included in the planned community or a statement that there is no limitation on the number of lots or units which the declarant may create or annex to the planned community;

(c) A general description of the nature and proposed use of any common property which the declarant agrees to annex to the planned community or a statement that there is no limitation on the right of the declarant to annex common property;

(e) The formula to be used for reallocating the common expenses if additional lots are to be created or annexed to the planned community, and the manner of reapportion-

ing the common expenses if lots are created or annexed during the fiscal year.

(4) If the declarant may withdraw property from the planned community, the declaration shall include in addition to the provisions required under subsections (1), (2) and (3) of this section:

(a) The procedure by which property will be withdrawn;

(b) A general description of the property which may be withdrawn from the planned community;

(c) The method of allocation of votes if lots are withdrawn from the planned community;

(d) The formula to be used for reallocating the common expenses if the property to be withdrawn has been assessed for common expenses prior to withdrawal; and

(e) The date after which the right to withdraw property from the planned community shall expire or a statement that such a right shall not expire. [1981 c.782 §12]

94.585 Authority to amend declaration and initial bylaws to comply with federal laws. A declarant may amend the declaration or initial bylaws in order to comply with requirements of the Federal Housing Administration, the United States Department of Veterans' Affairs, the Farmer's Home Administration of the United States, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Mortgage Loan Corporation, any department, bureau, board, commission or agency of the United States or the State of Oregon or any corporation wholly-owned, directly or indirectly, by the United States or the State of Oregon which insures, guarantees or provides financing for a planned community or lots in a planned community. However, if the need to amend the declaration or the initial bylaws occurs after the turnover to the homeowners association has occurred, the amendment must be approved by the association. [1981 c.782 §19; 1991 c.67 §18]

94.580 Amendment by association of declaration and plat. (1) Except as provided in ORS 94.580, the homeowners association may amend the declaration and the plat only by vote or agreement of the owners representing 75 percent of the total votes in the planned community or any larger percentage specified in the declaration. In no event shall an amendment under this section create, limit or diminish any special declarant rights, increase the number of lots or units or change the boundaries of any lot or any uses to which any lot or unit is restricted unless the owners of the affected lots unanimously consent to the amendment. The dec-

laration may provide that a percentage less than 75 percent of the votes of the planned community is required to amend the declaration for amendments relating to age restrictions, pet restrictions, limitations on the number of persons who may occupy units or limitations on the rental or leasing of units.

(2) When the association adopts an amendment to the declaration, the association shall record the amendment in the same place as the declaration. An amendment of the declaration is effective only upon recordation.

(3) Amendments to a declaration under this section shall be executed, recorded and certified on behalf of the association by any officer of the homeowners association designated for that purpose or, in the absence of designation, by the president of the board of directors of the association.

(4) A person may not bring an action to challenge the validity of an amendment adopted pursuant to this section and ORS 94.580 later than one year after the date on which the amendment is recorded. However, nothing in this subsection prevents the association from further amending an amended declaration or plat. [1981 c.782 §21]

94.595 Reserve account for replacing common property. (1) The declarant shall establish a reserve account for replacement of all items of common property which will normally require replacement, in whole or in part, in more than three and less than 30 years. The items may be identified in the reserve account as those which are insurable by a common carrier of all purpose risk insurance.

(2) A reserve account established under this section shall be funded by assessments against the individual lots for maintenance of items for which the reserves are established. The assessments under this subsection begin accruing from the date the first lot assessed is conveyed. These assessments may be shown as a separate item in the sales contract. The declarant may defer payment of the accrued assessment for a lot under this subsection until the date the lot is conveyed.

(3) The amounts assessed shall take into account the estimated remaining life of the items for which the reserve is created and the current replacement cost of those items.

(4) The reserve account shall be established in the name of the homeowners association. The association is responsible for administering the account and for making periodic payments into it. The association shall adjust the amount of the payments at regular intervals to reflect changes in current replacement costs over time.

(5) The account may be used only for replacement of common property and is to be kept separate from assessments for maintenance. However, after the individual lot owners have assumed responsibility for administration of the planned community, the board of directors may borrow funds from the reserve account to meet high seasonal demands on the regular operating funds or to meet other temporary expenses. Funds borrowed to meet temporary expenses under this subsection must be repaid later from special assessments or maintenance fees.

(6) Nothing in this section prohibits prudent investment of reserve account funds subject to any constraints imposed by the declaration, bylaws or rules of the association.

(7) Following the second year after the association has assumed administrative responsibility for the planned community under ORS 94.616, if owners of lots representing 75 percent of the votes of the planned community agree to the action, they may vote to increase, reduce or eliminate future assessments for the account.

(8) Assessments paid into the reserve account are the property of the association and are not refundable to sellers or owners of lots. The sellers or owners of lots may treat their outstanding share of the reserve account as a separate item in the sales contract. [1981 c.782 §15]

(Declarant Control; Turnover of Administrative Control)

94.600 Declarant control of association. Subject to ORS 94.604 to 94.621, a declaration of a planned community may provide for a period of control of the association by the declarant. Such control may include, but need not be limited to, allowing the declarant to allocate a greater number of votes to lots owned by the declarant, to appoint or remove members of the board of directors of the association or to approve an amendment to the declaration or bylaws after turnover. [1981 c.782 §11]

94.604 Transitional advisory committee. (1) As provided in this section, the declarant or the owners of a planned community shall form a transitional advisory committee to provide for the transition from administrative responsibility by the declarant of the planned community under ORS 94.600 to administrative responsibility by the association. Not later than the 60th day after the declarant has conveyed the lots representing 50 percent of the votes in a planned community, the declarant shall call a meeting of owners for the purpose of selecting a transitional advisory committee. The committee

shall consist of three or more members. The owners, other than the declarant, shall select two or more members. The declarant may select no more than one member. The committee shall have reasonable access to all information and documents which the declarant is required to turn over to the association under ORS 94.616.

(2) An owner may call a meeting of owners to select the transitional advisory committee if the declarant fails to do so under subsection (1) of this section.

(3) Notwithstanding subsection (1) of this section, if the owners do not select members for the committee under subsection (1) of this section, the declarant shall have no further obligation to form the committee.

(4) The requirement for a transitional advisory committee shall not apply once the turnover meeting called under ORS 94.609 has been held. [1981 c.782 §64]

94.605 [Amended by 1965 c.619 §31; repealed by 1971 c.478 §1]

94.609 Notice of meeting to turn over administrative responsibility. (1) At the time specified in the declaration, but not later than 120 days after lots representing 75 percent of the votes have been conveyed, the declarant shall call a meeting for the purpose of turning over administrative responsibility for the planned community to the homeowners association.

(2) The declarant shall give notice of the meeting to each owner as provided in the bylaws.

(3) If the declarant does not call a meeting under this section within the required time, the transitional advisory committee formed under ORS 94.604 or any owner may call a meeting and give notice as required in this section. [1981 c.782 §65]

94.610 [Amended by 1965 c.619 §32; repealed by 1971 c.478 §1]

(2) The owners shall elect a board of directors in accordance with the bylaws of the association.

(3) At the meeting, called under ORS 94.609, the declarant shall deliver to the association:

(4) In order to facilitate an orderly transition, during the three-month period following the turnover meeting, the declarant or an informed representative shall be available to meet with the board of directors on at least three mutually acceptable dates to review the documents delivered under subsection (3) of this section. [1981 c.782 §67; 1983 c.206 §3]

94.620 [Repealed by 1971 c.478 §1]

94.621 Rights of declarant following turnover meeting. If a declarant has not completed development of lots or common property in a planned community at the time of the meeting called under ORS 94.609, the declarant may continue to hold the special declarant rights reserved under the declaration. A declarant may not amend the declaration to increase the scope of the rights of the declarant as originally reserved in the declaration filed before the conveyance of the first lot unless all owners consent to the amendment. [1981 c.782 §68]

(Homeowners Association; Management of Planned Community)

94.625 Formation of homeowners association; adoption of initial bylaws. Not later than the date on which the first lot in the planned community is conveyed, the declarant shall form a corporation or unincorporated association and shall adopt the initial bylaws under ORS 94.635. The bylaws may be recorded in the office of the re-

ording officer in each county in which the planned community is located. Failure to comply with this section shall not invalidate a conveyance from the declarant to an owner. [1981 c.782 §35]

94.630 Powers of association. (1) Except as provided in subsection (2) of this section and in its declaration or bylaws, a homeowners association may:

(6) All meetings of the board of directors of the association shall be open to owners.

(7) In a planned community in which the majority of the lots are the principal residences of the occupants, meetings shall be called as follows:

The date of the meeting shall be not less than 14 or more than 30 days after the summary is provided to the owners. At the meeting, whether or not a quorum is present, the budget shall be adopted unless a majority of the votes of the planned community or any larger vote specified in the bylaws rejects the budget. 94.650 Annual meeting of lot owners; notice. (1) The homeowners association shall hold at least one meeting of the owners each

calendar year. Special meetings of the association may be called by the president of the board of directors, a majority of the board of directors or a percentage of owners specified in the bylaws of the association. However, the bylaws may not require a percentage greater than 50 percent or less than 10 percent of the votes of the planned community for the purpose of calling a meeting.

(2) Not less than 10 or more than 50 days before any meeting called under this section, the secretary or other officer specified in the bylaws shall cause notice to be hand delivered or mailed to the mailing address of each lot or to the mailing address designated in writing by the owner, and to all mortgagees that have requested such notice. The association shall treat proceeds of any sale under this section as an asset of the association. This section does not apply to the granting of easements for public utilities, telecommunications utilities or for other public purposes consistent with the intended use of

such common property by the planned community.

(2) A sale, transfer or encumbrance of the common property or any portion of the common property made pursuant to a right reserved in the declaration under this section may provide that the common property be released from any restriction imposed on the common property by the declaration. However, a sale, transfer or encumbrance may not deprive any lot of its right of access or support without the consent of the owner of the lot. [1981 c.782 §47; 1987 c.447 §112]

Upon the written request of an owner or mortgagee of a lot, the association shall make available during reasonable hours all such records for duplication. The association shall maintain a copy, suitable for the purpose of duplication, of the following:

(b) The most recent financial statement prepared pursuant to subsection (1) of this section.

The insurance shall cover the full replacement costs of any repair or reconstruction in the event of damage or destruction from any such hazard if the insurance is available at reasonable cost; and

(b) A public liability policy covering all common property and all damage or injury caused by the negligence of the association.

(2) Premiums for insurance obtained under this section shall be a common expense of the association. The policy may contain a reasonable deductible and the amount thereof shall be added to the face amount of the policy in determining whether the insurance equals at least the full replacement cost. [1981 c.782 §51]

94.677 Election to have ORS 94.645, 94.655 and 94.675 apply. Unless contrary to the covenants, conditions or restrictions of a recorded declaration or other similar instrument, or the bylaws of the association adopted in accordance with documents governing the association, the homeowners association board of directors of a subdivision described in ORS 94.673 (1) may elect to be governed by ORS 94.645, 94.655 and 94.675, without further action by the association. [1983 c.206 §7]

94.680 Blanket all-risk insurance. (1) If a declaration provides that the homeowners

association has the sole authority to decide whether to repair or reconstruct a unit that has suffered damage or whether a unit must be repaired or reconstructed, the board of directors may obtain blanket all-risk insurance for the full replacement cost of all structures in the planned community. Cost of the coverage shall be a common expense to the association.

(2) If the declaration contains a provision described in subsection (1) of this section, the declaration also shall provide:

(a) Requirements of or limitations on repairing or reconstructing damaged or destroyed property;

(b) The time within which the repair or reconstruction must begin; and

94.690 Terms of insurance under ORS 94.680. The board of directors of a homeowners association shall obtain, if reasonably available, terms in insurance policies under ORS 94.680 which provide:

(1) A waiver of subrogation by the insurer as to any claims against the board of directors of the association, any owner or any guest of an owner;

(2) A waiver by the insurer of its right to repair and reconstruct instead of paying cash;

(3) That no policy may be canceled, invalidated or suspended because of any action of an owner;

(4) That no policy may be canceled, invalidated or suspended because of the conduct of any director, officer or employee of the association unless the insurer gives the association a prior written demand that the association correct the defect and allows the association a reasonable time to make the correction; and

(5) That any "other insurance" clause in any policy shall exclude from its coverage all owners' policies. [1981 c.782 §66]

94.695 Authority to delegate association powers to master association. A declaration for a planned community may delegate any of the powers of the homeowners association under ORS 94.630 to a master association or provide that the master association may exercise any such power. [1981 c.782 §62]

94.700 Duration and termination of initial management agreements and service and employment contracts. (1) If entered into prior to the meeting called under ORS 94.609, no management agreement, service contract or employment contract which is directly made by or on behalf of the association, the board of directors or the owners as a group shall be in excess of three years.

(2) Any contract or agreement subject to subsection (1) of this section and entered into after July 1, 1982, may terminate without penalty to the declarant, the association or the board of directors elected under ORS 94.616 if the board of directors gives not less than 30 days written notice of termination to the other party not later than 60 days after the meeting called under ORS 94.609. [1981 c.782 §69]

(Assessments and Liens Against Lots; Easements)

94.704 Assessment and payment of common expenses. (1) The declarant of a planned community shall pay all common expenses of the planned community until the individual lots are assessed for common expenses.

(2) Except for assessments under subsections (3), (4) and (5) of this section, the board of directors shall assess all common expenses against all the lots according to the allocations stated in the declaration. Any common expense assessment or any installment of the assessment past due shall bear interest at the rate established by resolution of the board of directors. Nothing in this section prohibits the board from making compromises on overdue assessments if the compromise benefits the association.

(3) Any common expense or any part of a common expense benefiting fewer than all of the lots may be assessed exclusively against the units benefited.

(4) Assessments to pay a judgment against the association may be made only against the lots existing in the planned community at the time the judgment was entered and only in proportion to their common expense liabilities.

(5) If any common expense is clearly the fault of any owner, the homeowners association may assess the expense exclusively against the lot of the owner.

(6) If the homeowners association reallocates common expense liabilities, any common expense assessment and any installment of the assessment not yet due shall be recalculated according to the reallocated common expense liabilities. [1981 c.782 §43]

94.705 [Repealed by 1971 c.478 §1]

94.709 Liens against lots; priority; duration; statement of unpaid assessments; action in lieu of lien foreclosure. (1) As provided in this section, the homeowners association of a planned community has a lien on a lot for any assessment levied against the lot or any fines imposed under the declaration or bylaws against the owner of the lot from the date on which the assessment or fine is due. The provisions regarding the attachment, notice, recordation and duration of liens established on real property under ORS 87.352 to 87.382 and provisions regarding the foreclosure of liens under ORS chapter 88 apply to a lien created under this section. Unless the declaration otherwise provides, the homeowners association may enforce as assessments under this section any fees, charges, late charges or interest charged under ORS 94.630 (1)(j), (k) and (L). If an assessment is payable in installments, the full amount of the assessment is a lien from the date the first installment of the assessment becomes due.

(2) A lien created under subsection (1) of this section is prior to a homestead exemption and all other liens and encumbrances on a lot, except:

(a) A first mortgage or trust deed of record;

(b) A lien for real estate taxes and other governmental assessments or charges; and

(c) Liens and encumbrances recorded before the recordation of the declaration.

(3) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same real estate, the liens have equal priority.

(4) A lien created under subsection (1) of this section is extinguished unless proceedings to enforce the lien are instituted within three years after the full amount of the assessments becomes due.

(5) This section does not prohibit an association from pursuing an action to recover sums for which subsection (1) of this section creates a lien or from taking a deed in lieu of foreclosure in satisfaction of the lien.

(6) The homeowners association shall furnish to an owner upon the owner's written request, a recordable statement of the amount of unpaid assessments against the lot. The association shall furnish the statement within 10 business days after receiving the request. The statement is binding on the association, the board of directors and every owner as to the amounts of the unpaid assessments.

(7) An action to recover a money judgment for unpaid common expenses may be maintained without foreclosing or waiving the lien securing the claim for common expenses. However, recovery on the action operates to satisfy the lien, or the portion thereof, for which recovery is made. [1981 c.782 §44]

94.710 [Repealed by 1971 c.478 §1]

94.715 [Repealed by 1971 c.478 §1]

94.716 Lien against two or more lots; release. If a lien against two or more lots of the planned community becomes due, whether the lien is perfected before or after establishment of the planned community, the owner of an affected lot may pay the lienholder the portion of the lien attributable to the lot. Upon receipt of payment, the lienholder promptly shall deliver to the owner a release of the lien as to that lot. The amount of the payment shall be proportionate to the ratio which that owner's common expense liability bears to the common expense liabilities of all owners whose lots are subject to the lien. After payment, the association may not assess or have a lien against that owner's lot for any portion of the common expense liability representing the lien. This section applies to all liens except a mortgage. [1981 c.782 §45]

94.720 [Repealed by 1971 c.478 §1]

94.723 Common expenses; liability of first mortgagee. If a first mortgagee acquires a lot in a planned community by foreclosure or deed in lieu of foreclosure, the mortgagee and subsequent purchaser shall not be liable for any of the common expenses chargeable to the lot which became due before the mortgagee or purchaser acquired title to the lot. [1981 c.782 §46]

94.725 [Repealed by 1971 c.478 §1]

94.728 Taxation of lots and common property. (1) Each lot in a planned community constitutes for all purposes a separate parcel of real estate and shall be separately taxed and assessed.

(2) No separate tax or assessment may be levied against any common property which a declarant has reserved no right to develop into additional lots.

(3) The declarant alone is liable for payment of taxes or assessments on any portion

of the common property of a planned community in which the declarant has reserved the right to develop the property into additional lots, until the right terminates or expires, or is exercised, abandoned or relinquished.

(4) If the right described under subsection (3) of this section terminates or expires or is abandoned or relinquished before July 1 of any year, no tax or assessment shall be imposed against the portion of the common property so affected for the next tax year beginning on July 1. [1981 c.782 §34]

94.730 [Repealed by 1971 c.478 §1]

94.733 Easements held by owner of lot and by declarant. (1) Subject to ORS 94.665, each owner of a lot has an easement through the common property:

- (a) For access to the owner's lot; and
- (b) For use of the common property consistent with the declaration and the bylaws.

(2) Except as provided in the declaration, a declarant has an easement through the common property as may be necessary for discharging the declarant's obligations or exercising any special declarant right.

(3) If an encroachment results from construction, reconstruction, repair, shifting, settlement or movement of any portion of the planned community, an easement for the encroachment exists to the extent that any lot or common property encroaches on any other lot or common property. An easement continues for maintaining the encroachment so long as the encroachment exists. Nothing in this section relieves an owner of liability in case of the owner's willful misconduct or relieves a declarant or any other person of liability for failure to adhere to the plat of the planned community. [1981 c.782 §33]

(2) The real market value of timeshare property, other than the recreational facilities, shall be determined by taking the value of each individual living unit as if such liv-

ing unit were owned by a single taxpayer, without having been timeshared, and adjusting such value by an amount necessary to reflect any increase or decrease in such value attributable to the fact that such timeshare property is marketed in increments of time. There shall be a rebuttable presumption that the value of such timeshare property is increased by 20 percent of its value under single ownership by virtue of being marketed in increments of time. If the managing entity or assessor contends that the adjustment due to such ability to market in increments of time is less than or greater than an increase of 20 percent of the single ownership value, then the burden of establishing such adjustment shall be upon the party so contending. (c) Payments to satisfy and discharge the remaining timeshare purchase money obligations of all owners except the developer. If the developer or an entity closely related to the developer holds the beneficial interest in any of such purchase money obligations, funds shall first be applied to discharge the purchase money obligations held by other holders, and then to the credit of the developer and its related entity for purchase money obligations held by the developer or such entity. Funds paid to the developer or the related entity's credit shall be held by the court as proceeds available to lienholders and other claimants in such partition. (Purchaser's Rights)

94.836 Cancellation of purchase within five days. (1) A purchaser from a developer may cancel, for any reason, any contract, agreement or other evidence of indebtedness associated with the sale of the timeshare within five calendar days from the date the purchaser signs the first written offer or contract to purchase.

(2) Cancellation, under subsection (1) of this section, occurs when the purchaser gives written notice to the developer at the developer's address. The cancellation period in subsection (1) of this section does not begin until the developer provides the purchaser with developer's address for cancellation purposes.

(3) A notice of cancellation given by a purchaser need not take a particular form and is sufficient if it indicates in writing the purchaser's intent not to be bound by the contract or evidence of indebtedness.

(4) Notice of cancellation, if given by mail, shall be given by certified mail, return receipt requested, and is effective on the date that the notice is deposited with the United States Postal Service, properly addressed and postage prepaid.

(5) Upon receipt of a timely notice of cancellation, the developer shall immediately return any payment received from the purchaser. Upon return of all payments the purchaser shall immediately transfer any rights the purchaser may have acquired in the timeshare to the developer, not subject to any encumbrance created or suffered by the purchaser. In the case of cancellation by a purchaser of any evidence of indebtedness, the purchaser shall return the purchaser's copy of the executed evidence of indebtedness to the developer, and the developer shall cancel the evidence of indebtedness. Any encumbrance against the purchaser's interest in the timeshare arising by operation of law from an obligation of the purchaser existing before transfer of the interest to the purchaser shall be extinguished by the reconveyance.

(6) No act of a purchaser shall be effective to waive the right of cancellation granted by subsection (1) of this section. After the expiration of the five-day cancellation period, a developer may require a purchaser to execute and deliver to the developer a signed statement disclaiming any notice of cancellation timely and properly made by the purchaser before the five-day cancellation period expired under subsection (1) of this section, that has not been received by the developer. A disclaimer statement executed by the purchaser shall rescind the notice of cancellation. [1983 c.530 §26]

Any condition, stipulation or provision in a sales agreement, lease or other legal document, that binds a purchaser to waive legal rights granted to the purchaser under ORS 94.803 and 94.807 to 94.945 against the developer shall be considered to be contrary to public policy and void. [1983 c.530 §28]

94.843 Limits on developer right to transfer. (1) A developer may not transfer the developer's interest in accommodations or facilities of a timeshare plan unless the transferee, as to each owner whose interest is involved in the transfer, agrees to:

(b) Honor the right of a purchaser to cancel a contract and receive an appropriate refund, as provided in ORS 94.836;

(c) Comply with ORS 94.803 and 94.807 to 94.945 as long as the transferee continues to sell the timeshare plan, or as long as the owner is entitled to occupy the accommodations or use the facilities; and

(d) Assume all of the developer's obligations to the owners under the timeshare instrument.

(2) Within 30 days after the transfer of the developer's interest, notice of the transfer shall be mailed to each owner.

(h) Acting as agent for the owners for purposes of real property taxation, including collection and payment of real property taxes.

(5) Unless expressly prohibited by the timeshare instrument, the managing entity shall have the authority to execute, acknowledge, deliver and record on behalf of the timeshare owners, an easement, right of way, license and any other similar interest affecting the timeshare property if the interest is beneficial and not materially detrimental to the timeshare plan.

(6) The instrument granting an interest under subsection (5) of this section shall be executed by the managing entity and acknowledged in the manner provided for acknowledgment of deeds under ORS 93.410.

(7) For the purpose of transferring or otherwise disposing of all or any portion of the accommodations and facilities in the timeshare plan upon termination of the plan,

the managing entity shall be the attorney-in-fact for each owner. Any transfer or disposition will be effective if the managing entity executes and acknowledges the written transfer instrument. [1983 c.530 §9; 1987 c.424 §5]

(2) Termination of contracts for goods and services for the timeshare property entered into during the period the developer served as the managing entity;

(3) A regular accounting at least annually by the developer to the association, trust or owners as to all matters affecting the timeshare property; and

94.853 Payment of common expenses.

(1) Until the closing of the first timeshare sale the developer shall pay all common expenses.

(2) After the closing of the first timeshare sale, the managing entity shall charge an annual assessment for the payment of common expenses based on the projected annual budget. The assessment shall be against:

(b) As provided in paragraph (a) of this subsection, except that the developer shall also pay that portion of the total assessment not paid by any owner, if the developer guarantees payment of all common expenses of the timeshare plan under the provisions of the timeshare instrument; or

(c) The developer for the total assessment if the developer agrees to pay all common expenses of the timeshare plan under the provisions of the timeshare instrument.

(3) Unless otherwise specified in the timeshare instrument, past due assessments

shall bear interest at the legal rate. [1983 c.530 §11]

94.855 [Repealed by 1971 c.478 §1]

94.856 Assessment of common expenses as lien; recording; foreclosure; fees; remedies; exception. (1) Whenever a managing entity levies an assessment for common expenses against a timeshare estate, the managing entity, upon complying with subsection (2) of this section, shall have a lien upon the timeshare estate for the reasonable value of the expenses, for any unpaid assessment and interest as provided in paragraph (b) of subsection (2) of this section and for any late charges, fines and costs of collection, including but not limited to attorney fees and court costs. The lien shall be prior to any other lien or encumbrance upon the timeshare estate except:

(a) Blanket encumbrances of record;

(b) Tax and assessment liens; and

(c) A purchase money mortgage of record, a purchase money trust deed of record or a purchase agreement of record.

(2)(a) A managing entity claiming a lien under subsection (1) of this section shall record in the county in which the timeshare estate or some part thereof is located a claim containing:

(A) A true statement of the account due for common expenses after deducting all just credits and offsets;

(B) The name of the owner of the timeshare estate, or reputed owner, if known; and

(C) The designation of the timeshare estate, sufficient for identification.

(b) If a claim is filed and recorded under this section and the owner of the timeshare estate subject to the claim thereafter fails to pay any assessment chargeable to the timeshare estate, then so long as the original or any subsequent unpaid assessment remains unpaid the claim shall automatically accumulate the subsequent unpaid assessment and interest thereon without the necessity of further filings under this section.

(3) The claim shall be verified by the oath of a person having knowledge of the facts and shall be filed with and recorded by the recording officer in the book kept for the purpose of recording liens filed under ORS 87.035. The record shall be indexed in the same manner that a deed or other conveyance is required by ORS 93.630 to be indexed.

(4) The proceeding to foreclose a lien created by this section shall conform as nearly as possible to the proceeding to foreclose a lien created by ORS 87.010, except that notwithstanding ORS 87.055, a lien may

be continued in force for a period of time not to exceed six years from the date the claim is filed under subsection (3) of this section. For the purpose of determining the date the claim is filed in those cases where subsequent unpaid assessments have accumulated under the claim as provided in paragraph (b) of subsection (2) of this section, the claim regarding each unpaid assessment shall be considered to have been filed at the time the unpaid assessment became due. The lien may be enforced by the managing entity. An action to recover a money judgment for unpaid common expenses may be maintained without foreclosing or waiving the lien securing the claim for common expenses.

(5) Unless the timeshare instrument provides otherwise, a fee, late charge, fine and interest imposed under ORS 94.858 (4)(i) is enforceable as an assessment under this section.

(6) In addition to seeking a money judgment for the unpaid assessment if the timeshare plan conveys only a timeshare license, the managing entity may bring an action for breach of contract.

(7) A construction lien under ORS 87.001 to 87.093 for labor performed or materials furnished to timeshare property, if properly incurred by the association or managing entity for the benefit of all timeshare owners with interests in the timeshare property shall, if effective, attach to each timeshare with interests in the timeshare property. The owner of a timeshare subject to the lien shall have the right to have the timeshare released from the lien by payment of the amount of the lien attributable to the timeshare. The amount of the lien attributable to the timeshare and the payment required to satisfy the lien, in the absence of agreement, shall be determined by application of the allocation of common expenses established in the timeshare instrument.

(8) Except as provided in subsection (7) of this section, a construction lien under ORS 87.001 to 87.093 for labor performed or materials furnished to a unit shall not be filed against the timeshare of any timeshare owner who did not expressly consent to or request the labor or materials. Consent shall be considered given under this subsection by the owner of a timeshare in the case of emergency repairs to the timeshare property done with the consent or at the request of the managing entity. [1983 c.530 §12]

94.858 Owners' association; powers and duties. (1) The timeshare instrument may provide that an association of timeshare owners be organized to serve as a means through which the timeshare owners may

(2) Membership in the association shall be limited to timeshare owners.

(3) The affairs of the association shall be governed by a board of directors or other governing body as provided for in the bylaws adopted under the applicable incorporation requirements.

(4) Subject to the provisions of the timeshare instrument and bylaws, the association may:

(g) Regulate the use, maintenance, repair, replacement and modification of timeshare property;

(h) Acquire by purchase, lease, devise, gift or voluntary grant real property or any interest therein and take, hold, possess and dispose of real property or any interest therein;

(j) Provide for the indemnification of the association's officers and governing board and maintain adequate liability insurance for the association's officers and governing board;

(k) Exercise any other power conferred by a timeshare instrument or bylaws; and

(L) Exercise any other power determined by the association to be necessary and proper for the governance and operation of the association.

(5) If an association of timeshare owners is formed under this section, the public report issued for the timeshare plan under ORS 94.828 (1), (2) and (4) shall include a disclosure of the powers of the association and the manner in which the association will be governed. [1983 c.530 §13]

(11) Any employment or service contract to which the managing entity is a party and any service contract under which the managing entity has an obligation or responsibility, directly or indirectly, to pay some or all of the fee or charge of the person performing the service.

(12) Any other contract to which the managing entity is a party. [1983 c.530 §14]

94.867 Judicial declaration of failure in management. (1) A court of competent jurisdiction, upon petition by timeshare owners constituting at least 10 percent of the total number of timeshare owners in a timeshare plan, may declare a failure in the management of the timeshare plan and timeshare property and appoint a trustee to assume the duties of a managing entity for the timeshare plan, if the court finds that:

(b) The rights of the timeshare owners under the timeshare instrument will be substantially impaired if a trustee is not appointed; and

(c) No reasonable alternative exists to appointment of a trustee to perform the functions of a managing entity.

(3) The trustee shall send a copy of the court's decision to the commissioner. [1983 c.530 §15; 1991 c.64 §3]

(b) Insurance covering the legal liability of the association, the timeshare owners individually and the managing entity including, but not limited to, the board of directors, to the public and to the timeshare owners and

their invitees or tenants, incident to ownership, supervision, control or use of the property. There may be excluded from the policy required under this paragraph, coverage of a timeshare owner, other than coverage as a member of an association or board of directors, for liability arising out of acts or omissions of that owner and liability incident to the ownership or use of the part of the property as to which that owner has the exclusive use or occupancy. Liability insurance required under this paragraph shall be issued on a comprehensive liability basis.

(Lien Payment)

94.885 Rights of lienholder. (1) When a nondisturbance agreement has been executed by the lienholder and recorded, the lienholder, its successors and anyone who acquires the property through foreclosure, by deed, assignment or transfer in lieu of foreclosure, shall take the property subject to the rights of the owners under the timeshare plan.

(2) When a notice of timeshare plan is recorded, any claim by the developer's creditors and any claim upon or by a successor to the interest of the titleholder who executed the notice shall be subordinate to the interest of the timeshare owners if the sale is closed after the notice is recorded. The recording of notice shall not affect:

(a) The rights or lien of a lienholder whose lien was recorded before the notice of timeshare plan;

(b) The rights of a person holding an option in the timeshare property if the option was recorded before the notice of timeshare plan; and

(c) The rights or lien of a lienholder having a recorded purchase money mortgage,

recorded purchase money trust deed or recorded purchase agreement on the timeshare.

(3) As used in ORS 94.873, 94.876 and 94.885 to 94.905:

(a) "Nondisturbance agreement" means an instrument by which the holder of a blanket encumbrance agrees that the holder's rights in the timeshare property shall be subordinate to the rights of any timeshare owner. Every nondisturbance agreement shall contain a covenant by the lienholder that the lienholder, its successors, and anyone who acquires the timeshare property through the blanket lien shall not use, or cause or permit the property to be used in a manner that prevents a timeshare owner from using the timeshare property in the manner contemplated by the timeshare plan. The lienholder's agreement not to disturb an owner may require as a continuing condition that the owner perform all obligations and make all payments due under any purchase money agreement for the owner's timeshare and, if the timeshare is held as a leasehold, under the lease for the owner's timeshare.

(b) "Notice of timeshare plan" means an instrument executed by the holder of the legal and equitable title to the fee or long-term leasehold interest in a timeshare property which provides notice of the existence of the timeshare plan and of the rights of timeshare owners. The notice of timeshare plan must identify the timeshare period for each timeshare. For a timeshare property located wholly within this state, recording of the timeshare instrument for the property under ORS 94.818 shall be considered the recording of a notice of timeshare plan for the property. If the timeshare property is located outside the state, the notice may be contained in a declaration of covenants, conditions and restrictions that provides that as a matter of covenant, the notice shall have the effects described in subsection (2) of this section. The notice must be prepared to constitute a covenant running with an equitable servitude upon the timeshare property for the duration of the timeshare plan and to have the effects described in subsection (2) of this section.

(4) If the developer proposes use of a nondisturbance agreement, the public report issued for the timeshare plan under ORS 94.828 (1), (2) and (4) shall include disclosure of the nature and limitations of nondisturbance agreements, the nature and amount of outstanding blanket encumbrances and the potential impact upon timeshare purchasers of failure to pay off the outstanding blanket encumbrances. [1983 c.530 §31]

94.890 Lien payment trust; payments; delinquencies. (1) A lien payment trust may

be established with a trust company as defined in ORS 706.005 that is authorized to engage in the business of acting as a fiduciary in this state, for the conveyance of timeshare property to the trustee under ORS 94.876 if the trust instrument provides for at least the following:

(a) Title to the timeshare property must be transferred to the trustee before the purchaser's funds, negotiable instruments, purchase money agreements or credit card authorizations or proceeds are disbursed by the escrow agent.

(b) The trustee shall not convey or transfer all or any portion of the timeshare property except for an accommodation in which no owner has any further right of occupancy or as permitted at termination of the trust.

(c) The trustee shall not encumber the timeshare property without the consent of the commissioner.

(d) The association, if any, and all timeshare owners are made third party beneficiaries of the trust.

(e) Notice of the trustee's intention to resign must be given to the commissioner at least 90 days before the resignation takes effect.

(f) The trust instrument may not be amended to adversely affect the interests or rights of a timeshare owner without the written approval of the association or, if no association, a majority of the timeshare owners.

(g) Require the deposit into trust of a lien payment deposit, as required by subsection (3) of this section, before the closing of the first timeshare sale.

(h) Require the deposit into trust before closing the first timeshare sale, and the intention to maintain for the duration of the trust, an installment payment reserve consisting of funds in an amount sufficient at all times:

(A) To pay the total of three successive monthly installments of debt service on each blanket encumbrance or, if installments of debt services are not payable monthly or in equal installments, such funds as the commissioner determines reasonably necessary to assure that the trustee will have sufficient cash to make any payment under the blanket encumbrances when due; and

(B) To create a sinking fund to extinguish the debt at its maturity if the blanket encumbrance against the trust property is an interest only loan, contains a balloon payment provision or is otherwise not fully amortized under the terms for repayment.

(i) Authorize the trustee to sell, transfer, hypothecate, encumber, or otherwise dispose of the purchase money agreement or any other asset composing the lien payment deposit or any portion thereof if, in the trustee's judgment, such action is necessary to enable the trustee to make all payments required under the blanket encumbrances to prevent foreclosure of the blanket encumbrance.

(j) Require the developer to replenish the funds and assets in the trust whenever the lien payment deposit or the funds in the installment payment reserve fail to meet the requirements set forth in this subsection.

(k) Provide that the trustee periodically shall disburse funds in the trust as follows: First, to pay real property taxes, governmental assessments, and lease rent, if any; second, to pay current payments due on the blanket encumbrances, in their order of priority; third, to any sinking fund established for the payment of blanket encumbrances, including any prepayment penalties and release prices; fourth, to pay any service charge and cost payable to the trustee and its collection agent, if any, under the trust instrument; and fifth, to the developer or as directed by the developer.

(L) Contain any other provisions required by the commissioner under rules adopted under ORS 94.915 (2) and (3).

(2) Every purchase money agreement delivered to the trustee of a lien payment trust must contain a notice to the holder that the trustee may make demand of the holder to deliver to the trustee all payments made by the owner after the trustee mails notice that the funds and other assets in the trust are inadequate to meet the lien payment deposit requirements. Following such demand, the holder must immediately deliver all subsequent payments of the owner to the trustee and continue to deliver the payments until the lien payment deposit is replenished.

(3)(a) The lien payment deposit shall consist of either nondelinquent purchase money agreements from timeshare owners in the timeshare plan or other assets deposited into the trust by the developer and approved by the commissioner. The purchase money agreements must have an aggregate remaining principal balance of not less than, and any other assets deposited must have a liquidated value of not less than, 110 percent of the difference between the aggregate remaining balance owing under blanket encumbrances against the timeshare property, including any prepayment penalties, release prices or similar charges, and the amount of money or its equivalent in the trust and available at any time to be applied to the reduction of the principal balance of

the blanket encumbrance. The developer shall have the burden of establishing the liquidated value of assets other than purchase money agreements from timeshare owners in the timeshare plan.

(b) If the blanket encumbrance payment deposit consists of purchase money agreements, the payments required to be made by owners under the agreements shall:

(A) Be due on or before the date payments become due on the blanket encumbrances;

(B) If paid when due as provided in subsection (4) of this section, be equal to at least 110 percent of the amount required to be paid on the blanket encumbrances on such date; and

(C) Be sufficient to pay, in full, during the term of the purchase money agreements all amounts secured by the blanket encumbrances, including prepayment penalties and release prices, if any, and all service charges payable to the trustee, any collection agent, and any other servicing agent under the trust agreement.

(c) If the developer proposes to deposit into trust assets other than purchase money agreements, the assets must be sufficient to pay debt service installments on the blanket encumbrance as they become due and to create a sinking fund or other arrangement adequate to extinguish the debt secured by the blanket encumbrance at its maturity.

(4) For the purposes of this section, "purchase money agreement" means and includes a purchase money mortgage, a purchase money trust deed and a purchase contract.

(5) For the purpose of this section, a purchase money agreement is considered delinquent when an installment payment is more than 59 days past due. [1983 c.530 §32]

94.895 Trust irrevocable without alternative arrangement. (1) Except as provided in subsection (2) of this section:

(a) If a trust is established for timeshare property subject to timeshare licenses, the trust for the timeshare property shall be irrevocable during the time that any purchaser of a timeshare license has a right to the use of the timeshare property.

(b) If a trust is established for timeshare property subject to timeshare estates, the trust for the timeshare property shall be irrevocable until all blanket encumbrances are extinguished.

(2) The commissioner may approve an alternative arrangement that permits termination of the trust. [1983 c.530 §33]

94.900 Alternative to lien payment trust. (1) If it is impossible or impractical for a developer to satisfy any of the requirements of ORS 94.890 because of factors over which the developer has little or no control, the commissioner may accept arrangements other than those prescribed by ORS 94.890 which in the commissioner's judgment will give rights and remedies affording equivalent benefits and protection to timeshare owners and which are at least comparable in scope though not necessarily in nature to those afforded by ORS 94.890.

(2) If the commissioner is asked to accept alternative arrangements under this section, the commissioner may contract with an attorney and with any other private consultant the commissioner considers necessary or advisable, in connection with the review of the proposed arrangements for protecting purchasers. The attorney shall thoroughly review the timeshare plan for the purpose of examining the purchaser protections, including the documentation used in the timeshare plan and the disclosure thereof in the developer's public report. After completing the review the attorney shall provide a written analysis of the nature and extent of the protection that the proposal affords a purchaser against blanket encumbrances. The cost of retaining the attorneys and other consultants shall be paid by the developer. [1983 c.530 §34]

94.905 Surety bond. Any surety bond furnished to the commissioner under ORS 94.890 must be in an amount which is not less than 110 percent of the remaining principal balance of every indebtedness secured by a blanket encumbrance affecting the timeshare property. The surety bond must be issued by a surety authorized to do business in Oregon and having sufficient net worth to be acceptable to the commissioner. The bond shall provide for payment, up to the limit of the bond, of all amounts secured by the blanket encumbrance, including costs, expenses and legal fees of the lienholder, if for any reason the blanket encumbrance is enforced. The obligee of the surety bond shall be the commissioner on behalf of the timeshare owners. The bond may be reduced periodically in proportion to the reduction of the remaining principal balance of the indebtedness secured by the blanket encumbrances. Upon being furnished with a surety bond satisfying the foregoing requirements, the developer shall prepare and the commissioner shall execute and acknowledge a document in recordable form accepting the surety bond and identifying the timeshare property to which it applies. [1983 c.530 §35]

(c) If the developer is a corporation or unincorporated association, that the officer exercising the consent was authorized by resolution duly adopted by the board of directors.

(3) The address for forwarding documents served under this section may be changed by filing a new consent in the form prescribed in subsection (2) of this section.

(4) Service of process on the commissioner under this section shall be made by delivering to the commissioner or a clerk on duty in any office of the commissioner, duplicate copies of the process, with duplicate copies of any papers required by law to be delivered in connection with the service.

(5) When the commissioner is served with process under the provisions of this section, the commissioner shall immediately forward by registered mail or by certified mail with return receipt one of the copies with any accompanying papers, to the developer at the address set forth in the consent.

(2) If the commissioner finds that a developer or other person is violating, has violated or is about to violate, any of the provisions of ORS 94.803 and 94.807 to 94.945, the commissioner may bring an action in the circuit court of the county where the violation or threatened violation has occurred or is about to occur, or in the county where the person resides or carries on business, in the name of and on behalf of the people of the State of Oregon against the person participating in the violation, to enjoin the person from continuing or engaging in the violation or doing any act in furtherance of the violation, and to apply for the appointment of a receiver or conservator of the assets of the defendant if appropriate. made to a prospective purchaser before the prospective purchaser signs a membership camping contract or gives any consideration for the purchase of such contract. The person shall take a receipt from the prospective purchaser upon delivery of the disclosures. Each receipt shall be kept on file by the membership camping operator within this state subject to inspection by the commissioner or the commissioner's authorized representative for a period of three years from the date the receipt is taken.

(2) Records of the sale of membership camping contracts shall be subject to inspection by the commissioner or the commissioner's authorized representative. Any list identifying campground members obtained by the commissioner or the commissioner's authorized representative shall be exempt from disclosure, as trade secrets, to any person, public body or state agency, under ORS 192.501. [1985 c.639 §8; 1991 c.377 §10]

94.975 False practices prohibited. No person shall, in connection with an offering or sale of a membership camping contract:

(1) Employ any device, scheme or artifice to defraud;

(2) Make any untrue statement of a material fact;

(3) Fail to state a material fact necessary to make a statement clear;

(4) Issue, circulate or publish any prospectus, circular, advertisement, printed matter, document, pamphlet, leaflet or other literature containing an untrue statement of a material fact or that fails to state a material fact necessary to make the statements made in the literature not misleading;

(5) Issue, circulate or publish any advertising matter or make any written representation, unless the name of the person issuing, circulating or publishing the matter or making the representation is clearly indicated; or

(6) Make any statement or representation, or issue, circulate or publish any advertising matter containing any statement that the membership camping contract has been in any way approved or indorsed by the commissioner. [1991 c.377 §2]

Note: 94.975 and 94.976 were added to and made a part of 94.953 to 94.989 by legislative action but were not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

94.976 Advertising regulation. It shall be unlawful for any membership camping operator or the agent or employee of any membership camping operator with intent to sell a membership camping contract, to authorize, use, direct or aid in the publication, distribution or circularization of any advertisement, radio broadcast or telecast con-

cerning a membership camping contract, that contains any materially false or misleading statement, pictorial representation or sketch. Nothing in this section shall be construed to hold the publisher or employee of any newspaper, any job printer, broadcaster or telecaster liable for any publication referred to in this chapter, unless the publisher, employee, printer, broadcaster or telecaster has actual knowledge that the material is false or has an interest in the membership camping contract being advertised. [1991 c.377 §3]

Note: See note under 94.975.

94.977 Registration as salesperson or broker. (1) Unless the transaction is exempt under ORS 94.962, it is unlawful for any person to act as a salesperson or membership camping contract broker in this state without first registering as a salesperson or membership camping contract broker as provided in ORS 94.980. Persons licensed as real estate brokers or real estate salespersons under ORS chapter 696 are exempt from registration under this section.

(2) A violation of this section is a Class A misdemeanor. [1985 c.639 §9]

94.980 Application for registration. (1) A salesperson or membership camping contract broker may apply for registration by filing with the commissioner an application which includes the following information:

(a) A statement whether or not the applicant has been convicted of any misdemeanor or felony involving theft, fraud or dishonesty or whether or not the applicant has been enjoined from, had any civil penalty assessed for, or been found to have engaged in any violation of any act designed to protect consumers; and

(b) A statement describing the applicant's employment history for the past five years and whether or not any termination of employment during the last five years was occasioned by any theft, fraud or act of dishonesty.

(2) Each applicant for initial registration shall submit to fingerprinting and provide to the commissioner as part of the application a recent photograph of the applicant. The registration must be accompanied by a written acceptance of the applicant as a salesperson signed by the membership camping operator with whom the salesperson will be associated.

(3) The commissioner may deny, suspend or revoke a salesperson's or membership camping contract broker's application for registration or the salesperson's or membership camping contract broker's registration if the commissioner finds that the order is necessary for the protection of purchasers or

owners of membership camping contracts and that the applicant or registrant:

(a) Has been convicted of any misdemeanor or felony or has been enjoined from, had any civil penalty assessed for, or been found to have engaged in any violation of any act designed to protect consumers;

(b) Has violated any material provision of ORS 94.925 to 94.983; or

(c) Has engaged in fraudulent or deceitful practices in any industry involving sales to consumers.

(4) Registration shall be effective for a period of one year. Registration shall be renewed annually by the filing of a form prescribed by the commissioner for that purpose. The completed application for registration or renewal shall automatically become effective upon the expiration of 30 business days following filing with the commissioner, unless:

(a) The application has been denied under subsection (3) of this section;

(b) The commissioner grants the registration effective as of an earlier date; or

(c) The applicant or registrant consents to delay of the effective date.

(5) During the effective period of a salesperson's registration, the salesperson may transfer to a new membership camping operator by requesting the operator to return the salesperson's registration to the commissioner and filing with the commissioner a written acceptance of the salesperson's transfer signed by the membership camping operator with whom the salesperson will be associated following the transfer. Upon receipt of the salesperson's registration and payment to the commissioner of a \$10 transfer fee, the commissioner may issue a registration for the salesperson to the new membership camping operator. Upon the request of a salesperson, a membership camping operator shall promptly return the registration of the salesperson to the commissioner.

(6) A salesperson's registration granted under this section shall be issued to a membership camping operator who signed the written acceptance accompanying the initial registration application or transfer request. A salesperson's registration entitles the salesperson to sell membership camping contracts only for any campground operated by the membership camping operator under the supervision of the operator. If the salesperson terminates sales activity for any reason, the membership camping operator shall return the registration of the salesperson to the commissioner without delay.

(7) If an applicant for registration has an active real estate license outstanding, the applicant must place the real estate license on inactive status before issuance of the registration by the commissioner. A salesperson or membership camping contract broker may not reactivate an inactive real estate license during any term of registration as a salesperson or membership camping contract broker. [1985 c.639 §10; 1991 c.377 §11]

94.983 Cancellation of contract by purchaser; notice of right to cancel. (1) Any membership camping contract may be canceled at the option of the purchaser, if:

(a) The purchaser sends notice of the cancellation by certified mail, return receipt requested, to the membership camping operator; and

(b) The notice is posted not later than midnight of the third business day following the day on which the membership camping contract is signed.

(2) In addition to the cancellation right established in subsection (1) of this section, any purchaser who signs a membership camping contract without inspecting a campground or facility with camping sites or proposed camping sites may, after making an inspection, cancel the membership camping contract by posting a notice by certified mail, return receipt requested, not later than midnight of the sixth business day following the day on which the membership camping contract is signed. In computing the number of business days, the day on which the membership camping contract was signed, Saturdays, Sundays and legal holidays shall not be included as a "business day." The membership camping operator shall promptly refund any money or other consideration paid by the purchaser upon receipt of timely notice of cancellation by the purchaser.

(3) Every membership camping contract shall include the following statement in at least 10-point type immediately before the space for the purchaser's signature:

Purchaser's Right To Cancel: You may cancel this membership camping contract without any cancellation fee or other penalty by sending notice of cancellation by certified mail, return receipt requested, to _____ (insert name and mailing address of membership camping operator). The notice must be postmarked by midnight of the third business day following the day on which the membership camping contract is signed. In computing the three business days, the day on which the membership camping contract is signed shall not be included as a

"business day," nor shall Saturday, Sunday or legal holidays be included.

(4) If the purchaser has not inspected a campground or facility at which camping sites are located or planned, the notice must contain the following additional language:

If you sign this membership camping contract without having first inspected the property at which camping sites are located or planned, you may also cancel this membership camping contract by giving this notice within six business days following the day on which you signed if you inspect such a property prior to sending the notice.

(5) No act of a purchaser shall be effective to waive the right of cancellation granted by subsection (1) or (2) of this section. [1985 c.639 §11]

94.986 Requirements for sale of membership camping contract; nondisturbance agreements. With respect to any campground offered for sale in this state and acquired and put into operation by a membership camping operator after September 1, 1985, the membership camping operator shall not sell membership camping contracts in this state granting the right to use such campground until one of the following requirements has been satisfied:

(1) Each person holding an interest in a blanket encumbrance executes and delivers to the commissioner a nondisturbance agreement and records such agreement in the real estate records of the county in which the campground is located. "Nondisturbance agreement" means an instrument by which the holder of a blanket encumbrance agrees that the holder's rights in the campground shall be subordinate to the rights of any membership camping contract purchaser. Every nondisturbance agreement must contain a covenant by the lienholder that the lienholder, its successors, and anyone who acquires the campground property through the blanket lien shall not use, or cause or permit the property to be used in a manner that prevents a membership camping contract purchaser from using, the campground property in the manner contemplated by the membership camping contract. The lienholder's agreement not to disturb a membership camping contract purchaser may require as a continuing condition that the purchaser perform all obligations and make all payments due under any membership camping contract for the purchaser's campground interest and, if the membership

camping contract is held as a leasehold, under the lease for the purchaser's campground interest. The nondisturbance agreement shall also contain provisions setting forth each of the following:

(a) The nondisturbance agreement may be enforced by purchasers of membership camping contracts. If the membership camping operator is not in default under its obligations to the holder of the blanket encumbrance, the agreement may be enforced by both the membership camping operator and the purchasers.

(b) The nondisturbance agreement is effective as between each purchaser and the holder of the blanket encumbrance despite any rejection or cancellation of the purchaser's contract during bankruptcy proceedings of the membership camping operator.

(c) The agreement is binding upon the successors in interest of both the membership camping operator and the holder of the blanket encumbrance.

(d) A holder of the blanket encumbrance who obtains title or possession, or who causes a change in title or possession in a campground by foreclosure or otherwise, and who does not continue to operate the campground upon conditions no less favorable to members than existed prior to the change of title or possession shall:

(A) Offer the title or possession of the campground to an association of members to operate the campground; or

(B) Obtain a commitment from another entity that obtains title or possession to undertake the responsibility for operation of the campground.

(2) If a financial institution, acting as hypothecation lender and providing the major hypothecation loan to the membership camping operator, has a lien on, or security interest in, the membership camping operator's interest in the campground, the financial institution shall execute and deliver to the commissioner a nondisturbance agreement and record such agreement in the real estate records of the county in which the campground is located. In addition, each person holding an interest in any blanket encumbrance superior to the interest held by the financial institution shall execute, deliver and record an instrument stating that such person shall give the financial institution notice of, and at least 30 days to cure, any default under the blanket encumbrance before such person commences any foreclosure action affecting the campground. For the purposes of this provision, a major hypothecation loan to a membership camping operator is a loan or line of credit secured

by substantially all of the contracts receivable arising from the membership camping operator's sale of membership camping contracts.

(3) There shall have been delivered to and accepted by the commissioner a surety bond or letter of credit with the commissioner as obligee for the benefit of purchasers. The bond or letter of credit must be in an amount which is not less than 105 percent of the remaining principal balance of every indebtedness secured by the blanket encumbrance affecting the campground. Any such bond must be issued by a surety authorized to do business in this state and having sufficient net worth to satisfy the indebtedness. Any such letter of credit must be irrevocable and must be drawn upon a bank, savings and loan association or other financial institution acceptable to the commissioner. The bond or letter of credit shall provide for payment of all amounts secured by the blanket encumbrance, including costs, expenses and legal fees of the lienholder, if for any reason the blanket encumbrance is enforced. The bond or letter of credit may be reduced periodically in proportion to the reduction of the amounts secured by the blanket encumbrance.

(4) There have been delivered to and accepted by the commissioner other financial assurances which the commissioner finds are acceptable to carry into effect the intent and provisions of this section. [1985 c.639 §11a; 1991 c.377 §5]

94.987 Judicial declaration of failure in management. (1)(a) Upon petition by the commissioner or a majority of active purchasers not then in default under their membership camping contracts, a court of competent jurisdiction may declare a failure of management of the membership camping operator and appoint a trustee to assume the membership camping operator's duties under the membership camping contracts, if the court finds that:

(A) Irreparable injury to the rights of the purchasers is likely to occur unless a trustee is appointed; and

(B) There is no reasonable alternative to appointment of a trustee.

(b) For purposes of this subsection, "active purchaser" means a current, dues-paying member of the membership camping operator.

(2) The court may attach such conditions and terms to its appointment of a trustee under subsection (1) of this section as the court considers necessary to protect the rights of the purchasers under the membership camping contract. The trustee shall provide a copy of the court's decision in such a case to the commissioner.

(3) If the court petitioned under subsection (1) of this section finds that there is a reasonable alternative to the appointment of a trustee, the court may order the membership camping operator to carry out the reasonable alternative and may attach to its order such terms and conditions as it considers necessary to protect the rights of the purchasers under the membership camping contracts. [1991 c.377 §4]

94.989 Interpretation of membership camping contracts; application of Unlawful Trade Practices Act. (1) Membership camping contracts, campgrounds and facilities are not subdivisions or series partitions

under ORS chapter 92, are not condominiums under ORS chapter 100, are not timeshare properties under ORS chapter 94, and are not securities under ORS chapter 59.

(2) Membership camping contracts covered by ORS 94.925 to 94.983 are retail installment contracts under ORS 83.010 to 83.190.

(3) The Attorney General shall protect the rights of purchasers through the application of ORS 646.605 to 646.652. [1985 c.639 §12]
