Inasmuch as this statute has been hereinbefore declared to be a subject of general law, and designed to operate uniformly throughout the state, it hereby is declared that the provisions herein contained shall be paramount and superior to and shall fully replace and supersede any and all municipal charter enactments or local ordinances inconsistent herewith, and such charters and ordinances hereby are repealed. [1953 c.176 §18]

472.050 Chapter as dependent upon section 39, Article I, Oregon Constitution. This chapter is dependent and is conditioned upon the terms and provisions of section 39,

Article I, Constitution of Oregon and should said section be repealed by the electors of the State of Oregon in the manner provided for amendments to the Constitution of Oregon, this chapter shall, from and after the first day of January next succeeding such repeal, be of no further force or effect, nor shall any of its provisions have any validity whatsoever from and after such date. [1953 c.176 §30]

472.060 Powers and duties of commission. (1) For all purposes in connection with this chapter, the commission shall have and exercise all of the powers and be subject to the duties conferred upon it by the Oregon Liquor Control Act and Acts amendatory thereof and supplemental thereto, and constitutional provisions, and the commission is hereby authorized and directed to administer and perform the duties provided by this chapter within and in accordance with the powers and duties prescribed in the Oregon Liquor Control Act and Acts amendatory thereof and supplemental thereto, and constitutional provisions, so far as is applicable.

[1953 c.176 §§4, 5]

DISPENSER LICENSES

472.110 Class of dispenser licenses; privileges; number. (1) A dispenser's license may be issued to private clubs, fraternal organizations, veterans' organizations, railroad corporations operating interstate trains and commercial establishments where food is cooked and served, and shall be in three classes, designated as "Class A," "Class B" and "Class C."

(2) Class "A" dispenser's license. A Class "A" dispenser's license may be issued to railroad corporations operating interstate trains and commercial establishments where food is cooked and served. Such license shall permit the licensee to purchase distilled spirits from either an agent of the commission appointed pursuant to ORS 471.750 or a dispenser licensee and to store the same on the licensed premises and to sell the same from the original container by the individual glass or drink for consumption on the licensed premises. The license shall allow the licensee to sell malt beverages and wine for consumption on the premises and shall permit the patron to remove from the premises a wine container the contents of which have been only partially consumed. The malt beverages and wine shall be purchased only from licensees duly authorized to sell at wholesale under ORS 471.220, 471.230 to 471.260 and 471.265 to 471.287. In the absence of municipal ordinance or local regulation to the contrary, Class "A" dispensers' licensees shall be permitted to allow dancing and to have and permit other proper forms of entertainment upon the licensed premises.

(3) Class "B" dispenser's license. A Class "B" dispenser's license may be issued to private clubs, fraternal organizations and veterans' organizations. Such license shall permit the licensee to purchase distilled spirits from either an agent of the commission appointed pursuant to ORS 471.750 or a dispenser licensee and to store the same on the licensed premises and to sell the same from the original container by the individual glass or drink for consumption on the licensed premises and shall allow the licensee to sell malt beverages and wine for consumption on the premises. Such malt beverages and wine shall be purchased only from licensees duly authorized to sell at wholesale under ORS 471.220, 471.230 to 471.260 and 471.265 to 471.287. In the absence of municipal ordinance or local regulation to the contrary, Class "B" dispensers' licensees shall be permitted to allow dancing and to have and permit other proper forms of entertainment upon the licensed premises.

(4) The total number of licensed premises dispensing distilled liquor pursuant to this

chapter shall not in the aggregate at any time exceed one such licensed premises for each 2,000 population in the state, determined according to the last available estimated quarterly State Board of Higher Education figures.

(5) On and after July 26, 1979, the commission may issue up to 100 Class "A" dispensers' licenses that shall not be subject to the limitation of subsection (4) of this section.

(6) Class "C" dispenser's license. A Class "C" dispenser's license may be issued to not more than 75 restaurants. A Class "C" licensee shall have the same privileges as a Class "A" licensee except that the Class "C" licensee must meet the following requirements:

(a) Liquor service is from an area not accessible to patrons of the restaurant;

(b) Patrons are served alcoholic liquors only at tables as an incident to food service; and

(c) The restaurant does not have a lounge or public bar and the applicant and facilities are otherwise qualified to hold a Class "A" dispenser's license.

(7) On and after July 1, 1984, a Class "A," "B" or "C" licensee shall be entitled to purchase any distilled spirits from an agent of the commission appointed pursuant to ORS 471.750 at a discount of not more than five percent off the regular listed price fixed by the commission, together with all taxes, in a manner prescribed by commission rule. The percent of the discount shall be set by the commission and shall be reviewed every six months and adjusted when necessary. The total amount of any discount shall be rebated to dispenser licensees for any six-month period and shall not exceed the state's total net General Fund revenues under ORS 471.810 (1)(a) from sales of distilled spirits in excess of the state's estimated total General Fund liquor revenues for that six-month period, payable from the General Fund credit under ORS 471.810 (1)(a). No rebate shall be granted if the state's total net General Fund revenues from sales fail to meet the General Fund revenue estimates for that six-month period. The revenue estimates shall be established by the commission and approved by the Legislative Assembly each biennium in conjunction with the adoption of the commission's budget. For purposes of compensation by the commission, the appointed agent shall be credited with such sales at full retail cost. [1953 c.176 §6; 1955 c.434 §1; 1957 c.223 §3; 1961 c.348 §1; 1965 c.280 §4; 1965 c.284 §3; 1973 c.395 §6; 1979 c.881 §1; 1981 c.340 §1; 1981 c.585 §1; 1983 c.625 §1]

472.112 Additional dispenser licenses authorized. (1) In addition to licenses issued

under ORS 472.110, the commission annually may issue five licenses under ORS 472.110 (3) to applicants which meet other requirements for such a license, which have more than 200 members and which have been chartered for at least one year prior to making application. The limitation stated in ORS 472.110 (4) shall not apply to the licenses authorized by this subsection.

(2) Even if the number of applicants who apply for the licenses authorized by subsection (1) of this section is fewer than five in any year, no more than five licenses may be issued under subsection (1) of this section in any year. [1977 c.579 §2]

472.113 Additional Class "A," "B" and "C" licenses authorized. In addition to any Class "A," "B" or "C" license authorized on August 16, 1981, the commission may issue upon proper application the following additional licenses:

(1) Fifty Class "A" licenses.

(2) Two Class "B" licenses.

(3) One hundred fifty Class "C" licenses. [1981 c.585 §3; 1983 c.368 §1; 1987 c.281 §1]

472.114 Standards for issuance of Class "A" and "C" licenses. (1) It is the finding of the Legislative Assembly that ORS 471.030 (2) does not require the commission consistently to grant licenses to applicants which have the potential to do a larger gross business than other applicants.

(2) It is the intention of the Legislative Assembly, that in issuing Class "A" and "C" licenses authorized under ORS 472.110 and 472.113, the commission shall recognize the importance of issuing licenses to otherwise qualified applicants located in rural and unincorporated areas and in incorporated areas with populations of less than 25,000.

(3) It is the intent of the Legislative Assembly that the commission shall recognize the importance in licensing applicants described in subsection (2) of this section to also recognize those having seating capacities for 100 or fewer patrons. [1981 c.585 §4]

472.115 When population quota does not apply. The limitations stated in ORS 472.110 (4) shall not apply to premises licensed under ORS 472.112, 472.116 to 472.119, 472.195 and 472.205. [1965 c.284 §6; 1973 c.395 §7; 1979 c.187 §3; 1979 c.881 §2a; 1989 c.120 §4]

472.116 Community events dispenser license. (1) A community events dispenser's license may be issued to a municipal corporation, including a city or county, association or not for profit corporation that is engaged in the production or promotion of a convention, festival, fair, rodeo, civic or community event. A license issued under this section shall permit the licensee to pur-

chase, from the commission only, distilled spirits at regular listed retail prices, to store the spirits on the licensed premises and to sell the spirits from the original containers by the individual drink for consumption on the licensed premises. The license also allows the licensee to sell malt beverages and wine for consumption on the premises if the beverages and wine are purchased from a licensee authorized to sell at wholesale under ORS 471.220, 471.230 to 471.260 and 471.265 to 471.289.

(2) The license shall be granted for specific premises and all beverages must be consumed on the premises. Food must be served within the area of the licensed premises.

(3) The commission may excuse the licensee from compliance with such other license requirements as may be found not inconsistent with the purpose of this chapter.

(4) The license may be issued for a period fixed by the commission. The fee for a license issued under this section shall not exceed \$25 per day. [1979 c.187 §2]

472.117 Special events dispenser license. (1) A special events dispenser's license may be issued for a period of one year to a holder of a dispenser license as defined in ORS 472.110. A license issued under this section shall permit the licensee to dispense distilled spirits and other alcoholic liquors, as permitted by the license under ORS 472.110, at a public auditorium, only in conjunction with events at the auditorium and only in such areas of the auditorium as may be designated in the license. The commission may excuse the licensee from compliance with such other license requirements as may be found not inconsistent with the purposes of the Oregon Distilled Liquor Control Act.

(2) The fee for a license issued under this section shall be \$400 per year. A license may be renewed as provided by ORS 472.150 (1).

(3) As used in this section, "public auditorium" means a structure that has a seating capacity of not less than 1,000 persons and is specially designed for live performances of the arts, including stage presentations, concerts, recitals, lectures and audiovisual features and activities. [1973 c.571 §2; 1985 c.326 §1]

472.119 Caterer dispenser license. (1) Upon application therefor, the Oregon Liquor Control Commission may issue a caterer dispenser's license.

(2) A caterer dispenser's license shall permit a caterer, as defined in ORS 472.010, to sell and serve alcoholic liquor at off-premises functions at which the caterer is catering food. The caterer must have ade-

quate facilities to prepare and cook regular meals as defined by Oregon Liquor Control Commission rules.

(3) Nothing in this section precludes a caterer licensee from holding or applying for a license allowing on-premises sales and service of alcoholic liquor. [1989 c.120 §2]

472.120 Recommendation of local governing body regarding applicant for license. The commission may require of every applicant for a license the recommendation in writing of the county court, or board of county commissioners, in the event the place of business of the applicant is outside of an incorporated city, or of the city council if the place of business of the applicant is within an incorporated city, and the commission may, in its discretion, take such recommendation into consideration before granting or refusing such license. The applicant shall pay to such recommending authority a fee determined by the governing body of the recommending authority, not to exceed \$25, for each application for a license. [1953 c.176 §7; 1977 c.518 §4]

472.130 Incorporated cities as licensees. Any incorporated city or town may, without further charter authority, obtain and hold a "dispenser's license." [1953 c.176 §8]

472.140 [1953 c.176 §11; repealed by 1957 c.220 §5 (472.141 enacted in lieu of 472.140)]

472.141 Characteristics of license. (1) A license granted under this chapter shall:

(a) Be a purely personal privilege.

(b) Be valid for the period stated in the license.

(c) Except for licenses issued under ORS 472.205 or where grounds exist for refusal to issue any license under ORS 472.160, be renewable in the manner provided by ORS 472.150.

(d) Be revocable or suspendible as provided in ORS 472.180.

(g) Not constitute property.

(h) Not be alienable.

(i) Not be subject to attachment or execution.

(2) The commission may, by order, provide for the manner and conditions under which:

(a) Alcoholic liquors left by any deceased, insolvent or bankrupt person or licensee may be disposed of;

(b) The business of any deceased, insolvent or bankrupt licensee may be operated for a reasonable period following the death, insolvency or bankruptcy;

(c) A business licensed pursuant to ORS 472.110, 472.117 or 472.205 subject to a security interest may be continued in business by a secured party as defined in ORS 79.1050 for a reasonable period after default on the indebtedness by the debtor; or

(d) A license granted under this chapter may be transferred from the place for which the license was originally issued to another location. [1957 c.220 §6 (enacted in lieu of 472.140); 1965 c.284 §4; 1971 c.470 §5; 1973 c.311 §4; 1977 c.332 §2; 1977 c.360 §4]

472.145 License terms; initial licenses for less than year; computing fees. (1) Except for licenses issued as provided by ORS 472.116, 472.195 and 472.205, all licenses and renewals thereof shall be issued for a period of one year which shall expire at 12 midnight on March 31, June 30, September 30 or December 31 of each year.

(2) Notwithstanding subsection (1) of this section, a license issued for the first time to an applicant may be issued for less than a year. The license fee for the first license of an applicant, if the license is issued for a fraction of a year, shall be proportionate to the annual license computed on a quarterly basis, counting a major fraction of a quarter as a whole quarter. [1971 c.470 §7; 1979 c.187 §4]

472.147 Enclosure of licensed premises. Nothing in this chapter requires any licensed premises to be enclosed by wall, fence or any other means. [1975 c.207 §6]

472.150 Application for initial license or renewal of license; license fees. (1) Any person desiring a license or renewal of a license shall make application to the Oregon Liquor Control Commission, upon forms furnished by the commission, showing the name and address of the applicant, the applicant's citizenship, location of the place of business which is to be operated under such license, and such other pertinent information as the commission may require. No license shall be granted or renewed until the provisions of this chapter and the regulations of the commission shall have been complied with.

(2)(a) The annual license fee for a Class "A" dispenser's license shall be \$400 and for a Class "B" dispenser's license shall be:

For clubs with fewer than 500 members	\$100
For clubs with 500 to 1,000 members	\$200
For clubs for 1,000 or more members	\$300

(b) The annual license fee for a Class "C" dispenser's license shall be \$300.

(c) The license fee for a seasonal dispenser's license shall be \$40 per month.

(d) The annual license fee for a caterer dispenser's license shall be \$300. [1953 c.176 §9; 1955 c.434 §2; 1965 c.284 §5; 1967 c.28 §2; 1971 c.470 §8; 1973 c.395 §8; 1979 c.126 §2; 1979 c.881 §1a; 1989 c.120 §5]

472.155 Temporary letter of authority on change of ownership. (1) The commission may grant a temporary letter of authority for a period not to exceed 90 days on change of ownership applications for licenses granted under this chapter if the applicant pays the fee prescribed by the commission for a temporary letter. A temporary letter of authority issued under this section or under ORS 471.262 or 471.297 shall not constitute a license as defined in ORS 183.310 (4).

(2) The commission summarily and without prior administrative proceedings may revoke a temporary letter of authority any time during the 90 days if the commission finds that any of the grounds for refusing a permanent license under ORS 472.160 or canceling or suspending a license under ORS 472.180 exist.

(3) A person subject to subsection (2) of this section shall be given an interview under the direction of the commission if the person requests an interview prior to revocation of a temporary letter. However, the proceedings are not a contested case under ORS 183.310 to 183.550. [1989 c.416 §2]

472.160 Grounds for refusal of license. The commission may refuse to license any applicant if it has reasonable grounds to believe:

(1) That there are sufficient licensed premises in the locality set out in the application, or that the granting of a license in the locality set out in the application is not demanded by public interest or convenience.

(2) That the applicant has not furnished an acceptable bond.

(3) That, except as allowed by ORS 471.456, any applicant to sell at retail for consumption on the premises has been financed or furnished with money or property by, or has any connection with, or is a manufacturer of, or wholesale dealer in, alcoholic liquor.

- (4) That the applicant:
- (a) Is in the habit of using alcoholic beverages, habit-forming drugs or controlled substances to excess.
- (b) Has made false statements to the commission.
- (c) Is incompetent or physically unable to carry on the management of the establishment proposed to be licensed.
- (d) Has been convicted of violating any of the alcoholic liquor laws of this state, general or local, including the provisions of this chapter, or has been convicted at any time of a felony.
- (e) Has maintained an insanitary establishment.
- (f) Is not of good repute and moral character.
- (g) Did not have a good record of compliance with the alcoholic liquor laws of this state and the rules of the commission when previously licensed.
- (h) Is not the legitimate owner of the business proposed to be licensed or that other persons have ownership interests in the business, which interests have not been disclosed.
- (i) Is not possessed of or has not demonstrated financial responsibility sufficient to adequately meet the requirements of the business proposed to be licensed.
- (j) Is unable to read or write the English language or to understand the Oregon Liquor Control Act or rules of the commission.

(5) That there is a history of serious and persistent problems involving disturbances, lewd or unlawful activities or noise either in the premises proposed to be licensed or involving patrons of the establishment in the immediate vicinity of the premises if the activities in the immediate vicinity of the premises are related to the sale or service of alcohol under the exercise of the license privilege. Behavior which is grounds for refusal of a license under this section, where so related to the sale or service of alcohol, includes, but is not limited to obtrusive or excessive noise, music or sound vibrations; public drunkenness; fights; altercations; harassment; unlawful drug sales; alcohol or related litter; trespassing on private property; and public urination. Histories from premises currently or previously operated by the applicant may be considered when reasonable inference may be made that similar activities will occur as to the premises proposed to be licensed. The applicant may overcome the history by showing that the problems are not serious or persistent or that the applicant demonstrates a willingness and ability to control adequately the premises

proposed to be licensed and patrons' behavior in the immediate vicinity of the premises which is related to the licensee's sale or service of alcohol under the licensee's exercise of the license privilege. [1953 c.176 §10; 1979 c.744 §35a; 1979 c.881 §5; 1981 c.599 §6; 1989 c.785 §9; 1991 c.67 §144]

472.170 Examinations of books and premises of licensees. (1) The commission shall have the right after 72 hours' notice to the owner or the agent of the owner to make an examination of the books and may at any time make an examination of the premises of any licensee, or to check the alcoholic content of liquors carried by the said licensee, for the purpose of determining compliance with this chapter and the rules of the commission.
