The signatures in the statement of sponsorship must be accompanied by a certificate of the county clerk of each county in which the electors who signed the statement reside, stating the number of signatures believed to be genuine. The Secretary of State shall date and time stamp the prospective petition and specify the form on which the petition shall be printed for circulation. The secretary shall retain the prospective petition.

(2) The chief petitioner may amend the proposed initiated measure filed with the Secretary of State without filing another prospective petition, if:

(a) The Attorney General certifies to the Secretary of State that the proposed amendment will not substantially change the substance of the measure; and

(b) The deadline for submitting written comments on the draft title has not passed.

(3) An initiative or referendum petition shall designate the name and residence address of not more than three persons as chief petitioners. The cover of a referendum petition shall contain the title described in ORS 250.065 (1). If a petition seeking a different ballot title is not filed with the Supreme Court by the deadline for filing a petition under ORS 250.085, the cover of an initiative petition shall contain the ballot title described in ORS 250.067 (2). However, if the Supreme Court has reviewed the ballot title, the cover of the initiative petition shall contain the title certified by the court.

(4) The chief petitioners shall include with the prospective petition a statement declaring whether one or more persons will be paid money or other valuable consideration for obtaining signatures of electors on the initiative or referendum petition. After the prospective petition is filed, the chief petitioners shall notify the filing officer not later than the 10th day after any of the chief petitioners first has knowledge or should have had knowledge that:

(a) Any person is being paid for obtaining signatures, when the statement included with the prospective petition declared that no such person would be paid.

(b) No person is being paid for obtaining signatures, when the statement included with the prospective petition declared that one or more such persons would be paid.

The Secretary of State by rule shall adopt a method of designation to distinguish signature sheets of referendum petitions containing the same subject reference and being circulated during the same period. Each sheet of signatures shall be attached to a full and correct copy of the measure to be initiated or referred. Each sheet of signatures shall contain only the signatures of electors of one county.

(6) The reverse side of the cover of an initiative or referendum petition and both sides of a signature sheet may be used for obtaining signatures on an initiative or referendum petition. If both sides of a signature sheet are used, each side shall contain the information required on a signature sheet under subsection (5) of this section.

The Secretary of State shall furnish the chief petitioner with a copy of the ballot title.

file with the Supreme Court a copy of the written comments received as part of the record on review of the ballot title.

(4) The Secretary of State by rule shall designate a statistical sampling technique to verify whether a petition contains the re-

quired number of signatures of electors. A petition shall not be rejected for the reason that it contains less than the required number of signatures unless two separate sampling processes both establish that the petition lacks the required number of signatures. The second sampling must contain a larger number of signatures than the first sampling.

(5) The Secretary of State may employ professional assistance to determine the sampling technique. [1979 c.190 §149; 1985 c.447 §7; 1989 c.68 §6]

250.130 [Repealed by 1957 c.608 §231]

250.131 Court review of procedures under which estimates of financial impact of state measure were prepared. No petition shall be allowed concerning the amount of the estimate or regarding whether an estimate should be prepared.

(2) If the petition is filed not later than the 85th day before the election at which the measure is to be voted upon, the court shall review the procedures under which the estimate was prepared, filed and certified, hear arguments and determine whether the procedures required under ORS 250.125 and 250.127 were satisfied. The review by the Supreme Court shall be conducted expeditiously to insure the orderly and timely conduct of the election at which the measure is to be submitted to the electors.
