[1963 c.577 §3; 1963 c.619 §1a; 1969 c.258 §1; 1973 c.503 §4; 1975 c. 551 §1; 1975 c.552 §32; 1977 c.766 §8; 1977 c.788 §2; 1979 c.480 §6; 1979 c.773 §10; 1981 c.748 §44; 1983 c.743 §3; 1983 c.826 §6; 1983 c.827 §27b; 1985 c.544 §2; 1985 c.583 §1; 1985 c.604 §3; 1985 c.717 §5; 1985 c.811 §12; 1987 c.227 §1; 1987 c.729 §5; 1987 c.886 §9; 1989 c.224 §25; 1989 c.525 §1; 1989 c.564 §7; 1989 c.648 §59; 1989 c.739 §1; 1989 c.837 §26; 1989 c.861 §1; 1989 c.964 §10; 1991 c.459 §345; 1991 c.866 §1; 1991 c.950 §2]

215.214 Effect of solid waste disposal site classification on compliance with agricultural land goals. The Land Conservation and Development Commission and the Land Use Board of Appeals shall not consider the provisions of ORS 215.213 (2)(k) as being consistent with any statewide planning goal relating to the preservation of agricultural lands for the purpose of exempting a unit of local government from applying that goal to agricultural lands. [1979 c.773 §11; 1983 c.743 §4; 1983 c.826 §10; 1985 c.565 §29; 1987 c.729 §5c]

(1) Notwithstanding ORS 215.130 (6), if a nonfarm use exists in an exclusive farm use zone and is unintentionally destroyed by fire, other casualty or natural disaster, the county may allow by its zoning regulations such use to be reestablished to its previous nature and extent, but the reestablishment shall meet all other building, plumbing, sanitation and other codes, ordinances and permit requirements.

(2) Consistent with ORS 215.243, the county governing body may zone for the appropriate nonfarm use one or more lots or parcels in the interior of an exclusive farm use zone if the lots or parcels were physically developed for the nonfarm use prior to the establishment of the exclusive farm use zone. 215.220 [Repealed by 1963 c.619 §16]

215.223 Procedure for adopting zoning ordinances; notice. (1) No zoning ordinance enacted by the county governing body may have legal effect unless prior to its enactment the governing body or the planning commission conducts one or more public hearings on the ordinance and unless 10 days' advance public notice of each hearing is published in a newspaper of general circu-

lation in the county or, in case the ordinance applies to only a part of the county, is so published in that part of the county.

(2) The notice provisions of this section shall not restrict the giving of notice by other means, including mail, radio and television.

(3) In effecting a zone change the proceedings for which are commenced at the request of a property owner, the governing body shall in addition to other notice give individual notice of the request by mail to the record owners of property within 250 feet of the property for which a zone change has been requested. The failure of the property owner to receive the notice described shall not invalidate any zone change.

(4) Notice of a public hearing on a zone change pursuant to the application of a property owner shall be provided to the owner of an airport, defined by the Department of Transportation as a "public use airport" if:

(a) The name and address of the airport owner has been provided by the Aeronautics Division of the Department of Transportation to the county planning authority; and

(b) The property subject to the zone change application is:

(A) Within 5,000 feet of the side or end of a runway of an airport determined by the Department of Transportation to be a "visual airport"; or

(B) Within 10,000 feet of the side or end of the runway of an airport determined by the Department of Transportation to be an "instrument airport."

(5) Notwithstanding the provisions of subsection (4) of this section, notice of a zone change hearing need not be provided as set forth in subsection (4) of this section if the zone change would only allow a structure less than 35 feet in height and the property is located outside the runway "approach surface" as defined by the Department of Transportation.

(6) The failure of an airport owner to receive notice, which was mailed, shall not invalidate any zone change.

(7) Before enacting at the request of a property owner an ordinance which would change the zone of property which includes all or part of a mobile home or manufactured dwelling park as defined in ORS 446.003, the governing body shall give written notice by first class mail to each existing mailing address for tenants of the mobile home or manufactured dwelling park at least 20 days but not more than 40 days before the date of the first hearing on the ordinance. The governing body may require an applicant for

such a zone change to pay the costs of such notice. The failure of a tenant to receive a notice which was mailed shall not invalidate any zone change. [1963 c.619 §8; 1967 c.589 §3; 1985 c.473 §14; 1987 c.106 §1; 1989 c.648 §60]

215.230 [Repealed by 1963 c.619 §16]

215.233 Validity of ordinances and development patterns adopted before September 2, 1963. Nothing in ORS 215.010, 215.030, 215.050, 215.060 and 215.110 to 215.213, 215.223 and this section shall impair the validity of ordinances enacted prior to September 2, 1963. All development patterns made and adopted prior to that time shall be deemed to meet the requirements of ORS 215.010, 215.030, 215.050, 215.060 and 215.110 to 215.213, 215.223 and this section concerning comprehensive plans. [1963 c.619 §14; 1971 c.13 §3; 1985 c.565 §30]

(1) As used in this section, "dwelling" means a single-family residential dwelling not provided in conjunction with farm use.

(2) The governing body or its designate shall not grant final approval of an application made under ORS 215.213 (3) or 215.283 (3) for the establishment of a dwelling on a lot or parcel in an exclusive farm use zone that is, or has been, receiving special assessment without evidence that the lot or parcel upon which the dwelling is proposed has been disqualified for special assessment at value for farm use under ORS 308.370 or other special assessment under ORS 308.765, 321.352, 321.730 or 321.815 and any additional tax imposed as the result of disqualification has been paid.

(3) The governing body or its designate may grant tentative approval of an application made under ORS 215.213 (3) or 215.283 (3) for the establishment of a dwelling on a lot or parcel in an exclusive farm use zone that is specially assessed at value for farm use under ORS 308.370 upon making the findings required by ORS 215.213 (3) or 215.283 (3). An application for the establishment of a dwelling that has been tentatively approved shall be given final approval by the governing body or its designate upon receipt of evidence that the lot or parcel upon which establishment of the dwelling is proposed has been disqualified for special assessment at value for farm use under ORS 308.370 and any additional tax imposed as the result of disqualification has been paid.

(4) The owner of a lot or parcel upon which the establishment of a dwelling has been tentatively approved as provided by subsection (3) of this section shall, before final approval, simultaneously:

(a) Notify the county assessor that the lot or parcel is no longer being used as farmland;

(b) Request that the county assessor disqualify the lot or parcel for special assessment under ORS 308.370, 308.765, 321.352, 321.730 or 321.815; and

(c) Pay any additional tax imposed upon disqualification from special assessment.

(5) A parcel that has been disqualified pursuant to subsection (4) of this section shall not requalify for special assessment unless, when combined with another contiguous parcel, it constitutes a qualifying parcel.

(6) When the owner of a lot or parcel upon which the establishment of a dwelling has been tentatively approved notifies the county assessor that the lot or parcel is no longer being used as farmland and requests disqualification of the lot or parcel for special assessment at value for farm use, the county assessor shall:

(a) Disqualify the lot or parcel for special assessment at value for farm use under ORS 308.370 or other special assessment by removing the special assessment;

(b) Provide the owner of the lot or parcel with written notice of the disqualification; and

(c) Impose the additional tax, if any, provided by statute upon disqualification.

(7) The Building Codes Agency, a building official, as defined in ORS 456.715 (1), or any other agency or official responsible for the administration and enforcement of the state building code, as defined in ORS 455.010, shall not issue a building permit for the construction of a dwelling on a lot or parcel in an exclusive farm use zone without evidence that the owner of the lot or parcel upon which the dwelling is proposed to be constructed has paid the additional tax, if any, imposed by the county assessor under paragraph (c) of subsection (6) of this section. [1981 c.748 §46; 1983 c.462 §14; 1983 c.570 §6; 1983 c.826 §23; 1985 c.717 §6; 1985 c.811 §6; 1987 c.305 §5; 1987 c.414 §147; 1991 c.459 §346]

215.240 [Repealed by 1963 c.619 §16]

215.243 Agricultural land use policy. The Legislative Assembly finds and declares that:

(1) Open land used for agricultural use is an efficient means of conserving natural resources that constitute an important physical, social, aesthetic and economic asset to all of the people of this state, whether living in rural, urban or metropolitan areas of the state.

(2) The preservation of a maximum amount of the limited supply of agricultural

land is necessary to the conservation of the state's economic resources and the preservation of such land in large blocks is necessary in maintaining the agricultural economy of the state and for the assurance of adequate, healthful and nutritious food for the people of this state and nation.

(3) Expansion of urban development into rural areas is a matter of public concern because of the unnecessary increases in costs of community services, conflicts between farm and urban activities and the loss of open space and natural beauty around urban centers occurring as the result of such expansion.

(4) Exclusive farm use zoning as provided by law, substantially limits alternatives to the use of rural land and, with the importance of rural lands to the public, justifies incentives and privileges offered to encourage owners of rural lands to hold such lands in exclusive farm use zones. [1973 c.503 §1]

215.250 [Repealed by 1973 c.619 §16]

215.253 Restrictive local ordinances affecting farm use zones prohibited; exception. (1) No state agency, city, county or political subdivision of this state may exercise any of its powers to enact local laws or ordinances or impose restrictions or regulations affecting any farm use land situated within an exclusive farm use zone established under ORS 215.203 or within an area designated as marginal land under ORS 197.247 in a manner that would unreasonably restrict or regulate farm structures or that would unreasonably restrict or regulate accepted farming practices because of noise, dust, odor or other materials carried in the air or other conditions arising therefrom if such conditions do not extend into an adopted urban growth boundary in such manner as to interfere with the lands within the urban growth boundary. "Accepted farming practice" as used in this subsection shall have the meaning set out in ORS 215.203.

(2) Nothing in this section is intended to limit or restrict the lawful exercise by any state agency, city, county or political subdivision of its power to protect the health, safety and welfare of the citizens of this state. [1973 c.503 §8; 1983 c.826 §12; 1985 c.565 §31]

215.260 [Amended by 1955 c.652 §3; repealed by 1957 s.s. c.11 §4 (215.261 enacted in lieu of 215.260)]

215.263 Review of land divisions in exclusive farm use zones; criteria for approval; exemptions. (1) Any proposed division of land included within an exclusive farm use zone resulting in the creation of one or more parcels of land shall be reviewed and approved or disapproved by the govern-

ing body or its designate of the county in which the land is situated. The governing body of a county by ordinance shall require such prior review and approval for such divisions of land within exclusive farm use zones established within the county.

(2) The governing body of a county or its designate may approve a proposed division of land to create parcels for farm use as defined in ORS 215.203 if it finds:

(a) That the proposed division of land is appropriate for the continuation of the existing commercial agricultural enterprise within the area; or

(b) The parcels created by the proposed division are not smaller than the minimum lot size acknowledged under ORS 197.251.

(3) The governing body of a county or its designate may approve a proposed division of land in an exclusive farm use zone for nonfarm uses, except dwellings, set out in ORS 215.213 (2) or 215.283 (2), whichever is applicable, if it finds that the parcel for the nonfarm use is not larger than the minimum size necessary for the use. The governing body may establish other criteria as it considers necessary.

(4) The governing body of a county may approve a division of land in an exclusive farm use zone for a dwelling not provided in conjunction with farm use only if the dwelling has been approved under ORS 215.213 (3) or 215.283 (3), whichever is applicable.

(5) This section shall not apply to the creation or sale of cemetery lots, if a cemetery is within the boundaries designated for a farm use zone at the time the zone is established.

(6) This section shall not apply to divisions of land resulting from lien foreclosures or divisions of land resulting from foreclosure of recorded contracts for the sale of real property.

(7) The governing body of a county shall not approve any proposed division of a lot or parcel described in ORS 215.213 (1)(e) or 215.283 (1)(e), whichever is applicable.

(8) The governing body of a county may approve a proposed division of land in an exclusive farm use zone to create a parcel with an existing dwelling to be used:

(a) As a residential home as described in ORS 197.660 (2) only if the dwelling has been approved under ORS 215.213 (3) or 215.283 (3), whichever is applicable; and

(b) For historic property that meets the requirements of ORS 215.213 (1)(q) and 215.283 (1)(o).

(9) The governing body of a county shall not approve a division of land for nonfarm

use under subsection (3), (4) or (8) of this section unless any additional tax imposed for the change in use has been paid. [1973 c.503 §9; 1977 c.766 §9; 1979 c.46 §2; 1981 c.748 §48; 1983 c.826 §7; 1985 c.544 §4; 1987 c.729 §5b; 1989 c.224 §26; 1989 c. 564 §8; 1989 c.861 §3; 1991 c.459 §347]

215.293 Dwelling in exclusive farm use zone; condition; declaration. A county governing body or its designate may require as a condition of approval of a single-family dwelling under ORS 215.213 or 215.283 that the landowner for the dwelling sign a statement declaring that the landowner will not in the future complain about accepted farming or forest practices on nearby lands devoted to farm or forest use. [1983 c.826 §11]

(a) Force a significant change in accepted farm or forest practices on surrounding lands devoted to farm or forest use; or

(b) Significantly increase the cost of accepted farm or forest practices on surrounding lands devoted to farm or forest use.

(2) An applicant for a use allowed under ORS 215.213 (2) or 215.283 (2) may demonstrate that the standards for approval set forth in subsection (1) of this section will be satisfied through the imposition of conditions. Any conditions so imposed shall be clear and objective.

(3) A person engaged in farm or forest practices on lands devoted to farm or forest use may file a complaint with the local governing body alleging:

(a) That a condition imposed pursuant to subsection (2) of this section has been violated;

(b) That the violation has:

(B) Significantly increased the cost of accepted farm or forest practices on surrounding lands devoted to farm or forest use; and

(c) That the complainant is adversely affected by the violation.

(4) Upon receipt of a complaint, the local governing body or its designee shall:

(a) Forward the complaint to the operator of the use;

(b) Review the complaint in the manner set forth in ORS 215.402 to 215.438; and

(c) Determine whether the allegations made pursuant to subsection (3) of this section are true.

(5) Upon a determination that the allegations of the complaint are true, the local governing body or its designee at a minimum shall notify the violator that a violation has occurred, direct the violator to correct the conditions that led to the violation within a specified time period and warn the violator against the commission of further violations.

(6) If the conditions that led to a violation are not corrected within the time period specified pursuant to subsection (5) of this section, or if there is a determination pursuant to subsection (4) of this section following the receipt of a second complaint that a further violation has occurred, the local governing body or its designee at a minimum shall assess a fine against the violator.

(7) If the conditions that led to a violation are not corrected within 30 days after the imposition of a fine pursuant to subsection (6) of this section, or if there is a determination pursuant to subsection (4) of this section following the receipt of a third or subsequent complaint that a further violation has occurred, the local governing body or its designee shall at a minimum order the suspension of the use until the violator corrects the conditions that led to the violation.

(8) If a use allowed under ORS 215.213 (2) or 215.283 (2) is initiated without prior approval pursuant to subsection (1) of this section, the local governing body or its designee at a minimum shall notify the user that prior approval is required, direct the user to apply for approval within 21 days and warn the user against the commission of further violations. If the user does not apply for approval within 21 days, the local governing body or its designee shall order the suspension of the use until the user applies for and receives approval. If there is a determination pursuant to subsection (4) of this section following the receipt of a complaint that a further violation occurred after approval was granted, the violation shall be deemed a second violation and the local governing body or its designee at a minimum shall assess a fine against the violator.

(9)(a) The standards set forth in subsection (1) of this section shall not apply to farm or forest uses conducted within:

(10) Nothing in this section shall prevent a local governing body approving a use allowed under ORS 215.213 (2) or 215.283 (2) from establishing standards in addition to

those set forth in subsection (1) of this section or from imposing conditions to insure conformance with such additional standards. [1989 c.861 §6]

215.298 Mining in exclusive farm use zone; land use permit. (1) For purposes of ORS 215.213 (2) and 215.283 (2), a land use permit is required for mining more than 1,000 cubic yards of material or excavation preparatory to mining of a surface area of more than one acre. A county may set standards for a lower volume or smaller surface area than that set forth in this subsection.

(2) A permit for mining of aggregate shall be issued only for a site included on an inventory in an acknowledged comprehensive plan.

(3) For purposes of ORS 215.213 (2) and 215.283 (2) and this section, "mining" includes all or any part of the process of mining by the removal of overburden and the extraction of natural mineral deposits thereby exposed by any method including open-pit mining operations, auger mining operations, processing, surface impacts of underground mining, production of surface mining refuse and the construction of adjacent or off-site borrow pits except those constructed for use as access roads. "Mining" does not include excavations of sand, gravel, clay, rock or other similar materials conducted by a landowner or tenant on the landowner or tenant's property for the primary purpose of reconstruction or maintenance of access roads and excavation or grading operations conducted in the process of farming or cemetery operations, onsite road construction or other onsite construction or nonsurface impacts of underground mines. [1989 c.861 §4]

215.303 Committee on land use to adopt procedures and penalties concerning uses in exclusive farm use zones; report to Legislative Assembly. (1) The Joint Legislative Committee on Land Use shall develop procedures and penalties to insure that uses allowed under ORS 215.213 (2) and

215.283 (2) do not force a significant change in or significantly increase the cost of accepted farm or forest practices on surrounding lands devoted to farm or forest use. In developing such procedures and penalties, the Joint Legislative Committee on Land Use shall have available to it the advice and assistance of the Legislative Counsel. The Department of Land Conservation and Development shall make recommendations concerning the provisions of the amendments to ORS 215.213, 215.263 and 215.283 by chapter 861, Oregon Laws 1989, and ORS 215.296 to 215.303.

(A) Within 5,000 feet of the side or end of a runway of an airport determined by the Department of Transportation to be a "visual airport"; or

(B) Within 10,000 feet of the side or end of the runway of an airport determined by the Department of Transportation to be an "instrument airport."

(7) Notwithstanding the provisions of subsection (6) of this section, notice of a land use hearing need not be provided as set forth in subsection (6) of this section if the zoning permit would only allow a structure less than 35 feet in height and the property is located outside the runway "approach surface" as defined by the Department of Transportation.

(8) Approval or denial of a permit application shall be based on standards and criteria which shall be set forth in the zoning ordinance or other appropriate ordinance or regulation of the county and which shall relate approval or denial of a permit application to the zoning ordinance and comprehensive plan for the area in which the proposed use of land would occur and to the zoning ordinance and comprehensive plan for the county as a whole.

(9) Approval or denial of a permit or limited land use decision shall be based upon and accompanied by a brief statement that explains the criteria and standards considered relevant to the decision, states the facts relied upon in rendering the decision and explains the justification for the decision based on the criteria, standards and facts set forth.

(10) Written notice of the approval or denial shall be given to all parties to the proceeding.

(11)(a) The hearings officer, or such other person as the governing body designates, may approve or deny an application for a permit without a hearing if the hearings officer or other designated person gives notice of the decision and provides an opportunity for appeal of the decision to those persons who would have had a right to notice if a hearing had been scheduled or who are adversely affected or aggrieved by the decision. Notice of the decision shall be given in the same manner as required by ORS 197.763 or 197.195, whichever is applicable. An appeal from a hearings officer's decision shall be to the planning commission or governing body of the county. An appeal from such other person as the governing body designates shall be to a hearings officer, the planning commission or the governing body. In either case, the appeal shall be a de novo hearing.

(b) If a local government provides only a notice of the opportunity to request a hearing, the local government may charge a fee for the initial hearing. The maximum fee for an initial hearing shall not be in excess of \$100. If an appellant prevails at the hearing

or upon subsequent appeal, the fee for the initial hearing shall be refunded. The fee allowed in this paragraph shall not apply to appeals made by:

(A) The Department of Land Conservation and Development; or

(B) Neighborhood or community organizations recognized by the governing body and whose boundaries include the site.

(12) A decision described in ORS 215.402 (4)(b) shall:

(a) Be entered in a registry available to the public setting forth:

(A) The street address or other easily understood geographic reference to the subject property;

(B) The date of the decision; and

(C) A description of the decision made.

(b) Be subject to the jurisdiction of the Land Use Board of Appeals in the same manner as a limited land use decision.

(c) Be subject to the appeal period described in ORS 197.830 (4)(b).

(13) At the option of the applicant, the local government shall provide notice of the decision described in ORS 215.402 (4)(b) in the manner required by ORS 197.763 (2), in which case an appeal to the board shall be filed within 21 days of the decision. The notice shall include an explanation of appeal rights. 215.418 Approval of development on wetlands; notice. (1) After the Division of State Lands has provided the county with a copy of the applicable portions of the State-wide Wetlands Inventory, the county shall provide notice to the division, the applicant and the owner of record, within five working days of the acceptance of any complete application for the following that are wholly or partially within areas identified as wetlands on the State-wide Wetlands Inventory:

(a) Subdivisions;

(b) Building permits for new structures;

(c) Other development permits and approvals that allow physical alteration of the land involving excavation and grading, including permits for removal or fill, or both, or development in floodplains and floodways;

(d) Conditional use permits and variances that involve physical alterations to the land or construction of new structures; and

(e) Planned unit development approvals.

(2) The provisions of subsection (1) of this section do not apply if a permit from the division has been issued for the proposed activity.

(3) Approval of any activity described in subsection (1) of this section shall include one of the following notice statements:

(a) Issuance of a permit under ORS 196.665 and 196.800 to 196.900 by the division required for the project before any physical alteration takes place within the wetlands;

(b) Notice from the division that no permit is required; or

(c) Notice from the division that no permit is required until specific proposals to remove, fill or alter the wetlands are submitted.

(4) If the division fails to respond to any notice provided under subsection (1) of this section within 30 days of notice, the county approval may be issued with written notice to the applicant and the owner of record that the proposed action may require state or federal permits.

(5) The county may issue local approval for parcels identified as or including wetlands on the State-wide Wetlands Inventory upon providing to the applicant and the owner of record of the affected parcel a written notice of the possible presence of wetlands and the potential need for state and federal permits and providing the division with a copy of the notification of comprehensive plan map or zoning map amendments for specific properties.

(6) Notice of activities authorized within an approved wetland conservation plan shall be provided to the division within five days following local approval.

(7) Failure by the county to provide notice as required in this section will not invalidate county approval. [1989 c.837 §29; 1991 c.763 §24]

Note: 215.418 was added to and made a part of ORS chapter 215 but was not added to any smaller series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

215.420 [Amended by 1955 c.439 §10; repealed by 1971 c.13 §1]

215.422 Review of decision of hearings officer or other authority; notice of appeal; establishment of fees; appeal of final decision. (1)(a) A party aggrieved by the action of a hearings officer or other decision-making authority may appeal the action to the planning commission or county governing body, or both, however the governing body prescribes. The appellate authority on its own motion may review the action. The procedure and type of hearing for such an appeal or review shall be prescribed by the governing body, but shall not require the notice of appeal to be filed within less than seven days after the date the governing body mails or delivers the decision to the parties.

(b) Notwithstanding paragraph (a) of this subsection, the governing body may provide that the decision of a hearings officer or other decision-making authority is the final determination of the county.

(c) The governing body may prescribe, by ordinance or regulation, fees to defray the costs incurred in acting upon an appeal from a hearings officer, planning commission or other designated person. The amount of the fee shall be reasonable and shall be no more than the average cost of such appeals or the actual cost of the appeal, excluding the cost of preparation of a written transcript. The governing body may establish a fee for the preparation of a written transcript. The fee shall be reasonable and shall not exceed the actual cost of preparing the transcript up to \$500. In lieu of a transcript prepared by the governing body and the fee therefor, the governing body shall allow any party to an appeal proceeding held on the record to prepare a transcript of relevant portions of the proceedings conducted at a lower level at the party's own expense. If an appellant prevails at a hearing or on appeal, the transcript fee shall be refunded.

(2) A party aggrieved by the final determination may have the determination reviewed in the manner provided in ORS 197.830 to 197.845.

(3) No decision or action of a planning commission or county governing body shall be invalid due to ex parte contact or bias resulting from ex parte contact with a member of the decision-making body, if the member of the decision-making body receiving the contact:

(a) Places on the record the substance of any written or oral ex parte communications concerning the decision or action; and

(b) Has a public announcement of the content of the communication and of the parties' right to rebut the substance of the communication made at the first hearing following the communication where action will be considered or taken on the subject to which the communication related.

(4) A communication between county staff and the planning commission or governing body shall not be considered an ex parte contact for the purposes of subsection (3) of this section.

(5) Subsection (3) of this section does not apply to ex parte contact with a hearings officer approved under ORS 215.406 (1). [1973 c.522 §§17, 18; 1977 c.766 §13; 1979 c.772 §11; 1981 c.748 §42; 1983 c.656 §1; 1983 c.827 §21; 1991 c.817 §9]

215.425 Review of decision relating to aggregate resources. (1) A decision relating to aggregate resource uses permitted in ORS

215.213 (2)(d) or 215.283 (2)(b) is subject to review solely under the provisions of ORS 197.195 and 197.828 if:

(a) The aggregate resource site is identified as a significant resource site in the acknowledged comprehensive plan;

(b) A program to achieve any statewide goal relating to open spaces, scenic and historic areas, and natural resources has been developed for the aggregate resource site and is included within applicable land use regulations; and

(c) The decision concerns how, but not whether, aggregate resource use occurs.

(2) The provisions of subsection (1) of this section do not apply to mineral and other uses not related to aggregate resources. [1991 c.817 §11]

Note: 215.425 was added to and made a part of 215.402 to 215.438 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

215.428 Final action on permit or zone change application required within 120 days; exceptions; mandamus authorized.

(1) Except as provided in subsections (3) and (4) of this section, the governing body of a county or its designate shall take final action on an application for a permit, limited land use decision or zone change, including resolution of all appeals under ORS 215.422, within 120 days after the application is deemed complete.

(2) If an application for a permit, limited land use decision or zone change is incomplete, the governing body or its designate shall notify the applicant of exactly what information is missing within 30 days of receipt of the application and allow the applicant to submit the missing information. The application shall be deemed complete for the purpose of subsection (1) of this section upon receipt by the governing body or its designate of the missing information. If the applicant refuses to submit the missing information, the application shall be deemed complete for the purpose of subsection (1) of this section on the 31st day after the governing body first received the application.

(3) If the application was complete when first submitted or the applicant submits the requested additional information within 180 days of the date the application was first submitted and the county has a comprehensive plan and land use regulations acknowledged under ORS 197.251, approval or denial of the application shall be based upon the standards and criteria that were applicable at the time the application was first submitted.

(4) The 120-day period set in subsection (1) of this section may be extended for a

reasonable period of time at the request of the applicant.

(5) The 120-day period set in subsection (1) of this section applies:

(a) Only to decisions wholly within the authority and control of the governing body of the county; and

(b) Unless the parties have agreed to mediation as described in ORS 197.318 (2)(b).

(6) Notwithstanding subsection (5) of this section, the 120-day period set in subsection (1) of this section does not apply to an amendment to an acknowledged comprehensive plan or land use regulation or adoption of a new land use regulation that was forwarded to the director under ORS 197.610 (1).

(7) If the governing body of the county or its designate does not take final action on an application for a permit, limited land use decision or zone change within 120 days after the application is deemed complete, the applicant may apply in the circuit court of the county where the application was filed for a writ of mandamus to compel the governing body or its designate to issue the approval. The writ shall be issued unless the governing body shows that the approval would violate a substantive provision of the county comprehensive plan or land use regulations as defined in ORS 197.015. [1983 c.827 §23; 1989 c.761 §15; 1991 c.817 §14]

215.430 [1955 c.682 §2; repealed by 1971 c.13 §1]

(1) The governing body of a county or its designate may allow, subject to the approval of the governing body or its designate, the establishment of a home occupation in any zone, including an exclusive farm use or forest zone, that allows residential uses, if the home occupation:

(a) Will be operated by a resident of the property on which the business is located;

(b) Will employ no more than five full or part-time persons;

(c) Will be operated in:

(A) The dwelling; or

(B) Other buildings normally associated with uses permitted in the zone in which the property is located; and

(2) The governing body of the county or its designate may establish additional reasonable conditions of approval for the establishment of a home occupation under subsection (1) of this section.

(3) Nothing in this section authorizes the governing body or its designate to permit construction of any structure that would not otherwise be allowed in the zone in which the home occupation is to be established.

(4) The existence of home occupations shall not be used as justification for a zone change.

(5) A governing body of a county or its designate shall review a permit allowing a home occupation under subsection (1) of this section every 12 months following the date the permit was issued and may continue the permit if the home occupation continues to comply with the requirements of this section. (3) Prior to the issuance of a permit to establish a winery under this section, the applicant shall show that vineyards, described in paragraphs (a) and (b) of subsection (1) of this section, have been planted or that the contract has been executed, as applicable.

(4) A local government shall adopt findings for each of the standards described in paragraphs (a) and (b) of this subsection.
