BREAKFAST FACILITIES**

624.010 Definitions for ORS 624.010 to 624.120. As used in ORS 624.010 to 624.120, unless the context requires otherwise:

(1) "Assistant director" means the Assistant Director for Health or an authorized representative.

(2) "Division" means the Health Division of the Department of Human Resources.

(3) "Temporary restaurant" means any establishment operating temporarily in connection with any fair, carnival, circus or similar public gathering or entertainment, food product promotion, or any other event where food is prepared or served for consumption by the public. "Temporary restaurant" does not include:

(a) An establishment where food is prepared and served, by a fraternal, social or religious organization, only to its own members and guests.

(b) An approved school lunch room where food is prepared and served for school and community activities where the preparation and service are under the direction of the school lunch room supervisor.

(c) A food product promotion where only a sample of a food or foods is offered to demonstrate the characteristics of the food product. For the purposes of this paragraph, a sample shall not include a meal, an individual hot dish or a whole sandwich.

(d) A private residence, or part thereof, including the grounds, areas and facilities held out for the use of the occupants generally, for which a special retail beer or special retail wine license is issued under ORS 471.290 for a period not exceeding one day.

(4) "Restaurant" includes any establishment where food or drink is prepared for consumption by the public or any establishment where the public obtains food or drink so prepared in form or quantity consumable then and there, whether or not it is consumed within the confines of the premises where prepared, and also includes establishments which prepare food or drink in consumable form for service outside the premises where prepared, but does not include railroad dining cars, bed and breakfast facilities or temporary restaurants as defined in subsection (3) of this section.

(5) "Limited service restaurant" means a restaurant serving only prewrapped sandwiches, or a single dish or food product, and nonperishable beverages.

(6) "Bed and breakfast facility" means any establishment located in a structure designed for a single family residence and structures appurtenant thereto, regardless of

whether the owner or operator of the establishment resides in any of the structures, which:

(a) Has more than two rooms for rent on a daily basis to the public; and

(b) Offers a breakfast meal as part of the cost of the room. [Amended by 1953 c.177 §8; 1957 c.672 §1; 1959 c.153 §1; 1973 c.824 §1; 1973 c.825 §1; 1975 c.792 §1; 1979 c.236 §4; 1987 c.226 §1; 1991 c.468 §1]

624.015 "Benevolent organization" defined. As used in ORS 624.028, and 624.067, "benevolent organization" means any person organized and existing for charitable, benevolent, eleemosynary, humane, patriotic, religious, philanthropic, recreational, social, educational, civic, fraternal or other nonprofit purposes. The fact that contributions to an organization do not qualify for a charitable deduction for tax purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the Internal Revenue Code of 1954, as amended, constitutes prima facie evidence that the organization is not a bona fide benevolent organization. For purposes of this section, each subordinate lodge, chapter, council, grange, church, parish or other subdivision of an organization constitutes a separate organization. [1973 c.824 §4]

624.020 License required; fees; posting; denial, suspension and revocation of licenses. (1) No person shall operate a restaurant or bed and breakfast facility without a license to do so from the Health Division. The restaurant or bed and breakfast facility license shall be posted in a conspicuous place on the premises of the licensee.

(2) Application for the license shall be in writing in the form prescribed by the division and shall contain the name and address of the applicant and any other information which the division may require. All licenses issued under this section terminate and are renewable on December 31 of each year.

(3) Every applicant for a restaurant license or renewal thereof shall pay to the division a license fee of \$195. An applicant for a limited service restaurant shall pay to the division a fee of \$50. Every applicant for a bed and breakfast facility license or renewal thereof shall pay to the division a license fee of \$95.

(4) The division may exempt or reduce the license fee for restaurants operated by benevolent organizations, as defined by ORS 624.015, and which provide food or beverage primarily to children, the elderly, the indigent or other needy populations, and where such persons are not required to pay the full cost of the food or beverage. Such exemptions are reductions in fees by the division and shall not be binding upon any

delegate county which has a current fee ordinance.

(5) The assistant director may suspend, deny or revoke any license issued under this section for violation of any of the applicable provisions of ORS 624.010 to 624.120 or any rule adopted under ORS 624.010 to 624.120.

(6) Procedures for denial, revocation or suspension of a license shall be as provided in ORS 183.310 to 183.550.

(7) Evidence of the license shall be posted by the assistant director at the customary entrance of the restaurant or bed and breakfast facility in public view, and the license shall not be defaced or removed by any person except the assistant director. [Amended by 1953 c.177 §8; 1957 c.672 §2; 1971 c.661 §1; 1973 c.182 §1; 1975 c.526 §4a; 1975 c.607 §44; 1979 c.696 §11; 1983 c.352 §1; 1983 c.533 §6; 1987 c.226 §2; 1991 c.821 §1]

624.023 Single toilet fixture allowed in small restaurant. The division shall allow restaurants with an occupancy capacity of no more than 15 persons, including employees and patrons, to have only one toilet fixture and adjacent lavatory on the premises. This single toilet fixture shall comply with all division standards for construction, maintenance, cleanliness, accessibility and others, not in conflict with the state building code, that the division might provide. [1979 c.390 §2]

624.025 License for temporary restaurant. (1) No person shall operate a temporary restaurant without first procuring a license to do so from the Health Division. The temporary restaurant license shall be posted in a conspicuous place on the premises of the licensee.

(2) Application for a temporary restaurant license shall be in writing in the form prescribed by the division and shall contain the name and address of the applicant, the specific location of the temporary restaurant and any other information the division may require.

(3) All licenses issued under this section shall terminate 30 days after issuance unless within the 30 days the temporary restaurant is discontinued or is moved from the specific location for which the license was issued. If within 30 days after issuance the temporary restaurant is discontinued or moved from the specific location for which the license was issued, the license shall terminate upon the discontinuance or the removal.

(4) Except as provided in ORS 624.028, every applicant for a temporary restaurant license or renewal thereof shall pay to the division a license fee of \$75.

(5) The assistant director may suspend, deny or revoke any license issued under this section or under ORS 624.028 if it appears,

after a reasonable time has been given for correction of a sanitation violation, that the applicant does not meet applicable minimum sanitation standards as outlined in ORS 624.010 to 624.120 or any rule adopted thereunder. Any suspension, denial or revocation action shall be taken in accordance with ORS 183.310 to 183.550.

(6) Notwithstanding any other provision of this section:

(a) Temporary restaurants operating on an intermittent basis, in a grouping of six or more, at the same specific location two or more times within a 30-day period shall be issued one license for each 30-day period.

(b) The total annual amount of license fees for temporary restaurants described in paragraph (a) of this subsection shall not exceed the annual license fee for a restaurant that is situated in the county in which the temporary restaurant is situated. [1957 c.672 §9; 1973 c.182 §2; 1973 c.824 §2; 1975 c.526 §5; 1979 c.696 §12; 1985 c.573 §1; 1991 c.821 §2]

624.027 Exemption of confection operations from license requirements. When the division determines that public health hazards are nonexistent, the division may, by rule, exempt certain types of confection operations from the license requirements of ORS 624.010 to 624.120. [Formerly part of 624.100; 1973 c.825 §2]

624.028 Temporary restaurant license for benevolent organizations. (1) Notwithstanding ORS 624.025 (3) and (4), the division shall issue a license to a benevolent organization to operate a temporary restaurant pursuant to this section if the benevolent organization has notified the division, orally or in writing, of its intention to operate a temporary restaurant. The division shall provide at least one place in each county at which such notification may be made.

(2) Not more than 13 temporary restaurant licenses per year may be issued pursuant to this section to each benevolent organization.

(3) No license fee or inspection fee shall be charged for a temporary restaurant licensed pursuant to this section.

(4) All licenses issued pursuant to this section shall terminate three days after issuance unless within the three days the temporary restaurant is discontinued or is moved from the specific location for which the license was issued. If within three days after issuance the temporary restaurant is discontinued or moved from the specific location for which the license was issued, the license shall terminate upon the discontinuance or the removal. [1973 c.824 §5]

624.030 [Amended by 1957 c.672 §3; 1973 c.825 §3; 1981 c.650 §1; repealed by 1983 c.533 §5]

624.032 Bed and breakfast facility regulation. The division shall allow a bed and breakfast facility to conduct food service operations for its patrons in rooms used by the owner or operator, provided that:

(1) Such rooms are not used as sleeping quarters; and

(2) Persons not employed by the facility shall be excluded from such rooms during breakfast meal hours. [1987 c.226 §3]

624.035 When alternative food service criteria applicable. The Assistant Director for Health may declare that an extraordinary situation exists and may apply alternative food service criteria in an establishment operated to prepare or serve food or beverages to indigent or needy persons by a benevolent organization, as defined by ORS 624.015, without charge or solicitation from those served. [1985 c.247 §2]

624.040 [Amended by 1953 c.177 §8; 1973 c.825 §4; repealed by 1983 c.533 §5]

624.045 State Food Service Advisory Committee; appointment; qualifications; duties. The division shall appoint a State Food Service Advisory Committee. The committee shall consist of volunteer representatives from a cross section of the food service industry, the general public, appropriate local and state groups, county sanitarians and other appropriate state agencies, including the State Department of Agriculture. In addition to such other duties as may be prescribed by the division, the committee, not later than January 1 of each year in which a biennial session of the Legislative Assembly convenes, shall:

(1) Submit to the division and the Legislative Assembly recommendations regarding the implementation of ORS 624.020, 624.060, 624.085 and 624.510.

(2) Coordinate with any county food service advisory committee established under ORS 624.550 the implementation of any recommendations or evaluations required under ORS 624.550. [1985 c.701 §3]

624.050 [Amended by 1953 c.177 §8; 1957 c.672 §4; 1973 c.825 §5; 1981 c.650 §2; repealed by 1983 c.533 §5]

624.060 Inspection and reinspection of restaurants and bed and breakfast facilities; posting of sign required; report; posting. (1) At least once every six months the assistant director shall inspect every restaurant located within the jurisdiction of the assistant director. At least once a year the assistant director shall inspect every bed and breakfast facility located within the jurisdiction of the assistant director. The person operating the restaurant or bed and breakfast facility shall, upon the request of the assistant director, permit access to all parts of the establishment.

(2) A copy of each inspection report shall be given to the restaurant or bed and breakfast facility operator or person in charge of the restaurant or bed and breakfast facility, and another copy shall be filed with the records of the division.

(3) During each inspection, the assistant director shall insure that restaurants or bed and breakfast establishments that hold valid liquor licenses have properly posted the appropriate sign required by ORS 471.551.

(4) After each inspection, notice regarding compliance with ORS 624.010 to 624.120 by the restaurant or bed and breakfast facility shall be posted at the customary entrance of the restaurant or bed and breakfast facility in public view and shall not be removed by any person except the assistant director.

(5) If the assistant director discovers the violation of any provision of ORS 624.010 to 624.120, the assistant director shall make a second inspection after the lapse of such time as the assistant director deems necessary for the defect to be remedied. When a violation noted on an inspection has been remedied, that violation shall not cumulate with violations noted on a second inspection. [Amended by 1953 c.177 §8; 1973 c.825 §6; 1983 c.533 §3; 1985 c.701 §§1, 6; 1987 c.226 §§4, 5; 1991 c.324 §8]

624.062 [1971 c.661 §2; 1973 c.825 §6a; repealed by 1973 c.825 §23a]

624.065 Inspection of temporary restaurants; report. (1) At least once during the operation of a temporary restaurant, the assistant director shall inspect the facilities and operation. The person operating the temporary restaurant shall, upon request of the assistant director, permit access to all parts of the establishment.

(2) One copy of the inspection report shall be posted by the assistant director somewhere on the establishment premises; and the report shall not be defaced or removed by any person except the assistant director until the temporary restaurant license is terminated. Another copy of the inspection report shall be filed with the records of the division. [1957 c.672 §10(1), (2); 1973 c.824 §7; 1973 c.825 §7]

624.067 Inspection of benevolent organization restaurant facilities and operation. (1) At any time during the operation of a temporary restaurant licensed pursuant to ORS 624.028, the assistant director may inspect the facilities and operation.

(2) The benevolent organization operating the temporary restaurant shall, upon request of the assistant director, permit access to all parts of the establishment. [1973 c.824 §6]

624.070 Examination of food and drink samples; unwholesome or adulterated food and drink. Samples of food, drink and

other substances may be taken and examined by the assistant director as often as may be necessary for the detection of unwholesomeness or adulteration. The assistant director may condemn and forbid the sale of, or cause to be removed or destroyed, any food or drink which is unwholesome or adulterated. [Amended by 1953 c.177 §8; 1973 c.825 §8]

624.075 Summary closure of temporary restaurant. When the violation of any provision of ORS 624.010 to 624.120 or any rule promulgated thereunder comes to the attention of the assistant director and if the violation is of such a nature as to constitute a serious hazard to the health of the public, immediate closure of the temporary restaurant may be secured upon notification of the operator in writing. The inspection report carrying a statement ordering closure and signed by the assistant director delivered to the operator may serve as the written notice of the closure. A copy of this notice shall be filed with the records of the division. The closure order shall have the effect of an immediate revocation of the operator's license. The assistant director shall, if requested, provide a prompt hearing after closure in accordance with ORS 183.310 to 183.550. [1957 c.672 §10(3); 1973 c.825 §9]

624.080 Diseased persons working in restaurants, bed and breakfast facilities or temporary restaurants; suspicion of possible transmission of infection. (1) The division may, by rule, define certain communicable diseases which may be spread to the public by employees of a restaurant, bed and breakfast facility or temporary restaurant.

(2) No person who is affected with a communicable disease described in subsection (1) of this section or is a carrier of such disease shall work in any restaurant, bed and breakfast facility or temporary restaurant. No restaurant, bed and breakfast facility or temporary restaurant shall employ any such person or any person suspected of being affected with any communicable disease or of being a carrier of such disease. If the restaurant, bed and breakfast facility or temporary restaurant manager suspects that any employee has contracted any disease in a communicable form or has become a carrier of such disease the manager shall notify the assistant director immediately. A placard containing this section shall be posted in all toilet rooms.

(3) When suspicion arises as to the possibility of transmission of infection from any restaurant, bed and breakfast facility or temporary restaurant employee, the assistant director may require any or all of the following measures:

(a) The immediate exclusion of the employee from all restaurants, bed and breakfast facilities and temporary restaurants; and

(b) Adequate medical examinations of the employee and associates of the employee, with such laboratory examinations as may be indicated. [Amended by 1957 c.672 §5; 1973 c.825 §10; 1987 c.226 §6]

624.085 Revocation, suspension or refusal of license; closure; sanitation score. (1) If the assistant director determines that a critical violation of ORS 624.010 to 624.120, or any rule promulgated pursuant thereto, exists in a restaurant or bed and breakfast facility and the critical violation constitutes a potential danger to the public health, the assistant director may revoke, suspend or refuse to issue the license required by ORS 624.020 if, after a reasonable time has been given for correction of the violation, but not longer than 14 days, the violation continues to exist. The assistant director shall reinstate a license that has been revoked or suspended if the assistant director determines that the violation has been corrected.

(2) Notwithstanding ORS 624.020 (5), if the assistant director determines that a critical violation of ORS 624.010 to 624.120, or any rule promulgated pursuant thereto, exists in a restaurant or bed and breakfast facility and the critical violation constitutes an imminent or present danger to the public health, the assistant director may order immediate correction, use of an approved alternative procedure or closure of the restaurant or bed and breakfast facility by written notice thereof to the operator. The inspection report carrying a statement ordering closure and specifying the reasons therefor signed by the assistant director and delivered to the operator may serve as the written notice of the closure. The assistant director shall use inspection forms that clearly display notice that procedures are available to the licensee under ORS 183.310 to 183.550 for appeal of the closure order. A copy of the notice shall be filed with the records of the division. The closure order shall have the effect of an immediate revocation of the operator's license. If requested, the assistant director shall provide a prompt hearing after the closure in accordance with ORS 183.310 to 183.550.

(3) If the assistant director determines that closure of the restaurant or bed and breakfast facility is necessary because failure to correct a critical violation or implement an approved alternative procedure constitutes a potential danger to the public health, or failure to correct a critical violation or implement an approved alternative procedure constitutes an imminent or present danger to the public health, the assistant director shall:

(a) Notify the owner or person in charge of the restaurant or bed and breakfast facility that such restaurant or bed and breakfast facility shall not be used for food service purposes until the critical violations specified in the inspection report have been corrected; and

(b) Post a notice of closure upon the restaurant or bed and breakfast facility at the customary entrance to the restaurant or bed and breakfast facility in public view to the effect that the restaurant or bed and breakfast facility is closed for operation because a critical violation exists.

(4)(a) No person shall remove a notice of closure from a restaurant or bed and breakfast facility until the violation which caused the notice to be posted has been corrected.

(b) No person shall operate a restaurant or bed and breakfast facility upon which a notice of closure has been posted until the violation which caused the notice to be posted has been corrected and the notice has been removed.

(5) The assistant director shall define clearly the criteria and rules for conformance to acceptable food service practices used to determine the restaurant or bed and breakfast facility sanitation score to insure statewide uniformity in the inspection and licensing processes. Critical violations which constitute a potential danger to the public health and critical violations which constitute an imminent or present danger to the public health shall be clearly defined. Minimum acceptable food service standard procedures shall be clearly defined by setting a minimum acceptable sanitation score for a licensed restaurant or bed and breakfast facility.

(6) If a restaurant or bed and breakfast facility obtains a sanitation score of less than the minimum acceptable standard, the restaurant or bed and breakfast facility operator or person in charge of the restaurant or bed and breakfast facility shall be notified of impending closure if, after reinspection within 30 days, the sanitation score does not meet minimum acceptable food service standards. If closure action is taken after reinspection, the restaurant or bed and breakfast facility may not be operated until the restaurant or bed and breakfast facility operator submits a plan for correction of the violations that receives the approval of the assistant director and a subsequent inspection of the restaurant or bed and breakfast facility produces a sanitation score that meets minimum acceptable food service standards.

(7) As used in this section, "imminent" means impending or likely to develop without delay. [1983 c.533 §2; 1987 c.226 §7]

624.090 [Amended by 1953 c.177 §8; repealed by 1973 c.825 §23]

624.095 [1971 c.661 §4; repealed by 1973 c.825 §23]

624.100 Rulemaking. The division shall make all rules necessary for the enforcement of ORS 624.010 to 624.120, including such rules concerning the construction and operation of restaurants, bed and breakfast facilities and temporary restaurants as are reasonably necessary to protect the public health of persons using these facilities. Particularly, these latter rules shall provide for, but shall not be restricted to the following:

624.110 Rating surveys; preparing and disseminating information; educational programs. The division shall make such rating surveys as are necessary to obtain uniform enforcement of ORS 624.010 to 624.120 throughout the state, and shall prepare and disseminate information pertaining to educational programs for the purpose of encouraging compliance with ORS 624.010 to 624.120 on the part of owners, managers and employees of eating and drinking establishments. [Amended by 1973 c.825 §12]

624.120 Disposition of fees. All license fees collected under ORS 624.010 to 624.120 shall be paid into the General Fund in the State Treasury and placed to the credit of the Health Division Account and such moneys hereby are appropriated continuously and shall be used only for the administration and enforcement of ORS 624.010 to 624.120. (5) No civil or criminal liability to the restaurant or its employees shall result from good faith application by a trained person of the first aid described under subsection (1) of this section. [1977 c.824 §1]
