The Governor shall immediately appoint a successor.

(2) ORS 182.040 to 182.060 do not apply to:

(a) Services rendered for the Bureau of Labor and Industries on wage claims assigned to it for collection.

(1) In the event of repeal of a statute or a part thereof which granted or conferred power to any state officer, board, commission, corporation, institution, department, agency or other state organization to collect, receive and expend money for or on behalf of the state or for any purpose authorized by law, such repeal shall not affect or impair any act done, or right accruing, accrued or acquired, or liability, or obligation to pay the state a license or other fee, or payment exacted or required by law to be made or authorized by said repealed statute and the rules, regulations and orders, if any, promulgated thereunder and in effect at the time of such repeal, unless otherwise specifically provided by law. In the event of such repeal of a statute, the Secretary of State shall have the authority to determine, collect and disburse any moneys due the state, or payable by or through the state, representing such license or other fee, or payment exacted or required by law in accordance with the provisions of such repealed statute and such rules, regulations and orders promulgated thereunder, and as otherwise provided by law, in order to secure the full force, effect and operation of such statute up to the time of its repeal, but not thereafter.

such repealed statute, then, in addition thereto, such amount as may be necessary, and no more, hereby is appropriated out of any funds, accounts and receipts belonging to the state in the custody or control of such state officer, board, commission, corporation, institution, department or other state organization, to cover in full the costs of winding up and concluding the administration of such statute. (2) Amounts allowed under this section for reasonable attorney fees and expenses shall be paid from funds available to the state agency. The court may withhold all or part of the attorney fees from any award to a petitioner if the court finds that the state agency has proved that its action was substantially justified or that special circumstances exist which make the award of all or a portion of the attorney fees unjust.

(3) As used in this section, "civil judicial proceeding" means any proceeding, other than a criminal proceeding as defined in ORS 131.005 (7), conducted before a court of this state. [1981 c.871 §2; 1983 c.763 §61]

(4) Use the preferred and more positive term "disabled" instead of "handicapped" or other negative words except as such terms as required by statute or federal law and regulation.

(1) There is created in the State Treasury, separate and distinct from the General Fund, an Oregon State Productivity Improvement Revolving Fund. All moneys in the fund are appropriated continuously to the Oregon Department of Administrative Services for making loans, grants, matching funds or cash awards available to state agencies or units for implementation of productivity improvement projects, including training and workforce development, upon authorization of the Oregon Department of Administrative Services, subject to ORS 243.650 to 243.782 when applicable. Interest on earnings of the fund shall be credited to the fund.

(2) The Oregon State Productivity Improvement Revolving Fund shall consist of:

(a) Moneys transferred from the Oregon Department of Administrative Services' Personnel Account, as provided in ORS 240.170, in a sum not to exceed \$500,000 to establish the fund.

If not used in the biennium in which the savings occur, the amount of credit to an agency or unit may be treated as if it were continuously appropriated to the agency or unit and may be expended in following biennium without resulting in any budget justification for the agency or unit. Expenditures from the fund are not subject to allotment or other budgetary procedures.

(4) None of the expenditures in a biennium by the agency or unit under this section shall be considered to be within any appropriation or expenditure limitation in the agency's base budget for the biennium.

(5) A productivity improvement project may include training and employee development authorized by the department and intended to lead to improved productivity.

(6) The department may require a different repayment schedule for training and em-

ployee development than for other productivity improvement projects.
