**30.282 Local public body insurance against liability; payment of assessment to state Insurance Fund.** (1) The governing body of any local public body may procure insurance against liability of the public body and its officers, employees and agents acting within the scope of their employment or duties, and in addition to, or in lieu thereof, may establish a self-insurance fund against such liability of the public body and its officers, employees and agents and if the public body has authority to levy taxes, it may include in its levy an amount sufficient to establish and maintain such a fund on an actuarially sound basis.

(2) Notwithstanding any other provision of law, two or more local public bodies may jointly provide by intergovernmental agreement for anything which subsection (1) of this section authorizes individually.

(3) As an alternative or in addition to establishment of a self-insurance fund or purchase of insurance or both, the governing body of any local public body and the Oregon Department of Administrative Services may contract for payment by the public body to the department of assessments determined by the department to be sufficient, on an actuarially sound basis, to cover the potential liability of the public body and its officers, employees or agents acting within the scope of their employment or duties under ORS 30.260 to 30.300, and costs of administration, or to cover any portion of potential liability, and for payment by the department of valid claims against the public body and its officers, employees and agents acting within the scope of their employment or duties. The department may provide the public body evidence of insurance by issuance of a certificate or policy.

(4) Assessments paid to the department under subsection (3) of this section shall be paid into the Insurance Fund created under ORS 278.425, and claims paid and administrative costs incurred under subsection (3) of this section shall be paid out of the Insurance Fund, and moneys in the Insurance Fund are continuously appropriated for those purposes. When notice of any claim is furnished as provided in the agreement, the claim shall be handled and paid, if appropriate, in the same manner as a claim against a state agency, officer, employee or agent, without regard to the amount the local public body has been assessed. [1975 c.609 §19; 1977 c.428 §1; 1981 c.109 §4; 1985 c.731 §21]

**30.285 Public body shall indemnify public officers; procedure for requesting counsel; extent of duty of state; obligation for judgment and attorney fees.** (1)

The governing body of any public body shall defend, save harmless and indemnify any of its officers, employees and agents, whether elective or appointive, against any tort claim or demand, whether groundless or otherwise, arising out of an alleged act or omission occurring in the performance of duty.

(2) The provisions of subsection (1) of this section do not apply in case of malfeasance in office or willful or wanton neglect of duty.

(3) If any civil action, suit or proceeding is brought against any state officer, employee or agent which on its face falls within the provisions of subsection (1) of this section, or which the state officer, employee or agent asserts to be based in fact upon an alleged act or omission in the performance of duty, the state officer, employee or agent may, after consulting with the Oregon Department of Administrative Services file a written request for counsel with the Attorney General. The Attorney General shall thereupon appear and defend the officer, employee or agent unless after investigation the Attorney General finds that the claim or demand does not arise out of an alleged act or omission occurring in the performance of duty, or that the act or omission complained of amounted to malfeasance in office or willful or wanton neglect of duty, in which case the Attorney General shall reject defense of the claim.

(4) Any officer, employee or agent of the state against whom a claim within the scope of this section is made shall cooperate fully with the Attorney General and the department in the defense of such claim. If the Attorney General after consulting with the department determines that such officer, employee or agent has not so cooperated or has otherwise acted to prejudice defense of the claim, the Attorney General may at any time reject the defense of the claim.

(5) If the Attorney General rejects defense of a claim under subsection (3) of this section or this subsection, no public funds shall be paid in settlement of said claim or in payment of any judgment against such officer, employee or agent. Such action by the Attorney General shall not prejudice the right of the officer, employee or agent to assert and establish an appropriate proceedings that the claim or demand in fact arose out of an alleged act or omission occurring in the performance of duty, or that the act or omission complained of did not amount to malfeasance in office or willful or wanton neglect of duty, in which case the officer, employee or agent shall be indemnified

against liability and reasonable costs of defending the claim, cost of such indemnification to be a charge against the Insurance Fund established by ORS 278.425.

(6) Nothing in subsection (3), (4) or (5) of this section shall be deemed to increase the limits of liability of any public officer, agent or employee under ORS 30.270, or obviate the necessity of compliance with ORS 30.275 by any claimant, nor to affect the liability of the state itself or of any other public officer, agent or employee on any claim arising out of the same accident or occurrence.

(7) As used in this section, "state officer, employee or agent" includes district attorneys and deputy district attorneys, special prosecutors and law clerks of the office of district attorney who act in a prosecutorial capacity, but does not include any other employee of the office of district attorney or any employee of the justice, district or circuit courts whose salary is paid wholly or in part by the county. [1967 c.627 §7; 1975 c.609 §16; 1981 c.109 §5; 1981 c.913 §2; 1985 c.731 §22; 1987 c.763 §1]

**30.287 Counsel for public officer; when public funds not to be paid in settlement; effect on liability limit; defense by insurer.** (1) If any civil action, suit or proceeding is brought against any officer, employee or agent of a local public body other than the state which on its face falls within the provisions of ORS 30.285 (1), or which the officer, employee or agent asserts to be based in fact upon an alleged act or omission in the performance of duty, the officer, employee or agent may file a written request for counsel with the governing body of the public body. The governing body shall thereupon engage counsel to appear and defend the officer, employee or agent unless after investigation it is determined that the claim or demand does not arise out of an alleged act or omission occurring in the performance of duty, or that the act or omission complained of amounted to malfeasance in office or willful or wanton neglect of duty, in which case the governing body shall reject defense of the claim.

(2) Any officer, employee or agent of a local public body against whom a claim within the scope of this section is made shall cooperate fully with the governing body and counsel in the defense of such claim. If the counsel determines and certifies to the governing body that such officer, employee or agent has not so cooperated or has otherwise acted in prejudice of the defense of the claim, the governing body may at any time reject the defense of the claim.

(3) If the governing body rejects defense of a claim under subsection (1) of this section, no public funds shall be paid in settlement of the claim or in payment of any

judgment against such officer, employee or agent. Such action by the governing body shall not prejudice the right of the officer, employee or agent to assert and establish in an appropriate proceedings that the claim or demand in fact arose out of an alleged act or omission occurring in the performance of duty, or that the act or omission complained of did not amount to malfeasance in office or willful or wanton neglect of duty, in which case the officer, employee or agent shall be indemnified by the public body against liability and reasonable costs of defending the claim.

(4) Nothing in subsection (1), (2) or (3) of this section shall be deemed to increase the limits of liability of any public officer, agent or employee under ORS 30.270, or relieve any claimant of the necessity of compliance with ORS 30.275, nor to affect the liability of the local public body itself or of any other public officer, agent or employee on any claim arising out of the same accident or occurrence.

(5) The provisions of this section may be superseded to the extent that the claim against the public officer, employee or agent may be defended by any insurer, or may be subject under ORS 30.282 to agreement with the Oregon Department of Administrative Services, in which case the provisions of the policy of insurance or other agreement are applicable. [1975 c.609 §20; 1985 c.565 §3; 1989 c.1004 §1]

**30.290 Settlement of claims by local public body.** The governing body of any local public body may, subject to the provisions of any contract of liability insurance existing, compromise, adjust and settle tort claims against the public body or its officers, employees or agents acting within the scope of their employment for damages under ORS 30.260 to 30.300 and may, subject to procedural requirements imposed by law or other charter, appropriate money for the payment of amounts agreed upon. [1967 c.627 §8; 1975 c.609 §17; 1989 c.655 §1]

**30.295 Payment of judgment or settlement; remedies for nonpayment; tax levy for payment; installment payments.** (1) When a judgment is entered against or a settlement is made by a public body for a claim within the scope of ORS 30.260 to 30.300, including claims against officers, employees or agents required to be indemnified under ORS 30.285, payment shall be made and the same remedies shall apply in case of nonpayment as in the case of other judgments or settlements against the public body except as otherwise provided in this section.

(2) If the public body is authorized to levy taxes which could be used to satisfy a judgment or settlement within the scope of ORS 30.260 to 30.300, and it has, by resolu-

tion, declared that the following conditions exist, interest shall accrue on the judgment or settlement, but the same shall not be due and payable until after the canvass and certification of an election upon a special tax levy for purposes of satisfying the judgment or settlement:

(a) The amount of the judgment or settlement would exceed amounts budgeted for contingencies, tort claims and projected surplus in the current budget;

(b) The amount of the judgment or settlement would exceed 10 percent of the total of the next fiscal year's projected revenues which are not restricted as to use, including the maximum amount of general property tax which could be levied without election but excluding any levy for debt service;

(c) Payment of the judgment or settlement within less than a certain number of years would seriously impair the ability of the public body to carry out its responsibilities as a unit of government; and

(d) The public body has passed an appropriate ordinance or resolution calling a special election to submit to its electors a special levy in an amount sufficient to satisfy the judgment or settlement.

(3) A certified copy of the resolution provided for in subsection (2) of this section shall be filed with the clerk of the court in which an order permitting installment payments could be entered.

(4) If the public body is not authorized to levy taxes as provided in subsection (2) of this section, and it has, by resolution, declared that the applicable conditions specified in subsection (2)(a) to (c) of this section exist, it may petition for an order permitting installment payments as provided in subsection (6) of this section.

(5) The provisions of subsections (2) and (4) of this section do not apply to the State of Oregon; provided, however, that if the conditions specified in subsection (4) of this section exist, the Secretary of State may, under Seal of the State of Oregon, attest thereto in lieu of a resolution, and the State of Oregon may thereafter petition for an order permitting installment payments as provided in subsection (6) of this section.

(6) If the procedure specified in subsections (2) to (5) of this section has been followed, and, with respect to public bodies subject to subsection (2) of this section, the tax levy failed, the public body may petition for an order permitting installment payments. The petition shall be filed in the court in which judgment was entered or, if no judgment has been entered, it shall be filed in the circuit court of the judicial district in

which the public body has its legal situs. Petitions by the State of Oregon where no judgment has been entered shall be filed in Marion County Circuit Court.

(7) The court in which a petition is filed shall order that the judgment or settlement be paid in quarterly, semiannual or annual installments over a period of time not to exceed 10 years. The court shall determine the term of years based upon the ability of the public body to effectively carry out its governmental responsibilities, and shall not allow a longer term than appears reasonably necessary to meet that need. The order permitting installment payments shall provide for annual interest at the judgment rate. [1967 c.627 §9; 1977 c.823 §4]

does not represent any of the public corporations mentioned in ORS 30.310, for any of the causes specified in such section and ORS 30.320. If judgment is given against the officer in such action, it may be enforced against the officer personally, and the amount thereof shall be allowed to the officer in the official accounts of the officer.

### SETTLEMENT OR COMPROMISE BY PUBLIC BODY

#### 30.402 Prohibition of confidential settlements and compromises; exception.

(1) No public body, or officer, employee or agent of a public body, who is a defendant in an action under ORS 30.260 to 30.300, or who is a defendant in an action under ORS 294.100, shall enter into any settlement or compromise of the action if the settlement or compromise requires that the terms of the settlement or compromise be confidential.

(2) Notwithstanding subsection (1) of this section, the court may, after an expedited examination in chambers, order that terms and conditions of a settlement or compromise of an action be confidential if the court determines, by written findings, that specific privacy interests of a private individual outweigh the public's interest in the terms of the settlement or compromise.

(3) Any public body, or officer, employee or agent of a public body, who is a defendant in an action under ORS 30.260 to 30.300, or who is a defendant in an action under ORS 294.100, shall file with the court a full and complete disclosure of the terms and conditions of any settlement or compromise of the claims against the public body, its officers, employees or agents. The disclosure shall be filed prior to the dismissal of the action.

(4) For the purposes of this section:

### RECOVERY OF FINES AND FORFEITURES

**30.410 In whose name action brought.** Fines and forfeitures may be recovered by an action at law in the name of the officer or person to whom they are by law given, or in the name of the officer or person who by law is authorized to prosecute for them.

**30.420 Venue of action for forfeiture.** Whenever, by law, any property is forfeited to the state, or to any officer for its use, the action for the recovery of such property may be commenced in any county where the defendant may be found, or where such property may be.

**30.430 Amount of recovery.** When an action is commenced for a penalty, which by law is not to exceed a certain amount, the action may be commenced for that amount, and if judgment is given for the plaintiff, it may be for such amount or less, in the discretion of the court, in proportion to the offense.

**30.440 Judgment by collusion not a bar.** A recovery of a judgment for a penalty or forfeiture by collusion between the plaintiff and defendant, with intent to save the defendant, wholly or partially, from the consequences contemplated by law, in case where the penalty or forfeiture is given wholly or partly to the person who prosecutes, shall not bar the recovery of the same by another person.

**30.450 Disposition of fines and forfeitures.** Fines and forfeitures not specially granted or otherwise appropriated by ORS 46.800 (4), 137.017, or other law, when recovered, shall be paid into the treasury of the proper county. [Amended by 1981 s.s. c.3 §110]

**30.460 Payment of fines, cost or bail in proceeding to enforce county ordinance or resolution; defendant personally liable.** When proceedings are conducted by county hearing officers to enforce requirements or prohibitions of county ordinances or resolutions, if fines, cost or bail are not paid by a defendant within 60 days after payment is ordered, the defendant is personally liable to the county for the amount of the unpaid fines, cost or bail. The county may file and record the order for payment in the County Clerk Lien Record. [1985 c.626 §3]

### VOLUNTEERS TRANSPORTING DISABLED AND OLDER PERSONS

**30.475 Legislative policy.** In enacting ORS 30.480 and 30.485, the Legislative Assembly of the State of Oregon declares:

(1) That many disabled persons and older persons, due to disability or age, cannot obtain medical, educational, recreational or other important services or benefits, or pursue daily life activities outside the home, such as shopping or socializing, without transportation and other necessary assistance;

(2) That public resources are not adequate to provide dependable transportation to disabled persons and older persons, and

that it is in the best interest of this state to encourage volunteers to provide transportation services to Oregon's disabled people and older people;

(3) That the threat or fear of personal liability arising from the provision of transportation services to disabled persons and older persons seriously discourages individuals from providing services on a volunteer basis;

(4) That the policy of this state is to encourage volunteers to provide such transportation services; and

(5) That, therefore, persons who qualify under ORS 30.480 must be protected from the threat of unlimited personal liability arising from the provision of volunteer transportation services, and that ORS 30.475 to 30.485 shall be liberally construed in favor of such persons in order to promote fully the foregoing policies. [1983 c.468 §1; 1989 c.224 §5]

**30.480 Limitation on liability of volunteers; conditions.** (1) When a provider of volunteer transportation services who is qualified under subsection (3) of this section provides the services under the conditions described in subsection (4) of this section to a person who is disabled or who is 55 years of age or older, the liability of the provider to the person for injury, death or loss arising out of the volunteer transportation services shall be limited as provided in this section. When volunteer transportation services are provided to five or fewer persons at one time, the liability of the provider of the volunteer transportation services shall not exceed the greater of the amount of coverage under the terms of the provider's motor vehicle liability insurance policy, as described in ORS 806.080, or the amounts specified in ORS 806.070 for future responsibility payments for:

(a) Bodily injury to or death of any one person to whom the transportation services are provided, in any one accident.

(b) Bodily injury to or death of two or more persons to whom the transportation services are provided, in any one accident.

(c) Injury to or destruction of the property of one or more persons to whom the transportation services are provided, in any one accident.

(2) Notwithstanding the amount specified in paragraph (b) of subsection (1) of this section by reference to ORS 806.070, if a qualified provider of transportation services provides the services to more than five persons, but not more than 16, at one time who are disabled or who are 55 years of age or older, under the conditions described in subsection (4) of this section, the liability under paragraph (b) of subsection (1) of this section

shall not exceed the greater of the amount of coverage under the terms of the provider's motor vehicle liability insurance policy or \$300,000. The limitations on liability provided by ORS 30.475, 30.480 and 30.485 do not apply when volunteer transportation services are provided to 17 or more persons at one time who are disabled or who are 55 years of age or older.

(3) The following persons qualify for the limitation on liability under subsections (1) and (2) of this section:

(a) The person who provides or sponsors transportation services.

(b) The owner of the vehicle in which transportation services are provided.

(c) The person who operates the vehicle in which transportation services are provided.

(4) The limitation on liability under subsections (1) and (2) of this section applies to a person qualified under subsection (3) of this section only under the following conditions:

(a) If the person is an individual, the individual must hold a valid Oregon driver's license.

(b) The person must provide the transportation services on a nonprofit and voluntary basis. However, this paragraph does not prohibit a sponsor of transportation services from reimbursing an operator of a private motor vehicle providing the services for actual expenses incurred by the operator. If an operator is paid, that operator is qualified only if operating as an emergency operator.

(c) The person providing the transportation services must not receive from the persons using the services any substantial benefit in a material or business sense that is a substantial motivating factor for the transportation. A contribution or donation to the provider of the transportation services other than the operator of the motor vehicle or any mere gratuity or social amenity shall not be a substantial benefit under this paragraph.

(d) Except as provided in paragraph (c) of this subsection, the transportation services must be provided without charge to the person using the services.

(5) The amounts received by a person who is disabled or 55 years of age or older under the personal injury protection provisions of the insurance coverage of a person who qualifies for the limitation on liability under this section shall not reduce the amount that the person may recover under subsection (1) or (2) of this section.

(6) The liability of two or more persons whose liability is limited under this section,

on claims arising out of a single accident, shall not exceed in the aggregate the amounts limited by subsection (1) or (2) of this section.

(7) This section does not apply in the case of an accident or injury if the accident or injury was intentional on the part of any person who provided the transportation services or if the accident or injury was caused by the person's gross negligence or intoxication. For purposes of this subsection, gross negligence is negligence which is materially greater than the mere absence of reasonable care under the circumstances, and which is characterized by conscious indifference to or reckless disregard of the rights of others.

(8) For purposes of this section, a person is disabled if the person has a physical or mental disability that for the person constitutes or results in a functional limitation to one or more of the following activities: Self-care, ambulation, communication, transportation, education, socialization or employment. [1983 c.468 §2; 1985 c.16 §443; 1987 c.915 §7; 1989 c.224 §6]

**30.485 Apportionment of damages awarded; insurance issues excluded from jury consideration.** (1) If the amount awarded by a court to multiple claimants exceeds the total amount limited under ORS 30.480 (1) or (2), the court shall apportion a proper share of that total amount to each claimant to whom ORS 30.480 (1) or (2) applies.

(2) If the amount settled upon by multiple claimants exceeds the total amount limited under ORS 30.480 (1) or (2), any party may apply to any circuit court to apportion a proper share of that total amount to each claimant to whom ORS 30.480 (1) or (2) applies.

(3) The share apportioned under subsection (1) or (2) of this section to each claimant to whom ORS 30.480 (1) or (2) applies shall be in the proportion that the ratio of the award or settlement made to the claimant bears to the aggregate awards and settlements for all claims arising out of the occurrence that are made by all claimants to whom ORS 30.480 (1) or (2) applies.

(4) Nothing in this section or ORS 30.480 authorizes the issues of insurance coverage or the amount of insurance coverage to be presented to a jury. [1983 c.468 §3]

[1989 c.642 §5]

Sec. 6. This Act shall not apply to product liability actions against manufacturers that had, at the time the intrauterine device was sold, received approval of an application filed under 21 U.S.C. section 355 with the Food and Drug Administration for the sale of the intrauterine device which caused the injury unless the plaintiff proves, by clear and convincing evidence, that the defendant drug manufacturer, acting in wanton disregard for the health, safety and welfare of others, fraudulently withheld from or misrepresented to the United States Food and Drug Administration, information that was both:

(1) Required to be submitted by Food and Drug Administration regulations, and

(2) Material and relevant to the harm suffered by the plaintiff. [1989 c.642 §6]

(4) "Ski area" means any area designated and maintained by a ski area operator for skiing.

(5) "Ski area operator" means those persons, and their agents, officers, employees or representatives, who operate a ski area. [1979 c.665 §1]

**30.975 Skiers assume certain risks.** In accordance with ORS 18.470 and notwithstanding ORS 18.475 (2), an individual who engages in the sport of skiing, alpine or nordic, accepts and assumes the inherent risks of skiing in so far as they are reasonably obvious, expected or necessary. [1979 c.665 §2]

**30.980 Notice to ski area operator of injury to skier; injuries resulting in death; statute of limitations; informing skiers of notice requirements.** (1) A ski area operator shall be notified of any injury to a skier by registered or certified mail within 180 days after the injury or within 180 days after the skier discovers, or reasonably should have discovered, such injury.

(2) When an injury results in a skier's death, the required notice of the injury may be presented to the ski area operator by or on behalf of the personal representative of the deceased, or any person who may, under ORS 30.020, maintain an action for the wrongful death of the skier, within 180 days after the date of the death which resulted from the injury. However, if the skier whose injury resulted in death presented a notice to the ski area operator that would have been sufficient under this section had the skier lived, notice of the death to the ski area operator is not necessary.

(3) An action against a ski area operator to recover damages for injuries to a skier shall be commenced within two years of the date of the injuries. However, ORS 12.160 and 12.190 apply to such actions.

(4) Failure to give notice as required by this section bars a claim for injuries or wrongful death unless:

(a) The ski area operator had knowledge of the injury or death within the 180-day period after its occurrence;

(b) The skier or skier's beneficiaries had good cause for failure to give notice as required by this section; or

(c) The ski area operator failed to comply with subsection (5) of this section.

(5) Ski area operators shall give to skiers, in a manner reasonably calculated to inform, notice of the requirements for notifying a ski area operator of injury and the effect of a failure to provide such notice under this section. [1979 c.665 §3]

**30.985 Duties of skiers; effect of failure to comply.** (1) Skiers shall have duties which include but are not limited to the following:

(a) Skiers who ski in any area not designated for skiing within the permit area assume the inherent risks thereof.

(b) Skiers shall be the sole judges of the limits of their skills and their ability to meet and overcome the inherent risks of skiing and shall maintain reasonable control of speed and course.

(c) Skiers shall abide by the directions and instructions of the ski area operator.

(d) Skiers shall familiarize themselves with posted information on location and degree of difficulty of trails and slopes to the extent reasonably possible before skiing on any slope or trail.

(e) Skiers shall not cross the uphill track of any surface lift except at points clearly designated by the ski area operator.

(f) Skiers shall not overtake any other skier except in such a manner as to avoid contact and shall grant the right of way to the overtaken skier.

(g) Skiers shall yield to other skiers when entering a trail or starting downhill.

(h) Skiers must wear retention straps or other devices to prevent runaway skis.

(i) Skiers shall not board rope tows, wire rope tows, j-bars, t-bars, ski lifts or other similar devices unless they have sufficient ability to use the devices, and skiers shall follow any written or verbal instructions that are given regarding the devices.

(j) Skiers, when involved in a skiing accident, shall not depart from the ski area without leaving their names and addresses if reasonably possible.

(k) A skier who is injured should, if reasonably possible, give notice of the injury to the ski area operator before leaving the ski area.

(L) Skiers shall not embark or disembark from a ski lift except at designated areas or by the authority of the ski area operator.

(2) Violation of any of the duties of skiers set forth in subsection (1) of this section entitles the ski area operator to withdraw the violator's privilege of skiing. [1979 c.665 §4]

**30.990 Operators required to give skiers notice of duties.** Ski area operators shall give notice to skiers of their duties under ORS 30.985 in a manner reasonably calculated to inform skiers of those duties. [1979 c.665 §5]
