OREGON VEHICLE CODE

TITLES
(General)

803.010 Proof of ownership. A certificate of title is prima facie evidence of the ownership of a vehicle or of an interest therein. In all actions, suits or criminal proceedings, when the title to or right of possession of any vehicle is involved, proof of the ownership or right to possession shall be made by means of:

(1) The original certificate of title issued by the division;

(2) A salvage title certificate issued by the division; or

(3) The division records as provided under ORS 802.240. [1983 c.338 §174; 1991 c.873 §29]

803.015 Certificate contents. The division shall design a certificate of title for vehicles. A certificate of title issued by the division shall conform to all of the following:

(1) The certificate shall be numbered in a manner prescribed by the division.

(2) The certificate shall contain a description of the vehicle.

(3) The certificate shall contain evidence of identification of the vehicle the division deems proper.

(4) The certificate shall contain the name of the registered owner of the vehicle.

(5) The certificate shall identify any security interest holders in the order of their priority. This subsection does not apply to the security interests where the debtor who granted the security interest is in the business of selling vehicles and the vehicle constitutes inventory held for sale.

(6) The certificate shall identify any lessor of the vehicle.

(7) The certificate shall be authenticated by a seal of the State of Oregon printed on the certificate.

(8) The certificate shall have space to fill in information required by the division upon the transfer of a vehicle under ORS 803.094 and space for the odometer disclosure required on transfer of an interest under ORS 803.102.

(9) If the vehicle is a reconstructed vehicle, the certificate shall:

(a) Show the original year model and make of the vehicle.

(b) Indicate that the vehicle is reconstructed. A certificate of title shall not indicate that a vehicle is reconstructed as otherwise required by this paragraph if the reconstructed vehicle is an antique vehicle.

(10) If the vehicle is an assembled vehicle, the certificate shall:

(a) Show the make of the vehicle as "assembled."

(b) Show the year the building of the vehicle is completed as the year model of the vehicle.

(11) The certificate shall show the mileage of the vehicle as reported to the division at the time the most recent title transfer was reported to the division, or the mileage reported to the division at the time the vehicle was initially titled in Oregon, whichever occurred last. The information required by this subsection shall be shown as reported to the division on odometer disclosure reports required by law to be submitted to the division.

(12) If the vehicle is a replica, the certificate shall indicate that the vehicle is a replica.

(13) The certificate shall contain a notation that a vehicle has been damaged if the vehicle is from another jurisdiction and:

(a) The title certificate from the other jurisdiction carries a brand or notation that indicates that the vehicle was damaged, destroyed, salvaged or words of similar import, whether or not the definitions of such terms in the other jurisdiction are in accord with the definitions of those words in Oregon; or

(b) The division receives a salvage title, salvage certificate, wrecker's bill of sale or similar document that indicates the vehicle has been damaged.

(14) The division shall adopt rules covering the content and circumstances under which the notation provided for in subsection (13) of this section is used.

(15) The division may omit the notation or remove the notation provided for in subsection (13) of this section if:

(a) The division is provided with information from the originating jurisdiction that indicates that its title incorrectly reflects a brand or notation;

(b) The division is provided with information from the originating jurisdiction indicating that jurisdiction would not identify the vehicle as damaged; or

(c) The division is satisfied the notation was placed on an Oregon title in error.

(16) Notwithstanding subsection (15) of this section, if the division determines the vehicle in question meets Oregon requirements for assembled or reconstructed vehicles or replicas, the division shall title the vehicle in accordance with requirements for those vehicles.

(17) If the vehicle has been reported to the division as a totaled vehicle under the provisions of ORS 819.012 or 819.014, the certificate shall contain the word "totaled"

unless the reason for the report was theft and the vehicle has been recovered.

(18) The certificate shall contain any other information required by the division.

(19) The certificate shall be produced by a secure process that meets or exceeds the requirements of federal law. [1983 c.338 §175; 1985 c.16 §58; 1985 c.251 §14; 1985 c.253 §1; 1985 c.402 §6; 1987 c.127 §1; 1989 c.148 §8; 1991 c.820 §9; 1991 c.873 §7]

(Transfer of Title or Interest)

803.092 Application for title upon transfer of interest; when and by whom required; exceptions. (1) Except as otherwise provided in this section, upon the transfer of any interest in a vehicle covered

by an Oregon certificate of title the transferee shall submit an application for title to the division. Such application shall be submitted to the division within 30 days of the date of transfer of interest.

(2) Notwithstanding subsection (1) of this section, application is not required under this section when:

(a) The change involves only a change in the security interest where the security interest holder or lessor is a financial institution or a national bank as defined in ORS 706.005, a federal association or a savings association as defined in ORS 722.004, a credit union as defined in ORS 723.006, a federally chartered credit union, a licensee under ORS chapter 725, a bank holding company under the provisions of the federal Bank Holding Company Act of 1956, as amended, 12 U.S.C. 1841, et seq., or any subsidiary of any of the foregoing and the transfer of the interest of the security interest holder or lessor results from the merger, conversion, reorganization, consolidation or acquisition of the security interest holder or lessor.

(b) The vehicle is transferred to a vehicle dealer and the vehicle will become part of the dealer's inventory for resale. Upon the transfer of a vehicle to a dealer, however, the dealer shall immediately notify the division of such transfer. This exemption from the requirement to apply for title does not apply if the division determines that application for title is necessary in order to comply with odometer disclosure requirements. If the division determines that application for title is not required, it may require filing of documents under ORS 803.126.

(c) The vehicle is to be titled in another jurisdiction.

(d) The vehicle has been totaled, wrecked, dismantled, disassembled, substantially altered or destroyed, in which case the provisions of ORS 819.010, 819.012, 819.014 or 822.135 relating to notice and surrender of title documents shall be complied with.

(e) The transfer involves the creation or termination of a leasehold interest in a vehicle that is proportionally registered under ORS 768.007 or 768.009, if the division is furnished with satisfactory proof of the lease.

(3) Except as provided in subsection (2) of this section, the transferee shall:

(a) Submit an application that meets requirements for title under ORS 803.045 and 803.050 and any applicable rules of the division.

(b) Submit the title transfer fees as required under ORS 803.090.

(c) Comply with the provisions of ORS 803.065 and any applicable rules of the division under that statute and submit the duplicate or replacement title fee as provided under ORS 803.090, if the transfer includes an application for duplicate or replacement title and transfer of title.

(d) Submit an odometer disclosure containing information required by the division for the kind of transaction involved.

(e) Submit any late presentation of certificate of title fee as provided under ORS 803.090 if such fee is required under ORS 803.105. [1989 c.148 §3; 1989 c.452 §7; 1991 c.67 §212; 1991 c.820 §14; 1991 c.873 §12]

803.094 Release or assignment of interest on title certificate; when and by whom required; exceptions. (1) Except as otherwise provided in this section, upon the transfer of any interest shown on an Oregon certificate of title any person whose interest is released, terminated, assigned or transferred, shall release or assign that interest on the title certificate. If required under ORS 803.102, the person shall also complete an odometer disclosure statement.

(2) Notwithstanding subsection (1) of this section:

(a) In the case of a transfer by operation of law of any interest shown on an Oregon title, the personal representative, receiver, trustee, sheriff or other representative or successor in interest of the person whose interest is transferred shall release or assign interest on the title certificate and if required by the division by rule, as provided under ORS 803.102, complete an odometer disclosure statement and shall provide the certificate and disclosure statement if required to the transferee. The representative or successor shall also provide the transferee with documentation satisfactory to the division concerning all facts entitling such representative or successor to transfer title. If there is no person to assign interest, the person to whom interest is awarded or otherwise transferred shall be responsible for the requirements of this paragraph.

(b) In the case of a transfer at death of the interest of the owner, lessor or security interest holder if the estate is not being probated and title is not being transferred under the provisions of ORS 114.545, interest may be assigned through the use of an affidavit. The affidavit shall be on a form prescribed by the division and signed by all of the known heirs of the person whose interest is being transferred stating the name of the person to whom the ownership interest has been passed. If any heir has not arrived at the age of majority or is otherwise incapacitated, the parent or guardian of the heir

shall sign the affidavit. In the case of a transfer under this paragraph, one of the heirs or any other person designated by the division by rule shall complete any odometer disclosure statement required under ORS 803.102.

(c) In the case of a transfer at death of the interest of the owner, lessor or security interest holder where transfer occurs under the provisions of ORS 114.545, the "affiant" as defined in ORS 114.505 is the person required to assign interest. The division may designate by rule the affiant or any other person to complete any odometer disclosure statement required under ORS 803.102.

(d) Upon the termination of a lease, in lieu of the lessee releasing interest, the lessor may provide documentation satisfactory to the division that the lease has been terminated. The lessor shall provide an odometer disclosure statement if required under ORS 803.102. If the lessor does not take possession of the vehicle upon termination of the lease, the information in the odometer disclosure given by the lessor may be taken from an odometer disclosure given by the lessee to the lessor under ORS 803.102 unless the lessor has reason to believe that the disclosure by the lessee does not reflect the actual mileage of the vehicle.

(e) A security interest holder or lessor, without the consent of the owner, may assign interest of the holder or lessor in a vehicle to a person other than the owner without affecting the interest of the owner or the validity or priority of the interest. A person not given notice of such assignment is protected in dealing with the security interest holder or lessor as the holder of the interest until the assignee files in accordance with ORS 79.1010 to 79.5070. This paragraph does not exempt such assignments from title transfer requirements.

(3) Nothing in this section requires the release or assignment of title upon the creation or termination of a leasehold interest for a vehicle that is proportionally registered under ORS 768.007 or 768.009 if the division is furnished with satisfactory proof of the lease for such vehicle.

(4) Notwithstanding subsections (1) and (2) of this section, the division by rule may allow releases or assignments of interests to be on a form other than the certificate of title. The division by rule may also allow odometer disclosure statements to be on a form other than the certificate of title.

(5) Persons subject to the provisions of this section shall provide to the transferee the title certificate, if it is in their possession, the release or assignment of interest, and any required odometer disclosure state-

ment. If an odometer disclosure statement is required, the transferee shall provide a signed disclosure to the transferor in a form determined by the division by rule. [1989 c.148 §2; 1991 c.67 §213; 1991 c.873 §13]

803.095 [1983 c.338 §189; 1985 c.16 §65; 1985 c.251 §17; 1985 c.300 §4; 1985 c.400 §2; 1985 c.485 §5; 1987 c.750 §4; 1989 c.43 §18; repealed by 1989 c.148 §20]

803.097 Perfection of security interest in vehicle. (1) Except as provided in subsection (4) of this section, the exclusive means for perfecting a security interest in a vehicle is by application for notation of the security interest on the certificate of title in accordance with this section. The application may accompany the application for a certificate of title or may be made separately at any time prior to issuance of the certificate and must be accompanied by an ownership document as defined by the division by rule unless the division is in possession of an ownership document when it receives the application.

(2) When the division processes an application for a security interest the division shall mark on the application the date the application was first received either by mail or by presentation to any office of the division.

(3) If the division has the documentation required by subsection (1) of this section and if the application contains the name of each owner of the vehicle, the name and address of the secured party and the vehicle identification number of the collateral, the security interest is perfected as of the date marked by the division on the application. If the application does not contain the information required by this subsection, or if the division does not have the required documentation, the division shall indicate on the application that the date placed on the application pursuant to subsection (2) of this section is not the date of perfection of the security interest.

(4) A security interest in a vehicle may not be perfected as described under this section but is subject to the perfection provisions under ORS chapter 79 if the debtor who granted the security interest is in the business of selling vehicles and the vehicle constitutes inventory held for sale. [1987 c.750 §2; 1989 c.148 §13]

803.100 Application of Uniform Commercial Code. Subject to ORS 820.510 the rights and remedies of all persons in vehicles subject to security interests established under ORS 803.097 shall be determined by the provisions of the Uniform Commercial Code. [1983 c.338 §190; 1985 c.16 §66; 1989 c.148 §14]

803.102 Odometer disclosure statement upon transfer of interest; when required. (1) As used in this section:

(a) "Transferee" means any person to whom ownership of a motor vehicle is transferred by purchase, gift or any other means other than by creation of a security interest and any person who, as an agent, signs an odometer disclosure statement for the transferee.

(b) "Transferor" means any person who transfers ownership of a motor vehicle by sale, gift or any means other than by creation of a security interest and any person who, as an agent, signs an odometer disclosure statement for the transferor.

(2) Except as otherwise provided in this section, upon transfer of any interest in a motor vehicle, an odometer disclosure statement shall be made by the transferor to the transferee. The disclosure shall be in a form that complies with the provisions of ORS 803.120 and shall contain the information required under ORS 803.122.

(3) If a transfer requiring a disclosure statement involves a leased vehicle, the lessor shall notify the lessee that the lessee is required to provide odometer disclosure. The lessee shall furnish the lessor with a form that complies with the requirements of ORS 803.120 and shall provide the information required by ORS 803.122 except that for purposes of the required information, the lessee shall be considered the transferor, the lessor shall be considered the transferee and the date shall be the date of the disclosure statement.

(4) Where an interest in a vehicle is transferred by operation of law, the division shall determine by rule whether an odometer disclosure statement is required and if so, who is required to provide it.

(5) The odometer disclosure requirements of this section do not apply upon transfer of an interest where the transfer is due solely to the creation, release or assignment of a security interest, or upon transfer of an interest in any of the following:

(a) A vehicle with a gross vehicle weight rating of more than 16,000 pounds.

(b) A vehicle that is not self-propelled.

(c) A vehicle that is at least 10 years old.

803.103 Vehicle identification number check. (1) With every vehicle title transfer, the division shall check the vehicle identification number or numbers on the vehicle ti-

tle or other primary ownership documents against those listed as stolen by the Law Enforcement Data System. If the check indicates the vehicle is stolen, the division:

(a) Shall immediately notify the Oregon State Police or, if the division determines it would be appropriate to do so, notify another law enforcement agency; and

(b) Shall not issue a certificate of title within 30 days of giving the notice required by paragraph (a) of this subsection unless the division is notified before the end of the 30 days that the vehicle is not stolen. After the passage of the 30-day period, the division may issue the title.

(2) The division may issue a certificate of title to a vehicle that is listed as stolen without giving the notice required by paragraph (a) of subsection (1) of this section if the division is satisfied that the applicant for title is the person from whom the vehicle was stolen or is the insurer of that person.

(3) The division may check with the National Crime Information Center and the Law Enforcement Data System for information about vehicles in situations other than those specified in ORS 803.212 and subsections (1) and (2) of this section if the division determines that it is appropriate to do so. [1991 c.576 §§3, 4]

803.105 Failure to deliver documents on transfer; late fee; penalty. (1) Except as provided in ORS 803.092, a person commits the offense of failure to deliver vehicle documents on transfer of a vehicle for which the division has issued a certificate of title if the person does not comply with any of the following:

(a) Upon transfer of title or any interest in a vehicle, the transferee shall present the certificate of title to the division within 30 days after the transfer. This paragraph does not apply to a vehicle dealer. If the transfer arises from the sale of a vehicle, a transferee who presents the certificate more than 30 days after the transfer shall pay the fee for late presentation of certificate of title established in ORS 803.090. However, the fee for late presentation does not apply if the transferee proves to the satisfaction of the division that:

This paragraph does not apply upon the creation of a security interest where the debtor who granted the security interest is in the business of selling vehicles and the vehicle constitutes inventory held for sale.

(g) Upon the creation of a security interest in a vehicle where a prior security interest holder is in possession of the certificate of title, the owner or lessor, if there is a lease, shall either provide for the delivery of the certificate of title to the person in whom the security was created or arrange for direct delivery by the prior security interest holder to the division. This paragraph does not apply upon the creation of a security interest where the debtor who granted the security interest is in the business of selling vehicles and the vehicle constitutes inventory held for sale.

(h) Notwithstanding paragraph (a) of this subsection, upon creation of a security interest in a vehicle, a person in whom a security interest was created and who receives a certificate of title showing the interest from the person granting the security interest shall present the certificate of title to the division within 30 days after receiving the certificate of title.

(i) Within 15 calendar days of satisfaction of a security interest in a vehicle, the security interest holder affected:

(A) If in possession of the certificate of title, shall deliver the certificate of title and the release contained thereon to the security

interest holder next named, if any, otherwise to the lessor or, if none, to the owner.

provide the forms authorized by this section to the public.

(2) The division may establish fees for providing forms authorized by this section. Fees shall be designed to recover the cost of producing and providing the forms. (Periods and Fees)

803.400 Duration of registration periods. This section establishes and distinguishes registration periods. Each registration period determines the period of validity for vehicle registration. Registration under the following registration periods is valid during the described registration period:

(1) Annual registration is valid for a one-year period. The period starts on the first day of a calendar month and runs through

the last day of the same calendar month one year later. Once a vehicle is registered under annual registration, the registration period of the vehicle begins and ends with that same calendar month each time the vehicle is reregistered or registration for the vehicle is renewed.

(2) Biennial registration is valid for a two-year period. The period starts on the day a vehicle is registered and runs through the same day two years later. Once a vehicle is registered under biennial registration, the registration period of the vehicle begins and ends with that same day each time the vehicle is reregistered or registration for the vehicle is renewed. Vehicles initially registered on February 29 will expire on the last day of February two years later.

(3) Calendar-year registration starts on January 1 of a year and runs through December 31 of the same year.

(4) Ownership registration starts on the day the vehicle is registered and is valid until the ownership of the vehicle changes.

(5) Permanent registration starts on the day the vehicle is registered and is valid for the life of the vehicle.

(6) Quarterly registration starts on the first day of any calendar quarter and runs through the last day of the last calendar quarter in the registration period. The number of calendar quarters in a quarterly registration is elected by the vehicle owner at the time of registration. A person may not establish quarterly registration periods for more than four quarters. If a vehicle is registered for a quarterly registration period of less than four calendar quarters, the division shall collect, when issuing or renewing registration of the vehicle, the additional fee for quarterly registration established under ORS 803.420.

(7) Special five-year registration is valid for a five-year period. The period starts on the first day of a calendar month and runs through the last day of the same calendar month five years later. Once a vehicle is registered under special registration, the registration periods of the vehicle begin and end with that same month each time the vehicle is reregistered or registration for the vehicle is renewed. [1983 c.338 §222; 1989 c.76 §1]

803.405 Effect of initial registration month. (1) The month in which any vehicle is initially registered under annual registration is the month established as the beginning and ending of registration periods for the vehicle unless the division adjusts the registration month of the vehicle upon initial registration under ORS 803.410.

(2) The day on which any vehicle is initially registered under biennial registration

or when required under ORS 820.520 is the day established as the beginning and ending of registration periods for the vehicle unless the division adjusts the registration period of the vehicle upon initial registration under ORS 803.410. [1983 c.338 §223; 1989 c.76 §2]

803.410 Division authorized to adjust periods and fees. The division is empowered to administer ORS 803.400 and 803.405, relating to the registration periods of vehicles and to adopt and enforce rules, including rules for the adjustment or proration of fees and registration periods, necessary to accomplish the enforcement of those sections. The authority granted the division under this section is subject to the following:

(1) The division may initially register a vehicle that is subject to biennial registration for less than a 24-month period or for more than a 24-month period, not exceeding a maximum of a 30-month period, and prorate the fee on a monthly basis, when in its opinion such fractional registration tends to fulfill the purpose of the biennial registration system.

(2) The division may initially adjust the registration periods of trailers for hire registered as part of a fleet under ORS 805.130 for a maximum 60-month period.

(3) The authority granted under this section includes authority to adjust the initial registration period of travel trailers and special use trailers that are required to be registered after being removed from assessment under the ad valorem tax laws by ORS 820.520.

(4) The division, by rule, may adjust registration fees or registration periods for a vehicle, as is administratively convenient for the division, if:

(a) The vehicle is changed from one type of registration to another type; or

(b) Any other change relating to the registration of the vehicle is made where it would be administratively convenient for the division to make such adjustments. [1983 c.338 §224; 1985 c.16 §83; 1985 c.253 §3; 1987 c.750 §6; 1989 c.43 §21]

803.425 Vehicle length for fee determination. The following are the measurement points of the described vehicles for the purposes of determining registration fees under ORS 803.420:

(1) Special use trailers and travel trailers are measured from the foremost point of the trailer hitch to the rear extremity of the trailer body not including the spare tire, but including all ordinary equipment or appliances appropriate to the type of body such as stakes, curtains, hooks, skids, tailboard, chains, sides and roof.

(2) Campers are measured by overall length from the extreme front to the extreme rear.

(3) Motor homes are measured by overall length from front to rear extremities.

(4) Tent trailers are measured by overall length when folded for travel. [1983 c.338 §229; 1985 c.16 §86]

803.430 Registration weight for fee determination; methods of establishing; requirement. (1) Registration weight is established for the following purposes:

(a) The registration weight is the weight used in the certificate of weight under ORS 803.435 to determine the registration fees under ORS 803.420 for vehicles required to establish registration weight under this section.

(b) A vehicle that is required to establish registration weight by this section is in violation of ORS 803.315 if the vehicle is operated on a highway of this state at a weight in excess of the registration weight except when carrying a load:

(A) Under the provisions of ORS 376.305 to 376.390;

(B) Of over 105,500 pounds combined weight under a variance permit issued under ORS 818.200;

(C) Under a registration weight trip permit issued under ORS 803.600; or

(D) Consisting of towed motor vehicles required to be registered under the vehicle code.

(2) Registration weight is established at the time of registration and whenever the vehicle has been altered or reconstructed by furnishing a certificate of weight described under ORS 803.435 that contains a written declaration of the maximum combined weight at which the vehicle will be operated on the highways of this state except when carrying loads described under paragraph (b) of subsection (1) of this section. The maximum registration weight for any vehicle required

to establish a registration weight under this section is 105,500 pounds. Vehicles operating at weights above 105,500 pounds will operate under a variance permit issued under ORS 818.200.

(3) Except as provided in subsection (4) of this section, the following vehicles are required to establish a registration weight under this section:

(a) Any motor truck that will be operated on the highways at a combined weight of more than 8,000 pounds not including the weight of any camper or trailing vehicle described in subsection (5) of this section.

(b) Any truck tractor that will be operated on the highways at a combined weight of more than 8,000 pounds not including the weight of any camper or trailing vehicle described in subsection (5) of this section.

(c) An armored car, wrecker, tow vehicle, hearse or ambulance.

(d) Any other motor vehicle that will be operated on the highways at a combined weight of more than 8,000 pounds not including the weight of any camper or trailing vehicle as described in subsection (5) of this section.

(e) A self-propelled mobile crane.

(f) Any motor vehicle registered as a farm vehicle under ORS 805.300.

(4) A vehicle that is being registered under a specific provision of the vehicle code where fees are not based on weight or where registration weight is specifically not required is not required to establish registration weight under this section.

(5) The weight of a camper or the following trailing vehicles shall not be included in the registration weight:

(a) Trailers with a loaded weight of 8,000 pounds or less.

(b) Special use trailers, travel trailers, mobile homes and fixed load vehicles.

(c) Towed motor vehicles. [1983 c.338 §230; 1985 c.16 §87; 1985 c.71 §3; 1985 c.172 §6; 1989 c.723 §9; 1991 c.284 §18]

803.435 Certificate of weight for fee determination; contents. A certificate of weight required for purposes of complying with ORS 803.450 and for purposes of determining vehicle registration fees under ORS 803.420 shall contain the following:

(1) For vehicles required to establish a registration weight under ORS 803.430, the certificate shall contain the registration weight.

(2) For buses, the certificate shall contain the unloaded weight of the vehicle plus the unloaded weight of any bus trailer to be used in combination with the vehicle. The

certificate shall also indicate the number of persons, including the driver, to be carried in the vehicle, plus the number of persons to be carried on any bus trailer to be used in combination with the vehicle. For purposes of determining the fee for registration of the vehicle under ORS 803.420, the division shall determine the weight of the vehicle by adding the unloaded weight of the vehicle, plus the unloaded weight of any bus trailer to be used in combination with the vehicle, to a weight determined by multiplying the maximum seating capacity of the vehicle plus the maximum seating capacity of any bus trailer to be used in combination with the vehicle, including the driver's seat but excluding emergency seats, times 170 pounds, if the vehicle has a separate compartment for transporting baggage or express, or 150 pounds, if the vehicle has no separate compartment for transporting baggage or express. If the vehicle has a seating capacity that is not arranged for separate or individual seating, 18 lineal inches shall be deemed the equivalent of a passenger seat.

(3) For fixed load vehicles, the certificate shall contain the weight of the vehicle including the cab, chassis, frame and all appurtenances necessary for making the vehicle self-propelled including front bumpers, fenders, windshield, tire carrier and spare wheel, and including the fixed or permanent load of the vehicle but excluding the spare tire.

(4) For all vehicles not otherwise provided for by this section and for which a certificate is prepared or required, the certificate shall contain the registration weight of the vehicle. [1983 c.338 §231; 1985 c.16 §88; 1985 c.189 §3; 1989 c.723 §10; 1989 c.992 §12c]

803.440 Failure to submit certificate of weight; penalty. (1) A person commits the offense of failure to submit a certificate of weight if the person does not submit a certificate of weight for a vehicle described in this subsection when the person applies for registration of the vehicle or has the vehicle registered in the person's name and the vehicle has been altered or reconstructed. This section applies to the following vehicles:

(b) Any commercial bus.

(c) Any vehicle registered as a farm vehicle under ORS 805.300.

(d) Any vehicle registered under the proportional registration provisions of ORS 768.007 or 768.009.

803.445 Authority of counties and districts to impose registration fees; maximum amount. (1) The governing body of a county may impose registration fees for vehicles as provided in ORS 801.041.

(2) The governing body of a district may impose registration fees for vehicles as provided in ORS 801.042.

(5) No county or district may impose a vehicle registration fee that would by itself, or in combination with any other vehicle registration fee imposed under this section, exceed the amount of the fee imposed under ORS 803.420 (1). The owner of any vehicle subject to multiple fees under this section shall be allowed a credit or credits with respect to one or more of such fees so that the total of such fees does not exceed the amount of the fee imposed under ORS 803.420 (1). [1989 c.864 §2]

(Renewal)

803.450 Notice of pending expiration; exceptions; effect of failure to receive; records. (1) The division or the Public Utility Commission shall notify the registered owner of a vehicle registered by this state of the approaching expiration of the vehicle's registration. The notice required by this subsection shall comply with all of the following:

(a) The notice shall be mailed to the owner of the vehicle at the address shown on the vehicle registration file.

(b) The notice shall be mailed a reasonable time before expiration date of the registration.

(2) The division or the commission shall not be required to notify the registered owner of an approaching expiration if the division or the commission has reason to believe:

(a) The vehicle has been sold, wrecked or stolen;

(b) The registered owner is ineligible to renew the registration;

(c) There is a dispute with regard to the title of the vehicle; or

(d) The registered owner failed to notify the division of a change of address as required by ORS 803.220.

(3) Failure to receive notice of expiration from the division or the commission is not a

defense to a charge of driving with an expired vehicle registration. However, the court may dismiss the charge if the owner registers the vehicle before the scheduled court appearance.

(4) Division records concerning notice under this section are subject to ORS 802.210. [1983 c.338 §233; 1985 c.253 §5; 1989 c.43 §25]

803.455 Failure to renew; fee; penalty.

(1) A person commits the offense of failure to renew vehicle registration if the registration period for a vehicle registered in the person's name expires and the person does not pay the fee required for renewal of registration.

(2) This section does not apply if the vehicle is no longer required or qualified to be registered in this state when the registration period expires.

(3) The fee required to be paid for renewal of registration under this section is the same fee that is required for registration of the vehicle under ORS 803.420.

(4) The offense described in this section, failure to renew vehicle registration, is a Class D traffic infraction. [1983 c.338 §234; 1985 c.16 §89; 1985 c.305 §11]

803.460 Certification of compliance with financial responsibility requirements. The division shall not renew the registration of a motor vehicle unless the owner of the vehicle certifies compliance with financial responsibility requirements for the vehicle and certifies that the owner will remain in compliance with the requirements for the term of the registration or until the vehicle is sold. This section does not apply if a renewal of registration is accompanied by an application for transfer of title arising from the sale of the vehicle. Exemptions from this section are established in ORS 806.020. The form of certification required for this section shall be as required under ORS 806.180. [1983 c.338 §235; 1985 c.714 §7]

803.465 Proof of compliance with pollution control equipment requirements. The division shall not issue renewal of registration unless the division receives proof of compliance with pollution control equipment requirements under ORS 815.310. This section is not applicable to vehicles exempt from the requirements of this section by ORS 815.300 or to vehicles registered under the provisions of ORS 805.045 or 805.060. [1983 c.338 §236; 1985 c.16 §90; 1987 c.440 §4; 1989 c.22 §2]

803.470 [1983 c.338 §237; 1985 c.174 §3; repealed by 1991 c.459 §438L]

shall not refuse to renew registration, transfer the certificate of title or issue a duplicate or replacement certificate of title for a camper or travel trailer solely on the grounds that prior to September 29, 1991, the owner of the camper or travel trailer owed unpaid registration fees to the division. [1991 c.459 §438m]

Note: 803.473 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 803 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

803.475 Odometer reading required.

The division shall not issue renewal of registration unless the division receives with the application for renewal of registration a completed odometer disclosure in a form determined by the division by rule pursuant to ORS 803.120, if a disclosure is required. The division shall retain the odometer information submitted under this section but need not print it on certificates of title or registration cards. [1985 c.251 §22; 1991 c.873 §16]

(Cards)

803.500 Registration card; contents; signature. (1) The division shall furnish for each vehicle and camper registered by the division, a registration card that shows all of the following information:

(k) The word "totaled" if the vehicle has been reported to the division as a totaled vehicle under the provisions of ORS 819.012 or 819.014, unless the reason for the report was theft and the vehicle has been recovered.

(L) Any other information required by the division.

(2) A registration card shall contain a blank space for the signature of the registered owner. A registration card issued by the division for a motor vehicle is not valid until the person registering the vehicle signs and dates a statement on the registration card certifying that, at the time of completion of registration, the vehicle for which the card is issued is in compliance with financial responsibility requirements. A person who falsely certifies compliance with financial responsibility requirements on the card is subject to the penalties under ORS 806.050. (2) The following apply to the offense described in this section:

(a) The owner of a commercial vehicle is not in violation of this section if a photocopy of the card is used.

(b) In the case of a camper, the owner shall keep the registration card in the transporting vehicle.

(c) In the case of a snowmobile or Class I or Class III all-terrain vehicle, the registration card or certificate shall be in a place that is readily accessible whether or not the snowmobile or Class I or Class III all-terrain vehicle is in operation.

(3) The offense described in this section, failure to carry a registration card, is a Class C traffic infraction. [1983 c.338 §255; 1987 c.217 §3; 1989 c.991 §27]

803.510 Duplicate or replacement; fee. The division may issue a duplicate or replacement registration card when:

(1) The division receives an application indicating the loss, mutilation or destruction of a registration card; and

(2) The fee for issuance of a duplicate or replacement card established under ORS 803.575 is paid to the division. [1983 c.338 §256; 1985 c.174 §4; 1985 c.253 §7a]

(Plates)

Note: Sections 1 to 3, chapter 572, Oregon Laws 1987, provide:

Sec. 1. Plate contest. The Oregon Transportation Commission shall conduct a contest for the design of new vehicle registration plates. The contest shall be conducted in the following manner:

(1) The commission shall conduct a statewide publicity campaign to inform people of the registration plate design contest.

(2) Designs submitted for the contest must:

(a) Contain the word "Oregon" and depict an aspect of Oregon, either graphically or in writing or both;

(b) Fit on a registration plate that is the same size as those currently in use; and

(c) Use no more than four colors.

(3) The commission shall choose a panel of seven judges for the contest. Of the members of the panel, two shall be artists or graphic artists and two shall be traffic officers employed by a police agency.

(4) The judges shall choose from among the entries five designs that they shall then forward to the commission. The commission shall choose the winning design from among the five forwarded to it by the panel of judges.

(5) The contest shall be concluded and the winning design chosen by January 30, 1988. The commission shall forward the winning design to the Motor Vehicles Division. [1987 c.572 §1]

Sec. 2. (1) As soon after receiving the winning design for registration plates as is feasible, the Motor Vehicles Division shall arrange for production of the plates. The division shall make rules for the orderly and efficient transition to use of the new series of plates. Such rules shall include, but need not be limited to, provisions specifying that:

(a) On and after July 1, 1988, upon initial registration of a vehicle described in ORS 803.420 (1) that is not a vehicle for which the registration applicant has applied for special plates and is not a vehicle for which the Motor Vehicles Division routinely issues special plates, plates from the series produced as provided in this Act shall be issued.

(b) On and after July 1, 1988, if the owner of a vehicle applies to replace registration plates as provided in ORS 803.530 because the plates have been illegally altered or have been lost, destroyed or mutilated, if the applicant has not applied for special plates and if the vehicle is not one for which the Motor Vehicles Division routinely issues special plates, the division shall issue plates from the series produced as provided in this Act.

(c) On and after July 1, 1988, the division may issue registration plates from the series produced as provided in this Act to a person who applies for the plates and submits the fee required by this section. Plates may be issued under this paragraph for vehicles that are not required by paragraph (a) or (b) of this subsection to have plates from the series produced as provided in this Act.

(d) The division may issue registration plates from the series produced as provided in this Act for vehicles that would otherwise receive special plates if the division determines that the design of the plates produced under this Act will not interfere with any identifying information on the special plates.

(2) In addition to any other fee authorized by law, if a person applies for plates as authorized by paragraph (c) of subsection (1) of this section, the division shall charge the following fee:

(a) If the person applies for the plates at the same time that the person renews the registration of the vehicle that will carry the plates, \$1.50.

(b) In all other circumstances, \$11. [1987 c.572 §2]

Sec. 3. The provisions of ORS 803.535 apply to all registration plates manufactured or contracted for after the effective date of those provisions and before the conclusion of the contest referred to in section 1 of this Act. Except as otherwise provided in this section, plates manufactured as a result of a contract entered into after the contest referred to in section 1 of this Act, that are manufactured to the specifications of the winning design in the contest, shall comply with the provisions of section 5 of this Act rather than with the provisions of ORS 803.535. Plates for vehicles that are not required to display plates manufactured to the specifications of the winning design in the contest may comply with either the provisions of ORS 803.535 or the provisions of section 5 of this Act, as determined by the division. [1987 c.572 §3]

803.520 Issuance; fees. The division shall issue and deliver to the owner registration plates according to the following:

(1) Registration plates shall be issued upon filing of application for registration and payment of the appropriate registration and registration plate fees unless the division has just cause for refusing to register a vehicle or unless otherwise provided in this section.

(2) If an application for title or registration is for a vehicle that is subject to the provisions of ORS 803.210, the division may issue a permit described under ORS 803.615 while the division is determining all facts relative to the applicant's right to receive a certificate of title and shall issue registration plates along with the certificate of title.

(3) Before issuance of registration plates, the division must receive the manufacturing and reflectorizing fee for the registration plates. If the registration plate is one of the special plates described under ORS 805.200, the fees for the registration plate issuance are as described in ORS 805.250.

(4) Except as described in ORS 805.200 and 803.537, registration plates issued shall be as described in ORS 803.535.

(5) The division shall issue the number of plates appropriate under ORS 803.525 and any stickers provided under ORS 803.555. [1983 c.338 §257; 1985 c.16 §99; 1987 c.146 §8; 1987 c.572 §6]

803.525 Number of plates issued. The division shall issue two registration plates for every vehicle that is registered in this state except as otherwise provided in this section. Upon renewal or when otherwise provided under ORS 803.555, the division may issue stickers in lieu of or in addition to registration plates. The following shall be issued plates as described:

(1) Only one registration plate shall be issued for a moped, motorcycle or any trailer registered by this state.

(2) Only one plate shall be issued for a camper that is registered. Stickers may be issued in lieu of a plate as provided in ORS 803.555.

(3) Mobile homes are as provided in ORS 820.500. [1983 c.338 §258; 1985 c.668 §12; 1989 c.43 §27]

Note: The amendments to 803.525 by section 28, chapter 407, Oregon Laws 1991, become operative January 1, 1993. See section 39, chapter 407, Oregon Laws 1991. The text that is operative on and after January 1, 1993, is set forth for the user's convenience.

803.525. The division shall issue two registration plates for every vehicle that is registered by the division except as otherwise provided in this section. Upon renewal or when otherwise provided under ORS 803.555, the division may issue stickers in lieu of or in addition to registration plates. The following shall be issued plates as described:

(1) Only one registration plate shall be issued for a moped, motorcycle or any trailer registered by the division.

(2) Only one plate shall be issued for a camper that is registered. Stickers may be issued in lieu of a plate as provided in ORS 803.555.

(3) Mobile homes are as provided in ORS 820.500.

803.530 Period of validity; transfer; replacement. Registration plates assigned to a vehicle by the division shall remain with the vehicle to which the plates are assigned and are valid only during the registration period for which the plates are issued except as provided in the following:

(1) The division may select and assign permanent registration plates that remain with a vehicle as long as the vehicle is required to be registered in this state. If the division selects and issues permanent registration plates under this subsection, the plates will be designed for the use of stickers described under ORS 803.555 that remain with the vehicle only for the registration period for which the stickers are issued.

(2) The division may allow registration plates to be transferred to another vehicle upon receipt of an application therefor together with payment of a plate transfer fee under ORS 803.575 in addition to the regular registration fee. The division shall refuse to transfer registration plates under this subsection if the division determines that the plates are not from a current issue of registration plates, are not customized registration plates described under ORS 805.240 or are so old, damaged, mutilated or otherwise rendered illegible as to be not useful for purposes of identification.

(3) The owner of a registered vehicle to which a plate is assigned may replace a registration plate that is illegally altered or that is lost, destroyed or mutilated in a manner that renders illegible any identification on the plate. The following apply to this subsection:

(a) To replace a plate under this subsection, the owner must apply to the division for replacement of the damaged or lost plate upon forms prepared by the division and pay the replacement plate fee established under ORS 803.575.

(b) The application must state the facts of the damage, destruction or loss of the plate.

(c) The division, in lieu of replacement, may issue duplicate plates for the same fee as charged for replacements.

(d) The plates issued under this subsection are valid only for the period of the plates replaced.

(e) Provision for replacement of registration stickers is made under ORS 803.555.

(4) This section does not apply to special interest registration plates approved under ORS 805.210. [1983 c.338 §259; 1985 c.16 §100; 1985 c.174 §5; 1985 c.243 §3; 1985 c.570 §3; 1987 c.158 §163]

803.535 Size, form, material, color, design, contents. Subject to ORS 805.200 and the following, the division shall select registration plates it issues:

(1) Registration plates shall be in the size, form and arrangement and made of materials determined by the division subject to the following:

(a) The plates shall have a marked contrast between the color of the plates and that of the numerals, letters or characters thereon.

(b) If registration plates are issued, means shall be provided for identifying the vehicle from the front and rear by means of characters or numerals.

(c) All plates shall be made with a reflective material, so as to be a fully reflectorized safety plate. The reflectorized material shall be of such a nature as to provide effective dependable brightness in the promotion of traffic safety during the service period of the plate issued.

(d) All plates shall contain the distinctive number or characters assigned to the vehicle and the word "Oregon."

A person who applies for a non-commercial permit must certify that the person has not been granted permits that together authorize the person to exceed the maximum number of days of operation allowed by this paragraph and that the permit applied for would not, in conjunction with other permits received, authorize the person to exceed the maximum number of days of operation allowed by this paragraph.

A permit issued under this paragraph does not authorize movements or operations for which a variance permit is required under ORS 818.200. A permit issued under this paragraph shall show the maximum combined gross weight allowed for operation under the permit. A permit issued under this paragraph is valid for 10 consecutive days.
