(1) No zoning ordinance enacted by the county governing body may have legal effect unless prior to its enactment the governing body or the planning commission conducts one or more public hearings on the ordinance and unless 10 days' advance public notice of each hearing is published in a newspaper of general circulation in the county or, in case the ordinance applies to only a part of the county, is so published in that part of the county.

(2) The notice provisions of this section shall not restrict the giving of notice by other means, including mail, radio and television.

(3) In effecting a zone change the proceedings for which are commenced at the request of a property owner, the governing body shall in addition to other notice give

individual notice of the request by mail to the record owners of property within 250 feet of the property for which a zone change has been requested. The failure of the property owner to receive the notice described shall not invalidate any zone change.

(4) Notice of a public hearing on a zone change pursuant to the application of a property owner shall be provided to the owner of an airport, defined by the Department of Transportation as a "public use airport" if:

(a) The name and address of the airport owner has been provided by the Department of Transportation to the county planning authority; and

(b) The property subject to the zone change application is:

(5) Notwithstanding the provisions of subsection (4) of this section, notice of a zone change hearing need not be provided as set forth in subsection (4) of this section if the zone change would only allow a structure less than 35 feet in height and the property is located outside the runway "approach surface" as defined by the Department of Transportation.

(6) The failure of an airport owner to receive notice, which was mailed, shall not invalidate any zone change.

(7) Before enacting at the request of a property owner an ordinance which would change the zone of property which includes all or part of a mobile home or manufactured dwelling park as defined in ORS 446.003, the governing body shall give written notice by first class mail to each existing mailing address for tenants of the mobile home or manufactured dwelling park at least 20 days but not more than 40 days before the date of the first hearing on the ordinance. The governing body may require an applicant for such a zone change to pay the costs of such notice. The failure of a tenant to receive a notice which was mailed shall not invalidate any zone change. [1963 c.619 §8; 1967 c.589 §3; 1985 c.473 §14; 1987 c.106 §1; 1989 c.648 §60]

the validity of ordinances enacted prior to September 2, 1963. All development patterns made and adopted prior to that time shall be deemed to meet the requirements of ORS 215.010, 215.030, 215.050, 215.060 and 215.110 to 215.213, 215.223 and this section concerning comprehensive plans. (1) As used in this section, "dwelling" means a single-family residential dwelling not provided in conjunction with farm use.

(2) The governing body or its designate shall not grant final approval of an application made under ORS 215.213 (3) or 215.284 (1), (2), (3) or (4) for the establishment of a dwelling on a lot or parcel in an exclusive farm use zone that is, or has been, receiving special assessment without evidence that the lot or parcel upon which the dwelling is proposed has been disqualified for special assessment at value for farm use under ORS 308.370 or other special assessment under ORS 308.765, 321.257 to 321.381, 321.730 or 321.815 and any additional tax imposed as the result of disqualification has been paid.

(4) The owner of a lot or parcel upon which the establishment of a dwelling has been tentatively approved as provided by subsection (3) of this section shall, before final approval, simultaneously:

(c) Pay any additional tax imposed upon disqualification from special assessment.

(5) A lot or parcel that has been disqualified pursuant to subsection (4) of this section shall not requalify for special assessment unless, when combined with another contiguous lot or parcel, it constitutes a qualifying parcel.

(6) When the owner of a lot or parcel upon which the establishment of a dwelling has been tentatively approved notifies the county assessor that the lot or parcel is no longer being used as farmland and requests disqualification of the lot or parcel for special assessment at value for farm use, the county assessor shall:

(a) Disqualify the lot or parcel for special assessment at value for farm use under ORS 308.370 or other special assessment by removing the special assessment;

[1981 c.748 §46; 1983 c.462 §14; 1983 c.570 §6; 1983 c.826 §23; 1985 c.717 §6; 1985 c.811 §6; 1987 c.305 §5; 1987 c.414 §147; 1991 c.459 §346; 1993 c.792 §27; 1993 c.801 §36a]

215.240 [Repealed by 1963 c.619 §16]

215.243 Agricultural land use policy. The Legislative Assembly finds and declares that:

(1) Open land used for agricultural use is an efficient means of conserving natural resources that constitute an important physical, social, aesthetic and economic asset to all of the people of this state, whether living in rural, urban or metropolitan areas of the state.

(2) The preservation of a maximum amount of the limited supply of agricultural land is necessary to the conservation of the state's economic resources and the preservation of such land in large blocks is necessary in maintaining the agricultural economy of the state and for the assurance of adequate, healthful and nutritious food for the people of this state and nation.

(3) Expansion of urban development into rural areas is a matter of public concern be-

cause of the unnecessary increases in costs of community services, conflicts between farm and urban activities and the loss of open space and natural beauty around urban centers occurring as the result of such expansion.

(4) Exclusive farm use zoning as provided by law, substantially limits alternatives to the use of rural land and, with the importance of rural lands to the public, justifies incentives and privileges offered to encourage owners of rural lands to hold such lands in exclusive farm use zones. [1973 c.503 §1]

215.250 [Repealed by 1973 c.619 §16]

215.253 Restrictive local ordinances affecting farm use zones prohibited; exception. (1) No state agency, city, county or political subdivision of this state may exercise any of its powers to enact local laws or ordinances or impose restrictions or regulations affecting any farm use land situated within an exclusive farm use zone established under ORS 215.203 or within an area designated as marginal land under ORS 197.247 (1991 Edition) in a manner that would unreasonably restrict or regulate farm structures or that would unreasonably restrict or regulate accepted farming practices because of noise, dust, odor or other materials carried in the air or other conditions arising therefrom if such conditions do not extend into an adopted urban growth boundary in such manner as to interfere with the lands within the urban growth boundary. "Accepted farming practice" as used in this subsection shall have the meaning set out in ORS 215.203.

(2) Nothing in this section is intended to limit or restrict the lawful exercise by any state agency, city, county or political subdivision of its power to protect the health, safety and welfare of the citizens of this state. [1973 c.503 §8; 1983 c.826 §12; 1985 c.565 §31]

215.260 [Amended by 1955 c.652 §3; repealed by 1957 s.s. c.11 §4 (215.261 enacted in lieu of 215.260)]

215.263 Review of land divisions in exclusive farm use zones; criteria for approval; exemptions. (1) Any proposed division of land included within an exclusive farm use zone resulting in the creation of one or more parcels of land shall be reviewed and approved or disapproved by the governing body or its designate of the county in which the land is situated. The governing body of a county by ordinance shall require such prior review and approval for such divisions of land within exclusive farm use zones established within the county.

(2) The governing body of a county or its designate may approve a proposed division

of land to create parcels for farm use as defined in ORS 215.203 if it finds:

(a) That the proposed division of land is appropriate for the continuation of the existing commercial agricultural enterprise within the area; or

(b) The parcels created by the proposed division are not smaller than the minimum lot size acknowledged under ORS 197.251.

(3) The governing body of a county or its designate may approve a proposed division of land in an exclusive farm use zone for nonfarm uses, except dwellings, set out in ORS 215.213 (2) or 215.283 (2) if it finds that the parcel for the nonfarm use is not larger than the minimum size necessary for the use. The governing body may establish other criteria as it considers necessary.

(4) The governing body of a county may approve a division of land in an exclusive farm use zone for a dwelling not provided in conjunction with farm use only if the dwelling has been approved under ORS 215.213 (3) or 215.284 (3) or (4).

(5) This section shall not apply to the creation or sale of cemetery lots, if a cemetery is within the boundaries designated for a farm use zone at the time the zone is established.

(6) This section shall not apply to divisions of land resulting from lien foreclosures or divisions of land resulting from foreclosure of recorded contracts for the sale of real property.

(7) The governing body of a county shall not approve any proposed division of a lot or parcel described in ORS 215.213 (1)(e) or 215.283 (1)(e) or 215.284 (1) or (2).

(8) The governing body of a county may approve a proposed division of land in an exclusive farm use zone to create a parcel with an existing dwelling to be used:

(a) As a residential home as described in ORS 197.660 (2) only if the dwelling has been approved under ORS 215.213 (3) or 215.284 (1), (2), (3) or (4); and

(b) For historic property that meets the requirements of ORS 215.213 (1)(q) and 215.283 (1)(o).

(9) The governing body of a county shall not approve a division of land for nonfarm use under subsection (3), (4) or (8) of this section unless any additional tax imposed for the change in use has been paid.

(10) Parcels used or to be used for training or stabling facilities shall not be considered appropriate to maintain the existing commercial agricultural enterprise in an area where other types of agriculture occur. [1973 c.503 §9; 1977 c.766 §9; 1979 c.46 §2; 1981 c.748 §48; 1983 c.826 §7; 1985 c.544 §4; 1987 c.729 §5b; 1989 c.224 §26;

[1973 c.503 §16; 1983 c.740 §56; 1983 c.826 §19]

215.277 Seasonal farm-worker housing; compliance with agricultural land use policy required. It is the intent of the Legislative Assembly that the provision of seasonal farm-worker housing, as defined in ORS 197.675, not allow other types of dwellings not otherwise permitted in exclusive farm use zones and that such seasonal farm-worker housing be consistent with the intent and purposes set forth in ORS 215.243. To accomplish this objective in the interest of all people in this state, enforcement of the occupancy limits in ORS 197.675 (4) is necessary. [1989 c.964 §9]

215.280 [Repealed by 1963 c.619 §16]

(a) A limited land use decision as defined in ORS 197.015;

(b) A decision which determines the appropriate zoning classification for a particular use by applying criteria or performance standards defining the uses permitted within the zone, and the determination applies only to land within an urban growth boundary; or

(c) A decision which determines final engineering design, construction, operation, maintenance, repair or preservation of a transportation facility which is otherwise authorized by and consistent with the comprehensive plan and land use regulations. [1973 c.552 §12; 1977 c.654 §1; 1981 c.748 §49; 1991 c.817 §8]

215.406 Planning and zoning hearings officers; duties and powers; authority of governing body or planning commission to conduct hearings. (1) A county governing body may authorize appointment of one or more planning and zoning hearings officers, to serve at the pleasure of the appointing authority. The hearings officer shall conduct hearings on applications for such

classes of permits and contested cases as the county governing body designates.

(2) In the absence of a hearings officer a planning commission or the governing body may serve as hearings officer with all the powers and duties of a hearings officer. [1973 c.552 §13; 1977 c.766 §10]

215.412 Adoption of hearing procedure. The governing body of a county, by ordinance or order shall adopt one or more procedures for the conduct of hearings. [1973 c.552 §14; 1977 c.766 §11]

215.415 [1953 c.662 §5; repealed by 1971 c.13 §1]

215.416 Application for permits; consolidated procedures; hearings; notice; approval criteria; decision without hearing. (1) When required or authorized by the ordinances, rules and regulations of a county, an owner of land may apply in writing to such persons as the governing body designates, for a permit, in the manner prescribed by the governing body. The governing body shall establish fees charged for processing permits at an amount no more than the actual or average cost of providing that service.

(2) The governing body shall establish a consolidated procedure by which an applicant may apply at one time for all permits or zone changes needed for a development project. The consolidated procedure shall be subject to the time limitations set out in ORS 215.428. The consolidated procedure shall be available for use at the option of the applicant no later than the time of the first periodic review of the comprehensive plan and land use regulations.

(3) Except as provided in subsection (11) of this section, the hearings officer shall hold at least one public hearing on the application.

(4) The application shall not be approved if the proposed use of land is found to be in conflict with the comprehensive plan of the county and other applicable land use regulation or ordinance provisions. The approval may include such conditions as are authorized by statute or county legislation. Notwithstanding the requirements of this subsection, a limited land use decision shall be subject to the requirements set forth in ORS 197.195 and 197.828.

(5) Hearings under this section shall be held only after notice to the applicant and also notice to other persons as otherwise provided by law and shall otherwise be conducted in conformance with the provisions of ORS 197.763.

(6) Notice of a public hearing on an application submitted under this section shall be provided to the owner of an airport de-

fining by the Department of Transportation as a "public use airport" if:

(a) The name and address of the airport owner has been provided by the Department of Transportation to the county planning authority; and

(b) The property subject to the land use hearing is:

(A) Within 5,000 feet of the side or end of a runway of an airport determined by the Department of Transportation to be a "visual airport"; or

(B) Within 10,000 feet of the side or end of the runway of an airport determined by the Department of Transportation to be an "instrument airport."

(7) Notwithstanding the provisions of subsection (6) of this section, notice of a land use hearing need not be provided as set forth in subsection (6) of this section if the zoning permit would only allow a structure less than 35 feet in height and the property is located outside the runway "approach surface" as defined by the Department of Transportation.

(8) Approval or denial of a permit application shall be based on standards and criteria which shall be set forth in the zoning ordinance or other appropriate ordinance or regulation of the county and which shall relate approval or denial of a permit application to the zoning ordinance and comprehensive plan for the area in which the proposed use of land would occur and to the zoning ordinance and comprehensive plan for the county as a whole.

(9) Approval or denial of a permit or limited land use decision shall be based upon and accompanied by a brief statement that explains the criteria and standards considered relevant to the decision, states the facts relied upon in rendering the decision and explains the justification for the decision based on the criteria, standards and facts set forth.

(10) Written notice of the approval or denial shall be given to all parties to the proceeding.

(11)(a) The hearings officer, or such other person as the governing body designates, may approve or deny an application for a permit without a hearing if the hearings officer or other designated person gives notice of the decision and provides an opportunity for appeal of the decision to those persons who would have had a right to notice if a hearing had been scheduled or who are adversely affected or aggrieved by the decision. Notice of the decision shall be given in the same manner as required by ORS 197.763 or 197.195, whichever is applicable. An appeal

from a hearings officer's decision shall be to the planning commission or governing body of the county. An appeal from such other person as the governing body designates shall be to a hearings officer, the planning commission or the governing body. In either case, the appeal shall be a de novo hearing.

(b) If a local government provides only a notice of the opportunity to request a hearing, the local government may charge a fee for the initial hearing. The maximum fee for an initial hearing shall not be in excess of \$100. If an appellant prevails at the hearing or upon subsequent appeal, the fee for the initial hearing shall be refunded. The fee allowed in this paragraph shall not apply to appeals made by:

(A) The Department of Land Conservation and Development; or

(B) Neighborhood or community organizations recognized by the governing body and whose boundaries include the site.

(12) A decision described in ORS 215.402 (4)(b) shall:

(a) Be entered in a registry available to the public setting forth:

(A) The street address or other easily understood geographic reference to the subject property;

(B) The date of the decision; and

(C) A description of the decision made.

(b) Be subject to the jurisdiction of the Land Use Board of Appeals in the same manner as a limited land use decision.

(c) Be subject to the appeal period described in ORS 197.830 (4)(b).

(13) At the option of the applicant, the local government shall provide notice of the decision described in ORS 215.402 (4)(b) in the manner required by ORS 197.763 (2), in which case an appeal to the board shall be filed within 21 days of the decision. The notice shall include an explanation of appeal rights. [1973 c.552 §§15, 16; 1977 c.654 §2; 1977 c.766 §12; 1979 c.772 §10a; 1983 c.827 §20; 1987 c.106 §2; 1987 c.729 §17; 1991 c.612 §20; 1991 c.817 §5]

215.418 Approval of development on wetlands; notice. (1) After the Division of State Lands has provided the county with a copy of the applicable portions of the State-wide Wetlands Inventory, the county shall provide notice to the division, the applicant and the owner of record, within five working days of the acceptance of any complete application for the following that are wholly or partially within areas identified as wetlands on the State-wide Wetlands Inventory:

(a) Subdivisions;

(b) Building permits for new structures;

(c) Other development permits and approvals that allow physical alteration of the land involving excavation and grading, including permits for removal or fill, or both, or development in floodplains and floodways;

(d) Conditional use permits and variances that involve physical alterations to the land or construction of new structures; and

(e) Planned unit development approvals.

(2) The provisions of subsection (1) of this section do not apply if a permit from the division has been issued for the proposed activity.

(3) Approval of any activity described in subsection (1) of this section shall include one of the following notice statements:

(a) Issuance of a permit under ORS 196.665 and 196.800 to 196.900 by the division required for the project before any physical alteration takes place within the wetlands;

(b) Notice from the division that no permit is required; or

(c) Notice from the division that no permit is required until specific proposals to remove, fill or alter the wetlands are submitted.

(4) If the division fails to respond to any notice provided under subsection (1) of this section within 30 days of notice, the county approval may be issued with written notice to the applicant and the owner of record that the proposed action may require state or federal permits.

(5) The county may issue local approval for parcels identified as or including wetlands on the State-wide Wetlands Inventory upon providing to the applicant and the owner of record of the affected parcel a written notice of the possible presence of wetlands and the potential need for state and federal permits and providing the division with a copy of the notification of comprehensive plan map or zoning map amendments for specific properties.

(6) Notice of activities authorized within an approved wetland conservation plan shall be provided to the division within five days following local approval.

(7) Failure by the county to provide notice as required in this section will not invalidate county approval. [1989 c.837 §29; 1991 c.763 §24]

Note: 215.418 was added to and made a part of ORS chapter 215 but was not added to any smaller series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

215.420 [Amended by 1955 c.439 §10; repealed by 1971 c.13 §1]

215.422 Review of decision of hearings officer or other authority; notice of appeal; establishment of fees; appeal of final

decision. (1)(a) A party aggrieved by the action of a hearings officer or other decision-making authority may appeal the action to the planning commission or county governing body, or both, however the governing body prescribes. The appellate authority on its own motion may review the action. The procedure and type of hearing for such an appeal or review shall be prescribed by the governing body, but shall not require the notice of appeal to be filed within less than seven days after the date the governing body mails or delivers the decision to the parties.

(b) Notwithstanding paragraph (a) of this subsection, the governing body may provide that the decision of a hearings officer or other decision-making authority is the final determination of the county.

(c) The governing body may prescribe, by ordinance or regulation, fees to defray the costs incurred in acting upon an appeal from a hearings officer, planning commission or other designated person. The amount of the fee shall be reasonable and shall be no more than the average cost of such appeals or the actual cost of the appeal, excluding the cost of preparation of a written transcript. The governing body may establish a fee for the preparation of a written transcript. The fee shall be reasonable and shall not exceed the actual cost of preparing the transcript up to \$500. In lieu of a transcript prepared by the governing body and the fee therefor, the governing body shall allow any party to an appeal proceeding held on the record to prepare a transcript of relevant portions of the proceedings conducted at a lower level at the party's own expense. If an appellant prevails at a hearing or on appeal, the transcript fee shall be refunded.

(2) A party aggrieved by the final determination may have the determination reviewed in the manner provided in ORS 197.830 to 197.845.

(3) No decision or action of a planning commission or county governing body shall be invalid due to ex parte contact or bias resulting from ex parte contact with a member of the decision-making body, if the member of the decision-making body receiving the contact:

(a) Places on the record the substance of any written or oral ex parte communications concerning the decision or action; and

(b) Has a public announcement of the content of the communication and of the parties' right to rebut the substance of the communication made at the first hearing following the communication where action will be considered or taken on the subject to which the communication related.

(4) A communication between county staff and the planning commission or governing body shall not be considered an ex parte contact for the purposes of subsection (3) of this section.

(5) Subsection (3) of this section does not apply to ex parte contact with a hearings officer approved under ORS 215.406 (1). [1973 c.522 §§17, 18; 1977 c.766 §13; 1979 c.772 §11; 1981 c.748 §42; 1983 c.656 §1; 1983 c.827 §21; 1991 c.817 §9]

215.425 Review of decision relating to aggregate resources. (1) A decision relating to aggregate resource uses permitted in ORS 215.213 (2)(d) or 215.283 (2)(b) is subject to review solely under the provisions of ORS 197.195 and 197.828 if:

(a) The aggregate resource site is identified as a significant resource site in the acknowledged comprehensive plan;

(b) A program to achieve any statewide goal relating to open spaces, scenic and historic areas, and natural resources has been developed for the aggregate resource site and is included within applicable land use regulations; and

(c) The decision concerns how, but not whether, aggregate resource use occurs.

(2) The provisions of subsection (1) of this section do not apply to mineral and other uses not related to aggregate resources. [1991 c.817 §11]

215.428 Final action on permit or zone change application required within 120 days; exceptions; mandamus authorized.

(1) Except as provided in subsections (3) and (4) of this section, the governing body of a county or its designate shall take final action on an application for a permit, limited land use decision or zone change, including resolution of all appeals under ORS 215.422, within 120 days after the application is deemed complete.

(2) If an application for a permit, limited land use decision or zone change is incomplete, the governing body or its designate shall notify the applicant of exactly what information is missing within 30 days of receipt of the application and allow the applicant to submit the missing information. The application shall be deemed complete for the purpose of subsection (1) of this section upon receipt by the governing body or its designate of the missing information. If the applicant refuses to submit the missing information, the application shall be deemed complete for the purpose of subsection (1) of this section on the 31st day after the governing body first received the application.

(3) If the application was complete when first submitted or the applicant submits the requested additional information within 180

days of the date the application was first submitted and the county has a comprehensive plan and land use regulations acknowledged under ORS 197.251, approval or denial of the application shall be based upon the standards and criteria that were applicable at the time the application was first submitted.

(4) The 120-day period set in subsection (1) of this section may be extended for a reasonable period of time at the request of the applicant.

(5) The 120-day period set in subsection (1) of this section applies:

(a) Only to decisions wholly within the authority and control of the governing body of the county; and

(b) Unless the parties have agreed to mediation as described in ORS 197.318 (2)(b).

(6) Notwithstanding subsection (5) of this section, the 120-day period set in subsection (1) of this section does not apply to an amendment to an acknowledged comprehensive plan or land use regulation or adoption of a new land use regulation that was forwarded to the director under ORS 197.610 (1).

(7) If the governing body of the county or its designate does not take final action on an application for a permit, limited land use decision or zone change within 120 days after the application is deemed complete, the applicant may apply in the circuit court of the county where the application was filed for a writ of mandamus to compel the governing body or its designate to issue the approval. The writ shall be issued unless the governing body shows that the approval would violate a substantive provision of the county comprehensive plan or land use regulations as defined in ORS 197.015. [1983 c.827 §23; 1989 c.761 §15; 1991 c.817 §14]

215.430 [1955 c.682 §2; repealed by 1971 c.13 §1]

215.431 Plan amendments; hearings by planning commission or hearings officer; exceptions. (1) A county governing body may authorize, by ordinance or order, the planning commission or hearings officer to conduct hearings on applications for plan amendments and to make decisions on such applications.

(2) A decision of the planning commission or hearings officer on a plan amendment may be appealed to the county governing body.

(3) This section shall apply notwithstanding the provisions of ORS 215.050, 215.060 and 215.110.

(4) A decision of a planning commission, hearings officer or county governing body under this section shall comply with the post-acknowledgment procedures set forth in ORS 197.610 to 197.625.

(5) The provisions of this section shall not apply to:

(a) Any plan amendment for which an exception is required under ORS 197.732; or

215.440 [1955 c.682 §3; repealed by 1971 c.13 §1]

215.448 Home occupations; where allowed; conditions; annual review of permits. (1) The governing body of a county or its designate may allow, subject to the approval of the governing body or its designate, the establishment of a home occupation in any zone, including an exclusive farm use or forest zone, that allows residential uses, if the home occupation:

(a) Will be operated by a resident of the property on which the business is located;

(b) Will employ no more than five full or part-time persons;

(c) Will be operated in:

(A) The dwelling; or

(B) Other buildings normally associated with uses permitted in the zone in which the property is located; and

(d) Will not interfere with existing uses on nearby land or with other uses permitted in the zone in which the property is located.

(2) The governing body of the county or its designate may establish additional reasonable conditions of approval for the establishment of a home occupation under subsection (1) of this section.

(3) Nothing in this section authorizes the governing body or its designate to permit construction of any structure that would not otherwise be allowed in the zone in which the home occupation is to be established.

(4) The existence of home occupations shall not be used as justification for a zone change.

(5) A governing body of a county or its designate shall review a permit allowing a home occupation under subsection (1) of this section every 12 months following the date the permit was issued and may continue the permit if the home occupation continues to comply with the requirements of this section. [1983 c.743 §2]

(2) The winery described in subsection (1)(a) or (b) of this section shall allow only the sale of:

(3) Prior to the issuance of a permit to establish a winery under this section, the applicant shall show that vineyards, described in subsection (1)(a) and (b) of this section, have been planted or that the contract has been executed, as applicable.

(4) A local government shall adopt findings for each of the standards described in paragraphs (a) and (b) of this subsection. Standards imposed on the siting of a winery shall be limited solely to each of the following for the sole purpose of limiting demonstrated conflicts with accepted farming or forest practices on adjacent lands:

(a) Establishment of a setback, not to exceed 100 feet, from all property lines for the winery and all public gathering places; and

(b) Provision of direct road access, internal circulation and parking.

(5) A local government shall also apply local criteria regarding flood plains, geologic hazards, the Willamette Greenway, solar access, airport safety or other regulations for resource protection acknowledged to comply with any statewide goal respecting open spaces, scenic and historic areas and natural resources. (a) All legislative acts relating to comprehensive plans, land use planning or zoning adopted by the governing body of a county shall be by ordinance.

(b) In addition to the notice required by ORS 215.060, at least 20 days but not more than 40 days before the date of the first hearing on an ordinance that proposes to amend an existing comprehensive plan or any element thereof or to adopt a new comprehensive plan, the governing body of a county shall cause a written individual notice of land use change to be mailed to each owner whose property would have to be rezoned in order to comply with the amended or new comprehensive plan if the ordinance becomes effective.

FARMLAND AND FORESTLAND ZONES

(Lot or Parcel of Record Dwellings)

215.700 Resource land dwelling policy. The Legislative Assembly declares that land use regulations limit residential development on some less productive resource land acquired before the owners could reasonably be expected to know of the regulations. In order to assist these owners while protecting the state's more productive resource land from the detrimental effects of uses not related to agriculture and forestry, it is necessary to:

(1) Provide certain owners of less productive land an opportunity to build a dwelling on their land; and

(2) Limit the future division of and the siting of dwellings upon the state's more productive resource land. [1993 c.792 §10]

(e) The lot or parcel on which the dwelling will be sited, if zoned for forest use, is described in ORS 215.720, 215.740 or 215.750.

(f) When the lot or parcel on which the dwelling will be sited lies within an area designated in an acknowledged comprehensive plan as habitat of big game, the siting of the dwelling is consistent with the limitations on density upon which the acknowledged comprehensive plan and land use regulations intended to protect the habitat are based.

(g) When the lot or parcel on which the dwelling will be sited is part of a tract, the remaining portions of the tract are consolidated into a single lot or parcel when the dwelling is allowed.

(2) Notwithstanding the requirements of subsection (1)(d) of this section, a single-family dwelling not in conjunction with farm use may be sited on high-value farmland if:

(a) It meets the other requirements of ORS 215.705 to 215.750;

(b) The lot or parcel is protected as high-value farmland as described under ORS 215.710 (1); and

(c) A hearings officer of the State Department of Agriculture, under the provisions of ORS 183.413 to 183.497, determines that:

(B) The dwelling will comply with the provisions of ORS 215.296 (1).

(C) The dwelling will not materially alter the stability of the overall land use pattern in the area.

(C) Twenty-one acres or less in size.

(c)(A) The tract is bordered on at least 67 percent of its perimeter by tracts that are smaller than 21 acres, and at least two such tracts had dwellings on them on January 1, 1993; or

(B) The tract is bordered on at least 25 percent of its perimeter by tracts that are smaller than 21 acres, and at least four dwellings existed on January 1, 1993, within one-quarter mile of the center of the subject tract. Up to two of the four dwellings may lie within the urban growth boundary, but only if the subject tract abuts an urban growth boundary.

(4) If land is in a zone that allows both farm and forest uses and is acknowledged to be in compliance with goals relating to both agriculture and forestry, the county may apply the standards for siting a dwelling under either subsection (1)(d) of this section or ORS 215.720, 215.740 and 215.750 as appropriate for the predominant use of the tract on January 1, 1993.

The means selected may include a fire sprinkling system, onsite equipment and water storage or other methods that are reasonable, given the site conditions.

(b) If a water supply is required under this subsection, it shall be a swimming pool, pond, lake or similar body of water that at all times contains at least 4,000 gallons or a stream that has a minimum flow of at least one cubic foot per second. The deed restrictions shall preclude all future rights to construct a dwelling on the tracts or to use the tracts to total acreage for future siting of dwellings for present and any future owners unless the tract is no longer subject to protection under goals for agricultural lands or forestlands.

(c) The Land Conservation and Development Commission shall adopt rules that prescribe the language of the deed restriction, the procedures for recording, the procedures under which counties shall keep records of lots or parcels used to create the total, the mechanisms for providing notice to subsequent purchasers of the limitations under paragraph (b) of this subsection and other rules to implement this section. [1993 c.792 §4(2),(3),(5)]

(b) For land zoned for exclusive farm use and designated rangeland, at least 160 acres; and

(c) For land designated forestland, at least 80 acres.

(2) A county may adopt a lower minimum lot or parcel size than that described in subsection (1) of this section by demonstrating to the commission that it can do so while continuing to meet the requirements of ORS 215.243 and 527.630 and the land use planning goals adopted under ORS 197.230.

(3) A county with a minimum lot or parcel size acknowledged by the commission pursuant to ORS 197.251 after January 1, 1987, or acknowledged pursuant to periodic review requirements under ORS 197.628 to 197.636 that is smaller than those prescribed in subsection (1) of this section need not comply with subsection (2) of this section. [1993 c.792 §7]

(Wildlife Habitat Pilot Programs)

Note: Sections 1 to 6, chapter 764, Oregon Laws 1993, provide:

Sec. 1. (1) The Legislative Assembly declares that the protection and preservation of the wildlife resources of this state ought to be encouraged by recognizing wildlife habitat conservation and enhancement as a permitted land use in areas zoned for farm and forestry use.

(2) The Legislative Assembly further declares that this Act is intended to allow Marion and Polk Counties to develop pilot programs for the conservation and enhancement of wildlife habitat. [1993 c.764 §1]

Sec. 2. (1) Notwithstanding ORS 215.283 and 215.284, but subject to section 3 of this Act, for the period commencing on the effective date of this Act [November 4, 1993] and ending on December 31, 1997, a single-family dwelling in conjunction with the conservation and management of wildlife habitat may be established in any area that is zoned for exclusive farm use within Marion and Polk Counties.

(2) As used in this Act:

(a) "Cooperating agency" means the State Department of Fish and Wildlife, the United States Fish and Wildlife Service, the United States Soil Conservation Service, the Oregon State University Extension Service or other persons with wildlife conservation and management training considered appropriate for the preparation of a conservation and management plan, as established by rules of the State Department of Fish and Wildlife.

(b) "Department" means the State Department of Fish and Wildlife.

(c) "Lot" has the meaning given that term in ORS 92.010.

(d) "Parcel" has the meaning given that term in ORS 215.010 (1).

(e) "Wildlife habitat conservation and management plan" or "plan" means a plan developed by a cooperating agency and landowner that specifies the conservation and management practices, including farm and forest uses consistent with the overall intent of the plan, that will be conducted to preserve, enhance and improve wildlife habitat on an affected lot or parcel. [1993 c.764 §2]

Sec. 3. (1) One single-family residential dwelling in conjunction with the conservation and management of wildlife habitat authorized by section 2 (1) of this Act may be established upon findings that the proposed dwelling:

(a) Is situated on a lot or parcel existing on the effective date of this Act that qualifies for a farm or nonfarm dwelling under county ordinances that carry out ORS 215.213 (1) to (3), 215.283 (1) or (2) or 215.284 (1);

(b) Is not situated on a lot or parcel that is predominantly composed of soils rated Class I or II, when not irrigated, or rated Prime or Unique by the United States Soil and Water Conservation Service or any combination of such soils;

(c) Complies with ORS 215.296 (1) and (2);

(d) Is situated on a lot or parcel developed and maintained in accordance with the provisions of a wildlife habitat conservation and management plan approved by the department; and

(e) Is the only dwelling situated on the affected lot or parcel.

(2) A wildlife habitat conservation and management plan for the affected lot or parcel must be approved by the department before final approval is granted by the county for the location of a dwelling on the lot or parcel. A building permit for the dwelling shall not be issued until after a significant portion of the plan, as determined by the county, is implemented. [1993 c.764 §3]

Sec. 4. (1) The department shall adopt rules specifying the form and content of a wildlife habitat conservation and management plan. The rules shall specify the conservation and management practices that are appropriate to preserve, enhance and improve wildlife common to the diverse regions of this state. Accepted farm and forest practices may be allowed as an integral part of the wildlife conservation and management practices specified in an approved plan.

(2) The rules required to be adopted by subsection (1) of this section shall be adopted no later than 180 days after the effective date of this Act. The rules shall be reviewed annually by the department and revised when considered necessary or appropriate by the department. [1993 c.764 §4]

Sec. 5. (1) The State Department of Fish and Wildlife shall review and approve plans submitted by applicants for dwellings authorized under section 2 (1) of this Act for compliance with the standards set forth in the rules adopted under section 4 of this Act.

(2) When a plan is approved by the department and is implemented, the owner of the land subject to the plan may make application to the county assessor for open space use assessment under ORS 308.740 to 308.790 for that land. Application shall be made as provided in ORS 308.740 to 308.790 except that:

(a) The granting authority shall be the State Department of Fish and Wildlife. The department shall approve the plan relating to the land of the applicant and determine compliance with the plan in accordance with rules adopted under section 4 of this Act. The department shall not conduct the hearing required under ORS 308.755.

(b) The owner, in lieu of designating the paragraph of ORS 308.740 (1) under which the open space use falls, shall designate the open space use as wildlife habitat conservation and management under this Act.

(c) Applications for open space use assessment under this section shall be made to the county assessor not later than April 1 in the calendar year preceding the first tax year for which such assessment is requested.

(d) The application shall include a certified copy of the department's declaration that the land described in the application is subject to a wildlife habitat conservation and management plan approved by the department and that the plan is being implemented.

(e) When the application for open space use assessment includes a certified copy of the declaration described in paragraph (d) of this subsection, the county assessor shall not refer the application to the planning commission or to the county governing body under ORS 308.755 (1), but shall assess the land described in the application on the basis provided in ORS 308.765. In each year in which the land is assessed for open space use, the county assessor shall also enter on the assessment roll, as a notation, the assessed value of the land were it not so assessed.

(3) An approved wildlife habitat conservation and management plan shall be reviewed by the department at least once in each two-year period to determine continued compliance with the plan. If the plan is not being implemented as approved, the department shall notify the owner and require compliance measures to be taken within six months. If the plan is still not being implemented as required by the department at the end of the six-month period, the department shall notify the county assessor of the county in which the affected land is situated. The county assessor shall withdraw the land from open space use classification as provided in ORS 308.775 (1), except that notice of the withdrawal shall be given to the governing body of the county in which the land is situated.

(4) Notwithstanding ORS 308.395, 308.399 and 215.236, land that is assessed under ORS 308.370 shall

not be subject to any additional taxes when the land is changed to open space use assessment based on wildlife habitat conservation and management as provided in this Act and shall be allowed to return to assessment under ORS 308.370, if otherwise qualified, without payment of any additional taxes. However, the land shall be subject to additional taxes when such land becomes disqualified or declassified from special assessment under ORS 308.370 or open space use assessment based on wildlife habitat conservation and management as provided in this Act and does not become qualified in the next assessment year for assessment under ORS 308.370 or open space use under ORS 308.740 to 308.790. The additional taxes shall be determined and collected as provided in ORS 321.960 (3), (4)(b) to (d), (5), (6) and (7). No other additional tax shall be imposed on such land at the time of disqualification or declassification. [1993 c.764 §5]

Sec. 6. This Act is repealed on December 31, 1997. [1993 c.764 §6]
