Any state board or commission that examines applicants for license or certification to practice a profession or engage in a trade or calling may, in its discretion, waive the educational requirement for admission to such examination, provided that the applicant furnishes evidence satisfactory to such state board or commission that the applicant is currently enrolled in a school, college or university approved by such state board or commission and will satisfy the educational requirement for admission to such examination on satisfactory completion of courses for which the applicant is currently enrolled and that this educational requirement will be met not later than four calendar months from the first day of the month following the month in which the examination is given. [1953 c.103 §1; 1975 c.429 §5; 1977 c.47 §1]

LICENSING ADMINISTRATION**(Generally)**

670.275 Policy statement. In enacting chapter 753, Oregon Laws 1971, it is the intention of the Legislative Assembly to provide for the more effective coordination of

the administrative functions of boards charged with responsibility for protecting the public through the licensing and regulating of certain professions practiced in this state. Further, it is the intention of the Legislative Assembly to retain responsibility for decisions on qualifications, standards of practice, licensing, discipline and other discretionary functions relating to professional activities in the professional licensing boards, members of which are qualified by education, training and experience to make the necessary judgments. [Formerly 184.575]

Note: The Legislative Counsel has not, pursuant to 173.160, undertaken to substitute specific ORS references for the words "chapter 753, Oregon Laws 1971" in 670.275. [1973 c.359 §1; 1991 c.662 §6a]
