(2) Upon completion of the merger or conversion, the charter of a merging or converting bank shall terminate, except for the purposes specified in ORS 711.040. [Amended by 1973 c.797 §219]

711.015 Merger to form state banks; conversion of national banks into state banks. Upon approval by the director, banks may be merged to result in a state bank, or a national bank may convert into a state bank as prescribed in ORS 711.020 to 711.060, except that the action by a national bank and the rights of its dissenting stockholders are subject to the requirements imposed by federal law. [Amended by 1973 c.797 §220]

711.020 Merger agreement. (1) The merger agreement shall be approved by a majority of the entire board of directors of each merging bank. The merger agreement shall contain:

(a) The name of each merging bank, the location of each office and branch and the name of the resulting bank.

(b) The terms and conditions of the proposed merger.

(c) The manner and basis of converting the shares of each merging bank into shares, obligations and other securities of the resulting bank or a holding company of the resulting bank or, in whole or part, into cash or other property.

(d) A statement of any changes in the articles of incorporation of the resulting bank to be put into effect by the merger agreement.

(e) Any other provisions with respect to the proposed merger that the director finds necessary.

The director shall approve the agreement if the director finds that:

(b) The agreement provides an adequate capital structure, including surplus.

(c) The agreement is fair to the merging banks and to their stockholders.

(d) The merger is not contrary to the public interest.

(2) If the director disapproves an agreement, the director shall state any objections in writing and give the boards of the merging banks an opportunity to amend the merger agreement to obviate the objections. (1) To be effective, a merger shall be approved by the stockholders of each merging bank by a vote of two-thirds of the outstanding stock of each class of voting shares at a meeting called to consider the merger. Approval of the merger by the stockholders constitutes the adoption of the articles of incorporation of the resulting bank, including any amendments to the articles in the merger agreement. If the merger agreement adopts any provision enumerated in ORS 707.248 affecting the rights

of nonvoting stockholders, the nonvoting stockholders may vote as a class on the merger.

(2) Unless waived in writing by all holders of shares entitled to vote on the merger, each merging bank shall give notice of the meeting to vote on the proposed merger to each stockholder of record entitled to vote on the merger at the address of the stockholder in the books of the bank of the stockholder at least 15 days before the date of the meeting. The notice shall be accompanied by a copy of ORS 711.042, 711.045 and 711.047, and shall explain that the sections establish the rights of dissenting stockholders. The notice shall also include any other information that the director may require. [Amended by 1973 c.797 §223; 1981 c.192 §17; 1987 c.197 §6; 1989 c.324 §53]

711.030 Effective date of merger; effect; certificate of merger. (1) A merger shall, unless a later date is specified in the agreement, become effective upon the filing with the director of the approved merger agreement, copies of the resolutions of the stockholders of each merging bank approving the merger, a list of owners of shares who voted against the merger, certified by an officer of the bank, and evidence satisfactory to the director that all federal regulatory requirements have been satisfied. The charters of the merging banks, other than the resulting bank, shall terminate when the merger becomes effective.

(2) The director shall promptly issue to the resulting bank a certificate of merger specifying the name of each merging bank and the name of the resulting state bank. The certificate shall be prima facie evidence of the merger and of the correctness of all proceedings and shall be recorded in any office for the recording of deeds to evidence the new name in which the property of the merging banks is held. [Amended by 1973 c.797 §224; 1983 c.37 §21]

711.032 Stock of merging bank not capital. Stock of a merging bank acquired by the resulting bank in the process of a merger is not capital. [1973 c.797 §225]

711.035 Charter of conversion of national bank into state bank; application for charter. (1) Except as provided in ORS 711.050, a national bank located in this state which follows the procedure prescribed by the laws of the United States to convert into a state bank shall be granted a charter to do a banking business by the director if the director finds that the bank meets the standards as to location of offices, capital structure and qualification of officers and directors as apply for the incorporation of a state bank.

(2) The national bank may apply for a charter by filing with the director:

(a) A certificate signed by its president, cashier and a majority of the entire board of directors, specifying the corporate action taken in compliance with the provisions of the laws of the United States governing the conversion of the national to a state bank; and

(b) The articles of incorporation, approved by the stockholders, for the operation of the bank as a state bank. [Amended by 1973 c.797 §226]

711.040 Effect of merger; rights, powers and duties of resulting banks. (1) When a merger becomes effective:

(a) The separate existence of all banks participating in the plan of merger, except the existence of the resulting bank, ends; and

(b) The resulting bank is a corporate entity with all the property, rights, powers and duties of each merging bank or the converting bank, except as affected by state law in the case of a resulting state bank or federal law in the case of a resulting national bank, and by the charter, articles of incorporation and bylaws of the resulting bank.

(2) All property, all debts, all choses in action and every other interest of each merging or converting bank is transferred to and vested in the resulting bank without any further act or deed of any party to the merger or conversion. The title to or any interest in any real estate vested in any merging or converting bank may not revert or be impaired because of the merger or conversion.

(3) When a merger or conversion becomes effective, the resulting bank shall be liable for all liabilities and obligations of each of the merging or converting banks. Any existing or pending claim, action or proceeding by or against any merging or converting bank may be prosecuted as if the merger or conversion had not taken place, or the resulting bank may be substituted in its place. A merger or conversion may not impair the rights of creditors or depositors of a merging or converting bank or any liens upon the property of a merging or converting bank.

(4) A resulting bank may use the name of the merging bank or the converting bank whenever it can do any act under the name more conveniently.

(5) Any reference to a merging or converting bank in any writing, whether executed or taking effect before or after the merger or conversion, is a reference to the resulting bank if consistent with the other provisions of the writing, and if the resulting

bank is authorized to exercise the powers conferred or required by the writing. [Amended by 1973 c.797 §227; 1981 c.192 §18]

711.042 Right of stockholder to dissent from plan of merger; perfection of right; splitting vote prohibited. Any stockholder of a bank may dissent from a plan of merger to which the bank is a party. To perfect a stockholder's right to dissent, the stockholder must send or deliver a notice of the dissent to the bank prior to or at the meeting of the stockholders at which the plan of merger is submitted to a vote, or must vote against the proposed action. A stockholder shall not dissent as to less than all the shares registered in the name of the stockholder; except a stockholder holding, as a fiduciary, shares registered in the stockholder's name for the benefit of more than one beneficiary, may dissent as to less than all of the shares registered in the fiduciary's name if any dissent as to the shares held for a beneficiary is made as to all the shares held by the fiduciary for that beneficiary. The fiduciary's rights shall be determined as if the shares to which the fiduciary has dissented and the other shares are registered in the names of different stockholders. [1973 c.797 §228; 1983 c.296 §6]

711.045 Rights of stockholder dissenting to merger; demand required; notice and offer by bank; costs of appraisal of shares; when rights not applicable. (1) Within 30 days after the stockholders' meeting at which a vote to approve a plan of merger was taken, any stockholder who dissented to the plan of merger and who desires to receive the value in cash of those shares shall make written demand upon the stockholder's bank or the resulting bank and accompany the demand with the surrender of the share certificates, properly indorsed. Any stockholder failing to make written demand within the 30-day period shall be bound by the terms of the proposed plan of merger.

(2) Within 30 days after the plan of merger is effected, the resulting bank shall give written notice thereof to each dissenting stockholder who has made demand under this section at the address of the stockholder on the stock record books of the bank, and shall make a written offer to each such stockholder to pay for the shares at a specified price in cash determined by the bank to be the fair value of the shares as of the effective date of the plan of merger. The notice and offer shall be accompanied by a statement of condition of the bank the shares of which the dissenting stockholder held, as of the latest available date and not more than four months prior to the consummation of the plan of merger, and a statement of income

of the bank for the period ending on the date of the statement of condition.

(3) Any stockholder who accepts the offer of the resulting bank within 30 days following the date on which notice of the offer was mailed or delivered to dissenting stockholders shall be paid the price per share offered, in cash, within 30 days following the date on which the stockholder communicates acceptance to the resulting bank. Upon payment, the dissenting stockholder shall cease to have any interest in the shares previously held by the stockholder.

(4) If, within 30 days after notice of the offer, one or more dissenting stockholders do not accept the bank's offer or if no offer is made, then the value of the shares of the dissenting stockholders who have not accepted the offer of the bank shall be ascertained, as of the effective date of the plan of merger, by three appraisers. One appraiser shall be selected by a vote of the owners of two-thirds of the shares involved, at a meeting called by the director on 10 days' notice, one selected by the board of directors of the resulting bank and the third selected by the two so chosen. The valuation agreed upon by any two appraisers shall govern, and all the dissenting stockholders involved shall be bound by the amount so fixed. If any necessary appraiser is not appointed within 90 days after the effective date of the plan of merger or if the appraisal is not completed within 120 days after the plan of merger becomes effective, the director shall cause an appraisal to be made.

(5) The costs and expenses of the appraisal proceeding shall be apportioned and assessed by the appraiser as they deem equitable against the resulting bank or against any of the dissenting stockholders. The appraiser shall assess the costs and expenses to the dissenting stockholders if the appraisers find that the failure of the dissenting stockholders to accept the offer made by the resulting bank under subsection (2) of this section was arbitrary or vexatious or not in good faith. The expenses shall include reasonable compensation for and reasonable expenses of the appraisers, but shall exclude the fees and expenses of counsel for and experts employed by any party. However, if the fair value of the shares as determined by the appraisers materially exceeds the amount which the resulting bank offered to pay for them, or if no offer was made, the appraisers may award to any stockholder who was a party to the proceedings any sum that they determine to be reasonable compensation to any expert or experts employed by the stockholders in the proceeding.

(6) The amount due under the appraisal shall constitute a debt of the resulting bank.

(7) The director may require as a condition of approving the plan of merger the replacement of all or a portion of the capital of the resulting bank expended in payment to dissenting stockholders under this section.

(8) A stockholder may not receive the fair value of the stockholder's shares under this section:

(a) If the plan of merger provides that all stockholders of the resulting bank receive common stock of a holding company pursuant to a merger with an interim bank chartered under ORS 707.025, and the stockholder's bank and the interim bank are the only parties to the merger; or

(b) If the shares held by the dissenting stockholder immediately before the effective date of the plan of merger are listed on any national securities exchange or are included on the list of over-the-counter margin stocks issued by the Board of Governors of the Federal Reserve System. [Amended by 1973 c.797 §229; 1975 c.544 §30; 1977 c.135 §25; 1981 c.192 §19; 1983 c.296 §7]

711.047 Withdrawal by stockholder of demand for value of shares under ORS 711.045. A dissenting stockholder making a demand under ORS 711.045 may not withdraw the demand unless the merging bank consents to the withdrawal. When a dissenting stockholder withdraws the demand, the stockholder's right to be paid the value of the shares shall end and the stockholder's status as a stockholder shall be restored, without prejudice to any corporate proceedings taking place in the interim:

(1) If the demand is withdrawn upon consent;

(2) If the board of directors abandons or rescinds the proposed corporate action or the stockholders revoke the authority to take the action;

(3) If no demand or petition for the determination of value by the parties is made or filed within the time provided in ORS 711.045 (4); or

(4) If a court of competent jurisdiction determines that the dissenting stockholder is not entitled to relief under ORS 711.045. [1981 c.192 §21; 1983 c.296 §8]

711.050 Successor fiduciaries to merging or converting banks. If a merger or conversion involves a trust company, the director shall not approve the merger or conversion until satisfied that adequate provision has been made for successor fiduciaries. [Amended by 1973 c.797 §230]

711.055 Period for resulting state bank to conform with state law. If a merging or converting bank has assets which do not conform to the requirements of state law for

the resulting bank or carries on business activities which are not permitted for the resulting bank, the director may permit a reasonable time to conform with state law. [Amended by 1973 c.797 §231]

711.060 Valuation of assets on books of resulting banks. Without approval by the director, an asset shall not be carried on the books of the resulting bank at a valuation higher than that on the books of the merging or converting bank at the time of its last examination prior to the effective date of the merger or conversion. [Amended by 1973 c.797 §232]

711.112 Approval of plan of reorganization. (1) A plan of reorganization approved by the board of directors of an institution shall be submitted to the director for approval. The director shall approve the plan if the director finds that:

(a) The reorganized institution meets the requirements of law as to the formation of a new institution;

(b) The plan provides an adequate capital structure, including surplus;

(c) The plan is fair to stockholders, depositors and creditors of the institution; and

(d) The reorganization is in the public interest.

(2) If the director disapproves a plan, the director shall state the objections in writing and give the board an opportunity to amend the plan to obviate the objections. The amended plan may be submitted to the director for approval as if it were the original plan.

(3) The institution may appeal the decision of the director as a contested case under ORS 183.415 to 183.430, 183.440 to 183.460, 183.470 to 183.485 and 183.490 to 183.500. [1973 c.797 §234]

711.115 Binding effect of reorganization plan. A plan of reorganization approved by the board of directors of an institution and the director is binding on all depositors, other creditors and stockholders of the institution, if the plan has been approved in writing by:

(1) The stockholders of the institution owning at least two-thirds of the capital stock; and

(2) The depositors representing at least 75 percent of the deposits which will not be paid in full or the payment of which in whole or in part is deferred under the plan. [Amended by 1973 c.797 §235]

711.120 [Repealed by 1973 c.797 §428]

TRANSFER OF ASSETS, LIABILITIES AND BUSINESS; VOLUNTARY LIQUIDATION; DISSOLUTION

711.205 Sale of assets; assumption by purchaser of deposit and preferred liabilities of vendor; passing of assets to director. (1) Subject to the prior written approval of the director, the board of directors of an institution may sell all or any substantial part of the assets or transfer or sell the deposit liabilities of the institution or any department of the institution. The amount of the sale and the time and manner of payments may be agreed to by the board of directors.

(2) In addition to the requirements in subsection (1) of this section, if the sale is of all or any substantial part of the assets of the institution, the institution may sell only to another institution or national bank and notice of the proposed sale and all the terms of the sale shall be mailed to all the stockholders of the selling institution within 20 days after the board of directors' meeting at which the sale and its terms were proposed. If the sale is of any department or substantially all the assets of a department, the institution may sell to anyone qualified to transact the business of the department.

(3) If all, or any part, of the sales price is paid by the purchaser assuming all or a part of the deposit and preferred liabilities of the selling institution, the deposit and preferred liabilities so assumed are payable by the purchaser on the same terms as the selling institution was obligated to pay the liabilities.

(4) If the sale is of all or a substantial part of the assets, but less than all deposit and preferred obligations of the selling institution are assumed by the purchaser or sufficient cash is not paid by the purchaser to care for all such obligations, then, upon the completion of the sale, the institution is insolvent and the remaining assets of the selling institution shall pass into the possession and control of the director.

(5) The director shall approve the sale of the assets or the sale or transfer of the deposit liabilities if the director finds that the transaction:

(a) Involves a qualified purchaser or transferee;

(b) Is fair; and

(c) Is in the public interest. [Amended by 1973 c.797 §236]

711.207 Rights of dissenting stockholder in sale of all or substantially all of assets. (1) A stockholder who objects to the action of the institution in selling all or substantially all of the assets of the institution pursuant to ORS 711.205 shall receive the value in cash for the shares of the stockholder upon written demand made to the institution at any time within 30 days after notice of the proposed sale has been mailed to the stockholder and upon the surrender of the stock certificates.

(2) The value of such shares shall be determined as of the date of the board of directors' meeting at which the sale and its terms are proposed.

(3) Within 10 days after receipt of the written demand as provided in subsection (1) of this section, the institution shall make a written offer to the stockholder to pay for the shares at a specified price. If such stockholder and the institution cannot agree as to the value of the stock within 30 days after receipt of the written demand from the stockholder, three appraisers shall be selected to determine the value of the shares of the stockholder and all other stockholders who have made written demand and who cannot agree with the institution as to the value of their shares. One appraiser shall be selected by the vote of the owners of two-thirds of the shares involved at a meeting called by the director on 10 days' notice, one selected by the board of directors of the institution and one selected by the two so chosen. The valuation agreed upon by any two appraisers governs, and all stockholders involved are bound by the agreed upon value. If any necessary appraiser is not appointed within 60 days after the receipt of the written demand for payment or if the appraisal is not completed within 90 days after receipt of the written demand for payment, the director shall cause an appraisal to be made. The expenses of appraisal shall be paid by the institution. [1973 c.797 §237]

711.210 [Repealed by 1973 c.797 §428]

711.215 Voluntary liquidation on approval of stockholders and director; fee for special examination. An institution may go into voluntary liquidation by vote of its stockholders owning at least two-thirds of its capital stock. The institution shall first obtain the written consent of the director. Before consenting to the liquidation, the director may require a special examination of the condition and affairs of the institution.

The institution shall pay a fee assessed under ORS 706.544 for the examination. [Amended by 1973 c.797 §238; 1985 c.762 §43; 1985 c.786 §40]

[Amended by 1973 c.797 §279]

To facilitate the final closing of the liquidation of the institution, the supervising court may, by order, bar all claims at any time after one year from the date of the first publication of notice to creditors under ORS 711.530. [1973 c.797 §280]

711.570 Lists of claims. (1) Upon the expiration of the time fixed under ORS 711.530 for the presentation of claims, the director shall make in duplicate a list of the claims presented specifying whether the claims have been approved, rejected or neither approved nor rejected pending further investigation. The list shall also note which claims have been presented to the supervising court for appeal. One copy of the list shall be filed in the office of the director and one in the office of the clerk of the supervising court.

(2) The director shall, in like manner, make and file supplemental lists showing all claims presented subsequent to the filing of the first list.

(3) The lists shall be filed in the supervising court at least 15 days before the payment of any dividend on the claims or the

payment of any preferred claims. [Amended by 1973 c.797 §281]

711.572 Liability of directors for distributing assets without payment of known debts. The directors of an institution who vote for or assent to any distribution of assets of the institution to its stockholders during the liquidation of the institution without the payment and discharge of, or making adequate provision for, all known liabilities of the institution shall be jointly and severally liable to the institution for the value of the assets which are distributed, to the extent that the liabilities of the institution are not thereafter paid and discharged. [1973 c.797 §282]

711.575 Dividends to depositors. At any time after the expiration of the date fixed for the presentation of claims under ORS 711.530 the director may, out of the funds remaining in the hands of the director after the payment of expenses, declare one or more dividends. After the expiration of one year from the first publication of notice to creditors the director may declare a final dividend. The dividends shall be paid to the persons, in the amounts and upon the notice as may be directed by the supervising court. [Amended by 1973 c.797 §283]

711.577 Death of depositor, payment of claim. (1) Any person who would be entitled to withdraw a deposit under ORS 708.520 may claim the deposit and receive dividends thereon, or if claim has been made it may be amended after the death of the claimant so that future dividends are paid to the person entitled thereto under ORS 708.520.

(2) If any claim is more than \$500, dividends may be paid to the person entitled thereto, as provided in ORS 708.520, if the director is satisfied that the total dividends to be paid after the death of the claimant are less than \$100.

(3) The director is under no obligation to determine the relationship of the affiants to the deceased depositor and the payment of dividends made in good faith to parties making the affidavit shall be a release of the director for the amount of the dividends so paid. [1973 c.797 §284]

711.580 Safety deposit boxes; removal of property. (1) If an institution, at the time the director takes possession of its property and business, has in its possession, as bailee, for safekeeping and storage, any valuable personal property, or has rented any vaults, safes or safe deposit boxes or any portion thereof for the storage of property of any kind, the director may mail a notice to the person claiming to be or appearing upon the institution's books to be the owner of the property, or the person in whose name the

safe, vault or box stands notifying them to remove the property within a period fixed by the notice but not less than 90 days after the date the notice is mailed. The notice shall be in writing and sent by registered mail or by certified mail with return receipt directed to the person at the person's post-office address as recorded upon the books of the institution. The director shall allow a person access to the institution so that the person may remove the person's property stored or kept with the institution as described in this subsection. The director may require that the person show identification reasonably identifying the person as the person whose name appears as owner of the property on the institution's books or as the person in whose name the safe, vault or box stands. The director may limit access to normal business hours.

(2) Upon the date fixed by the notice, the contract, if any, between a person and the institution for the storage of the property or for the use of the safe, vault or box is terminated, and the amount of the unearned rent or charges, if any, paid by the person becomes a debt of the institution to the person.

(3) After the date fixed in the notice the safe, vault or box may be opened in the presence of the director, and a witness who is not an officer or employee of the institution. A list and description of the property shall be made by the person opening the safe, vault or box and shall be attached to the property. The director shall keep the property in one of the general safes or boxes of the institution until it is delivered to the person entitled to receive it or is disposed of as provided in ORS 711.582. [Amended by 1973 c.797 §285; 1981 c.397 §1; 1991 c.249 §67]

711.582 Disposition of contents of safety deposit boxes. (1) If property is not removed within six months after the time fixed by the notice of the director under ORS 711.580, the director may sell the property under the direction of the supervising court. The proceeds of the sale shall be held for the benefit of the person entitled to the property. Any funds which have not been claimed within two years after the final order closing the liquidation of the institution may be disposed of in the manner prescribed in ORS 711.590 for unclaimed dividends and deposits.

(2) If papers or other articles which have no value and cannot be sold are not removed within six months after the time fixed in the notice of the director, the director shall store the papers and articles with the records of the insolvent institution. One year after the final order closing the liquidation of the institution the papers and articles may be destroyed in the manner prescribed in ORS

711.595 for the records of an insolvent institution. [1973 c.797 §286]

711.585 Selection of agents to wind up affairs of institution; bond or letter of credit; duties of agent. (1) When the director has paid to each depositor and creditor of the institution whose claim as a depositor or creditor has been proved and allowed, the full amount of the claim and has made proper provision for unclaimed or unpaid deposits or dividends and has paid all the expenses of the liquidation, the director shall call a meeting of the stockholders of the institution by giving notice of the meeting for 30 days in one or more newspapers circulated in the county in which the principal office of the institution is located. At the meeting the stockholders shall select, by ballot, one or more agents to administer the assets and wind up the affairs of the institution. A majority of the stock present and voting in person or by proxy is necessary to select an agent.

(2) The agent shall file with the director a bond or an irrevocable letter of credit to the State of Oregon in an amount not less than 20 percent of the book value of the assets to be surrendered to the agent, but in no case shall the bond or letter of credit be less than \$1,000. The bond or letter of credit shall be executed by the agent as principal. The bond shall be executed by a surety company authorized to do business in this state as surety, and any letter of credit shall be issued by a commercial bank as defined in ORS 706.005. The bond or letter of credit shall be conditioned for the faithful performance of all the duties of the agent's trust.

(3) When the agent files the required bond or letter of credit, the director shall transfer to the agent all the assets of the institution remaining in the hands of the director. Upon the transfer and delivery the director is discharged from all further liability to the institution and its creditors. The agent shall complete the liquidation of the affairs of the institution, and, after paying the expenses of the liquidation, shall distribute the proceeds among the stockholders in proportion to the several holdings of stock.

(4) If the stockholders fail to meet on the date advertised for the stockholders' meeting or within 15 days after the advertised date or fail to appoint an agent, or if the agent fails to qualify as required in this section within 30 days after the date of their selection, the director may appoint an agent. This agent shall file a bond or letter of credit and liquidate the affairs of the institution as though the agent had been selected by the stockholders. Upon the transfer and delivery to the agent appointed by the director of all the remaining assets in the hands of the di-

rector, the director is discharged from all further liability to the institution and its creditors. [Amended by 1973 c.797 §287; 1991 c.331 §116]

711.590 Disposition of unclaimed deposits; interest. (1) Two years after the date of the final order closing the liquidation of an institution, the director may withdraw any unclaimed deposits or balances remaining to the credit of dividend accounts, representing the aggregate of undelivered checks or unpaid dividend funds in the possession of the department, and pay the funds to the Division of State Lands as abandoned property to be disposed of as provided in ORS 98.302 to 98.436.

(2) The interest earned on the dividend accounts while they remain in the possession of the director shall be paid to the State Treasurer to be credited to the Insurance and Finance Fund and the owner, the heirs or personal representative of the owner have no claim to the interest. [Amended by 1959 c.138 §4; 1973 c.797 §288]

711.595 Destruction of liquidation records in possession of director. If any files, records, documents, books of account or other papers have been taken over and are in the possession of the director in connection with the liquidation of an insolvent institution, the director may, after one year from the declaration of the final dividend or from the date the liquidation has been closed by order of the supervising court, destroy any of the files, records, documents, books of account or other papers which appear to the director to be unnecessary for future reference as part of the liquidation and files of the office of the director. [Amended by 1973 c.797 §289]

711.600 Liquidation expenses. The expenses incurred by the director in the liquidation of an institution include the expenses of all employees of the Department of Insurance and Finance employed in the liquidation, reasonable attorney fees for counsel employed by the director in the course of the liquidation, and stationery, rent, postage, telephone, telegraph and other office and traveling expense. The compensation of the employees and the expense of supervision and liquidation shall be fixed by the director, subject to the approval of the supervising court. The supervising court shall not increase the compensation or expenses over the amount fixed by the director. [Amended by 1973 c.797 §290; 1985 c.762 §44]

711.605 Petitions relating to insolvent institutions; ruling by director; court review. Any petition relating to an insolvent institution, except a petition by the director, shall be filed with the supervising court and the director. The director shall, within a

reasonable time after the petition is filed, grant or refuse the petition and notify the petitioner in writing of the decision. If a petitioner is dissatisfied with the decision of the director the petitioner may, within 30 days after the decision of the director, present the petition, with the decision of the director, to the supervising court. The supervising court shall fix a date for the hearing of the petition, giving reasonable notice of the date to the petitioner and to the director. The supervising court shall determine the matter upon the evidence produced by all the parties, and the burden of proof is upon the petitioner. [Amended by 1973 c.797 §291]

711.610 [Repealed by 1973 c.797 §428]

711.615 Court filing fees; recording fees. (1) Fees shall not be charged for the filing in the supervising court by the director, the deputies of the director or attorneys of any papers relating to the liquidation of an institution or which are necessary or convenient in connection with the collection of assets of an institution.

(2) A recording fee shall not be charged for recording certified copies of assessments against stockholders or deeds, mortgages or other instruments running in favor of the director. [Amended by 1973 c.797 §292]

711.620 Suspending or restricting payment of liabilities; duration. (1) The director may order a bank to suspend or restrict the payment of its liabilities to depositors and other creditors except as provided in ORS 711.620 to 711.670, if the action is necessary for the protection of the depositors and other creditors of the bank and is in the public interest.

(2) The order of the director is effective upon receipt by the bank of written or telegraphic notice thereof signed by the director and shall continue in effect until released or modified by the written order of the director. The suspension and restriction shall not exceed a period of 90 days, but may be extended for further periods not to exceed 90 days each upon the written order of the director. [1973 c.797 §293]

711.625 Taking possession of bank by director; powers of director; expenses. (1) When the order mentioned in ORS 711.620 takes effect, the director shall immediately take possession of the property and affairs of the bank, and take whatever action is necessary to conserve the assets of the bank pending further disposition of its business.

(2) While the director is in possession of a bank, the director shall have all the powers given to the director in connection with insolvent banks, and the rights of interested parties shall, subject to ORS 711.620 to 711.670, be the same as if the director had

taken possession of the bank because of insolvency.

(3) All expenses of the director while in possession of the bank shall be paid out of the assets of the bank and shall be a lien on the assets prior to any other lien. [1973 c.797 §294; 1975 c.544 §38]

711.630 Pro rata withdrawals by depositors. While the bank is in the possession of the director under ORS 711.625, the director may set aside and make available for withdrawal by depositors on a ratable basis such amounts as in the opinion of the director may safely be used for the purpose. [1973 c.797 §295]

711.635 Receiving new deposits; segregation. (1) While the bank is in the possession of the director under ORS 711.625, the bank may accept deposits but the deposits shall not be subject to any limitation as to payment or withdrawal.

(2) Deposits received after the director takes possession and the amounts released for payment to depositors under ORS 711.630, shall be segregated and held and used solely to meet the deposit liability and the pro rata amount so released. They shall not be used to liquidate any indebtedness of the bank existing at the time the director took possession, or any subsequent indebtedness incurred in liquidating any indebtedness of the bank existing at the time the director took possession.

(3) Deposits received while the bank is in the possession of the director shall be kept on hand in cash, invested in direct obligations of the United States or deposited with an approved reserve depository. [1973 c.797 §296]

711.640 Termination of suspension or restriction on payment of liabilities. (1) The director may, by order, on a date fixed by the order and at least 10 days after the date of the order, terminate the suspension or restriction on payment of liabilities of the bank designated in the order.

(2) Immediately upon the termination of the suspension or restriction on payment of liabilities of the bank designated in the order, the director shall surrender possession of the assets and properties of the bank to the proper officers of the bank. The receipt of the officers operates as a full release of the director. [1973 c.797 §297]

711.645 Notice of termination of suspension or restriction on payment of liabilities. (1) At least 10 days before the date on which the suspension or restriction on the payment of liabilities is terminated, the director shall cause a notice to be published in a newspaper circulated in the city, town or county in which the principal office of the

bank is located. Only one publication of the notice is required.

(2) The notice shall specify:

(a) The date on which the suspension or restriction on the payment of liabilities will be removed;

(b) That the provisions of ORS 711.635 pertaining to the segregation of deposits will not be effective after that date; and

(c) That the segregated deposits after the removal of the restriction or suspension will be general deposits.

(3) On or before the date of the publication of the notice, the director shall mail, postage prepaid, to each depositor in the bank whose deposit has been segregated as provided by ORS 711.635 a copy of the notice addressed to the last-known address of each depositor as shown by the records of the bank.

(4) The director shall hand a copy of the notice to every depositor making a deposit in the bank after the date of the newspaper publication and up to the time the suspension or restriction on the payment of liabilities of the bank is removed. [1973 c.797 §298]

711.650 Deposits to remain segregated until termination notice has been given. If the director removes the restrictions or suspensions on the payment of liabilities of any bank and surrenders possession of the assets and properties of the bank to the proper officers of the bank, before the 10 days' notice provided for by ORS 711.645 has been given, the bank shall keep deposits segregated under ORS 711.635 separate and apart from its other assets until the notice has been given by the bank in the manner provided in ORS 711.645. After the notice has been given, the segregated deposits shall become general deposits and may be mingled with the other assets of the bank and the provisions of ORS 711.635 with respect to segregation of deposits shall no longer apply. [1973 c.797 §299]

711.655 Use of suspended deposits to pay indebtedness of depositor. Nothing in ORS 711.620 to 711.670 prevents the assignment of a suspended deposit liability or the application of all or a part of a suspended

deposit to payment at maturity of any indebtedness of the depositor to the bank which existed at the time the suspension became effective, but a deposit liability subsequently assigned may not be so applied. [1973 c.797 §300]

711.660 Assignment or transfer of capital stock invalid while payment of liabilities suspended or restricted. While the payment of the liabilities of any bank is suspended or restricted under ORS 711.620, an assignment or transfer of the capital stock of the bank is invalid. [1973 c.797 §301]

711.665 Suspension or restriction of liability payment not evidence of insolvency. An order of the director under ORS 711.620 to 711.670 or the taking possession of the assets and properties of a bank by the director under ORS 711.620 to 711.670 is not an act of insolvency of the bank and does not raise any presumption of insolvency. [1973 c.797 §302]

711.670 Compliance with ORS 711.620 to 711.670 as a defense to depositor's action. Compliance with the terms and conditions of ORS 711.620 to 711.670 and orders and rules promulgated as a result of ORS 711.620 to 711.670 is a complete defense to any suit or action brought by any depositor or creditor against a bank with respect to any deposit or contract liability. [1973 c.797 §303]

PENALTIES

711.980 Civil penalties. Any person who violates ORS 711.415 shall forfeit and pay to the State Treasurer to be deposited in the Insurance and Finance Fund a civil penalty in an amount determined by the director of not more than \$2,500 for each offense. The civil penalty may be recovered as provided in ORS 706.980. [1975 c.544 §40]

711.990 [Amended by 1973 c.797 §304; repealed by 1975 c.544 §62]
