(2) Subject to subsection (1) of this section, the Port of Portland has all powers possessed by ports formed under ORS 285.870 to 285.943, 777.005 to 777.725, 777.915 to 777.953 and 777.990.

(3) ORS 777.530 and 777.535 apply to the Port of Portland and the Port of Portland has all powers granted to other ports under ORS 777.530 and 777.535.

(4) The Port of Portland shall do such things, perform such duties and exercise such powers as it may be authorized or empowered to do, perform or exercise by any Act of the legislature passed for that purpose, though not directly in amendment of this chapter. The powers granted by this chapter are in addition to other powers granted by law to the port.

(5) In addition to such other duties, functions and powers as may be imposed upon the Port of Portland, the port may make recommendations to the Oregon Board of Maritime Pilots. [1971 c.728 §116; 1987 c.775 §7; subsection (3) enacted as 1989 c.644 §5]

778.010 Port of Portland created; boundaries; capacity to sue. The Portland metropolitan area hereby is created as a separate district, to be known as the Port of Portland. The inhabitants thereof hereby are constituted and declared to be a corporation by the name and style of "The Port of Portland," and as such shall have perpetual succession, and by that name shall exercise and carry out all the powers and objects conferred on it by law. The port may sue and be sued, plead and be impleaded in all ac-

tions, suits or proceedings brought by or against it; provided, however, that the bonded or other indebtedness of the port which was chargeable to or a lien upon the property within the limits of the port:

(1) Prior to June 30, 1963, shall not be chargeable to or a lien upon all of that property which lies east of the east boundary line of range two east of the Willamette Meridian in Multnomah County; or

(2) Prior to June 30, 1973, shall not be chargeable to or a lien upon all that property lying within the boundaries of Clackamas and Washington Counties. [Amended by 1963 c.124 §1; 1973 c.178 §2]

(1) The port may purchase or otherwise acquire all or any of the docks, wharves, elevators, terminals, dry docks and other properties of the City of Portland that are under the charge and control of the dock commission of the city.

(2) If the port purchases or otherwise acquires property as provided by subsection (1) of this section, the port may in payment therefor assume the payment of all or any part of the bonds, debentures and other obligations of the City of Portland issued, sold or incurred for the purpose of acquiring funds to construct, purchase or otherwise acquire the docks, wharves, elevators, terminals, dry docks or other properties. The aggregate amount of bonds, debentures and obligations so assumed shall not exceed a sum determined by the board to be the fair value of the property so acquired by the port. The limitation provided by ORS 778.030 shall not apply to bonds, debentures or other obligations assumed under this section.

(3) The authority granted by this section shall not be exercised without the prior approval of the electors residing within the port expressed at an election called and held

within the port at which such question is submitted. [Amended by 1971 c.728 §105]

778.025 Power to engage in certain commercial activities. For the use of the port or for public convenience and the convenience of air transport, shipping, commercial and industrial development of the port and the waterfront of its harbors, rivers and waterways, the port may:

778.030 Power to issue general obligation bonds; limitation; dedication of revenues; use of proceeds. (1) For the purpose of carrying into effect any of the powers granted to the port, the port has the power to borrow money and to sell and dispose of bonds which shall constitute a general obligation of the port and be secured by the port's full faith and credit. Such bonds outstanding at one time shall never exceed in the aggregate one and three-fourths percent of the real market value of all taxable property within the limits of the port, computed in accordance with ORS 308.207. In computing the total of bonds at any time outstanding, bonds issued for the purpose of providing funds to meet obligations assumed pursuant to ORS 778.020, shall not be included. The bonds shall be secured by the taxing power of the port as provided in ORS 778.065 (1). In addition, the port may provide that the bonds shall be payable from and secured by a lien and pledge of all or any part of the revenues derived by the port from the facilities constructed from the proceeds of the bonds.

(2) The port may provide for the creation of special trust funds and may authorize the appointment of a trustee to administer the same and may obligate itself to set aside and pay into a special trust fund any revenues pledged to the payment of the bonds. The port may establish and provide from available funds for the funding of debt service, operation and maintenance reserves.

(3) Proceeds from the sale of the bonds may also be used to pay the costs incurred in issuing the bonds, preliminary work incident to carrying out such powers, including but not limited to planning, engineering, inspection, accounting, fiscal, legal and trustee expenses and other similar expenses, and to pay interest on the bonds for such period as the port may determine, but not to exceed six months beyond completion of the facilities financed with the bonds, and to establish reserves for debt service on the bonds. (2) May be in coupon form with or without privilege of registration or may be in registered form, or both, with the privilege of converting or reconverting to one form or another.

(3) Shall be signed by the president and by the secretary or an assistant secretary of the port, either manually or by their printed, engraved, or lithographed signature; provided, however, that at least one signature is manual. [1977 c.33 §3 (enacted in lieu of 778.035); 1981 c.94 §57]

778.040 Certain bond issues to be approved by electors. (1) Bonds shall not be issued by the port to provide funds for the establishment or operation of surface ship and air lines or for the payment of bonuses to either such line or lines without the approval of the electors of the port expressed at an election called and held within the port at which such question is submitted.

(2) Whenever the port issues bonds for purposes other than refunding bonds previ-

ously issued and for purposes other than providing funds to meet the obligations of the City of Portland assumed pursuant to ORS 778.020 in an aggregate amount equal to five percent of the present assessed valuation of all the taxable property within the territorial limits of the port, no additional bonds shall be issued for purposes other than refunding bonds theretofore issued without the approval of the electors of the port expressed at an election within the port at which such question is submitted. [Amended by 1971 c.399 §1]

778.045 Amount of bonds issued in one year limited. The total amount of bonds issued by the port in any calendar year, except for refunding bonds or bonds issued to provide funds to meet obligations assumed pursuant to ORS 778.020, shall not exceed \$3 million unless a greater amount is approved by the electors of the port at an election at which such question is submitted. The board shall not expend, within any one calendar year, from the funds derived from the sale of bonds, in excess of \$500,000 to meet the operating expenses of the port. As used in this section "operating expenses" means the maintenance of plant, structures and equipment and such dredging as may be required to preserve or restore at or to its artificial depth a channel previously excavated by the port. [Amended by 1971 c.728 §113]

778.065 Port taxing power; annual limitation. The port may each year assess, levy and collect taxes upon all taxable real and personal property situated within its boundaries as required:

(1) To pay principal and interest on bonds issued under ORS 778.030;

(2) To pay bonds, debentures and other obligations of the City of Portland assumed under ORS 778.020; and

778.070 Tax levy. (1) Taxes authorized by ORS 778.065 shall be levied in each year and returned to the county officers whose duty it is to extend the tax roll by the time required by law for city taxes to be levied and extended. The county officer whose duty it is to extend the county levy shall extend the levy of the port in the same manner city taxes are extended.

(2) All taxes levied by the port are payable at the same time and shall be collected by the same officers as regular county taxes. The county officers collecting the taxes shall pay them to the treasurer of the port as provided by law. [Amended by 1971 c.728 §115]

778.073 Recreational facilities; development; operation; maintenance. (1) The port may construct, operate, equip and maintain public parks, marinas and other recreational facilities on land owned by the port when such facilities may be developed in conjunction with the exercise by the port of any of its other powers.

(2) The port may convey the land and recreational facilities developed under this section to a political subdivision or municipal corporation of this state in exchange for an agreement to operate and maintain the facilities solely for public recreational use.

(3) The port may enter into an agreement with a political subdivision or municipal corporation of this state for the operation and maintenance of recreational facilities. [1971 c.400 §2]

778.075 [Repealed by 1971 c.728 §138]

778.080 [Amended by 1963 c.145 §1; repealed by 1971 c.728 §138]

778.085 Control over port waters, wharf lines; promulgation and enforcement of navigational rules; limitation. (1) To the full extent the State of Oregon might exercise control, or grant to the port the right to exercise control, the port has full control of the rivers, harbors and waterways within its boundaries and between its boundaries and the sea.

(2) The port may make, change or abolish wharf lines of, in and for the rivers, harbors and waterways within its boundaries.

(3) As it considers convenient, requisite or necessary, or in the best interests of the maritime shipping or commercial interests of the port, the board may by ordinance make, modify or abolish regulations:

(a) For the use or navigation of the rivers, harbors and waterways mentioned in subsection (1) of this section; or

(b) For the placing of obstructions therein, or the removal of obstructions therefrom.

(4) The port may enforce the regulations by fines and penalties or seek other appropriate remedies as the port considers necessary. Fines and penalties are recoverable in the name of the port in any court of this state having jurisdiction of actions for the recovery of fines or penalties imposed by state laws. Fines recovered shall be paid to the clerk of the court who, after deducting court costs in the proceedings, shall pay the

remainder thereof to the treasurer of the port, to go to its general fund.

(5) This section does not authorize the port to cause the removal of bridges or other obstructions existing under a grant by this state. This section does not authorize the port to exclude cities other than the City of Portland from free access to the channel of either the Willamette or Columbia Rivers or the Oregon and the Columbia Sloughs, or the free use of the rivers or sloughs for navigation. [Amended by 1963 c.145 §2; 1971 c.728 §117]

778.090 Rights of riparian owner and owners of moorage facilities. Where it is necessary to widen the general channel or improve the navigation of the rivers or sloughs by requiring the removal or destruction of moorage facilities for houseboats, boathouses or pleasure craft in the rivers or sloughs, or by establishing or reestablishing wharf lines that have the effect of destroying or impairing the riparian rights of the adjoining owners, the adjoining owners or others owning the moorage facilities shall be reasonably compensated for the removal or destruction of the moorage facilities and for the destruction or impairment of the riparian rights; and shall not be required to remove or destroy the moorage facilities in absence of reasonable compensation therefor. The Port of Portland may acquire moorage facilities, riparian rights or the real property of adjoining owners by exercise of the power of eminent domain as provided in ORS 778.095. [Amended by 1953 c.713 §2; 1971 c.728 §118; 1973 c.203 §9]

778.095 Eminent domain power. The port may acquire, by condemnation or otherwise, private property necessary or convenient in carrying out any power granted the port. The right to acquire property by condemnation shall be exercised as provided by ORS chapter 35. [Amended by 1971 c.728 §119]

778.100 Reclamation of lands within port limits, assessments; lien; hearing; appeal. (1) When the port contemplates the filling or reclamation of any low, swamp or submersible land within its territory held in private ownership, it may provide by ordinance for assessment by the board of the damages and benefits to be sustained by and to accrue to the land by reason of the filling or reclamation. In making the assessment the question of channel frontage as well as filling shall be considered in assessing benefits. The ordinance may provide for payment of damages to the owner of the land and may provide for creation of a lien upon the land in favor of the port for the amount of benefits and for payment of the amount of the lien, either in cash or in installments, with interest thereon over a term of years.

(2) The ordinance shall provide for a hearing before the board to be held, upon due notice to all owners of and persons interested in the lands to be affected by the assessment, before the assessment is made.

(3) Any owner or person interested in any land affected, who is aggrieved by an assessment made under this section may appeal to the Circuit Court of Multnomah County for judicial review of the assessment. [Amended by 1969 c.594 §62; 1971 c.728 §120]

778.105 Port required to contract for work and materials; dry docks; bids. (1) Except in cases of emergency and except for ordinary current repair work necessary from day to day, all material purchased for and all work done in, on or for any dry dock, dredge, boat, scow or other appliance to be built, owned or operated by the port, when the purchase is made or the work is done by construction, alteration or general overhauling, shall be purchased or done by or under contract. Such contracts shall be let to the lowest competent and responsible bidder, after due advertisement for bids, in the manner usual and customary in the letting of contracts by public bidding, and under regulations prescribed by the port.

(2) Notwithstanding subsection (1) of this section or any other provision of law, the port may let a contract for the construction of a dry dock to the lowest competent and responsible bidder who submits a bid to construct the dry dock within the port, if:

(a) The bid of such bidder does not exceed by more than 10 percent the lowest bid for construction of the dry dock elsewhere; and

(b) In the opinion of the board, the public good will in any way be served thereby. [Amended by 1961 c.11 §1; 1971 c.728 §121; 1977 c.361 §1]

778.110 Personnel; membership in retirement systems. (1) The port may employ engineers, superintendents, mechanics, clerks and other persons as necessary or convenient in carrying on its work and fix their rates of compensation.

(2) No employee of the port shall become a member of the Public Employees' Retirement System if membership of the employee in the system would result in coverage of the employee by, and contributions on the employee's behalf by the port to, both a private pension system and the Public Employees' Retirement System. [Amended by 1971 c.495 §1; 1971 c.728 §144]

778.115 Improvement contracts with Federal Government. The port may contract with the United States Government to do all or part of the work of making, maintaining, or both, a depth of water in the rivers, harbors and waterways within its

boundaries and between its boundaries and the sea as determined by the Federal Government. The port may receive therefor compensation as agreed between the Federal Government and the port. [Amended by 1963 c.145 §3; 1971 c.728 §123]

778.120 Operation of chapter upon rights of other entities within port limits. Nothing in this chapter is intended to grant the port authority to interfere with or detract from the general rights and powers of a city or a school or road district that is located in whole or in part within the boundaries of the port. However, the port has full power to carry out and fulfill the purpose of its creation, and to exercise its power of assessing, levying and collecting taxes. [Amended by 1971 c.728 §124]

778.125 Port assistance to other governmental units within port boundaries. Consistent with the purposes, functions and powers granted to it by law, the port may provide research or technical assistance for the planning, promotion or implementation of commercial, industrial or economic development projects upon request by any city, county or municipal corporation within the port. [1977 c.45 §2]

REVENUE BONDS

778.145 Issuance of revenue bonds; use of proceeds; status of bonds. For the purpose of carrying into effect all or any of the powers granted to ports, the port may from time to time issue and sell revenue bonds without the necessity of the electors of the port authorizing the same. Proceeds from the sale of such bonds may be used also to cover the costs incurred in issuing such bonds, and preliminary work incident to carrying out such purposes and powers, including but not limited to planning, engineering, inspection, accounting, fiscal, legal and trustee expenses, the cost of issuance of bonds, engraving, printing, advertising and other similar expenses, and to pay interest on the outstanding bonds issued for any project during the period of actual construction and for such period thereafter as the port may determine, and to establish, maintain or increase any reserves for debt service on the bonds and for working capital. Such revenue bonds shall not in any manner or to any extent be a general obligation of the port nor a charge upon any other revenues or property of the port not specifically pledged thereto. [1971 c.546 §2]

778.150 Ordinance authorizes revenue bonds; content; special trust fund; trustees; enforcement. (1) Revenue bonds issued under ORS 778.145 to 778.175 shall be authorized at a meeting by ordinance of the board. The ordinance may provide for the

creation of special trust funds and may authorize the appointment of a trustee to administer the same, and may obligate the port to set aside and pay into a special trust fund for the purpose of securing revenue bonds, all or any portion of its revenues, regardless of the source from which derived, then existing or which thereafter come into existence, not otherwise pledged or committed for other purposes. The board may, in addition thereto, pledge or mortgage for the payment of the principal of and interest on and premium, if any, of any issue of such bonds any property of the port not pledged for other purposes. Notice that action upon the bond ordinance will be taken at the designated meeting of the board, shall be given for a period of not less than two consecutive weeks, prior to such meeting, by publication thereof once each week in a newspaper of general circulation, published within the corporate boundaries of the port or, if there be no such newspaper, by posting such notice for a period of not less than two weeks in three public places in the port.

(2) The money in any special trust fund created by an ordinance authorizing an issue of revenue bonds shall be used solely for the purposes provided therefor by the ordinance.

(3) The ordinance may obligate the port, and the port shall have power to fix, levy and collect such rates, rentals, fees and other charges for the use and services of all or any of its facilities, which revenues may be pledged to the payment of the principal of and interest on and premium, if any, of the revenue bonds or any of them and if so pledged shall be sufficient to produce revenues, along with other lawfully available funds, adequate to pay the costs of the operation, maintenance and repair of any or all port properties; to pay or provide for the payment of the principal of and interest on, and premium, if any, of such revenue bonds or any of them, including any reserves for such payment; and to produce such additional amount of revenues therefrom as the port may covenant with the holders of such revenue bonds.

(4) The ordinance may provide that in the event the money in a special trust fund is insufficient to pay the revenue bonds to be paid out of the fund, such revenue bonds shall be payable out of any part or all of other nonpledged revenues of the port. Whenever all bonds and expenses thereof have been paid so that no charge remains upon such special fund, the board may, by ordinance, transfer any balance remaining in such fund to its general fund, discharge the trustee, if any, and dissolve the special fund. Any trustee authorized to administer the fund, may, subject to approval of the board,

invest and reinvest moneys in the special fund in any security or securities in which the State of Oregon may by law invest.

(5) If the board fails to set aside and pay revenues into a special trust fund as required by the ordinance authorizing the issuance and sale of the bonds secured by the fund, a holder of any of such bonds may bring suit against the port to compel compliance with the provisions of the ordinance in the circuit court of the county in which the port has its principal office. [1971 c.546 §3]

778.155 Form and content of bonds; redemption. The revenue bonds issued and sold under ORS 778.145 to 778.175:

(1) Shall be deemed to be for all purposes negotiable instruments, subject only to the provisions of the bonds for registration, and need not comply with requirements of the Uniform Commercial Code.

(2) May be issued in one or more series, bear such date or dates, mature at such times and in such amounts, be in such denomination or denominations, be payable at a designated place or places within or without the State of Oregon or at the fiscal agency of the State of Oregon, be equally and ratably secured without priority or be entitled or subject to such priorities on all or any portion of the revenues of the port, and, notwithstanding any other provision of law to the contrary, bear such rate or rates of interest either fixed or variable under a formula fixed at the time of issuance, and contain such other terms, conditions and covenants as the board may authorize.

(3) Shall contain a recital that principal of and interest on and premium, if any, on the revenue bonds are payable solely out of revenues and property of the port pledged to the payment thereof by the ordinance of the board authorizing the issue of which the bonds are a part.

(4) May be in coupon form with or without privilege of registration or may be in registered form, or both, with the privilege of converting and reconverting from one form to another.

(5) May contain covenants of the port to protect and safeguard the security and rights of holders of any such bonds and such other terms and conditions, in conformity with ORS 778.145 to 778.175, which the board in its discretion determines are necessary or desirable to protect the port or increase the marketability of the bonds. ORS 778.145 to 778.175 and any such ordinance which constitutes a contract with the holders of the bonds, and the provisions thereof shall be enforceable by any holder or any number of holders of the bonds, as the board may determine.

(6) Shall be in the form prescribed by the board and shall be signed by the president and by the secretary or an assistant secretary of the port, either manually or by their printed, engraved or lithographed signature; provided, however, that at least one signature is manual, with the seal of the port or a facsimile thereof printed, engraved or lithographed thereon or affixed thereto. Coupons, if any, attached to the bonds need bear only the printed, engraved or lithographed facsimile signature of the president and the secretary or an assistant secretary. Pending the preparation and delivery of definitive bonds, the port may issue interim certificates or temporary bonds, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. Such interim certificates or temporary bonds may contain such terms and conditions as the board may determine.

(7) May be issued with the right reserved to the board to redeem the bonds at par or at par plus a premium, in such order, and at such time or times prior to the final maturity date or dates of the bonds, as the ordinance may provide or as otherwise determined by the board, upon publication, at least 30 days before the redemption date, of at least one notice of the intended redemption in one issue of a newspaper specializing in financial matters published in any of the cities of New York, New York; Chicago, Illinois; or San Francisco, California, as the board may provide in the ordinance, and of one such notice in one issue of a newspaper of general circulation published within the corporate boundaries of the port; provided that if a bond to be redeemed is then registered, notice of the intended redemption of such bond may be given by the mailing, at least 40 days before the redemption date, of at least one such notice to the registered owner, in lieu of the publication thereof; provided, however, that failure to so mail such notice shall not affect the proceedings for such redemption. [1971 c.546 §4; 1981 c.879 §5]

778.160 Borrowing in anticipation of bond sale; bond anticipation notes; content; sale. (1) The port shall have the power, at any time and from time to time after the issuance of bonds under ORS 778.145 to 778.175 have been authorized, to borrow money for the purposes for which such bonds are to be issued in anticipation of the receipt of the proceeds of the sale of such bonds and within the authorized maximum amount of such bond issue.

(2) Bond anticipation notes shall be issued for all moneys so borrowed under the provisions of this section. Such notes may be issued for a period not exceeding one year and may be renewed from time to time for

periods of not exceeding one year, but each such note, including renewals, shall mature and be paid not later than the fifth anniversary of the date the original note was issued. Such notes shall be authorized by ordinance of the board and shall be in such denomination or denominations, shall bear interest at such rate or rates approved by the board, shall be in such form and shall be executed in such manner, all as the board shall prescribe. Such notes may be sold at public or private sale in the manner and at such price or prices as the board shall determine, provided that if such notes be renewal notes, they may be exchanged for notes then outstanding on such terms as the board shall determine. [1971 c.546 §5]

778.165 Sale of revenue bonds. The board may from time to time sell revenue bonds authorized to be issued and sold pursuant to ORS 778.145 to 778.175, at public or private sale, in the manner and at such price or prices as it shall determine. [1971 c.546 §6]

778.170 Bonds as obligations of political subdivision. Revenue bonds including refunding revenue bonds issued under ORS 778.145 to 778.175 shall be considered to be bonds or obligations of a political subdivision of the State of Oregon for the purposes of all laws of the state. [1971 c.546 §7]

778.175 Effect of ORS 778.145 to 778.175. ORS 778.145 to 778.175 is additional, alternative and supplemental authority for the port and shall not abrogate any power, right or authority otherwise granted by law to the port. [1971 c.546 §8]

The committee may hold its meetings under such rules as the board may prescribe. However, the executive committee has no power except as a committee and only as expressly conferred upon it by the rules of the board. In no event shall the committee
