(1) "Veteran" means a person, other than a person entitled to retirement pay from the United States based on length of military service, who served on active duty with the Armed Forces of the United States for a period of more than 180 consecutive days, and was discharged or released therefrom with other than a dishonorable discharge; or a person who served on active duty with the Armed Forces of the United States for 180 days or less and was discharged or released therefrom with other than a dishonorable discharge because of a service-connected disability. Attendance at a school under military orders, except schooling incident to an active enlistment or regular tour of duty, or normal military training as a reserve officer or member of an organized reserve or national guard unit shall not be considered active duty.

(2) "Disabled veteran" means a person entitled to disability compensation under laws administered by the United States Department of Veterans' Affairs, a person whose discharge or release from active duty was for a disability incurred or aggravated in the line of duty or a person who was awarded the Purple Heart for wounds received in combat. [1977 c.854 §1; 1981 c.493 §1; 1989 c.507 §1; 1991 c.67 §98]

408.230 Veterans' preference on civil service examinations. (1) Every veteran and disabled veteran who has successfully completed all phases of a civil service test shall be allowed preference on the list established as a result of such test. Preference means that to the score of a veteran who has passed a test five points shall be added, and to the score of a disabled veteran who has passed a test 10 points shall be added. All such points shall be added to the total combined test score of the veteran and shall not be allocated to any single feature or part of the examination. Rating shall be based on a scale of 100 points as the maximum attainable except for the addition of the preference points allowed under this section.

(2) Any person who has been appointed permanently to a civil service position, granted military leave to serve in the armed services who would qualify as a veteran or disabled veteran and who has returned to duty in a permanent civil service position, shall be allowed such preference on any successfully completed promotion test for a position which would put the person in another class having a higher maximum salary rate. [Amended by 1977 c.854 §3; 1989 c.507 §2]

408.235 Eligibility for preference; limitation on use. (1) Except for a veteran de-

scribed in subsection (2) of this section, a veteran is eligible to use the preference provided for in ORS 408.230 only for a position for which application is made within 15 years of discharge or release from service in the Armed Forces. Such time limit shall not apply in the case of a disabled veteran.

(2) A veteran whose service in the Armed Forces of the United States occurred between January 1, 1962, and May 7, 1975, within the borders of Vietnam, Cambodia, Laos or Thailand may use the preference provided for in ORS 408.230 only for a position for which application is made by July 1, 1999.

(3) Once a veteran has used the preference provided for in ORS 408.230 and has successfully completed trial service and attained regular employee status, the veteran may not use the preference again. Such limitation shall not apply in the case of a disabled veteran.

(4) Notwithstanding ORS 408.230 and subsections (1) to (3) of this section, a veteran whose service on active duty in the Armed Forces of the United States occurred entirely on or after October 15, 1976, may not use the preference provided for in ORS 408.230 unless the veteran was in the theater of operations when the Armed Forces of the United States were engaged in armed conflict with military forces of another nation or with terrorist or other armed forces. [1977 c.854 §4; 1989 c.507 §3]

408.240 Status and rights of public officer and employee during and after military duty. (1) Whenever any public officer or employee leaves a position after June 24, 1950, whether voluntarily or involuntarily, in order to perform military duty, such office or position shall not become vacant, nor shall the officer or employee be subject to removal as a consequence thereof. Unless the officer or employee dies, resigns or is relieved or discharged from such duty under other than honorable conditions, during the term for which the officer or employee was elected, appointed or employed, such officer or employee shall be deemed absent on leave until release from such active service has permitted the officer or employee to resume the duties of the office or position. While so absent on leave, the officer or employee shall not receive the pay or other emolument of such office or position, nor become liable, as such officer or employee, on an official bond or otherwise, for the acts or omissions of any other person.

The recipient may at any time thereafter elect to limit the monthly recoupment to one-half the disregarded earnings by granting the division a confession of judgment.

(3) The division shall not execute on a confession of judgment until the recipient is no longer receiving public assistance and has either refused to agree to or has defaulted on a reasonable plan to satisfy the judgment.

(2) With respect to health services and needs to be provided in any general assistance programs during any period, and within the limits of funds available therefor, the division shall determine and fix, subject to such revisions as it may make from time to time:

(3) The types and extent of health services and needs and the amounts to be paid in meeting the costs thereof, as determined and fixed by the division, shall be the total general assistance available to applicants and recipients for health services and needs and the total amounts from general assist-

ance funds available to vendors in meeting such costs.

(4) Payments of general assistance for medical care and services shall constitute payment in full for all such care and services for which the payments were made. [Amended by 1965 c.556 §18]

411.760 Assistance grants are inalienable. All moneys granted under the provisions of ORS 411.060, 411.070 and 411.710 to 411.730 shall be inalienable by any assignment or transfer and shall be exempt from garnishment, levy or execution under the laws of this state.

411.765 Medical care by insurance or service contracts. In lieu of providing one or more of the medical and remedial care and services available under general assistance by direct payments to providers thereof and in lieu of providing such medical and remedial care and services made available pursuant to ORS 411.710, the Adult and Family Services Division may use available general

assistance funds to purchase and pay premiums on policies of insurance, or enter into and pay the expenses on health care service contracts, or medical or hospital service contracts that provide one or more of the medical and remedial care and services available under general assistance. The policy of insurance or the contract by its terms, or the insurer or contractor by written acknowledgment to the division, must guarantee:

(2) No premium or other periodic charge on any policy of insurance, health care service contract, or medical or hospital service contract shall be paid from available general assistance funds unless the insurer or contractor issuing such policy or contract is by law authorized to transact business as an insurance company, health care service contractor or hospital association in this state. [1969 c.207 §3]

411.785 Content of contract. The Adult and Family Services Division may enter into nonexclusive contracts under which funds available for general assistance may be administered and disbursed by the contractor to direct providers of medical and remedial care and services available under general as-

sistance in consideration of services rendered and supplies furnished by them in accordance with the provisions of ORS 411.710 to 411.785. Payment shall be made according to the rules of the division pursuant to the number of days and the fees, charges and costs established under ORS 411.710. The contractor must guarantee the division by written acknowledgment:

411.790 Assistance to certain persons receiving employment income. (1) In granting general assistance, the Adult and Family Services Division shall apply a graduated scale that disregards a portion of a person's income, if that income is earned in employment that is part of an approved treatment or rehabilitation program and if the person has been unemployed and receiving general assistance due to chronic mental illness.

(2) The division shall continue to provide health services and needs, as described in ORS 411.710 (2), to a person described in subsection (1) of this section for a period of time not to exceed two years after the person ceases to receive general assistance if:

(a) Group health insurance is not available to the person through employment or otherwise; and either

(b) Termination of eligibility for health services and needs would seriously inhibit the person's ability to continue employment; or

(c) The person's earnings are not sufficient to allow the person a reasonable equivalent of the general assistance and health service benefits which would be available to the person in the absence of the earnings.

(3) If the person described in subsection (1) of this section is covered by a group health insurance plan, the division shall continue to provide health services and needs for the limited purpose of paying the costs of treatment for preexisting conditions until such costs are paid in whole or in part by the group health insurance policy.

(4) For purposes of this section, "approved treatment and rehabilitation program" and "chronic mental illness" shall be defined by rule, adopted by the division after consultation with the Mental Health

and Developmental Disability Services Division.

(5) For the purposes of general assistance, any work performed by a person while that person is hospitalized in a state or community psychiatric hospital shall not be considered employment.

(6) Nothing in this section is intended to limit the authority of the division to disregard the income of, and extend the period of eligibility for health services and needs to, persons other than those described in subsection (1) of this section. [1981 c.341 §2]

Note: 411.790 was enacted into law and added to ORS chapter 411 by the Legislative Assembly but was not added to or made a part of ORS 411.710 to 411.795 by legislative action. See Preface to Oregon Revised Statutes for further explanation.

411.795 Claim against estate of deceased recipient. (1) The amount of any general assistance paid under this chapter is a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or if there be no estate or the estate does not have sufficient assets to satisfy the claim, the estate of the surviving spouse shall be charged for such aid paid to either or both; provided, however, that there shall be no adjustment or recovery of any general assistance correctly paid to or on behalf of any individual under this chapter except after the death of such individual and the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled.

(2) Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any general assistance paid under this chapter is a claim against the estate in any guardianship or conservatorship proceedings and may be paid pursuant to ORS 126.353.

(3) Nothing in this section authorizes the recovery of the amount of any aid from the estate or the surviving spouse of a recipient to the extent that the need for aid resulted from a crime committed against the recipient. [1971 c.422 §1; 1975 c.386 §1; 1985 c.522 §1]

Note: 411.795 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 411 by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(1) Subject to the availability of funds, the Adult and Family Services Division shall include in the payment standard provided under ORS 411.710 to 411.795 and 418.035 to 418.172 an amount to be designated as an energy assistance allowance which shall be specifically excluded from consideration as

income for the purpose of determining eligibility for the federal food stamp program. The energy assistance allowance will provide low income households with funds to meet home energy costs. The amount of the energy assistance allowance shall be commensurate with the winter utility standard of the federal food stamp program and shall be included with the payment standard for the same period. However, the energy assistance allowance shall be computed on an annual basis for administrative purposes. The amount shall be determined according to the following schedule:

2.....	114
3.....	118
4.....	119
5.....	119
6.....	153
7 and over.....	187

(2) For households which contain no adults in the grant, energy assistance allowances will be prorated based on the number in the household divided by the number in the grant.

(3) The Adult and Family Services Division shall provide, subject to the availability of funds, an energy assistance payment, termed the "Employment Transition Program Payment." It shall be paid only to those qualifying households that have been determined to be ineligible for the aid to dependent children program because their gross income exceeds 185 percent of the state's aid to dependent children need standard provided for in ORS 418.035 to 418.172, and, which after appropriate disregards and deductions, do not qualify for the full energy assistance authorized in subsection (1) of this section. Eligibility for and the amount of this payment shall be based on administrative rules filed by the division. The energy assistance payment shall be specifically excluded from consideration as income for the purpose of determining eligibility for the federal food stamp program. [1980 c.18 §1; 1983 c.2 §2; 1985 c.255 §1; 1985 c.819 §1; 1987 c.71 §1; 1989 c.1001 §1; 1991 c.39 §1]

Sec. 1. Subject to funds available, the Adult and Family Services Division shall provide low income households with funds to meet home energy costs. El-

igibility for payments shall be determined by the federal food stamp program's income and resource standards. The energy assistance allowance shall be specifically excluded as income for the purpose of determining eligibility for the federal food stamp program. The amount of energy assistance allowance shall be commensurate with the winter utility standard (six-month standard) of the federal food stamp program. However, the energy assistance allowance shall be computed on an annual basis for administrative purposes. The amount shall be determined according to the following schedule:

Number of Persons In The Household 1991-1993	Energy Assistance

411.802 Compensation for in-home care by spouse. If an approved provider providing in-home care to a recipient of public assistance for compensation marries the recipient, the Adult and Family Services Division or the Senior and Disabled Services Division shall consider the care provided as compensable even though provided by a spouse. The standard of compensation under this section shall be the same as the standard applied for in-home care provided by an approved provider not residing in the home of the recipient. [1987 c.629 §2]

411.803 When spouse may be compensated for in-home care. When a married recipient of public assistance provided under ORS chapter 412 or 413 requires in-home care, the Adult and Family Services Division or the Senior and Disabled Services Division, as appropriate, shall provide that such care be compensated even though provided by the spouse, in the manner and to the extent specified by rule of the appropriate division based on the extent of need and the availability of funds therefor. [1985 c.638 §2]

411.950 Duty to obtain health care coverage for unemployed. In order to provide health care coverage, as defined in ORS 657.885, for eligible unemployed individuals, the Department of Human Resources through its divisions, upon approval and funding by the Emergency Board, is authorized:

(1) To establish and administer a program providing health care coverage to the unem-

ployed which meets the requirements of federal law establishing such a program.

(2) To accept moneys deducted by the Employment Division pursuant to ORS 657.880 and moneys made available by federal funds for such purposes.

(6) To enter into contracts with other federal or state agencies as necessary to carry out the provisions of ORS 411.950 to 411.960, 657.880 and 657.885.

(7) To adopt rules to carry out the provisions of ORS 411.950 to 411.960, 657.880 and 657.885. [1983 c.753 §5]

411.955 State not insurer or agent of insurer. (1) The State of Oregon, its agencies, officers and employees do not by ORS 411.950 to 411.960, 657.880 and 657.885 become the insurer of the health care expenses of any individual and shall not be held liable for health care expenses incurred by an individual claiming eligibility for coverage pursuant to ORS 411.950 to 411.960, 657.880 and 657.885, except as provided by contracts entered into pursuant to ORS 411.950 to 411.960, 657.880 and 657.885.

(2) The State of Oregon, its agencies, officers and employees are not the agents of any insurer or health care service contractor with which the state contracts pursuant to ORS 411.950 to 411.960, 657.880 and 657.885. [1983 c.753 §6]

standing any provisions of ORS chapter 743. [1983 c.753 §7]

PUBLIC ASSISTANCE ACCESSIBILITY PROGRAM

411.965 Policy on program accessibility. The Legislative Assembly finds:

(1) That many persons eligible for public assistance programs, especially those with the lowest incomes and the greatest need for assistance, are precluded from receiving benefits because of program inaccessibility;

(2) That program inaccessibility stems from barriers that arise in learning of the availability of benefits, in applying for benefits and in maintaining eligibility once eligibility is established;

(3) That a gap often exists between the reading and literacy skills possessed by potential applicants to programs and the skills demanded for completion of agency application forms and procedures. Most persons eligible for public assistance programs read at below the eighth-grade level and most public assistance forms require more than an eighth-grade reading level;

(4) That simplifying program rules and rewriting forms and brochures to close the "literacy gap" would contribute to decreasing the program error rate and saving program costs; and

(5) That the Adult and Family Services Division would better serve the people of the State of Oregon by making public assistance programs accessible to those low-income persons legally entitled to assistance. [1987 c.3 §2]

411.967 Forms and notices to be in plain language. Every form, notice, brochure or other written material of the Adult and Family Services Division intended for use by persons inquiring about, applicants for or recipients of public assistance shall be written in plain language. A form, notice, or brochure is written in plain language if it substantially complies with all of the following tests:

(1) Uses short sentences and paragraphs;

(2) Uses everyday words readable at an eighth-grade level of reading ability;

(3) Uses simple and active verb forms;

(4) Uses type of readable size;
